PROXY STATEMENT FOR 2013 ANNUAL MEETING OF SHAREHOLDERS  
to be held on January 8, 2013  
at 10:00 A.M. at the corporate offices of UniFirst Corporation  
located at 68 Jonspin Road,  
Wilmington, Massachusetts 01887

General Information

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of UniFirst Corporation (the “Company”, “UniFirst”, “we”, “our” or “us”) for use at the 2013 Annual Meeting of Shareholders to be held on Tuesday, January 8, 2013 (the “Annual Meeting”) and at any adjournments or postponements thereof. This Proxy Statement and the accompanying Notice of Annual Meeting are first being made available to shareholders on or about November 27, 2012.

The Board of Directors has fixed the close of business on November 12, 2012 as the “Record Date” for the determination of the shareholders entitled to notice of, and to vote at, the Annual Meeting and any adjournments or postponements thereof. As of the close of business on the Record Date, there were outstanding and entitled to vote 15,076,169 shares of common stock, par value \$0.10 per share (“Common Stock”), and 4,885,277 shares of Class B common stock, par value \$0.10 per share (“Class B Common Stock”). Transferees after such date will not be entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote per share. Each share of Class B Common Stock is entitled to ten votes per share.

As more fully described in this Proxy Statement, the purposes of the Annual Meeting are (1) to elect two Class III Directors, nominated by the Board of Directors, each to serve for a term of three years until the 2016 Annual Meeting of Shareholders and until their respective successors are duly elected and qualified; (2) to ratify the appointment of Ernst & Young LLP as the Company’s independent registered public accounting firm for the fiscal year ending August 31, 2013; and (3) to consider and act upon any other matters which may properly come before the Annual Meeting or any adjournment or postponement thereof.

With respect to the election of two Class III Directors, a plurality of the votes cast by holders of shares of Common Stock, voting separately as a single class and represented in person or by proxy at the Annual Meeting and entitled to vote thereon, is necessary to elect Phillip L. Cohen. A plurality of the votes cast by holders of shares of Common Stock and Class B Common Stock, voting together as a single class and represented in person or by proxy at the Annual Meeting and entitled to vote thereon, is necessary to elect Cynthia Croatti. Votes may be cast “For” or “Withhold” with respect to the election of each of Mr. Cohen and Ms. Croatti. With respect to the ratification of the appointment of Ernst & Young LLP as the Company’s independent registered public accounting firm and each other matter expected to be voted upon at the Annual Meeting, the affirmative vote of a majority of the votes cast by holders of shares of Common Stock and Class B Common Stock, voting together as a single class and represented in person or by proxy at the Annual Meeting and entitled to vote thereon, is required for approval. Votes may be cast “For”, “Against” or “Abstain” on the proposal to ratify the appointment of Ernst & Young LLP as the Company’s independent registered public accounting firm for the fiscal year ending August 31, 2013.

The representation in person or by proxy of at least a majority of all Common Stock and Class B Common Stock issued, outstanding and entitled to vote at the Annual Meeting shall constitute a quorum for the transaction of business. Consistent with applicable law, the Company intends to count abstentions and broker non-votes for the purpose of determining the presence or absence of a quorum for the transaction of business. A broker "non-vote" refers to shares held by a broker or nominee that does not have the authority, either express or discretionary, to vote on a particular matter. Any shares not voted (whether by abstention, broker non-vote or otherwise) will have no impact on the election of Directors, except to the extent that the failure to vote for an individual results in another individual receiving a larger percentage of votes, and no impact on the proposal to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending August 31, 2013 or each other matter expected to be voted on at the Annual Meeting.

Your vote is very important. Please vote by one of the following methods:

1. **BY INTERNET**, by going to the Internet web address [www.investorvote.com](http://www.investorvote.com) and following the instructions on the Notice you received in the mail and on the website. In order to vote via the Internet, you must use the numbers provided in the shaded bar of the Notice. Proxies submitted by the Internet must be received by 11:59 P.M., Eastern Time, on January 7, 2013.
2. **BY TELEPHONE**, by dialing 1-800-652-VOTE (8683) within the United States, U.S. territories, and Canada any time on a touch tone telephone and following the instructions provided by the recorded message. In order to vote via telephone, you must use the numbers provided in the shaded bar of the Notice. Proxies submitted by telephone must be received by 11:59 P.M., Eastern Time, on January 7, 2013.
3. **BY PROXY CARD**, if you have requested a proxy card by mail in accordance with the instructions in the Notice, by completing, dating, signing, and returning the proxy card in the postage-prepaid envelope provided. If you vote by Internet or telephone, please do not mail your proxy card. Your proxy card must be received prior to the Annual Meeting.

