Section 16(a) of the Securities and Exchange Act of 1934 requires the Company's Officers and Directors and persons who own more than ten percent (10%) of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission (SEC). Such Officers, Directors, and stockholders are required by SEC regulations to furnish the Company with copies of all such reports that they file.

While under the applicable regulations, the reporting person is responsible for making the filing, ordinarily when a reporting person engages in a transaction with the Company, such as the grant of a stock option, RSU, or similar award, Company personnel generate the report on a timely basis for the benefit of the reporting person. In the following instances, those reports were inadvertently not generated and filed on a timely basis.

Form 4s were not filed for Dr. London, Mr. Cofoni and Messrs Bradford, Fairl and Waechter for grants of RSUs they each received in August 2006 under the Management Stock Purchase Plan (MSPP). The aggregate number of RSUs for which the necessary reports were not filed on a timely basis was 7,010. A Form 4 also was not filed for Dr. London for options on 5,000 shares of common stock granted in March 2004 under the Company's 1996 Stock Incentive Plan (the 1996 Stock Plan). A Form 4 was not filed for Mr. Bradford for options on 6,000 shares of common stock granted in April 2000 under the Company's 1996 Stock Plan. All required reports subsequently have been filed by September 26, 2006.

- (1) For each of the fiscal years presented above, the salary reported for Dr. London includes a \$25,000 personal expense allowance. In the Proxy Statements for prior fiscal years, this amount was reported as Other Annual Compensation.
- (2) Other Annual Compensation for all listed executives includes the value of a 5 percent discount (15 percent for fiscal years 2005 and 2004) provided to Executive Officers deferring a portion of their annual cash bonus compensation to the purchase of common stock under the MSPP. For the fiscal years ended June 30, 2006, 2005 and 2004, Other Annual Compensation for Dr. London included \$6,322, \$58,786 and \$91,212, respectively, of value attributed to the discount. Other Annual Compensation for the fiscal years ended June 2006, 2005 and 2004 included automobile lease payments for Dr. London in the amounts of \$23,949, \$15,463 and \$15,740, respectively; for Mr. Cofoni in the amount of \$27,230 for fiscal year 2006; for Mr. Bradford in the amounts of \$18,139, \$18,946 and \$17,753, respectively, and \$24,121, \$22,522 and \$15,232, respectively, of medical expense reimbursements for Mr. Bradford. Other Annual Compensation for Mr. Bradford for fiscal year 2004 also included education tuition reimbursements of \$37,385.
- (3) Restricted stock awards consist of RSUs provided pursuant to the Company's MSPP and its 1996 Stock Incentive Plan. The amounts in this column include the portion of annual cash bonus compensation deferred by those Executive Officers allocating a portion of their annual cash bonus compensation to the purchase of shares of common stock under the MSPP. The value of restricted stock awards is calculated by multiplying the closing market price of a share of common stock on the date of grant (as adjusted by the discount provided for RSUs granted under the MSPP) by the number of restricted stock awards granted. RSUs granted under the 1996 Stock Incentive Plan and the MSPP vest in full three years from the date of grant. The aggregate number of RSUs granted under the 1996 Stock Incentive Plan for fiscal years 2004 through 2006 to each of the Executive Officers is as follows: Dr. London, 56,058; Mr. Cofoni, 18,734; Mr. Fairl, 13,915; Mr. Waechter, 16,130; and Mr. Bradford, 13,423. The value of the shares underlying the unvested RSUs is based on the price of a share of Company common stock at close of business on June 30, 2006, for each of the Officers listed above is as follows: Dr. London, \$3,269,863; Mr. Cofoni, \$1,092,754; Mr. Fairl, \$829,161; Mr. Waechter, \$940,863; and Mr. Bradford, \$782,964. Unvested RSUs previously granted to Mr. Elefante were forfeited in entirety upon his retirement from the Company on August 31, 2005.
- (4) For each of the listed executives above, All Other Compensation includes Company contributions made on behalf of the listed executives to the Company's non-qualified supplemental executive retirement savings plan (NQSP) and its 401(k) plan. The amount of the Company NQSP and 401(k) plan contributions made for the year ended June 30, 2006 for each of the listed executives, respectively, is as follows: Dr. London, \$20,226 and \$6,660; Mr. Cofoni, \$11,416 and \$3,750; Mr. Fairl, \$36,670 and \$7,718; Mr. Waechter, \$74,611 and \$6,660; Mr. Bradford, \$28,786 and \$875. For Mr. Cofoni, All Other Compensation includes \$185,355 in accrued benefits earned under the CACI International Inc Supplemental Executive Retirement Plan for Paul M. Cofoni.

(5)

Includes \$742,649 of bonus earned in connection with the Company's acquisition of the Defense and Intelligence Group of American Management Systems, Inc. in fiscal year 2004.

- (6) Mr. Bradford's compensation is paid partly in British pounds sterling and is reported in this table in U.S. dollars at the average exchange rate in effect during the applicable fiscal year. This currency conversion of pounds sterling to U.S. dollars causes Mr. Bradford's reported salary and bonus to fluctuate from year to year.
- (7) Mr. Elefante retired from his position as Executive Vice President and General Counsel effective August 31, 2005.

- (1) With the exception of the options granted to Mr. Cofoni and the 200 options granted to Mr. Waechter, the options granted during fiscal year 2006 vest annually beginning two years from the date of grant in increments as follows: 10 percent at two years from the date of grant, and 20 percent, 30 percent and 40 percent for each of the following years. The options granted to Mr. Cofoni vest annually in 20% increments for three years beginning August 14, 2007, and the remaining 40% of the options vest August 14, 2010. The options provide for full vesting upon retirement at age 65 or older. Options are not transferable without prior consent of the Compensation

Committee. In 2006, the Compensation Committee approved the assignment of 339,243 stock options for Dr. London and 137,668 stock options for Mr. Waechter to their personal trusts.

- (2) The exercise price of options granted under the 1996 Stock Incentive Plan is equal to the closing price of the common stock on the date of grant.
- (3) The potential realizable value of the options assumes option exercise seven years from the date of grant and is calculated based upon the assumption that the market price of the underlying shares will increase over the seven-year period at the assumed annual rates, compounded annually. The assumed annual rates in this column are included in SEC rules. The actual pre-tax value, if any, that an executive may realize will depend on the excess of the common stock price of a share of common stock of the Company over the grant price (listed in this table as the "exercise price") on the date the option is exercised. There is no assurance the value realized by an individual will be at or near the value estimated in this column.
- (4) The 200 options granted to Mr. Waechter vest in full on January 1, 2008.
- (5) The stock options previously granted to Mr. Elefante were forfeited in entirety effective with Mr. Elefante's retirement effective August 31, 2005.

Employment Agreements

The Company has entered into agreements with certain Executive Officers for the purpose of providing those Executive Officers with a degree of security that will enhance the chances that they will remain with the Company, even when there is a planned or threatened change of control of the Company. Generally, the term of each agreement is one year with automatic one-year extensions each year thereafter. Each Executive Officer who is a party to one of these agreements may have his employment terminated by the Company without payment of any kind in the event of death, disability, or for cause as determined by the Board. In the event of termination for any other reason, the agreements provide that the Company will pay a severance payment equal to a number of months worth of the Executive's base salary. In the event of a termination, or resignation for "good reason," within one year of the effective date of a change of control, as defined in the agreements, the agreements provide that the Company will pay a termination payment equal to a number of months worth of the Executive's base salary. The agreements restrict each Executive's rights to compete with the Company or to offer employment to Company employees following termination. Additional information about the agreements is provided below.

On August 17, 1995, the Company entered into an Employment Agreement with Dr. J. P. London, the Chairman of the Board, President, and Chief Executive Officer of the Company. The agreement provides for a salary of not less than \$200,000 per year to be set by the Board, and participation in any bonus, incentive compensation, pension, profit-sharing, stock purchase, and stock option plan as well as annuity or group insurance, medical and other benefit plans maintained by the Company for its employees. The agreement also provides that the Company will reimburse business expenses incurred in the performance of Dr. London's duties. Under the agreement, Dr. London's severance payment is equal to 18 months of his current base salary. In the event Dr. London is terminated within one year following a change of control of the Company, Dr. London will receive a termination payment equal to 36 months of his current base salary.

On September 9, 2005, the Company entered into a Severance Compensation Agreement with Paul M. Cofoni, President of CACI, INC.-FEDERAL, the terms of which are generally consistent with the description set forth above for Dr. London. If Mr. Cofoni's employment is terminated on or before August 15, 2007, his severance payment is equal to one year of his current salary and one year of CACI executive health care; if Mr. Cofoni accepts post-employment with another entity that provides health care during the one-year period, then CACI will not provide him with health care coverage; if Mr. Cofoni's employment is terminated after August 15, 2007 for reason other than for cause or change in control, his severance payment is equal to two years of his then base salary; and in the event Mr. Cofoni's employment is terminated within 18 months following a change of control, he will receive a termination payment equal to 18 months of his base salary. Mr. Cofoni has a two year non-compete provision with the Company.

On September 12, 2005, the Company entered into a Severance Compensation Agreement with William M. Fairl, Chief Operating Officer, the terms of which are generally consistent with the severance-related terms of the employment agreement set forth above for Dr. London. Mr. Fairl's severance payment is equal to four months of his current base salary plus one month base salary for each year of service, up to an aggregate maximum of 12 months worth of his salary; and in the event Mr. Fairl is terminated within one year following a change of control, he will receive a termination payment equal to two times the amount CACI would have been required to pay Mr. Fairl if his employment had been terminated in the absence of a change of control. Mr. Fairl has a two year non-compete provision with the Company.

On November 16, 2001, the Company entered into a Severance Compensation Agreement with Stephen L. Waechter, the Executive Vice President, Chief Financial Officer, Treasurer and Director of Business Services of the Company, the terms of which are generally consistent with the description set forth above for Dr. London. The severance payment is equal to 12 months worth of Mr. Waechter's current base salary; and in the event Mr. Waechter is terminated within one year following a change of control of the Company, he will receive a termination payment equal to 24 months worth of his current base salary. Mr. Waechter has a one year non-compete provision with the Company.

On July 22, 1999, the Company entered into a Severance Compensation Agreement with Gregory R. Bradford, the Chief Executive of CACI Limited, and President of the Information Solutions group, the terms of which are generally consistent with the description set forth above for Dr. London. The severance payment is equal to 12 months worth of Mr. Bradford's current base salary; and in the event Mr. Bradford is terminated within one year following a change of control of the Company, he will receive a termination payment equal to 24 months worth of his current base salary. Committees and Meetings of the Board of Directors

It is the Company's policy to encourage all Directors to attend in person its Annual Meeting of Stockholders each year as well as participate in person or, if not possible, via teleconference where feasible, in all Board of Directors and Committee meetings. Nevertheless, the Company recognizes that this may not always be possible due to conflicting personal or professional commitments. The Board held thirteen meetings during fiscal year 2006, which ended June 30, 2006. All Directors attended the 2005 Annual Meeting of Stockholders held on November 17, 2005. Each current Director attended at least seventy-five percent (75%) of the total number of meetings held by the Board and Committees of the Board on which he/she served.

The Board had a Compensation Committee, an Executive Committee, an Audit Committee, a Risk Management and Security Committee (a subcommittee of the Audit Committee), an Investor Relations Committee, a Corporate Governance and Nominating Committee, and a Strategic Assessment Committee, during fiscal year 2006.

Compensation Committee and Compensation Committee Interlocks and Insider Participation

The Compensation Committee consists of Directors Bayer, Leatherwood, Revoile, and Welch. The Board has determined that all Compensation Committee members are independent in accordance with the New York Stock Exchange's ("NYSE") definition and the Company's independence criteria, which are discussed below. Director Revoile serves as the Committee Chairman. The Compensation Committee administers the Company's 1996 Plan, MSPP, DSPP, and ESPP; defines CEO compensation; determines the benefits to be granted to key employees thereunder; is responsible for determining and making recommendations to the Board regarding compensation and benefits to be paid to Executive Officers of the Company; and maintains oversight of the Company's Affirmative Action, and Small, Disadvantaged and Minority Subcontracting activities. The Compensation Committee met four times during fiscal year 2006. Director Revoile recuses himself from the voting on officer compensation matters, to the extent required under Section 162(m) of the Internal Revenue Code. During fiscal year 2006, the members of the Compensation Committee had no relationships with the Company other than their relationship as Directors, entitled to the receipt of standard compensation as Directors and members of certain Committees of the Board, and their relationship to the Company as stockholders. No person serving on the Compensation Committee or on the Board of Directors is an Executive Officer of another entity for which any of our Executive Officers serves on the board of directors or compensation committee. The Charter of the

Compensation Committee is set forth on the Company's website at www.caci.com/about/corp_gov/comp.shtml. A report of the Compensation Committee regarding executive compensation appears below in this Proxy Statement.

16

Executive Committee

The Executive Committee consists of Directors Bayer, London, Phillips, and Revoile. Director London serves as the Committee Chairman. The Executive Committee is responsible for providing Board input and authorization necessary in the interim between full Board meetings, and for identifying those items which merit consideration or action by the entire Board. The Executive Committee met twice during fiscal year 2006.

Audit Committee

The Audit Committee consists of Directors Derow, Leatherwood, McNamara, and Phillips. The Board has determined that all current Audit Committee members are independent in accordance with SEC and NYSE requirements. Director Leatherwood is the Committee Chairman and has served as such since November 20, 2003. The Audit Committee is responsible for overseeing and reviewing the Company's financial information that will be provided to stockholders and others, the system of internal controls established by management and the Board, and the annual audit conducted by the independent accountants. The Audit Committee met five times during fiscal year 2006. The Audit Committee Charter and Pre-Approval Policy are set forth on the Company's website at www.caci.com/about/corp_gov/audit.shtml. A report of the Audit Committee appears below in this Proxy Statement.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee consists of Directors Bayer, Leatherwood, Phillips, Revoile, and Welch. The Board has determined that all current Corporate Governance and Nominating Committee members are independent in accordance with the NYSE's definition. Dr. Phillips serves as the Committee Chairman. The Corporate Governance and Nominating Committee is responsible for recommending to the Board the general criteria and qualifications for membership on the Board; identifying and selecting individuals to be nominated for election to the Board; recommending the number of Directors to be elected each year (within the bounds established by the Company's By-laws); developing and recommending to the Board a set of general corporate governance principles; and periodically reviewing, evaluating, and proposing revisions thereto. The Board seeks members from diverse business and professional backgrounds with outstanding integrity, achievement and judgment and such other skills and experience as will enhance the Board's ability to serve the long-term interests of the stockholders. The Committee met five times during fiscal year 2006. The Charter of the Corporate Governance and Nominating Committee is set forth on the Company's website at www.caci.com/about/corp_gov/nominating.shtml.

