### **Explanation of Responses:**

- \* If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- \*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) Options vest and become exercisable in one third increments on March 3rd of each of 2018, 2019 and 2020.
- (2) Not applicable.
  - On the third anniversary of the grant date, Performance-Based Restricted Stock Units ("PSUs") vest based on achievement of total shareholder return ("TSR") performance over a three-year period beginning in 2017 and ending with 2020. Payout for vested PSUs ranges from 0% to 200% of the indicated number of shares, based on the Company's TSR percentile ranking compared to the TSR of the
- companies included in the selected market index. TSR is measured generally as the increase or decrease in the market value of the Company common stock with a deemed reinvestment of any dividends. If a participant terminates employment prior to the third anniversary of the grant date, the PSUs generally will be forfeited. PSUs have no voting rights and are generally non-transferable. The indicated number of PSUs assumes 100% vesting, and the actual number of shares issued in settlement of the PSUs may be greater or less than the indicated number.
- (4) (Continuation of Footnote 3) Since the payout for PSUs can range from 0% to 200%, the maximum number of shares that could vest and be issued could be double the indicated number.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