If you attend the Annual Meeting, you may vote in person by ballot even if you have previously voted by Internet, by telephone or by returning your proxy card. Any proxy may be revoked by delivery of a later dated proxy.

Shares represented by a properly executed proxy received prior to the times above and not revoked will be voted at the Annual Meeting as directed on the proxy. If a properly executed proxy is submitted and no instructions are given, the proxy (1) will be voted FOR the election of each of the two nominees for Class III Director of the Company named in this Proxy Statement, each to serve for a term of three years until the 2016 Annual Meeting of Shareholders and until their respective successors are duly elected and qualified, and (2) will be voted FOR the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending August 31, 2013. It is not anticipated that any matter other than those set forth in this Proxy Statement will be presented at the Annual Meeting. If other matters are presented, proxies will be voted in accordance with the discretion of the proxy holders. The Board of Directors recommends a vote (1) FOR the election of each of the two nominees for Class III Director of the Company named in this Proxy Statement, each to serve for a term of three years until the 2016 Annual Meeting of Shareholders and until their respective successors are duly elected and qualified, and (2) FOR the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending August 31, 2013.

A shareholder of record may revoke a proxy at any time before it has been exercised by (1) filing a written revocation with the Secretary of the Company at the address of the Company set forth above, (2) properly casting a new vote via the Internet or by telephone at any time before the closure of the Internet or telephone voting facilities, (3) filing a duly executed proxy bearing a later date, or (4) appearing in person and voting by ballot at the Annual Meeting. Any shareholder of record as of the Record Date attending the Annual Meeting may vote in person whether or not a proxy

has been previously given, but the presence (without further action) of a shareholder at the Annual Meeting will not constitute revocation of a previously given proxy. Any written revocation of a proxy should be sent so as to be delivered to UniFirst Corporation, 68 Jonspin Road, Wilmington, MA 01887, Attention: Secretary prior to the vote at the Annual Meeting.

The expense of this proxy solicitation will be borne by the Company. In addition to the solicitation of proxies by mail, on the Internet website [www.investorvote.com](http://www.investorvote.com) and by telephone, the Directors, officers and employees of the Company may also solicit proxies personally, by telephone or by mail without special compensation for such activities. The Company may also request persons, firms and corporations holding shares in their names or in the names of their nominees, which are beneficially owned by others, to send proxy material to and obtain proxies from such beneficial owners. The Company will reimburse such holders for their reasonable expenses in connection therewith.

The Company's 2012 Annual Report to Shareholders, including the Company's audited financial statements for the fiscal year ended August 25, 2012, is being made available to shareholders concurrently with this Proxy Statement at [www.investorvote.com](http://www.investorvote.com).

## PROPOSAL 1

### ELECTION OF DIRECTORS

The Board of Directors of the Company is currently composed of seven members, divided into three classes of two, three and two directors, respectively. One class is elected each year at the Annual Meeting of Shareholders. The Directors in each class serve for a term of three years and until their successors are duly elected and qualified. As the term of one class expires, a successor class is elected at each Annual Meeting of Shareholders.

At the Annual Meeting, two Class III Directors will be elected to serve until the 2016 Annual Meeting of Shareholders and until their successors are duly elected and qualified. The Board of Directors has nominated Phillip L. Cohen as a Class III Director to be elected by holders of Common Stock voting separately as a single class, and has nominated Cynthia Croatti as a Class III Director to be elected by holders of Common Stock and Class B Common Stock, voting together as a single class (together, the "Nominees").

The Board of Directors has determined that Mr. Cohen is "independent" under the rules of the New York Stock Exchange.

Unless otherwise instructed, the persons named in the proxy will vote the shares to which the proxy relates "For" the election of Mr. Cohen and Ms. Croatti as Class III Directors. While the Company has no reason to believe that either of the nominees will be unable to serve as a Director, in the event either of the nominees should become unavailable to serve at the time of the Annual Meeting, it is the intention of the persons named in the proxy to vote such proxy for such other person or persons as the Board of Directors may recommend.