Criteria for Determining Board and Committee Independence

The Board has affirmatively determined that eight of the nine current Directors and six of the nine Director Nominees are independent in accordance with the NYSE's definition and the Company's independence criteria described below. Because of Dr. London's service as President and Chief Executive Officer of the Company, and Mr. Cofoni's service as President, U.S. Operations, CACI, INC.-FEDERAL, they are not independent as defined by the NYSE rules and the Company's independence criteria. Because Mr. Johnson received \$109,751 during the period of March 2005 to February 2006 and \$105,273 during the period of June 2005 to May 2006, he is not independent under the NYSE rules.

NYSE rules establish criteria for determining independence and allow the Company's Board of Directors to adopt additional criteria and apply those criteria to making an affirmative determination whether each Director is "independent" in accordance with the NYSE definition. The following criteria have been applied by the Board in making its affirmative determination of independence with respect to all current Directors:

- **No Material Relationship.** The director must not have any material relationship with the Company or its subsidiaries (either directly or as a partner stockholder or officer of an organization that has a relationship with the Company or its subsidiaries) apart from his/her service as a director. In making this

determination, the Board considers all relevant facts and circumstances, including commercial, charitable, and familial relationships that exist, either directly or indirectly, between the director and the Company.

17

-
- **Employment.** The director must not be nor have been an employee of the Company or any of its subsidiaries at any time during the past three years. In addition, a member of the director's immediate family (including the director's spouse; parents; children; siblings; mothers-, fathers-, brothers-, sisters-, sons- and daughters-in-law; and anyone who shares the director's home, other than household employees) must not have been an executive officer of the Company or any of its subsidiaries in the prior three years.
 - **Other Compensation.** The director and all of his/her immediate family members must not have received, during any twelve month period within the last three years, more than \$100,000 in direct compensation from the Company or any of its subsidiaries, other than in the forms of director fees and committee fees, pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service).
 - **Auditor Affiliation.** (A) The director or an immediate family member cannot be a current partner of a firm that is the Company's internal or external auditor; (B) the director cannot be a current employee of such a firm; (C) the director cannot have an immediate family member who is a current employee of such a firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or (D) the director or an immediate family member cannot have been within the last three years (but is no longer) a partner or employee of such a firm and personally worked on the Company's audit within that time.
 - **Interlocking Directorships.** The director or an immediate family member cannot be, or have been within the last three years, employed as an executive officer of another company where any of the Company's present executive officers at the same time serves or served on that company's compensation committee.
 - **Business Transactions.** The director cannot be a current employee, and no immediate family member of the director can be a current executive officer, of a company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues

Nominating Process

The Company's By-Laws describe the procedure by which the Board, a Board Committee, or stockholder who is entitled to vote and meets the By-Laws' advance notification requirements may recommend a candidate for nomination as a Director.⁽¹⁾ The Corporate Governance and Nominating Committee is tasked with, among other things, identifying and recommending prospective Director nominees.⁽²⁾ It is the Committee's policy to consider similarly, irrespective of the source of the nomination, all Director nominee recommendations properly presented in accordance with the prescribed By-law requirements on the basis of the potential Director nominee's background and business experience. The criteria that the Committee uses in assessing potential Director nominees is set forth in the Corporate Governance and Nominating Committee's Charter, which is available at the Company's website, www.caci.com/about/corp_gov/nominating.shtml.

(1) The Company's By-laws describe the information submission and advanced notification requirements for stockholder recommendations of Director nominees. The Company's By-laws, however, do not obligate the Company to include information about the candidate in the Company's proxy materials, nor do they require the Company to permit the stockholder to solicit proxies for the candidate using Company proxy materials. For the Company's 2007 Annual Meeting of Stockholders, stockholder notice of a potential Director nominee must be received by the Corporate Secretary at CACI International Inc, 1100 North Glebe Road, Arlington, Virginia 22201 by June 19, 2007. The By-laws are available by writing to the Secretary at the above-stated address or at the Company's website at www.caci.com/about/corp_gov/bylaws_3-00.pdf.

(2) From time to time, the Company may utilize a third party to assist in identifying and qualifying potential Director nominees.

Stockholder Communications with Directors

Stockholders may communicate directly with the Company's Board of Directors or any Director or Committee member, including Audit Committee members, by sending correspondence to such individual c/o CACI International Inc, 1100 North Glebe Road, Arlington, Virginia 22201, Attn: Arnold D. Morse, Corporate Secretary. It is the Company's policy to forward directly to the Directors all such communications addressed to them and delivered to the Company at the above stated address.

Executive Sessions

Pursuant to NYSE requirements, two executive sessions of non-management Directors were held during fiscal year 2006. The Chairman of the Corporate Governance and Nominating Committee acted as the presiding Director at all such meetings.

COMPANY STOCK PERFORMANCE CHART

The following charts show how \$100.00 invested as of June 30, 2001, in shares of the Company's common stock would have grown during the five-year period ending June 30, 2006, as a result of changes in the Company's stock price, compared with \$100.00 invested in the Russell 2000 Stock Index, the Russell 1000 Stock Index, and the Dow Jones Wilshire Computer Services, and the Company-selected peer group of companies, assuming the reinvestments of any dividends.

The Russell 1000 Stock Index was chosen as the current index because it represented companies of a comparable market capitalization (market capitalization ranging from \$409.4 billion to \$1.4 billion as of May 31, 2006). The Russell 1000 Index includes the largest 1,000 securities in the Russell 3000 Index. It offers investors access to the large-cap segment of the U.S. equity universe representing approximately 92% of the U.S. market. The Company was named to the Russell 1000 in 2005 because of its market capitalization. By contrast, the Company's former index, the Russell 2000 Index, represents the small-cap segment of the U.S. equity population and includes the smallest 2,000 securities in the Russell 3000 Index.

The Dow Jones Wilshire Computer Services index was chosen as the current Company Peer Group because it reflects those companies that perform and deliver similar service offerings. The Company is a component company of the Dow Jones Wilshire Computer Services Index, which includes the following additional companies: Computer Sciences Corporation, Dynamic Research Corp., Electronic Data Systems Corporation, International Business Machines Corporation, NCI, Inc., Perot Systems Corporation, SI International, Inc., SRA International, Inc., and Unisys Corporation.

By contrast, the number of companies in the former Company peer group had declined since 2004 as a result of several being acquired or becoming privately held. As a group, the remaining companies of the former Company peer group Accenture, BearingPoint, Inc., Computer Sciences Corporation, Electronic Data Systems Corporation, Sourcecorp, Inc. and SRA International, Inc. no longer adequately reflected the service offerings related to those conducted by the Company.

The historical information set forth in the following charts is not necessarily indicative of future performance.

PROPOSAL 2: APPROVAL OF THE 2006 STOCK INCENTIVE PLAN

On August 16, 2006, the Board adopted the 2006 Stock Incentive Plan (the "2006 Stock Plan"). The Company currently maintains the 1996 Stock Incentive Plan ("the 1996 Stock Plan"), as described above under "Director and Executive Officer Compensation." By its terms, the 1996 Stock Plan will be terminated on November 14, 2006, at which time no further grants may be made under the Plan. The proposed 2006 Stock Plan is intended as a replacement for the 1996 Stock Plan.

The 2006 Stock Plan is attached as **Appendix A** hereto and the description of the 2006 Stock Plan is subject to the actual text of the 2006 Stock Plan.

Description of the CACI International Inc 2006 Stock Incentive Plan

The 2006 Stock Plan is designed to promote the long-term growth and profitability of the Company by: (i) providing directors and employees with incentives to improve stockholder value and to contribute to the growth and financial success of the Company; and (ii) enabling the Company to attract, retain and reward key employees.

The 2006 Stock Plan authorizes the grant of: (i) incentive stock options, or options to purchase our common stock intended to qualify as incentive stock options, as defined in Section 422 of the Internal Revenue Code ("Code"); (ii) options that do not so qualify, known as non-incentive stock options; (iii) shares of stock at no cost or at a purchase price set by the Compensation Committee, subject to restrictions and conditions determined by the Compensation Committee, referred to in this proxy statement as restricted stock; (iv) unrestricted shares of stock at prices set by the Compensation Committee, referred to in this proxy statement as unrestricted stock; (v) rights to acquire shares of our common stock upon the terms and conditions stated in the 2006 Stock Plan, known as restricted stock units; (vi) rights to receive cash payments based on or measured by appreciation in the market price of the Company's common stock, referred to in this proxy statement as stock appreciation rights; and (vii) performance awards, or awards that can be in the form of incentive and non-incentive stock options, restricted stock, restricted stock units, stock appreciation rights and/or unrestricted stock and that are conditioned on the attainment of specified performance measures, referred to in this proxy statement as performance awards.

Up to 2,000,000 shares of the Company's common stock (subject to adjustment upon certain changes in the capitalization of the Company), plus the 1,294,048 unused shares available under the 1996 Stock Incentive Plan, may be issued pursuant to awards granted under the 2006 Stock Plan. No more than 750,000 shares of the Company's common stock may be awarded in the form of restricted stock, restricted stock units, or unrestricted stock. No covered employee (generally, the chief executive officer and the four highest paid executive officers other than the chief executive officer) may be granted awards under the 2006 Stock Plan with respect to more than 300,000 shares of the Company's common stock in any calendar year. Vesting of awards must take a minimum of three years for shares that vest based upon continuous service and at least one year for shares that vest based on performance. Awards may also become fully vested upon a change in control of the Company, disability, death, or retirement on or after age 65.

The 2006 Stock Plan will be administered by the Compensation Committee, which will also have the power to delegate responsibility. The Compensation Committee will select the individuals to whom awards are granted and will determine the terms of each award, subject to the provisions of the 2006 Stock Plan. Awards may be granted under the 2006 Stock Plan to members of our board who are also employees, officers and other key employees. In addition, as described below, non-employee directors will be eligible only for grants of non-incentive stock options. As of September 1, 2006, approximately 90 individuals were eligible to participate in the 2006 Stock Plan.

No options may extend for more than ten years from the date of grant (five years in the case of an incentive stock option recipient who owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any parent or subsidiary, referred to as greater-than-ten-percent-stockholders). The exercise price of any options granted under the 2006 Stock Plan must be at least equal to the fair market value of the Company's common stock on the date of grant (110% of fair market value in the case of incentive stock options of a greater-than-ten-percent-stockholder). The aggregate fair market value (determined at the time of grant) of shares issuable pursuant to incentive stock options which first become exercisable by an employee or officer (non-employee directors are not eligible to receive incentive stock options) in any calendar year may not exceed \$100,000. Non-employee directors will receive a grant of 5,000 non-incentive stock options upon initial election to the Board, and

21

an annual grant of 3,000 non-incentive stock options thereafter. The Company will not be able to reprice options without obtaining stockholder approval. In addition, upon the granting by the Compensation Committee of stock appreciation rights, all shares underlying the grant of stock appreciation rights (not just those shares paid to the executive upon exercise of the stock appreciation right) will be unavailable for further grants.

Incentive stock options are non-transferable except by will or by the laws of descent or distribution and are exercisable, during the recipient's lifetime, only by the recipient. Awards other than incentive stock options may be transferable, with the Compensation Committee's permission, by gift or domestic relations order to members of the recipient's family or a trust or other entity established for such family members. Incentive stock options generally may not be exercised after (i) termination of the recipient's employment by the Company for cause; (ii) ninety days after termination of the recipient's employment by the Company without cause or by the recipient voluntarily, including retirement in accordance with the Company's policy; (iii) one year following the recipient's termination of employment with the Company by reason of disability; and (iv) two years following a recipient's death if the recipient's death occurs prior to termination of employment with the Company. The terms and conditions of all other awards will be determined by the Compensation Committee in connection with each grant, if any.

Description of Reasons for Seeking Stockholder Approval of the 2006 Stock Plan

Stockholder approval is being sought for the 2006 Stock Plan for three reasons. First, under the listing standards of the New York Stock Exchange, stockholder approval of equity compensation plans is a prerequisite to the listing of shares issuable under the 2006 Stock Plan. Second, under Section 422 of the Code, stockholder approval is necessary for certain stock options to qualify as incentive stock options.

Finally, stockholder approval is needed to satisfy one of the prerequisites for treatment of certain payments under the 2006 Stock Plan as "performance-based compensation" within the meaning of Section 162(m) of the Code. Under Section 162(m) of the Code, the amount that the Company may deduct on its federal income tax return for compensation paid to certain covered employees in any taxable year is limited to \$1,000,000 per individual. However, compensation that qualifies as "performance-based compensation" is not subject to the \$1,000,000 deduction limit. Certain awards under the 2006 Stock Plan may qualify for the "performance-based compensation" exception under Section 162(m), if the procedures thereunder are followed. With respect to these performance awards, stockholders are asked to approve the following:

- (1) the employees eligible to receive the performance awards (which will consist of key employees, including covered employees);
- (2) the performance goal or goals, established by the Compensation Committee within the parameters set forth below, needed to be attained before the performance award is granted, vests, or is otherwise paid or delivered; and
- (3) either the maximum amount of compensation that could be paid, or the method for computing the amount that shall be granted, vested, paid, and/or delivered if the performance goal or goals are fully or partially attained, (the maximum number of shares that may be granted during any calendar year to a covered employee

under the 2006 Stock Plan is 300,000).

In addition, stockholders are being asked to approve the following measures (whether in absolute or relative terms) of the performance of the Company to be used in conjunction with any performance goals in connection with performance awards intended to qualify for the "performance-based compensation" exception under Section 162(m): basic or diluted earnings per share of the Company's common stock; earnings per share of the Company's common stock growth; revenue; operating income or profit; net income or profit (either before or after taxes); earnings and/or net income or profit before interest and taxes; earnings and/or net income or profit before interest, taxes, depreciation and amortization; return on capital; return on equity; return on assets; net cash provided by operations; free cash flow; common stock price; economic profit; economic value; total stockholder return; and gross margins and costs.

Finally, with respect to awards under the 2006 Stock Plan that qualify as performance-based compensation, the Compensation Committee will (i) establish, by the earlier to occur of (A) 90 days after the beginning of the performance period to which the performance goal or goals apply and (B) the elapse of 25% of such performance period, specific and objective performance goals (the outcome of which will be substantially uncertain at the time they are established) and the method of calculating the related payments, in a manner consistent with the requirements

22

of Section 162(m) of the Code; and (ii) certify, at the end of the performance period to which the performance goal or goals apply, and prior to any vesting, payment or delivery, the extent to which the applicable performance goal or goals were attained.

