#### PART I - FINANCIAL INFORMATION

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors Nighthawk Systems, Inc.

We have reviewed the accompanying condensed consolidated balance sheet of Nighthawk Systems, Inc. and subsidiary as of September 30, 2004, the related condensed consolidated statements of operations for the three-month and nine-month periods ended September 30, 2004 and 2003, the condensed consolidated statement of stockholders' deficit for the nine-month period ended September 30, 2004, and the condensed consolidated statements of cash flows for the nine-month periods ended September 30, 2004 and 2003. These interim condensed consolidated financial statements are the responsibility of the Company's management.

We conducted our reviews in accordance with standards of the Public Company Accounting Oversight Board (United States). A review of interim financial information consists principally of applying analytical procedures and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States), the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying condensed consolidated financial statements referred to above for them to be in conformity with accounting principles generally accepted in the United States of America.
