Accelerated Share Repurchase

On August 27, 2018, Regions Financial Corporation (the “Company”) entered into an accelerated share repurchase agreement (the “ASR Agreement”) with Morgan Stanley & Co. LLC (“Morgan Stanley”) to repurchase \$700,000,000 of the Company’s common stock (such common stock, the “common stock” and such repurchase, the “ASR”). The ASR is part of the Company’s current share repurchase program.

Under the terms of the ASR Agreement, the Company will make a payment of \$700,000,000 to Morgan Stanley on August 27, 2018, and expects to receive on the same day an initial delivery of 29,075,805 shares of the Company’s common stock from Morgan Stanley. The final number of shares to be repurchased will be based on the volume-weighted average stock price of the Company’s common stock during the term of the transaction, less a discount and subject to adjustments pursuant to the terms and conditions of the ASR Agreement. At settlement, under certain circumstances, Morgan Stanley may be required to deliver additional shares of common stock to the Company, or under certain circumstances, the Company may be required to deliver shares of common stock or to make a cash payment, at its election, to Morgan Stanley. The final settlement of the transaction under the ASR Agreement is scheduled to occur prior to the end of fiscal year 2018, but the settlement may be accelerated in certain circumstances.

The ASR Agreement contains customary terms for these types of transactions, including, but not limited to, the mechanisms to determine the number of shares or the amount of cash that will be delivered at settlement, the required timing of delivery of the shares, the specific circumstances under which adjustments may be made to the transactions, the specific circumstances under which settlement of the transactions may be accelerated and various agreements and acknowledgments, representations and warranties by the Company and Morgan Stanley to one another.

From time to time, Morgan Stanley and/or its affiliates have directly and indirectly engaged, and may engage in the future, in investment and/or commercial banking transactions with the Company for which they have received, or may receive, customary compensation, fees and expense reimbursements.

The foregoing description of the ASR Agreement does not purport to be complete and is qualified in its entirety by reference to the ASR Agreement, a copy of which is attached as Exhibit 10.1 and is incorporated herein by reference, subject to certain omissions of confidential portions pursuant to a request for confidential treatment, which we intend to file separately with the Securities and Exchange Commission.
