**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On February 24, 2016, the board of directors of the Company (the “**Board**”) approved the Amended and Restated Stock Option Plan (the “**Stock Option Plan**”) subject to and contingent upon receipt of shareholder approval, which such approval was obtained at the Company’s 2016 annual and special meeting of shareholders held on May 2, 2016 (the “**Annual Meeting**”). The amendment to the Stock Option Plan (i) increases the number of common shares reserved for issuance upon exercise of options granted thereunder from 10,200,000 shares (taking into account the three-for-one stock split of the common shares that occurred on April 24, 2008) to 13,700,000 shares (an increase of 3,500,000 shares); (ii) imposes a limitation on the maximum number of stock options that may be granted to any eligible person in the aggregate in any calendar year and requires that the Stock Option Plan be administered by a committee of “outside directors” within the meaning of Section 162(m) of the U.S. Internal Revenue Code of 1986, as amended; (iii) restricts the definition of “change of control”; and (iv) requires a “double-trigger” to permit accelerated vesting of options upon a change of control, subject to conditions, if any, in agreements between the Company and optionholders dated on or prior to February 29, 2016, as such agreements were in effect on February 29, 2016.

The more detailed description of the Stock Option Plan set forth in the Company’s revised definitive proxy statement on Schedule 14A (the “**Proxy Statement**”), which was filed with the Securities and Exchange Commission on April 1, 2016, is incorporated herein by reference.