New Plan Benefits Table

The specific amounts of benefits payable in the future to participants in the 2006 Stock Plan are not fully determinable because the amounts of the grants of such awards have not been established. However, the following chart is completed based on the amounts of grants awarded in recent years, the Company achieving certain financial goals for its fiscal year ending June 30, 2007, and a price of a share of the Company's common stock on the ultimate grant date that is consistent with the closing price as reported by the NYSE on September 20, 2006, the date of record for this Proxy Statement. It is noted that the actual awards granted may differ significantly from the amounts shown below, based on the future financial performance of the Company and the price of a share of common stock on the grant dates.

* The number of units and the dollar value of such units are not determinable because it has not been established whether performance awards will be granted, and if so, in what amounts.

(1) This reflects non-incentive stock options and shares of restricted stock to be granted to the Executive Group. The final dollar value will be determined by the Compensation Committee in June 2007.

- (2) This reflects the estimated value for the Executive Group, divided by the closing share price on September 20, 2006. The final number of units will be based upon the stock price on the date of grant.
- (3) This reflects the 23,000 non-incentive stock options to be granted to the seven non-executive directors who will be eligible to participate in the 2006 Stock Plan multiplied by the Black-Scholes value of shares on September 20, 2006, an estimated value of the shares underlying the non-incentive stock options on the date of grant.
- (4) Under the 2006 Stock Plan, non-executive directors will be granted 5,000 shares upon their initial election to the Board, and will be granted 3,000 non-incentive options annually thereafter. This total reflects one non-executive director initially elected to the Board in 2007 receiving a grant of 5,000 non-incentive stock options, and six non-executive directors continuing service on the Board in 2007, each to receive a grant of 3,000 non-incentive stock options.

Federal Income Tax Information with Respect to the 2006 Stock Plan

The grantee of a non-incentive stock option recognizes no income for federal income tax purposes on the grant thereof. On the exercise thereof, the difference between the fair market value of the underlying shares of the Company's common stock on the exercise date and the option exercise price is treated as compensation to the holder of the option taxable as ordinary income in the year of exercise, and such fair market value becomes the basis for the underlying shares which will be used in computing any capital gain or loss upon disposition of such shares. Subject to certain limitations, the Company may deduct for the year of exercise an amount equal to the amount recognized by the option holder as ordinary income upon exercise of a non-incentive stock option.

23

The grantee of an incentive stock option recognizes no income for federal income tax purposes on the grant thereof. Except as provided below with respect to the alternative minimum tax, there is no tax upon exercise of an incentive stock option. If no disposition of shares acquired upon exercise of the incentive stock option is made by the option holder within two years from the date of the grant of the incentive stock option or within one year after exercise of the incentive stock option, any gain realized by the option holder on the subsequent sale of such shares is treated as a long-term capital gain for federal income tax purposes. If the shares are sold prior to the expiration of such periods, the difference between the lesser of the value of the shares at the date of exercise or at the date of sale and the exercise price of the incentive stock option is treated as compensation to the employee taxable as ordinary income and the excess gain, if any, is treated as capital gain (which will be long-term capital gain if the shares are held for more than one year).

The excess of the fair market value of the underlying shares over the option price at the time of exercise of an incentive stock option will constitute an item of tax preference for purposes of the alternative minimum tax. Taxpayers who incur the alternative minimum tax are allowed a credit which may be carried forward indefinitely to be used as a credit against the regular tax liability in a later year; however, the minimum tax credit can not reduce the regular tax below the alternative minimum tax for that carryover year.

In connection with the sale of the shares covered by incentive stock options, the Company is allowed a deduction for tax purposes only to the extent, and at the time, the option holder receives ordinary income (for example, by reason of the sale of shares by the holder of an incentive stock option within two years to the date of the grant or one year after the exercise of the Incentive Stock Option), subject to certain limitations on the deductibility of compensation paid to executives, including the deductibility limitation under Section 162(m) of the Code, unless the grant of the incentive stock option is included as part of a performance award that qualifies as [performance-based compensation] under Section 162(m) of the Code.

With respect to all non-option awards, including performance awards that are granted in a form other than options, the recipient is taxed on the full value of the Company's common stock transferred and/or cash distributed to him or her as ordinary income. The Company will be allowed a deduction for these amounts in the year of transfer or distribution, subject to the deductibility limitations under Section 162(m) of the Code as described above.

Vote Required and Recommendation

Approval of the 2006 Stock Plan requires the affirmative vote of a majority of the votes cast, provided that a majority of the votes entitled to be cast have been cast on the proposal.

The Board recommends that stockholders vote FOR the 2006 Stock Plan.

PROPOSAL 3: APPROVAL OF THE AMENDED AND RESTATED MANAGEMENT STOCK PURCHASE PLAN

On August 15, 2002, the Board adopted the CACI International Inc Management Stock Purchase Plan (the "MSPP"). At the November 21, 2002 Annual Meeting, the stockholders approved the MSPP. On August 16, 2006, the Board adopted an amendment and restatement of the MSPP in order to, among other items, increase the number of shares of the Company's common stock available under the MSPP, create a new award intended to qualify under the "performance-based compensation" exception to Section 162(m) of the Code, provide the Company with the discretion to grant matching awards, and conform certain provisions of the MSPP to the requirements of Section 409A of the Code, which imposes new rules as to deferred compensation which vests in 2005 or later.

The MSPP, as amended and restated (the "Amended and Restated MSPP"), is attached **Appendix B** hereto and this description of the Amended and Restated MSPP is subject to the actual text of the Amended and Restated MSPP

Description of Existing CACI International Inc Management Stock Purchase Plan

The MSPP, as currently in effect, permits defined executives of the Company and its subsidiaries who hold the position of executive vice president or above to elect to receive RSUs in lieu of up to 30% of his or her pre-tax annual incentive bonus for each fiscal year (July 1 through June 30). Each RSU represents the participant's right to receive

24

one share of the Company's common stock upon the terms and conditions stated in the MSPP. The participants are required to make such elections prior to June 30 (the last day of the fiscal year to which the bonus amount applied) by completing a bonus deferral and RSU subscription agreement. RSUs are granted at a discounted cost equal to the fair market value of the Company's common stock on the date of grant, less five percent. The "fair market value" of the Company's common stock is defined as the last reported price at which the common stock was traded on the date of the grant or, if no common stock is traded on that date, the price on the most recent date on which the Company's common stock was traded, in either case, as reflected on the applicable registered national securities exchange. With limited exceptions and provided that that he or she remains employed by the Company, a participant is fully vested in each RSU 36 months after the date the RSU was awarded.

With respect to each vested RSU, the Company issues to the participant one share of the Company's common stock at the earlier of: (a) the end of the deferral period specified in the participant's subscription agreement, which may be, at the election of the participant, three or more years, (b) the date of the participant's termination of employment, or (c) the date of the termination of the MSPP. The Company has reserved for issuance to Participants under the MSPP an aggregate of 300,000 shares of common stock, which shares were to be purchased by the Company in the market on a periodic basis as required.

The MSPP is administered by the Compensation Committee, which is also responsible for questions involving the administration and interpretation of the MSPP. The MSPP may be amended or terminated by the Board at any time, subject to certain restrictions.

Principal Differences between the Amended and Restated MSPP and the MSPP

The Amended and Restated MSPP provides for equity ownership in the Company by certain eligible senior executives by: (i) requiring the deferral of a portion of their bonuses in the Company's common stock; (ii) permitting such executives to use their bonuses to acquire additional shares of the common stock at a discount of up to 15%; and (iii) providing such executives with other economic incentives to use bonuses to acquire additional shares of the Company's common stock.

The Amended and Restated MSPP contains the following principal differences from the MSPP:

- The number of shares of common stock that the Company has reserved for issuance under the Amended and Restated MSPP has been increased from 300,000 to 500,000.
- The Compensation Committee may authorize the issuance of RSUs at a discount to fair market value of up to 15% rather than 5%.
- Rather than participation being solely discretionary, the Amended and Restated MSPP provides for: (i) mandatory deferrals of 20% (or a greater or lesser percentage as determined by the Company) of a participant's bonus in RSUs; and (ii) elective deferrals of up to all of a participant's remaining bonus towards the purchase of RSUs. A participant may elect to defer all or a portion of his or her remaining bonus by completing a subscription agreement with the Company no later than December 31 in the fiscal year (July 1 through June 30) in which the bonus is earned (or as otherwise specified in the Amended and Restated MSPP for elective deferrals that qualify as 162(m) awards).
- The Amended and Restated MSPP provides that the Company may grant matching awards, in an amount not to exceed 25% of the participant's mandatory and elective deferrals. The matching grants will be granted at the discretion of the Compensation Committee no later than December 31 of the fiscal year in which the bonus is earned (or as otherwise specified in the Amended and Restated MSPP for matching awards that qualify as 162(m) awards).
- The awards fully vest after 36 months of continuous employment, or if earlier, upon death, disability, or a "change in control" as defined in the Amended and Restated MSPP (and in the case of matching awards, upon retirement on or after age 65).

25

Certain Other Differences between the Amended and Restated MSPP and the MSPP

- The Amended and Restated MSPP contains a number of changes required by Section 409A of the Code. These changes include: (i) additional restrictions on the timing of when participants must make certain elective deferrals and when the Company must grant matching awards that do not qualify as 162(m) awards; (ii) additional limitations as to when the Company may terminate the Amended and Restated MSPP and make distributions to participants; (iii) additional restrictions as to the timing of distributions; and (iv) clarifications of definitions of certain provisions.
- A limit has been placed on the total dollar value of the RSUs awarded to any participant in any fiscal year.
- The definition of "change in control" has been amended to be consistent with both the 1996 Stock Plan and the proposed 2006 Stock Plan.
- The definition of "fair market value" has been amended to be consistent with both the 1996 Stock Plan and the proposed 2006 Stock Plan by being measured using "closing price per share" rather than "last reported sales price."
- The Amended and Restated MSPP reflects an amendment to the MSPP that expanded the class of executives eligible for participation in the MSPP from all U.S.-based executive vice presidents and above to all U.S.-based senior vice presidents and above, which was approved by the Compensation Committee and the Board in 2004 but not reflected in the MSPP.
- Participants whose employment is terminated for cause as defined in the Amended and Restated MSPP will forfeit their right to receive common stock, as well as the discount element of the RSUs. Such executives would not forfeit the underlying deferred bonus, but would receive the lesser of (i) the dollar amount of the deferred bonus (plus interest on the deferred bonus at the one year Treasury bill rate), or (ii) the value of the RSUs (based on the current fair market value of the Company's common stock).

The Amended and Restated MSPP is designed to promote the long-term growth and profitability of the Company by: (i) providing directors and employees with incentives to improve stockholder value and to contribute to the growth and financial success of the Company; and (ii) enabling the Company to attract, retain

and reward key employees. The Board believes that the Amended and Restated MSPP will better serve these goals than the MSPP, because matching awards and the granting of RSUs at a greater discretionary discount percentage will encourage executives to convert a higher percentage of their bonuses into Company equity. Moreover, the mandatory deferral will result in a higher percentage of equity ownership by executives. Each of these factors should better align the interests of these executives with those of the Company's stockholders.

Reasons for Seeking Stockholder Approval of the Amended and Restated MSPP

Stockholder approval is being sought for the Amended and Restated MSPP for two principal reasons. First, under the listing standards of the New York Stock Exchange, stockholder approval of equity compensation plans or material amendments to existing equity compensation plans is a prerequisite to the listing of shares issuable under the Plan. Certain of the amendments to the MSPP reflected in the Amended and Restated MSPP are material. If the Amended and Restated MSPP is not approved by the stockholders, the MSPP will remain in place and the Board may still make certain amendments to the MSPP that do not require stockholder approval.

Second, stockholder approval is needed to satisfy one of the prerequisites for treatment of certain payments under the Amended and Restated MSPP as "performance-based compensation" within the meaning of Section 162(m) of the Code. As discussed with respect to the 2006 Stock Plan, under Section 162(m) of the Code, the amount that the Company may deduct on its federal income tax return for compensation paid to certain covered employees in any taxable year is limited to \$1,000,000 per individual. However, compensation that qualifies as "performance-based compensation" is not subject to the \$1,000,000 deduction limit. Certain awards under the 2006 Stock Plan may qualify for the "performance-based compensation" exception under Section 162(m) if the procedures thereunder are followed. Similar to the 2006 Stock Plan and with respect to these performance awards, the stockholders are asked to approve the following:

- (1) the employees eligible to receive the performance awards (which will consist of all U.S.-based key employees holding the position of senior vice president and above);

26

-
- (2) the performance goal or goals, established by the Compensation Committee within the parameters set forth below, needed to be attained before the performance award is granted, vests, or is otherwise paid or delivered; and
 - (3) either the maximum amount of compensation that could be paid, or the method for computing the amount that shall be granted, vested, paid, and/or delivered if the performance goal or goals are fully or partially attained (the maximum dollar value of the RSUs that can be awarded to a participant in any fiscal year may be up to 100% of the participant's bonus paid for that fiscal year).

In addition, stockholders are being asked to approve the following measures (whether in absolute or relative terms) of the performance of the Company to be used in conjunction with any performance goals in connection with performance awards intended to qualify for the "performance-based compensation" exception under Section 162(m): basic or diluted earnings per share of the Company's common stock; earnings per share of the common stock growth; revenue; operating income or profit; net income or profit (either before or after taxes); earnings and/or net income or profit before interest and taxes; earnings and/or net income or profit before interest, taxes, depreciation and amortization; return on capital; return on equity; return on assets; net cash provided by operations; free cash flow; common stock price; economic profit; economic value; total stockholder return; and gross margins and costs.

Finally, with respect to awards subject to Section 162(m) of the Code, the Compensation Committee will (i) establish, by the earlier to occur of (A) 90 days after the beginning of the performance period to which the performance goal or goals apply and (B) the elapse of 25% of such performance period, specific and objective performance goals (the outcome of which will be substantially uncertain at the time they are established) and the method of calculating the related payments, in a manner consistent with the requirements of Section 162(m) of the Code; and (ii) certify, at the end of the performance period to which the performance goal or goals apply, and prior to any vesting, payment or delivery, the extent to which the applicable performance goal or goals were attained.

New Plan Benefits Table

The specific amounts of benefits payable in the future to participants in the Amended and Restated MSPP are not fully determinable because the amounts of the grants of such awards have not been established. However, the following chart is completed based upon the Company achieving certain financial goals for its fiscal year ending June 30, 2007, a 20% bonus deferral for all eligible participants, and a price of a share of the Company's common stock on the ultimate grant date that is consistent with the closing price as reported by the NYSE on September 20, 2006, the date of record for this Proxy Statement. It is noted that the actual awards granted may differ significantly from the amounts shown below, based on the future financial performance of the Company and the price of a share of common stock on the grant dates.