#### Vote Required

The affirmative vote of a plurality of the votes cast by holders of shares of Common Stock, voting separately as a single class and represented in person or by proxy at the Annual Meeting and entitled to vote thereon, is necessary to elect Phillip L. Cohen. The affirmative vote of a plurality of the votes cast by holders of shares of Common Stock and Class B Common Stock, voting together as a single class and represented in person or by proxy at the Annual Meeting and entitled to vote thereon, is necessary to elect Cynthia Croatti.

#### Meetings of the Board of Directors and Its Committees

**Board of Directors.** The Company's Board of Directors is divided into three classes, and the members of each class serve for staggered three-year terms. The Board is currently composed of two Class I Directors (Ms. Camilli and Mr. Iandoli), three Class II Directors (Messrs. Croatti, Evans and Postek) and two Class III Directors (Mr. Cohen and Ms. Croatti). The terms of the continuing Class II and I Directors will expire upon the election and qualification of Directors at the Annual Meeting of Shareholders in 2014 and 2015, respectively. At each Annual Meeting of Shareholders, Directors generally will be elected for a full term of three years to succeed those Directors whose terms are expiring. The Board of Directors held four meetings during the Company's 2012 fiscal year.

**Audit Committee.** During the 2012 fiscal year, the Audit Committee consisted of Messrs. Cohen (Chair), Evans, Postek and Ms. Camilli. The Audit Committee held nine meetings during fiscal 2012. The Audit Committee is responsible for assisting the Board of Directors in its oversight of (1) the integrity of the Company's financial statements and reporting process, (2) the qualifications, independence and performance of the Company's independent registered public accounting firm, (3) the performance of the Company's internal audit function, and (4) the Company's compliance with legal and regulatory requirements. The Board of Directors and the Audit Committee adopted a written Audit Committee Charter in 2000. The Audit Committee Charter has been updated and revised periodically since then, most recently in 2010. A current copy of the Audit Committee Charter, as amended and restated, is available on the Company's website at [www.unifirst.com](http://www.unifirst.com). The Board of Directors has determined that each of the members of the Audit Committee is "independent" under the rules of the New York Stock Exchange and the Securities and Exchange Commission (the "SEC") and has determined that Phillip L. Cohen is an "audit committee financial expert" under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Board of Directors and the Audit Committee have adopted a Statement of Corporate Policy and Code of Business Conduct, a current copy of which is available on the Company's website at [www.unifirst.com](http://www.unifirst.com). The Company's Audit Committee Complaint Procedure is also available on the Company's website at [www.unifirst.com](http://www.unifirst.com).

**Compensation Committee.** During the 2012 fiscal year, the Compensation Committee consisted of Messrs. Iandoli (Chair), Cohen, Evans, Postek and Ms. Camilli. The Compensation Committee met on three occasions during fiscal 2012. The Compensation Committee is responsible for reviewing and approving the Company's executive compensation program, recommending awards under the Company's equity compensation plans and establishing the compensation for the Company's Chief Executive Officer. The Board of Directors has determined that each of the members of the Compensation Committee is "independent" under the rules of the New York Stock Exchange. The Board of Directors and the Compensation Committee have adopted a written Compensation Committee Charter, which was last revised in 2012. A current copy of the Compensation Committee Charter is available on the Company's website at [www.unifirst.com](http://www.unifirst.com).

**Nominating and Corporate Governance Committee.** During the 2012 fiscal year, the Nominating and Corporate Governance Committee consisted of Messrs. Evans (Chair), Cohen and Iandoli. The Nominating and Corporate Governance Committee met on four occasions in fiscal 2012. The Nominating and Corporate Governance Committee reviews and evaluates potential nominees for election or appointment to the Board of Directors and recommends such nominees to the full Board of Directors. The Board of Directors and the Nominating and Corporate Governance Committee have adopted a written Nominating and Corporate Governance Committee Charter, which was last revised in 2007. A current copy of the Nominating and Corporate Governance Committee Charter is available on the Company's website at [www.unifirst.com](http://www.unifirst.com). The Board of Directors has determined that each of the members of the Nominating and Corporate Governance Committee is "independent" under the rules of the New York Stock Exchange. The Nominating and Corporate Governance Committee's policy is to review and consider all Director

