(1) On February 26, 2014, the reporting person also received a grant of performance restricted units, the target amount of which is 90,212 units. The vesting of the units is contingent upon the Company's achievement of a specified one-year performance goal for the year ending December 31, 2014. Provided the goal is achieved, the units will vest ratably over a three-year period from the grant date. If the performance goal is not achieved, the units will be forfeited. The actual number of units that could vest will range from 0% to 200% of the target unit amount, depending on the Company's level of achievement with respect to the performance goal.

(2) These restricted units vest ratably on each of the first, second and third anniversaries of the date of grant. Restricted units are settled in shares of the Company's common stock upon vesting.