NEW PLAN BENEFITS**AMENDED AND RESTATED MSPP**

(1) This reflects the sum of the estimated discount value and the amount of the bonus deferral of shares purchased via the MSPP, based upon the Company achieving certain financial goals.

(2) This reflects the estimated value divided by the closing stock price on September 20, 2006. The final number of units will be based upon the stock price on the date of grant.

Federal Income Tax Information With Respect To The Amended and Restated Management Stock Purchase Plan

The Participant is taxed on the full value of the Company's common stock transferred and/or cash distributed to him or her. The Company will be allowed a deduction for these amounts in the year of transfer or distribution, subject to the deductibility limitation under Section 162(m) of the Code as described above.

Vote Required and Recommendation

Approval of the 2006 Stock Plan requires the affirmative vote of a majority of the votes cast, provided that a majority of the votes entitled to be cast have been cast on the proposal.

The Board recommends that stockholders vote FOR the Amended and Restated MSPP.

PROPOSAL 4: ADJOURNMENT OF THE MEETING IF NECESSARY TO PERMIT FURTHER SOLICITATION OF PROXIES

If, at the time the Company convenes the Annual Meeting, the total votes cast on Proposal 2 or 3 above are insufficient to meet NYSE requirements for approval of either proposal, such proposal could not be approved unless the Company adjourns the Annual Meeting to reconvene at a later date in order to permit management to solicit additional proxies. In order to allow proxies received at the time of the Annual Meeting to be voted for such an adjournment, if necessary, the Company is submitting the question of adjournment under those

circumstances to the stockholders as a separate procedural matter for consideration. If a quorum is present, the vote of the holders of a majority of the shares present, or represented, and entitled to vote at the Annual Meeting will be required to approve any such adjournment to a later date.

If it is necessary to adjourn the Annual Meeting of Stockholders to a later date and the adjournment is for a period of less than 30 days, the Company will not be required to give any additional notice of the time and place of the adjourned meeting to stockholders other than an announcement at the Annual Meeting. The Company expects that stockholders will take final action to elect Directors and to vote on Proposal 4 on the scheduled date of the Annual Meeting (November 16, 2006), regardless of whether the meeting is adjourned to a later date for further consideration of Proposals 2 and 3.

The Board recommends that stockholders vote FOR the adjournment.

PROPOSAL 5: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Ernst & Young LLP currently serves as the Company's independent auditors, and that firm conducted the audit of the Company's accounts for fiscal year 2006. The Audit Committee has appointed Ernst & Young LLP to serve as independent auditors to conduct an audit of the Company's accounts for fiscal year 2007.

Selection of the Company's independent auditors is not required to be submitted to a vote of the shareholders of the Company for ratification. The Sarbanes-Oxley Act of 2002 requires the Audit Committee to be directly responsible for the appointment, compensation and oversight of the audit work of the independent auditors. However, the Board of Directors is submitting this matter to the stockholders as a matter of good corporate practice. If a quorum is present, the vote of the holders of a majority of the shares of stock and entitled to vote in person or by proxy at the Annual Meeting will be required to ratify such selection. Broker non-votes will not be considered entitled to vote for this purpose. If the stockholders fail to vote in favor of the selection, the Audit Committee will reconsider whether to retain Ernst & Young LLP, and may retain that firm or another without re-submitting the matter to the Company's stockholders. Even if stockholders vote in favor of the appointment, on an advisory basis, the Audit Committee may, in its discretion, direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of the Company and the stockholders.

Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

The Board recommends that stockholders vote FOR ratification of Ernst & Young LLP as independent auditors.

Pre-Approval Policies and Procedures

The Audit Committee has adopted policies and procedures relating to the approval of all audit and non-audit services that are to be performed by the Company's independent auditors. All audit services were pre-approved by the Audit Committee.

From time to time, the Audit Committee may pre-approve specified types of services that are expected to be provided to the Company by its independent auditors during the next 12 months. Any such pre-approval is

detailed as to the particular service or type of services to be provided and is also generally subject to a maximum dollar amount.

The Audit Committee has also delegated to the chairman of the Audit Committee the authority to approve any audit or non-audit services to be provided to the Company by its independent auditors. Any approval of services by a member of the Audit Committee pursuant to this delegated authority is reported on at the next meeting of the Audit Committee.

COMPENSATION COMMITTEE REPORT FOR FISCAL YEAR 2006

The Company's executive compensation policies and practices are overseen by the Compensation Committee of the Board of Directors. In fiscal year 2006 the members of the Committee were Michael J. Bayer, Richard L. Leatherwood, Charles P. Revoile, and Larry D. Welch. Each Committee member is a non-employee Director and meets the independence requirements established by the New York Stock Exchange. Committee actions concerning Executive Officer compensation are subject to full Board review. Award decisions under the Company's 1996 Employee Stock Incentive Plan, however, are delegated exclusively to the Committee.

Set forth below is the report of the Committee for fiscal year 2006 addressing the Company's executive compensation policies for fiscal year 2006 as they affected (1) Dr. London and (2) Messrs. Bradford, Elefante⁽¹⁾, Cofoni, Fairl, and Waechter, who were the Company's Executive Officers.

Executive Compensation Policies

Philosophy. The Committee bases its executive compensation policy on the same principles that guide the Company in establishing all its compensation programs. We design programs to attract, retain, and motivate highly talented individuals at all levels of the organization. Consistent with our overall philosophy, Executive Officers' compensation levels are intended to be fair (but not excessive) and competitive with similar sized companies in the Company's industry. The program consists of both annual and long-term components.

Compensation Consultant. The Committee has authority under its charter to engage the services of outside advisors, experts and others to assist the Committee. In accordance with this authority, the Committee engages Watson Wyatt & Company as an independent outside compensation consultant to advise the Committee on all matters related to CEO and other executive compensation. The compensation consultant attended all meetings of the Committee. The Committee also uses salary analysis information provided by another consultant retained by the Company.

Methodology. In setting executive compensation levels, the Committee takes into account both objective and subjective performance criteria, including:

- market compensation data surveys;
- the Company's after-tax earnings;
- actual versus target operating performance in terms of revenue and after-tax earnings;
- individual initiative and contributions to overall performance;
- individual achievement of specific, pre-set strategic objectives;
- managerial ability;
- performance of special projects; and
- with respect to Mr. Bradford, the Company's only Executive Officer serving outside the United States, the Committee considered, but did not use, cost of living and expatriate adjustments.

Components of Executive Compensation for 2006

The Company determines base salary based on Company and individual performance for the previous year, and market conditions, including pay at comparable companies in the market. As a general rule, the Company sets executive salaries at or below the mid-point of the market.

In addition to base compensation, executive incentive compensation programs include performance thresholds, below which either no bonus or a significantly reduced bonus is paid. It is the Committee's intent by considering these criteria to tie a significant portion of the Executive Officers' compensation to Company performance and to pre-established performance criteria.

-
- (1) Jeffrey P. Elefante, former Executive Vice President, General Counsel, Secretary, and Director of Contract and Administrative Services retired from the company effective August 31, 2005.

31

The Company uses stock-based compensation to the Executive Officers as a means of (1) aligning the interests of management with those of the stockholders, and (2) retaining and recruiting key executives through the use of stock option awards and restricted stock units with future exercise dates. The Executive Officers may participate in: (1) the Company's 1996 Employee Stock Incentive Plan; (2) the Executive Stock Bonus Plan; (3) the Officer Stock Deposit Program; and (4) the Management Stock Purchase Plan. For fiscal year 2006, awards of options and restricted stock units under the 1996 Stock Plan were made based on the position of the officer and the achievement of certain performance measures.

The Committee has adopted Executive Stock Ownership Guidelines for Executive Officers to help foster a focus on long-term growth. The Committee expects Executive Officers to own common stock equal to a multiple of the Executive Officers' base salary within 6 years of becoming an eligible officer.

Executive Officers also are permitted to participate in certain broad-based employee benefit plans on substantially the same terms as other employees who meet applicable eligibility criteria, subject to any legal limitation placed on the amounts that may be contributed or the benefits that may be payable under such plans. For example, the Company makes matching contributions to the Company's voluntary 401(k) plan on behalf of the Executive Officers based on the amount of each Executive Officer's contributions to the Plan and on the Company's profits for each fiscal year and to the CACI Non-Qualified Executive Retirement Plan based on the Executive Officer's compensation. The Executive Officers may elect to contribute a percentage of their compensation to the CACI Non-Qualified Executive Retirement Plan.

Relationship of Executive Compensation to Company Performance

Compensation paid to the Executive Officers in fiscal year 2006 (as reflected in the Summary of Executive Officer Compensation table included in this Proxy Statement) consisted primarily of base salary and performance bonus, along with specific stock option and/or restricted stock unit grants (as reflected in the Option Grants During Fiscal Year 2006 table included in this Proxy Statement).

Compensation plans for fiscal year 2006 were developed late in fiscal year 2005 following a review of compensation to ascertain the compensation levels that would be necessary or desirable to maintain the Company's compensation structure on a competitive basis, and to provide appropriate incentive for achieving desired Company performance. Specific performance targets were established and incorporated into fiscal year business plans that were developed by the Executive Officers under the supervision of the Chief Executive Officer and approved by the Board of Directors.

The approved fiscal year business plans were used as the basis for the Company's performance bonus plans, which provided for bonus payments to Executive Officers based on actual versus target operating performance in terms of after-tax earnings for the Company as a whole; and for those Executive Officers in charge of an operating unit, for the Executive Officer's particular unit. These plans provided for (1) no bonus payment for performance below a pre-set minimum profit threshold; (2) payment of a base bonus for performance that exceeded the minimum profit threshold; and (3) payment of an enhanced bonus at increasing percentage levels as performance met or exceeded additional pre-set profit levels.

The Company's incentive compensation plans also allowed for payment of additional compensation on the basis of achievement of (1) specific, pre-set strategic objectives and (2) an evaluation of each Executive Officer's initiative and contributions to overall performance apart from quantitative financial performance. Payments pursuant to such subjective criteria were determined at or close to the end of fiscal year 2006 after discussions among the Committee and, for all Executive Officers other than Dr. London, after discussions between the Committee and Dr. London.

Chief Executive Officer Compensation

The Committee's approach to setting the Chief Executive Officer's compensation, as in the case of the other Executive Officers, is to tie a significant portion of his compensation to Company performance while seeking to be competitive with other similar sized companies in the Company's industry and to provide the Chief Executive Officer with some certainty as to the level of his compensation through base salary. The Committee believes that this approach appropriately rewards the CEO for achievement of Company performance goals.

32

In 2006, the CEO's base compensation was increased 13% from \$620,000 in fiscal year 2005 to \$700,600 in fiscal year 2006. This increase was based on market salary data and was awarded to bring his salary up to from 80% of the median of the compensation ratio to 93% of the median for the industry.

Consistent with past practice, the Committee also granted Dr. London and other members of the management equity awards under the long-term incentive programs described elsewhere in this Proxy Statement. These awards were 41,218 non-qualified stock options and 8,200 restricted stock units. In determining the size of stock option and restricted stock units awarded to Dr. London, the Committee took into consideration competitor's compensation, the Company's past year's financial performance, Dr. London's individual performance in the last year and the Committee's past practice regarding stock option and restricted stock unit grants to Dr. London.

Dr. London's salary and bonus compensation for fiscal year 2006 was \$1,560,052 a decrease of 34% from fiscal year 2005 as a result of the operation of Dr. London's incentive compensation plan applied to the Company's after-tax earnings in fiscal year 2006.

Dr. London's fiscal year 2006 incentive compensation was based on the Company's net after-tax profit, both for individual quarters within the fiscal year and for the fiscal year as a whole. Dr. London was entitled to a bonus based on each quarter's net after-tax profit so long as that profit was equal to or exceeded the net after-tax profit for the same quarter of fiscal year 2005, and a larger, variable bonus upon reaching or exceeding a predetermined threshold net after-tax profit level for the fiscal year. During fiscal year 2006, by operation of the applicable bonus formulae, Dr. London earned \$873,234 in aggregate incentive compensation for quarterly and annual net after-tax profit results for the fiscal year.

The Committee believes that in view of the Company's performance for the year, Dr. London's compensation for fiscal year 2006 was reasonable.

In June, 2006, the Committee and the Board of Directors approved a bonus arrangement for Dr. London for fiscal year 2007 which ties a significant portion of Dr. London's compensation to the achievement by the Company of certain profit results during fiscal year 2007.

Deductibility Cap on Executive Compensation. Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code") places a limit of \$1,000,000 on the amount of compensation that the Company may deduct in any one year with respect to each of its five most highly paid executive officers. There is an exception to the \$1,000,000 limitation for performance-based compensation meeting certain requirements. Executive compensation generally is performance based compensation meeting the Code's requirements, and, as such, are fully deductible. To maintain flexibility in compensating executive officers in a manner designed to promote Company goals, the Committee has not adopted a policy requirement for all compensation to be deductible.

ownership of stock of the Company), directly or indirectly, of securities of the Company representing twenty percent (20%) or more of the combined voting power of the Company's then outstanding securities; or

- (ii) persons who, as of July 1, 2006, constituted the Company's Board (the "Incumbent Board") cease for any reason, including without limitation as a result of a tender offer, proxy contest, merger or similar transaction, to constitute at least a majority of the Board, provided that any person becoming a director of the Company subsequent to July 1, 2006 whose election was approved by, or who was nominated with the approval of, at least a majority of the directors then comprising the Incumbent Board shall, for purposes of this Plan, be considered a member of the Incumbent Board; or
- (iii) the stockholders of the Company approve a merger or consolidation of the Company with any other corporation or other entity, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than fifty percent (50%) of the combined voting power of the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation; or

3. Administration

A-3

by the Committee shall not be affected if any person administering the Plan is not an Outside Director or a Non-Employee Director. The Committee shall have at least two (2) members at all times. None of the members of the Committee shall have been granted any Award under this Plan (other than pursuant to Sections 6(g) and 9(b)) or the Terminated Plan (other than pursuant to Sections 5(b) and 7(b)). Except as specifically reserved to the Board under the terms of the Plan, the Committee shall have full and final authority to operate, manage and administer the Plan on behalf of the Company. Action by the Committee shall require the affirmative vote of a majority of all members thereof.

(b) *Secondary Committees and Sub-Plans.* The Board may, in its sole discretion, divide the duties and powers of the Committee by establishing one or more secondary Committees to which certain duties and powers of the Committee hereunder are delegated (each of which shall be regarded as a "Committee" under the Plan with respect to such duties and powers). Additionally, if permitted by applicable law, the Board or Committee may delegate certain of the Committee's duties and powers hereunder to the Chief Executive Officer and/or to other senior officers of the Company subject to such conditions and limitations as the Board or Committee shall prescribe. However, only the Committee described under Subsection 3(a) may designate and grant Awards to Participants. The Committee shall also have the power to establish sub-plans (which may be included as appendices to the Plan or the respective Grant Agreements), which may constitute separate programs, for the purpose of establishing programs which meet any special tax or regulatory requirements of jurisdictions other than the United States and

its subdivisions. Any such interpretations, rules, administration and sub-plans shall be consistent with the basic purposes of the Plan.

