**PART III  NARRATIVE**

State below in reasonable detail the reasons why Forms 10-K, 11-K, 20-F, 10-Q, N-SAR, or the transition report portion thereof, could not be filed within the prescribed time period.

The registrant's annual report on Form 10-K for the period ended August 31, 2008 could not be filed within the prescribed time period because the registrant has limited resources with which to prepare and file the report. The registrant recently completed a number of organizational and structural changes including the sale of Back Woods Equipment Company, a Kansas corporation. These changes have complicated the preparation of the financial statements and increased the number of transactions prior to the period end to review. The reasons causing the inability to file timely the annual report could not be eliminated by the registrant without unreasonable effort or expense. The registrant is currently preparing the report and expects to file it no later than the fifteenth calendar day following the prescribed due date.

Accordingly, the annual report will reflect the business and operations of Back Woods Equipment Company from its acquisition on February 1, 2008 through