(c) *Powers of the Committee.* The Committee shall have all the powers vested in it by the terms of the Plan, such powers to include authority, in its sole and absolute discretion, to grant Awards under the Plan, prescribe Grant Agreements evidencing such Awards and establish programs for granting Awards. The Committee shall have full power and authority to take all other actions necessary to carry out the purpose and intent of the Plan, including, but not limited to, the authority to:

(i) determine the Participants to whom, and the time or times at which, Awards shall be granted,

(ii) determine the types of Awards to be granted,

(iii) determine the number of shares of Stock to be covered by or used for reference purposes for each Award,

(iv) impose such terms, limitations, vesting schedules, restrictions and conditions upon any such Award as the Committee shall deem appropriate, including without limitation establishing, in its discretion, Performance Measures that must be satisfied before an Award vests and/or becomes payable, the term during which an Award is exercisable, the purchase price, if any, under an Award and the period, if any, following a Participant's termination of employment or service with the Company or any Subsidiary or Affiliate during which the Award shall remain exercisable,

(v) subject to the provisions of Section 409A of the Code, modify, extend or renew outstanding Awards, accept the surrender of outstanding Awards and substitute new Awards, provided that no such action shall be taken with respect to any outstanding Award that would materially, adversely affect the Participant without the Participant's consent, or constitute a Repricing of an Incentive Stock Option or Non-Statutory Stock Option without the approval of the holders of the Company's voting securities,

(vi) subject to the provisions of Section 4(c), accelerate the time in which an Award may be exercised or in which an Award becomes payable and waive or accelerate the lapse, in whole or in part, of any restriction or condition with respect to an Award, and

(vii) establish objectives and conditions, including targets for Performance Measures, if any, for earning Awards and determining whether Awards will be paid after the end of a Performance Period.

The Committee shall have full power and authority to administer and interpret the Plan and to adopt such rules, regulations, agreements, guidelines and instruments for the administration of the Plan as the Committee deems necessary, desirable or appropriate in accordance with the Bylaws of the Company.

A-4

(d) *Limited Liability.* To the maximum extent permitted by law, no member of the Board or Committee or a Committee Delegate shall be liable for any action taken or decision made in good faith relating to the Plan or any Award thereunder.

(e) *Indemnification.* The members of the Board and Committee and any Committee Delegate shall be indemnified by the Company in respect of all their activities under the Plan in accordance with the procedures and terms and conditions set forth in the Certificate of Incorporation and Bylaws of the Company as in effect from time to time. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation and Bylaws, as a matter of law, or otherwise.

(f) *Effect of Committee's Decision.* All actions taken and decisions and determinations made by the Committee or a Committee Delegate on all matters relating to the Plan pursuant to the powers vested in it hereunder shall be in the Committee's or Committee Delegate's sole and absolute discretion and shall be conclusive and binding on all parties concerned, including the Company, its stockholders, any Participants in the Plan and any other employee of the Company, and their respective successors in interest.

4. Stock Available Under the Plan; Maximum Awards

(a) *Stock Available Under the Plan.*

(i) Subject to adjustments as provided in Section 13 of the Plan, the Stock that may be delivered or purchased with respect to Awards granted under the Plan, including with respect to Incentive Stock Options, shall not exceed an aggregate of Two Million (2,000,000) shares of Stock, plus the number of shares of Stock available from the Terminated Plan as provided in Subsection 4(a)(ii) below. Stock available under the Plan may be, in any combination, authorized but unissued Stock and Stock that is reacquired by the Company. The Company shall reserve said number of shares of Stock for Awards under the Plan, subject to adjustments as provided in Section 13 of the Plan. If any Award, or portion of an Award, issued under the Plan, expires or terminates unexercised, becomes unexercisable or is forfeited or otherwise terminated, surrendered or canceled as to any shares of Stock without the delivery by the Company (or, in the case of Restricted Stock, without vesting) of Stock or other consideration, the Stock subject to such Award shall thereafter be available for further Awards under the Plan. In the case of a Stock Appreciation Right, the difference between the number of shares of Stock covered by the exercised portion of the SAR and the number of shares of Stock actually delivered upon exercise shall not be restored or available for future issuance under the Plan.

(ii) There shall be available for issuance under the Plan the sum of (A) the number of shares of Stock remaining available for issuance under the Terminated Plan at the effective date of this Plan, plus (B) shares of Stock subject to any awards issued under the Terminated Plan to the extent any such award, or portion of an award, issued under the Terminated Plan, expires or terminates unexercised, becomes unexercisable or is forfeited or otherwise terminated, surrendered or canceled as to any shares of Stock without the delivery by the Company (or, in the case of restricted Stock, without vesting) of Stock or other consideration.

(b) *Maximum Awards to Covered Employees.* The maximum number of shares of Stock subject to Awards that may be granted during any one calendar year to any one Covered Employee shall be limited to three hundred thousand (300,000). To the extent required by Section 162(m) of the Code and so long as Section 162(m) of the Code is applicable to persons eligible to participate in the Plan, shares of Stock subject to the foregoing maximum with respect to which the related Award is terminated, surrendered or canceled shall nonetheless continue to be taken into account with respect to such maximum for the calendar year in which granted.

(c) *Limitation on Full Value Awards.* In no event shall the Committee grant more than seven hundred fifty thousand (750,000) shares of Stock in the form of Restricted Stock, Restricted Stock Units or Unrestricted Stock. Shares of Stock subject to a Restricted Stock or Restricted Stock Unit Award which are forfeited by and/or not issued to the Participant as a result of full or partial forfeiture of the Award shall not count towards the limit in the preceding sentence. With respect to Awards of Restricted Stock, Restricted Stock Units or Unrestricted Stock (other than pursuant to Section 9(b)), the vesting schedule must be, at a minimum, (i) three years for shares that vest

A-5

based on continued service to the Company, and (ii) one year for shares that vest based upon the accomplishment of Performance Measures. Notwithstanding the forgoing limitation, such Award may provide for full vesting upon a Change in Control, death, Disability or retirement (on or after age 65).

(d) *Substitute Awards.* The Committee may grant Awards under the Plan in substitution for stock and stock based awards held by employees of another corporation who concurrently become employees of the Company, a Subsidiary or an Affiliate as the result of a merger or consolidation of the employing corporation with the Company, a Subsidiary or an Affiliate or the acquisition by the Company, a Subsidiary or an Affiliate of property or stock of the employing corporation. The Committee may direct that the substitute awards be granted on such terms and conditions as the Committee considers appropriate in the circumstances. Shares which may be delivered under such substitute awards may be in addition to the maximum number of shares provided for in Section 4(a), provided that said additional shares shall not exceed five hundred thousand (500,000) in the aggregate over the term of the Plan (through the date that is 10 years after the date of adoption of the Plan by the Board of Directors).

5. Participation

Participation in the Plan shall be open to all members of the Board and officers and key employees of the Company, or of any Subsidiary or Affiliate of the Company, as may be selected by the Committee from time to time. Notwithstanding the foregoing, participation in the Plan with respect to Awards of Incentive Stock Options shall be limited to employees of the Company or of any Subsidiary of the Company.

Awards may be granted to such Participants and for or with respect to such number of shares of Stock as the Committee shall determine, subject to the limitations in Section 4 of the Plan. A grant of any type of Award made in any one year to a Participant shall neither guarantee nor preclude a further grant of that or any other type of Award to such person in that year or subsequent years.

6. Stock Options

Subject to the other applicable provisions of the Plan, the Committee may from time to time grant to Participants Awards of Non-Statutory Stock Options and/or Incentive Stock Options. The stock option Awards granted shall be subject to the following terms and conditions.

(a) *Grant of Option.* The grant of a stock option shall be evidenced by a Grant Agreement, executed by the Company and the Participant, stating the number of shares of Stock subject to the stock option evidenced thereby, the exercise price and the terms and conditions of such stock option, in such form as the Committee may from time to time determine.

(b) *Exercise Price.* The price per share payable upon the exercise of each stock option shall be determined by the Committee but shall be no less than one hundred percent (100%) of the Fair Market Value of the Stock on the Grant Date.

(c) *Payment.* Stock options may be exercised in whole or in part by payment of the exercise price of the Stock to be acquired in accordance with the provisions of the Grant Agreement, and/or such rules and regulations as the Committee may have prescribed, and/or such determinations, orders, or decisions as the Committee may have made.

Payment may be made in cash (or cash equivalents acceptable to the Committee) or, if provided in the Grant Agreement and permitted by applicable law, in shares of Stock which have been held by Participant or which would otherwise be issuable to Participant on exercise, or a combination of cash and such Stock, or by such other means as the Committee may prescribe. The Fair Market Value of Stock delivered on exercise of stock options shall be determined as of the date of exercise.

The Committee, subject to such limitations as it may determine, may authorize payment of the exercise price, in whole or in part, by delivery of a properly executed exercise notice, together with irrevocable instructions, to: (i) a brokerage firm to deliver promptly to the Company the aggregate amount of sale or loan proceeds to pay the exercise price and any withholding tax obligations that may arise in connection with the exercise, and (ii) the Company to deliver the certificates for such purchased Stock directly to such brokerage firm.

A-6

(d) *Term of Options.* The term during which each stock option may be exercised shall be determined by the Committee; provided, however, that in no event shall a stock option be exercisable more than ten (10) years from the date it is granted. Prior to the exercise of the stock option and delivery of the Stock certificates represented thereby, the Participant shall have none of the rights of a stockholder with respect to any Stock represented by an outstanding stock option.

(e) *Restrictions on Incentive Stock Options.* Incentive Stock Option Awards granted under the Plan shall comply in all respects with Section 422 of the Code and, as such, shall meet the following additional requirements:

(i) *Grant Date.* An Incentive Stock Option must be granted within ten (10) years of the earlier of the Plan's adoption by the Board of Directors or approval by the Company's stockholders.

(ii) *Exercise Price and Term.* The exercise price of an Incentive Stock Option shall not be less than one hundred percent (100%) of the Fair Market Value of the Stock on the date the stock option is granted and the term of the stock option shall not exceed ten (10) years. Also, the exercise price of any Incentive Stock Option granted to a Participant who owns (within the meaning of Section 422(b)(6) of the Code, after the application of the attribution rules in Section 424(d) of the Code) more than ten percent (10%) of the total combined voting power of all classes of shares of Stock of the Company or any Subsidiary of the Company shall be not less than one hundred ten percent (110%) of the Fair Market Value of the Stock on the grant date and the term of such stock option shall not exceed five (5) years.

(iii) *Maximum Grant.* The aggregate Fair Market Value (determined as of the Grant Date) of Stock of the Company with respect to which all Incentive Stock Options first become exercisable by any Participant in any calendar year under this or any other plan of the Company and any Subsidiaries may not exceed One Hundred Thousand Dollars (\$100,000) or such other amount as may be permitted from time to time under Section 422 of the Code. To the extent that such aggregate Fair Market Value shall exceed One Hundred Thousand Dollars (\$100,000), or other applicable amount, such stock options to the extent of the Stock in excess of such limit shall be treated as Non-Statutory Stock Options. In such case, the Company may designate the shares of Stock that are to be treated as Stock acquired pursuant to the exercise of an Incentive Stock Option.

(iv) *Participant.* Incentive Stock Options shall only be issued to employees of the Company or of a Subsidiary of the Company.

(v) *Designation.* No stock option shall be an Incentive Stock Option unless so designated by the Committee at the time of grant or in the Grant Agreement evidencing such stock option.

(vi) *Stockholder Approval.* No stock option issued under the Plan shall be an Incentive Stock Option unless the Plan is approved by the stockholders of the Company within twelve (12) months of its adoption by the Board in accordance with the Bylaws of the Company and governing law relating to such matters.

(f) *Other Terms and Conditions.* Stock options may contain such other provisions, not inconsistent with the provisions of the Plan, as the Committee shall determine appropriate from time to time.

(g) *Stock Options Granted to Non-Employee Directors*

(i) *Grant of Options.*

(A) Each Non-Employee Director upon his or her initial election to the Board by the stockholders of the Company shall automatically be granted a Non-Statutory Stock Option to purchase five thousand (5,000) shares of Stock (the date of grant for such options shall be the date of the annual meeting at which such election occurs);

(B) Upon subsequent election to the Board of Directors by the stockholders of the Company (and for Non-Employee Directors presently serving on the Board of Directors, upon his or her election to the Board at the time of stockholder approval of the Plan), each Non-Employee Director shall automatically be granted a Non-Statutory Stock Option to purchase three thousand (3,000) shares of Stock.

A-7

(ii) *Exercise Price* The exercise price per share for the Stock covered by a stock option granted pursuant to this Section 6(g) shall be equal to the Fair Market Value of the Stock on the date the stock option is granted.

(iii) *Vesting.* The stock options granted pursuant to this Section 6(g) shall become exercisable by the option holder in increments of twenty-five percent (25%) on each of the ninetieth (90th), one-hundred eightieth (180th), two-hundred seventieth (270th), and three-hundred sixtieth (360th) day following the date of the grant.

(iv) *Lapsing.* Any stock option granted pursuant to this Section 6(g) shall lapse and terminate if:

(A) not exercised before five (5) years from the date of the grant; or

(B) the Company is placed under the jurisdiction of a bankruptcy court or is liquidated.

(v) *Acceleration*. Every stock option granted pursuant to this Section 6(g) shall include a provision accelerating the vesting of such stock option in the event of a Change of Control of the Company;

(vi) *Limited to Non-Employee Directors*. The provisions of this Section 6(g) shall apply only to stock options granted or to be granted to Non-Employee Directors, and shall not be deemed to modify, limit or otherwise apply to any other provision of this Plan or to any stock option issued under this Plan to a participant who is not a Non-Employee Director of the Company. To the extent and consistent with the provisions of any other Section of this Plan, the provisions of this Section 6(g) shall govern the rights and obligations of the Company and Non-Employee Directors respecting stock options granted or to be granted to Non-Employee Directors. The provisions of this Section 6(g) shall not be amended more than once in any six (6) month period, other than to comport with changes in the Code.

7. Restricted Stock and Restricted Stock Units

(a) *In General*. Subject to the other applicable provisions of the Plan and applicable law, the Committee may at any time and from time to time grant Restricted Stock or Restricted Stock Units to Participants, in such amounts and subject to such vesting conditions, other restrictions and conditions for the lapse of restrictions as it determines. Unless determined otherwise by the Committee, Participants receiving Restricted Stock or Restricted Stock Units are not required to pay the Company cash consideration therefor (except as may be required for applicable tax withholding).

(b) *Vesting Conditions and Other Restrictions*. Each Award for Restricted Stock and Restricted Stock Units shall be evidenced by a Grant Agreement that specifies the applicable vesting conditions and other restrictions, if any, on such Award, the duration of such restrictions, and the time or times at which such restrictions shall lapse with respect to all or a specified number of the shares of Stock that are part of the Award.

(c) *Stock Issuance and Stockholder Rights*.

(i) *Restricted Stock*. Stock certificates with respect to Stock granted pursuant to a Restricted Stock Award shall be issued, and/or Stock shall be registered, in the Participant's name at the time of grant of the Restricted Stock Award, subject to forfeiture if the Restricted Stock does not vest or other restrictions do not lapse. Any Stock certificates shall bear an appropriate legend with respect to the restrictions applicable to such Restricted Stock Award and the Participant will be required to deposit the certificates with the Company during the period of any restriction thereon and to execute a blank stock power or other instrument of transfer therefor. Except as otherwise provided by the Committee, during the period of restriction following issuance of Restricted Stock certificates, the Participant shall have all of the rights of a holder of Stock, including but not limited to the rights to receive dividends (or amounts equivalent to dividends) and to vote with respect to the Restricted Stock. The Committee, in its discretion, may provide that any dividends or distributions paid with respect to Stock subject to the unvested portion of a Restricted Stock Award will be subject to the same restrictions as the Restricted Stock to which such dividends or distributions relate.

A-8

(ii) *Restricted Stock Units*. Stock certificates for the shares of Stock subject to a Restricted Stock Unit shall be issued, and/or Stock shall be registered, in the Participant's name upon vesting and lapse of any other restrictions with respect to the issuance of Stock under such Award. The Participant will not be entitled to vote such Stock or to any of the other rights of stockholders during the period prior to issuance of the certificates for such Stock and/or the registration of the Stock. An Award of Restricted Stock Units may provide the Participant with the right to receive amounts equivalent to dividends and distributions paid with respect to Stock subject to the Award while the Award is outstanding, which payments may, in the Committee's discretion, either be made currently or credited to an account for the Participant, and may be settled in cash or Stock, all as determined by the Committee. Unless otherwise determined by the Committee with respect to a particular Award, each outstanding Restricted Stock Unit that is entitled to receive amounts equivalent to dividends and distributions paid with respect to Stock subject to the Award while the Award is outstanding shall accrue such dividend and distribution

equivalents, deferred as equivalent amounts of additional Restricted Stock Units, which amounts will be paid only when and if the Restricted Stock Unit (on which such dividend and distribution equivalents were accrued) vests and becomes payable. To the extent that a Restricted Stock Unit does not vest or is otherwise forfeited, any accrued and unpaid dividend and distribution equivalents shall be forfeited. In no event shall the transfer of a Restricted Stock Unit (including dividend and distribution equivalents that are payable in Restricted Stock Units) occur more than two and one-half (2 1/2) months after the close of the calendar year in which the Participant's rights to such Restricted Stock Units vest. In the event the Award provides for partial vesting over multiple years, Restricted Stock Units that vest during a calendar year shall be transferred to the Participant within two and one-half (2 1/2) months after the close of the calendar year in which the Restricted Stock Units vest.

8. Stock Appreciation Rights

(a) *Award of Stock Appreciation Rights.* Subject to the other applicable provisions of the Plan, the Committee may at any time and from time to time grant Stock Appreciation Rights ("SARs") to Participants, either on a free-standing basis (without regard to or in addition to the grant of a stock option) or on a tandem basis (related to the grant of an underlying stock option), as it determines. SARs granted in tandem with or in addition to a stock option may be granted either at the same time as the stock option or at a later time; provided, however, that a tandem SAR shall not be granted with respect to any outstanding Incentive Stock Option Award without the consent of the Participant. SARs shall be evidenced by Grant Agreements, executed by the Company and the Participant, stating the number of shares of Stock subject to the SAR evidenced thereby and the terms and conditions of such SAR, in such form as the Committee may from time to time determine. The term during which each SAR may be exercised shall be determined by the Committee. In no event shall a SAR be exercisable more than ten (10) years from the date it is granted. The Participant shall have none of the rights of a stockholder with respect to any Stock represented by a SAR prior to exercise of the SAR.

(b) *Restrictions of Tandem SARs.* No Incentive Stock Option may be surrendered in connection with the exercise of a tandem SAR unless the Fair Market Value of the Stock subject to the Incentive Stock Option is greater than the exercise price for such Incentive Stock Option. SARs granted in tandem with stock options shall be exercisable only to the same extent and subject to the same conditions as the stock options related thereto are exercisable. The Committee may, in its discretion, prescribe additional conditions to the exercise of any such tandem SAR.

(c) *Amount of Payment upon Exercise of SARs.* A SAR shall entitle the Participant to receive, subject to the provisions of the Plan and the Grant Agreement, a payment having an aggregate value equal to the product of (i) the excess of (A) the Fair Market Value of one share of Stock on the exercise date over (B) the base price per share of Stock specified in the Grant Agreement, times (ii) the number of shares of Stock specified by the SAR, or portion thereof, that is exercised. The base price per share specified in the Grant Agreement shall not be less than the Fair Market Value of a share of Stock on the Grant Date. In the case of exercise of a tandem SAR, such payment shall be made in exchange for the surrender of the unexercised related stock option (or any portion or portions thereof which the Participant from time to time determines to surrender for this purpose).

A-9

(d) *Form of Payment upon Exercise of SARs.* Payment by the Company of the amount receivable upon any exercise of a SAR shall be made by the delivery of the number of whole shares of Stock determined by dividing the amount payable under the SAR by the Fair Market Value of a share of Stock on the exercise date.

9. Unrestricted Stock

(a) *Grant or Sale of Unrestricted Stock.* Subject to the limitations contained in Section 4, the Committee in its discretion may grant or sell to any Participant shares of Stock free of any restrictions under the Plan ("Unrestricted Stock") at a purchase price determined by the Committee. Shares of Unrestricted Stock may be granted or sold as described in the preceding sentence in respect of past services or other valid consideration.

(b) *Election to Receive Unrestricted Stock in Lieu of Director's Fees.* Each Non-Employee Director may, pursuant to an irrevocable written election delivered to the Company no later than December 31 of any calendar year, receive all or a portion of the Directors' fees otherwise due to him in the subsequent calendar year in Unrestricted Stock (valued at the average of the Fair Market Value for the ten (10) trading days before the date

on which the Non-Employee Directors' fees would otherwise be paid).

(c) *Restrictions on Transfers.* The right to receive Unrestricted Stock may not be sold, assigned, transferred, pledged or otherwise encumbered, other than by will or the laws of descent and distribution.

10. Performance Awards

(a) *In General.* The Committee, in its discretion, may establish targets for Performance Measures for selected Participants and authorize the granting, vesting, payment and/or delivery of Performance Awards in the form of Incentive Stock Options, Non-Statutory Stock Options, Restricted Stock, Restricted Stock Units (which shall be referred to as "Performance Shares" if granted under this Section), Stock Appreciation Rights, and/or Unrestricted Stock to such Participants upon achievement of such targets for Performance Measures during a Performance Period. The Committee, in its discretion, shall determine the Participants eligible for Performance Awards, the targets for Performance Measures to be achieved during each Performance Period, and the type, amount, and terms and conditions of any Performance Awards. Performance Awards may be granted either alone or in addition to other Awards made under the Plan.

(b) *Covered Employee Targets.* In connection with any Performance Awards granted to a Covered Employee which are intended to meet the performance-based compensation exception under Section 162(m) of the Code, the Committee shall (i) establish in the applicable Grant Agreement the specific targets relative to the Performance Measures which must be attained before the respective Performance Award is granted, vests, or is otherwise paid or delivered, (ii) provide in the applicable Grant Agreement the method for computing the portion of the Performance Award which shall be granted, vested, paid and/or delivered if the target or targets are attained in full or part, and (iii) at the end of the relevant Performance Period and prior to any such grant, vesting, payment or delivery certify the extent to which the applicable target or targets were achieved and whether any other material terms were in fact satisfied. The specific targets and the method for computing the portion of such Performance Award which shall be granted, vested, paid or delivered to any Covered Employee shall be established by the Committee prior to the earlier to occur of (A) ninety (90) days after the commencement of the Performance Period to which the Performance Measure applies and (B) the elapse of twenty-five percent (25%) of the Performance Period and in any event while the outcome is substantially uncertain. In interpreting Plan provisions applicable to Performance Measures and Performance Awards which are intended to meet the performance-based compensation exception under Section 162(m) of the Code, it is the intent of the Plan to conform with the standards of Section 162(m) of the Code and Treasury Regulations Section 1.162-27(e)(2), and the Committee in interpreting the Plan shall be guided by such provisions.

(c) *Nonexclusive Provision.* Notwithstanding this Section 10, the Committee may authorize the granting, vesting, payment and/or delivery of Performance Awards based on performance measures other than the Performance Measures and performance periods other than the Performance Periods to employees who are not Covered Employees or to Covered Employees to the extent such Awards are not intended to meet the performance-based compensation exception under Section 162(m) of the Code and in such case waive the deadlines for establishing performance measures under Subsection (b) above.

A-10

11. Tax Withholding

(a) *Payment by Participant.* Each Participant shall, no later than the date as of which the value of an Award or of any Stock or other amounts received thereunder first becomes includable in the gross income of the Participant for Federal income tax purposes, pay to the Company, or make arrangements satisfactory to the Committee regarding payment of any Federal, state or local taxes of any kind required by law to be withheld with respect to such income. The Company and its Subsidiaries and Affiliates shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the Participant.

(b) *Payment in Shares.* A Participant may elect, with the consent of the Committee, to have such tax withholding obligation satisfied, in whole or in part, by (i) authorizing the Company to withhold from shares of Stock to be issued pursuant to an Award a number of shares with an aggregate Fair Market Value (as of the date the withholding is effected) that would satisfy the minimum withholding amount due with respect to such Award, or (ii) transferring to the Company shares of Stock that have been purchased by the optionee on the open market or have been beneficially owned by the optionee and are not then subject to restrictions under any Company plan

and with an aggregate Fair Market Value (as of the date the withholding is effected) that would satisfy the withholding amount due. The Grant Agreement may also provide that all tax withholding obligations will be satisfied, in whole or in part, by the Company withholding from shares of Stock to be issued pursuant to an Award that number of shares having an aggregate Fair Market Value (as of the date the withholding is effected) required to satisfy the minimum withholding amounts due with respect to such Award.

(c) *Notice of Disqualifying Disposition.* Each holder of an Incentive Stock Option shall agree to notify the Company in writing immediately after making a disqualifying disposition (as defined in Section 421(b) of the Code) of any Stock purchased upon exercise of an Incentive Stock Option.

12. Transferability

No stock option, SAR or other unvested Award granted under the Plan shall be transferable by a Participant otherwise than by will or the laws of descent and distribution. Unless otherwise determined by the Committee in accordance with the provisions of the immediately preceding sentence, a stock option or SAR may be exercised during the lifetime of the Participant only by the Participant or, during the period the Participant is under a legal disability, by the Participant's guardian or legal representative. Notwithstanding the foregoing, with the Committee's permission expressed in the Grant Agreement or otherwise, any Award other than an Incentive Stock Option may, in the Committee's sole discretion, be transferable by gift or domestic relations order to (i) the Participant's child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, daughter-in-law, son-in-law, brother-in-law or sister-in-law, including adoptive relationships (such persons, "Family Members"), (ii) a corporation, partnership, limited liability company or other business entity whose only stockholders, partners or members, as applicable are the Participant and/or Family Members, or (iii) a trust in which the Participant and/or Family Members have all of the beneficial interests, and subsequent to any such transfer any Award may be exercised by any such transferee.

13. Adjustments; Business Combinations

(a) *Adjustments.* In the event of a reclassification, recapitalization, stock split, reverse stock split, stock dividend, combination of shares or other similar event, the maximum number and kind of shares reserved for issuance or with respect to which Awards may be granted under the Plan as provided in Section 4 shall be adjusted to reflect such event, and the Committee shall make such adjustments as it deems appropriate and equitable in the number, kind and price of shares covered by outstanding Awards made under the Plan, and in any other matters that relate to Awards and that are affected by the changes in the shares referred to above.

(b) *Change in Control.* In the event of any proposed Change in Control, the Committee shall take such action as it deems appropriate and equitable to effectuate the purposes of this Plan and to protect the Participants, which action may include, without limitation, any one or more of the following to the extent permitted by Section 409A of the Code: (i) acceleration or change of the exercise and/or expiration dates of any Award to require that exercise be made, if at all, prior to the Change in Control; (ii) cancellation of any Award upon payment to the holder in cash of the Fair Market Value of the Stock subject to such Award as of the date of (and, to the extent applicable, as established for purposes of) the Change in Control, less the aggregate exercise price, if any, of the

A-11

Award; and (iii) in any case where equity securities of another entity are proposed to be delivered in exchange for or with respect to Stock of the Company, arrangements to have such other entity replace the Awards granted hereunder with awards with respect to such other securities, with appropriate adjustments in the number of shares subject to, and the exercise prices under, the Award.

(c) *Dissolution and Liquidation.* In the event the Company dissolves and liquidates (other than pursuant to a plan of merger or reorganization), then, to the extent permitted under Section 409A of the Code, each Participant shall have the right to exercise his or her vested, outstanding stock options and Stock Appreciation Rights and to require delivery of Stock certificates, and/or registration in Participant's name of the Stock, under any vested, outstanding Restricted Stock Unit Awards, at any time up to the effective date of such liquidation and dissolution, upon which date all Awards under the Plan shall terminate.

(d) *Other Adjustments.* The Committee is authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in the preceding paragraphs of this Section 13) affecting the Company, or the financial statements of the Company or any Subsidiary or Affiliate, or of changes in applicable laws, regulations or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan.

Except as hereinbefore expressly provided, issuance by the Company of stock of any class or securities convertible into stock of any class, for cash, property, labor or services, upon direct sale, upon the exercise of rights or warranty to subscribe therefor, or upon conversion of stock or obligations of the Company convertible into such stock or other securities, and in any case whether or not for fair value, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number of shares of Stock subject to Awards theretofore granted or the purchase price per share of Stock subject to Awards.

14. Termination and Amendment

(a) *Amendment or Termination by the Board.* The Board, without further approval of the stockholders, may amend or terminate the Plan or any portion thereof at any time, except that no amendment shall become effective without prior approval of the stockholders of the Company to increase the number of shares of Stock subject to the Plan or if stockholder approval is required under the terms of the Plan or is necessary to comply with any tax or regulatory requirement or rule of any exchange or national automated quotation system upon which the Stock is listed or quoted (including for this purpose stockholder approval that is required for continued compliance with Rule 16b-3 or stockholder approval that is required to enable the Committee to grant Incentive Stock Options pursuant to the Plan).

(b) *Amendments by the Committee.* The Committee shall be authorized to make minor or administrative amendments to the Plan as well as amendments to the Plan that may be dictated by requirements of U.S. federal or state laws applicable to the Company or that may be authorized or made desirable by such laws. The Committee may amend any outstanding Award in any manner as provided in Section 3(c) and to the extent that the Committee would have had the authority to make such Award as so amended.

(c) *Approval of Participants.* No amendment to the Plan or any Award may be made that would materially adversely affect any outstanding Award previously made under the Plan without the approval of the Participant.

15. Non-Guarantee of Employment

Nothing in the Plan or in any Grant Agreement thereunder shall confer any right on an employee to continue in the employ of the Company or any Subsidiary or Affiliate or shall interfere in any way with the right of the Company or any Subsidiary or Affiliate to terminate an employee at any time.

16. Termination of Employment

For purposes of maintaining a Participant's continuous status as an employee and accrual of rights under any Award, transfer of an employee among the Company and the Company's Subsidiaries or Affiliates shall not be considered a termination of employment. Nor shall it be considered a termination of employment for such purposes

A-12

if an employee is placed on military or sick leave or such other leave of absence that is considered as continuing intact the employment relationship; in such a case, the employment relationship shall be continued until the date when an employee's right to reemployment shall no longer be guaranteed either by law or contract.

17. Written Agreement

Each Grant Agreement entered into between the Company and a Participant with respect to an Award granted under the Plan shall incorporate the terms of this Plan and shall contain such provisions, consistent with the provisions of the Plan, as may be established by the Committee.

18. Non-Uniform Determinations

The Committee's determinations under the Plan (including without limitation determinations of the persons to receive Awards, the form, amount and time of such Awards, the terms and provisions of such Awards and the agreements evidencing same) need not be uniform and may be made by it selectively among persons who receive, or are eligible to receive, Awards under the Plan, whether or not such persons are similarly situated.

19. Limitation on Benefits

With respect to persons subject to Section 16 of the Exchange Act, transactions under this Plan are intended to comply with all applicable conditions of Rule 16b-3. To the extent any provision of the Plan or action by the Committee fails to so comply, it shall be deemed null and void, to the extent permitted by law and deemed advisable by the Committee.

20. Compliance with Securities Law

Any Stock certificates for shares issued pursuant to this Plan may bear a legend restricting transferability of the Stock unless such shares are registered or an exemption from registration is available under the Securities Act and applicable securities laws of the states of the U.S. The Company may notify its transfer agent to stop any transfer of Stock not made in compliance with these restrictions. Stock shall not be issued with respect to an Award granted under the Plan unless the exercise of such Award and the issuance and delivery of Stock certificates for such shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Securities Act, the Exchange Act, the rules and regulations promulgated thereunder and the requirements of any national securities exchange or Nasdaq System upon which the Stock may then be listed or quoted, and shall be further subject to the approval of counsel for the Company with respect to such compliance to the extent such approval is sought by the Committee.

21. No Trust or Fund Created

Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company and a Participant or any other person. With respect to any transfer or payment not yet made to a Participant pursuant to an Award, the obligation of the Company shall be interpreted solely as an unfunded contractual obligation to make such transfer or payment in the manner and under the conditions prescribed under the written instrument evidencing the Award. Any shares of Stock or other assets set aside with respect to an Award shall be subject to the claims of the Company's general creditors, and no person other than the Company shall, by virtue of an Award, have any interest in such shares or assets. In its sole discretion, the Committee may authorize the creation of trusts or other arrangements to meet the Company's obligations to deliver Stock or make payments with respect to Awards hereunder, provided that the existence of such trusts or other arrangements is consistent with the provisions of this Section. In no event shall any assets set aside (directly or indirectly) with respect to an Award be located or transferred outside the United States.

22. No Limit on Other Compensation Arrangements

Nothing contained in the Plan shall prevent the Company or any Subsidiary or Affiliate from adopting or continuing in effect other compensation arrangements (whether such arrangements be generally applicable or applicable only in specific cases), including without limitation the granting of stock options, Restricted Stock, Restricted Stock Units, Stock Appreciation Rights or Unrestricted Stock Units otherwise than under the Plan.

A-13

23. No Restriction of Corporate Action

Nothing contained in the Plan shall be construed to limit or impair the power of the Company or any Subsidiary or Affiliate to make adjustments, reclassifications, reorganizations, or changes in its capital or business structure, or to merge or consolidate, liquidate, sell or transfer all or any part of its business or assets or, except as otherwise provided herein, or in a Grant Agreement, to take other actions which it deems to be necessary or appropriate. No employee, beneficiary or other person shall have any claim against the Company or any Subsidiary or Affiliate as a result of such action.

24. Construction; Governing Law

The Plan is intended to constitute an equity compensation plan that does not provide for the deferral of compensation subject to Section 409A of the Code and, if any provision of the Plan is subject to more than one interpretation or construction, such ambiguity shall be resolved in favor of that interpretation or construction which is consistent with the Plan not being subject to the provisions of Section 409A.

The validity, construction and effect of the Plan, of Grant Agreements entered into pursuant to the Plan, and of any rules, regulations, determinations or decisions made by the Board or Committee relating to the Plan or such Grant Agreements, and the rights of any and all persons having or claiming to have any interest therein or thereunder, shall be determined in accordance with applicable federal laws and the laws of the State of Delaware.

25. Plan Subject to Charter and Bylaws

This Plan is subject to the Certificate of Incorporation and Bylaws of the Company, as they may be in effect from time to time.

26. Effective Date; Termination Date

The Plan is effective as of the date on which the Plan is approved by the stockholders of the Company. No Award shall be granted under the Plan after the close of business on the day immediately preceding the tenth (10th) anniversary of the effective date of the Plan. Subject to other applicable provisions of the Plan, all Awards made under the Plan prior to such termination of the Plan shall remain in effect until such Awards have been satisfied or terminated in accordance with the Plan and the terms of such Awards.

APPENDIX B

1. INTRODUCTION

The purpose of the CACI International Inc Management Stock Purchase Plan (the "Plan") is to provide for equity ownership in the Company by selected management employees of CACI International Inc and its subsidiaries by (1) providing for the deferral and payment of a portion of their annual incentive bonus ("Bonus") in common stock of the Company ("Stock"), (2) permitting eligible executives use Bonuses to acquire Stock at a discount, and (3) providing eligible executives with other economic incentives to use Bonuses to acquire additional Stock.

Under the Plan, the Compensation Committee of the Board of Directors of the Company may require that a portion of an eligible executive's Bonus will be in the form of restricted stock units ("RSUs"). In addition, eligible executives may elect to receive RSUs in lieu of their remaining Bonus, subject to such limits, if any, as may be imposed by the Committee. The Committee may also elect to match (in the form of additional RSUs) all or a

portion of the elective or mandatory Bonus deferral.

Each RSU represents the right to receive one share of Stock upon the terms and conditions stated herein. RSUs issued in connection with elective or mandatory Bonus deferrals may be granted at a discount of up to fifteen percent (15%) from the fair market value of the Stock on the date of grant. (f) *Effect of Committee's Decision.* All actions taken and decisions and determinations made by the Committee or a Committee Delegate on all matters relating to the Plan pursuant to the powers vested in it hereunder shall be in the Committee's or Committee Delegate's sole and absolute discretion and shall be conclusive and binding on all parties concerned, including the Company, its stockholders, any Participants in the Plan and any other employee of the Company, and their respective successors in interest.

Any change in the percentage or amount of the Bonus that is automatically payable in deferred RSUs shall be made on or before the date specified in Section

6(a)(iii)(A) for 162(m) Awards and for other Awards on or before

B-5

December 31 of the Fiscal Year for which a Bonus is earned; provided, however, in no event may a change in the amount automatically deferred be made outside the timeframe permitted under Section 409A of the Code.

(ii) **Elective Deferrals.** Each Participant may voluntarily elect to receive the remaining portion of his or her Bonus in deferred RSUs, subject to such conditions and limitations as may be imposed by the Committee. The election by any Participant to receive any remaining portion of his or her Bonus in deferred RSUs shall be made by, and only by, the filing of a completed Subscription Agreement with the Company prior to the date specified in Section 6(a)(iii)(A) for 162(m) Awards and for other Awards on or before December 31 of the Fiscal Year for which a Bonus is earned; provided, however, in no event may a deferral election be made after the last date that such deferral election must be made in order to comply with the provisions of Section 409A of the Code. An election to receive deferred RSUs in lieu of a cash Bonus is irrevocable and may not be changed. Subscription Agreements must be filed using the form supplied by the Company and filed with (and received by) the Company.

(iii) **Matching Grants.** Subject to the other applicable provisions of the Plan and applicable law, the Committee may make Matching Awards. A Matching Award may be in such amount (not to exceed twenty-five percent (25%) of the Participant's elective or mandatory deferrals) and subject to such vesting or other restrictions and conditions as the Committee determines. The grant of a Matching Award shall be made on or before the date specified in Section 6(a)(iii)(A) for 162(m) Awards and for other Awards on or before December 31 of the Fiscal Year of the Bonus deferral to which the Matching Award relates; provided, however, in no event may the grant of a Matching Award be made outside the timeframe permitted under Section 409A of the Code.

(i) **New Participants.** The following provisions shall apply to an individual who becomes a Participant after the start of the Fiscal Year:

(ii) The mandatory deferral of the Bonus for the Fiscal Year in which the Participant's participation begins shall be prorated based on the number of days remaining in the Fiscal Year after the date the Participant is notified of his or her participation in the Plan, compared to the total number of days in the Fiscal Year.

(iii) If the Participant was not eligible to participate in any plan that must be aggregated with the Plan for purposes of Section 409A of the Code, the Participant may elect to defer a portion of his or her Bonus for the Fiscal Year. The Participant's initial Subscription Agreement must be filed with the Company within thirty (30) days after the date on which the Participant is notified that he or she is a participant in the Plan. The initial deferral election shall be for the remainder of the current Fiscal Year and the amount deferred with respect to the Bonus for services performed in the Fiscal Year shall be prorated based on the number of days remaining in the Fiscal Year after the date the Subscription Agreement is filed with the Company, compared to the total number of days in the Fiscal Year.

(c) **Distribution Elections.** Each Subscription Agreement may specify a deferred distribution date with respect to a Deferral Award (mandatory and elective) and any related Matching Award, and the election of such deferred distribution date is irrevocable. Such deferral election may apply to all or any portion of the Deferral Award and any related Matching Award. The deferred distribution date shall be expressed as a number of whole years, not less than three, following the Award Date. If no deferred distribution date is specified in the Subscription Agreement, RSUs credited in connection with the Deferral Award and any related Matching Award shall be settled on the date specified in Section 6 below. A Participant whose only Bonus deferrals consist of those required under Section 5(b)(i) (i.e., mandatory deferrals) who desires to elect a deferred distribution date, must complete a Subscription Agreement (or other election form prescribed for this purpose) containing such deferred distribution election. Any election of a deferred distribution date with respect to a Deferral Award and any related Matching Award is irrevocable and must be made at the time the Subscription Agreement is filed with the Company, but in all events on or before the last date that a deferred distribution election must be made in order to comply with the provisions of Section 409A of the Code.

B-6

(d) **Crediting RSUs.** The Company shall credit each Participant's Account on the Award Date with a whole number of RSUs determined by dividing the Value of the Award by a percentage of the Fair Market Value of the Stock on the Award Date. The percentage established by the Committee for this purpose may not be less than eighty-five percent (85%) of the Fair Market Value of the Stock on the Award Date. No fractional RSU will be credited, and the amount equivalent in value to the fractional RSU will be paid out to the Participant currently in cash.

6. VESTING AND SETTLEMENT OF RSUs

(a) Vesting.

(i) **Elective or Mandatory Deferrals.** Subject to the provisions of Section 6(a)(iii), a Participant shall become fully vested in each RSU credited in connection with an elective or mandatory Bonus deferral thirty-six (36) months after the Award Date, provided that the Participant has remained continuously employed by the Company for the entire thirty-six (36) month period. In the event a Participant is still employed by the Company, a Participant shall also become fully vested in each RSU credited in connection with an elective or mandatory Bonus deferral in the event of (1) the Participant's death, (2) the Participant's Disability, or (3) a Change in Control.

(ii) **Matching Awards.** The Committee, in its discretion, may condition Matching Awards on the completion of a period of continuous employment and/or on the achievement of pre-established targets for Performance Measures during a Performance Period. The vesting schedule must be, at a minimum, (i) three years for RSUs that vest based on continued employment with the Company, and (ii) one year for RSUs that vest based upon the accomplishment of Performance Measures. Notwithstanding the forgoing limitation, such Award may provide for full vesting upon a Change in Control, death, Disability or retirement (on or after age 65).

(iii) Performance Based Awards to Employees.

(A) **162(m) Awards.** If an Award is made to a Covered Employee, and such Award is intended to meet the performance-based compensation exception under Section 162(m) of the Code, then the Committee shall (i) establish in the applicable Award Agreement (or other appropriate document) the specific targets relative to the Performance Measures which must be attained before the Award is granted in the case of a Deferral Award or granted, vests or is otherwise paid or delivered in the case of a Matching Award, (ii) provide in the applicable Award Agreement (or other appropriate document) the method for computing the portion of the Award which shall be granted, vested, paid and/or delivered if the target or targets are attained in full or part, and (iii) at the end of the relevant Performance Period and prior to any such vesting, payment or delivery certify the extent to which the applicable target or targets were achieved and whether any other material terms were in fact satisfied. The specific targets and the method for computing the portion of such Award which shall be granted, vested, paid or delivered to any Covered Employee shall be established by the Committee prior to the earlier to occur of (A) ninety (90) days after the commencement of the Performance Period to which the Performance Measure applies and (B) the elapse of twenty-five percent (25%) of the Performance Period and in any event while the outcome is substantially uncertain. In interpreting Plan provisions applicable to Performance Measures and Awards which are intended to meet the performance-based compensation exception under Section 162(m) of the Code, it is the intent of the Plan to conform with the standards of Section 162(m) of the Code and Treasury Regulations Section 1.162-27(e)(2), and the Committee in interpreting the Plan shall be guided by such provisions.

(B) **Other Matching Awards.** The Committee may authorize the granting of Matching Awards based on performance measures other than the Performance Measures and performance periods other than the Performance Periods to employees who are not Covered Employees or to Covered Employees to the extent such Matching Awards are not intended to

B-7

meet the performance-based compensation exception under Section 162(m) of the Code and in such case waive the deadlines for establishing performance measures under Subsection (A) above.

(iv) **Employment Requirement.** Except as otherwise provided in the Award Agreement, in addition to meeting Performance Measures (or other performance criteria), a Participant must remain in the continuous

employ of the Company or a Subsidiary for the specified Performance Period in order to become vested in a Matching Award.

(b) **Settlement Following Vesting.** Unless the Participant has elected a deferred distribution date, the Company shall issue to the Participant one share of Stock for each RSU covered by the Award thirty (30) days after the applicable Vesting Date with respect to such RSU. If a Participant has elected a deferred distribution date, the Company shall issue to the Participant one share of Stock with respect to each vested RSU that is subject to such election, thirty (30) days after the earlier of: (1) the deferred distribution date specified by the Participant in the Subscription Agreement; (2) the date of the Participant's death, (3) the date the Participant is determined to be disabled (within the meaning of Section 409A(a)(2)(C) of the Code), or (4) the date of the Participant's Separation from Service; provided, however, that any distribution to a specified employee (within the meaning of Section 409A(2)(B) of the Code) on account of a Separation from Service may not be made before the date which is six (6) months after the date of Separation from Service (or, if earlier, the date of death). The issuance of such Stock shall be in full settlement of the Award.

(c) **Settlement Prior to Vesting.** The following provisions shall apply if a Participant terminates employment with the Company prior to his or her Vesting Date:

(i) **Deferral Awards.**

(A) **Voluntary Termination; Termination For Cause.** If a Participant voluntarily terminates employment with the Company, or is terminated for Cause prior to the Vesting Date with respect to one or more Deferral Awards, then the RSUs covered by such Deferral Awards shall be canceled and the Participant shall receive a cash payment thirty (30) days following the Participant's Separation from Service equal to the lesser of (a) the Value of such Deferral Awards, or (b) a cash payment equal to the number of the RSUs covered by such Deferral Awards multiplied by the Fair Market Value of the Stock on the date of the Participant's Separation from Service. In the case of a Section 162(m) Awards, the number of RSUs covered by such Awards shall be adjusted as of the date of termination in accordance with the provisions of Section 6(d).

(B) **Termination Without Cause.** If the Company terminates a Participant's employment without Cause prior to the Vesting Date with respect to one or more Deferral Awards, then the RSUs covered by such Deferral Award shall be canceled and the Participant shall receive a payment thirty (30) days following the Participant's Separation from Service determined as follows: The number of RSUs covered by such Deferral Awards shall be multiplied by a fraction, the numerator of which is the number of full months that the Participant was employed by the Company after the Award Date and the denominator of which is thirty-six (36); the Participant shall be deemed vested in such RSUs and shall receive the resulting number of such vested RSUs in shares of Stock. With respect to the remaining portion of such Deferrals Awards (consisting of nonvested RSUs), the Participant shall receive cash in an amount equal to the lesser of (a) the Value of such remaining portion, or (b) an amount equal to the number of such RSUs covered by the remaining (nonvested) portion of such Deferral Awards multiplied by the Fair Market Value of the Stock on the date of the Participant's Separation from Service. In the case of a Section 162(m) Awards, the number of RSUs covered by such Awards shall be adjusted as of the date of termination in accordance with the provisions of Section 6(d).

(ii) **Matching Awards.** If a Participant terminates employment with the Company prior to his or her Vesting Date with respect to a Matching Award, the Participant shall forfeit all amounts credited to his or her Account with respect to such Matching Award.

B-8

(d) **162(m) Deferral Awards.**

(i) **Failure to Meet Performance Measures.** If the Performance Measures established with respect to a Deferral Award are not met with respect to a Performance Period, then the RSUs covered by such Deferral Award shall be adjusted so that the Participant's Account reflects a number of RSUs determined by dividing the dollar amount of the Participant's elective or mandatory Bonus deferrals by the Fair Market Value of the Stock on the Award Date. No fractional RSU will be credited, and the Participant's Account shall be credited with an amount equivalent in value to the fractional RSU.

(ii) **Termination of Employment.** If a Covered Employee terminates employment prior to the end of the Performance Period, then the Performance Period shall be deemed to have ended (and the extent to which the Performance Measures have been met shall be determined) as of the end of the Fiscal Year preceding date of termination. For Fiscal Years in the original Performance Period that ended in or after the date of termination, the Performance Measures for such Fiscal years shall be deemed to have not been met, and number of RSUs covered by a Deferral Award shall be adjusted in accordance with Section 6(d)(i) above.

(e) **Committee's Discretion.** The Committee shall have complete discretion to determine the circumstances of a Participant's Separation from Service, including whether the same results from voluntary termination, Disability or termination by the Company, and the Committee's determination shall be final and binding on all parties and not subject to review or challenge by any Participant or other person.

(f) **Limitation on Distributions.** In no event may a distribution be made other than as permitted under Section 409A of the Code.

(g) **Method of Settlement.** Shares of stock to be issued by the Company upon settlement of vested RSUs shall be purchased by the Company on the open market and, subject to the requirements of Section 10, immediately thereafter issued for the benefit of the Participant.

7. DESIGNATION OF BENEFICIARY

A Participant may designate one or more beneficiaries to receive payments or shares of Stock in the event of his/her death. A designation of beneficiary shall apply to a specified percentage of a Participant's entire interest in the Plan. Such designation, or any change therein, must be in writing and shall be effective upon receipt by the Company. If there is no effective designation of beneficiary, or if no beneficiary survives the Participant, the Participant's estate shall be deemed to be the beneficiary.

8. SHARES AVAILABLE; MAXIMUM NUMBER OF RSUS; ADJUSTMENTS

(a) **Shares Issuable.** The aggregate maximum number of shares of Stock available for issuance under the Plan shall be five hundred thousand (500,000). For purposes of this limitation, the shares of Stock underlying any RSUs that are canceled shall be added back to the shares of Stock available for issuance under the Plan.

(b) **Adjustments.** In the event of a stock dividend, stock split or similar change in capitalization affecting the Stock, the Committee shall make appropriate adjustments in (i) the number and kind of shares of Stock or securities with respect to which RSUs shall thereafter be granted; (ii) the number of and kind of shares remaining subject to outstanding RSUs; (iii) the number of RSUs credited to each Participant's Account; and (iv) the method of determining the Value of RSUs. In the event of any proposed merger, consolidation, sale, dissolution or liquidation of the Company, all non-vested RSUs shall become fully vested upon the effective date of such merger, consolidation, sale dissolution or liquidation and the Committee in its sole discretion may, as to any outstanding RSUs, make such substitution or adjustment in the aggregate number of shares available for issuance under the Plan and the number of shares subject to such RSUs as it may determine on an equitable basis and as may be permitted by the terms of such transaction, or terminate such RSUs upon such terms and conditions as it shall provide. In the case of the termination of any vested RSU, the Committee shall provide payment or other consideration that the Committee deems equitable in the circumstances, provided that such payment (including the timing thereof) otherwise complies with the provisions of Section 409A of the Code.

B-9

(c) **Maximum Award.** The maximum dollar value of RSUs granted to any Participant under the Plan for any Fiscal Year, determined as of the Award Date for the respective Deferral Award based on one hundred percent of the Fair Market Value of the underlying Stock on such date, shall be no greater than 100% percent of the Bonus payable to such Participant for such Fiscal Year.

9. AMENDMENT OR TERMINATION OF PLAN

(a) The Company reserves the right to amend, suspend or terminate the Plan at any time, by action of the Board, provided, however, that (i) no such action by the Board shall materially and adversely affect a Participant's rights under the Plan with respect to RSUs awarded and vested before the date of such action, (ii) any such action shall be subject to approval by the Company's shareholders to the extent required by the Act to ensure that awards are exempt under Rule 16b-3 promulgated under the Act, and (iii) no such action shall accelerate the date for any payment of (or with respect to) a RSU.

(b) Notwithstanding the foregoing, the Board may (without the approval or consent of any Participant):

(i) Make such amendments or modifications to the Plan, Subscription Agreements and Award Agreements that the Board, in its sole and absolute discretion, determines are necessary or desirable in order to address and conform the provisions of the Plan to the provisions of Section 409A of the Code; or

(ii) Elect to terminate the Plan and provide payment or other consideration that the Committee deems equitable in the circumstances:

(A) in connection with the termination of all arrangements sponsored by the Company (and any other company that is deemed to be part of a single service recipient for purposes of Section 409A of the Code) that are required to be aggregated under Section 409A of the Code, provided that (i) no payments (other than those payments that would have been made had the termination not occurred) are made within twelve (12) months of the date of termination; (ii) all payments with respect to RSUs are made within twenty-four (24) months of the date of termination; and (iii) neither the Company (or any other company that is deemed to be part of a single service recipient for purposes of Section 409A of the Code) adopts a new arrangement that would have been aggregated with the Plan under Section 409A of the Code within five (5) years from the date of termination;

(B) within thirty (30) days prior to, or twelve (12) months following, a Change In Control (as long as such Change in Control also constitutes a "change in control" for purposes of Section 409A of the Code), provided that all substantially similar arrangements that are sponsored by the Company (and any other company that is deemed to be part of a single service recipient for purposes of Section 409A of the Code) are terminated and all RSUs are paid out within twelve (12) months of the date of termination; or

(C) within twelve (12) months of a corporate dissolution that is taxed under Section 331 of the Code or with the approval of a bankruptcy court pursuant to 11 U.S.C. Section 503(b)(1)(A), provided that payment with respect to such RSUs is made as soon as administratively practicable thereafter.

(c) No such termination, amendment or modification shall be deemed to materially and adversely affect any RSUs previously awarded under the Plan.

10. MISCELLANEOUS PROVISIONS

(a) **No Distribution; Compliance with Legal Requirements.** The Committee may require each person acquiring shares of Stock under the Plan to represent to and agree with the Company in writing that such person is acquiring the shares without a view to distribution thereof. No shares of Stock shall be issued until all applicable securities law and other legal and stock exchange requirements have been satisfied. The Committee may require the placing of such stop-orders and restrictive legends on certificates for Stock as it deems appropriate.

B-10

(b) **Withholding.** Participation in the Plan is subject to any required tax withholding on wages or other income of the Participant in connection with the Plan. Tax withholding obligations may be satisfied, in whole or in part, by the Company withholding from shares of Stock to be issued pursuant to an Award that number of shares having an aggregate Fair Market Value (as of the date the withholding is effected) required to satisfy the minimum withholding amounts due with respect to such Award. Each Participant also agrees, by entering the Plan, that the Company shall have the right to deduct any such taxes, in its sole discretion, from any amount payable to the Participant under the Plan or from any payment of any kind otherwise due to the Participant.

(c) **Notices; Delivery of Stock Certificates.** Unless otherwise provided by the Company, (i) any notice required or permitted to be given by the Company or the Committee pursuant to the Plan shall be deemed given when personally delivered or deposited in the United States mail, registered or certified, postage prepaid, addressed to the Participant at the last address shown for the Participant on the records of the Company, and (ii) notices to or documents filed with the Company shall be personally delivered or deposited in the United States mail, registered or certified, postage prepaid, addressed to the Company to the attention of its Director of Business Operations (or such other person as may be designated by the Company) at its principal office. Delivery of stock certificates to persons entitled to receive them under the Plan shall be deemed effected for all purposes when the Company or a share transfer agent of the Company shall have deposited such certificates in the United States mail, addressed to such person at his/her last known address on file with the Company.

(d) **Nontransferability of Rights.** During a Participant's lifetime, any payment or issuance of shares under the Plan shall be made only to him/her. No RSU or other interest under the Plan shall be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance or charge, and any attempt by a Participant or any beneficiary under the Plan to do so shall be void. No interest under the Plan shall in any manner be liable for or subject to the debts, contracts, liabilities, engagements or torts of a Participant or beneficiary entitled thereto. Notwithstanding the foregoing, with the Committee's permission expressed in the Award Agreement or otherwise, the right to receive Stock in settlement of an RSU may, in the Committee's sole discretion, be transferable by gift or domestic relations order to (i) the Participant's child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, daughter-in-law, son-in-law, brother-in-law or sister-in-law, including adoptive relationships (such persons, "Family Members"), (ii) a corporation, partnership, limited liability company or other business entity whose only stockholders, partners or members, as applicable are the Participant and/or Family Members, or (iii) a trust in which the Participant and/or Family Members have all of the beneficial interests.

(e) **Company's Obligations To Be Unfunded and Unsecured.** The obligation of the Company to make payments with respect to Awards hereunder shall be interpreted solely as an unfunded contractual obligation to make such payments in the manner and under the conditions prescribed hereunder and under the terms of the Award. Any assets set aside with respect to amounts payable under an Award shall be subject to the claims of the Company's general creditors, and no person other than the Company shall, by virtue of the provisions of the Plan or an Award, have any interest in such assets. In no event shall any assets (including Stock) that directly or indirectly set aside with respect to amounts payable under an Award be located or transferred outside the United States. Neither the Participant nor any other person shall have any interest in any particular assets of the Company by reason of the right to receive a payment or distribution under an Award, and the Participant or any such other person shall have only the rights of a general unsecured creditor of the Company with respect to any rights under the Plan or an Award.

(f) **Compliance with Section 409A.** Notwithstanding anything herein to the contrary, the Plan shall be administered in conformance with the provisions of Section 409A of the Code and all deferral elections and distributions hereunder shall be made in accordance with the provisions of Section 409A.

(g) **Non-Guarantee of Employment.** Nothing in the Plan or in any Award thereunder shall confer any right on an employee to continue in the employ of the Company or any Subsidiary or shall interfere in any way with the right of the Company or any Subsidiary to terminate an employee at any time.

(h) **Non-Uniform Determinations.** The Committee's determinations under the Plan (including without limitation determinations of the persons to receive Matching Awards, the amount of Awards, the terms and provisions of Awards and the agreements evidencing same) need not be uniform and may be made by it selectively among persons who receive, or are eligible to receive, Awards under the Plan, whether or not such persons are similarly situated.

B-11

(i) **Governing Law.** The terms of the Plan shall be governed, construed, administered and regulated in accordance with the laws of the State of Delaware. In the event any provision of this Plan shall be determined to be illegal or invalid for any reason, the other provisions shall continue in full force and effect as if such illegal or invalid provision had never been included herein.

(j) **Effective Date of Amended and Restated Plan.** This amended and restated Plan is effective as of the date on which the amended and restated Plan is approved by the stockholders of the Company. Notwithstanding the forgoing, any provision which is contained in this amended and restated Plan and which is required to be effective as of January 1, 2005 (or such other date as may be required) in order to comply with the provisions of Section 409A of the Code shall be effective as of the date necessary for the plan to comply with Section 409A of the Code.