candidates recommended by any of the Company's Directors or shareholders. Such review and consideration is to proceed in accordance with the Company's By-laws, Corporate Governance Guidelines and Policy Regarding New Director Nominations. See "Other Matters — Shareholder Proposals" for a summary of certain of these requirements. While neither the Board of Directors nor the Nominating and Corporate Governance Committee has a specific policy with respect to diversity, the Policy Regarding New Director Nominations provides that the Nominating and Corporate Governance Committee believes that director candidates should have a background that is complementary to that of the existing Board members so as to provide management and the Board of Directors with a diversity and freshness of views. The Nominating and Corporate Governance Committee is also responsible for developing and recommending to the Board of Directors a set of Corporate Governance Guidelines applicable to the Company and periodically reviewing such guidelines and recommending any changes to those guidelines to the Board of Directors. The current Corporate Governance Guidelines are available on the Company's website at [www.unifirst.com](http://www.unifirst.com). In addition, the Nominating and Corporate Governance Committee maintains a Policy Regarding New Director Nominations, a current copy of which is available on the Company's website at [www.unifirst.com](http://www.unifirst.com). Since this policy was adopted, there have been no material changes to the procedures by which shareholders may recommend nominees to the Board of Directors.

Each Director attended at least 75% of all of the meetings of the Board of Directors and of the committees of which the Director was a member held during the last fiscal year. Our Annual Meeting of Shareholders is generally held to coincide with one of the Board's regularly scheduled meetings. Directors are strongly encouraged to attend the Annual Meeting. Each of the Directors attended the 2012 Annual Meeting of Shareholders.

Please note that information contained in our website is not incorporated by reference in, or considered to be a part of, this Proxy Statement.

#### Independence of Board Members

The Board of Directors has determined that each of Messrs. Cohen, Evans, Iandoli, Postek and Ms. Camilli is an "independent director" in accordance with the corporate governance rules of the New York Stock Exchange as a result of having no material relationship with the Company other than (1) serving as a Director and a Board Committee member, (2) receiving related fees as disclosed in this Proxy Statement and (3) having beneficial ownership of the Company's securities as disclosed in the section of this Proxy Statement entitled "Security Ownership of Management and Principal Shareholders."

#### Board Leadership Structure

The positions of Chairman of the Board and Chief Executive Officer are currently occupied by one individual, Mr. Croatti. The Board of Directors believes that this leadership structure has served the Company well in the past and continues to serve it well, as Mr. Croatti's 47 years of experience in the Company's industry and his extensive and detailed knowledge and understanding of the Company uniquely qualify him to serve as both Chairman and Chief Executive Officer. Combining the Chairman and Chief Executive Officer roles fosters clear accountability, effective decision-making, and aligns corporate strategy with the Company's day-to-day operations. Combining the roles also promotes unified leadership and direction for the Board of Directors and management. In his combined role, Mr. Croatti sets the agenda for Board meetings with input from the Lead Director and presides over all meetings of the full Board. Since the Chairman and Chief Executive Officer positions are currently occupied by Mr. Croatti, the Board of Directors appointed Mr. Evans, an independent Director, as the Lead Director to ensure strong independent oversight. As Lead Director, Mr. Evans presides at all meetings of the Board of Directors at which the Chairman is not present and chairs the executive sessions of independent Directors, who regularly meet in executive sessions at which only independent Directors are present. Mr. Evans also provides input to the Chief Executive Officer and may make suggestions regarding meeting agendas and bear such further responsibilities as the Board of Directors may designate from time to time. Mr. Evans, from time to time, provides feedback to the Chief Executive Officer on executive sessions and facilitates discussion among the independent Directors outside of meetings of the Board of Directors.

## Risk Oversight

The Board of Directors is responsible for overseeing the Company's risk assessment and management function, considering the Company's major financial risk exposures and evaluating the steps that the Company's management has taken to monitor and control such exposures. For example, the Board of Directors receives periodic reports from senior management on areas of material risk to the Company, including operational, financial, legal and regulatory and reputational risks. The Company believes that the leadership structure of the Board of Directors supports effective oversight of risk assessment and management.

## Risk Considerations in the Company's Compensation Programs

In connection with the Compensation Committee's compensation reviews, the Compensation Committee assesses whether the Company's compensation policies and practices are reasonably likely to have a material adverse effect on the Company. Based on its review, the Compensation Committee believes that the mix and design of the Company's compensation plans and policies do not encourage employees to assume excessive risk and therefore are not reasonably likely to have a material adverse effect on the Company. In making this determination, the Compensation Committee considered a number of matters, including the following elements of the Company's executive compensation plans and policies: (1) the Company sets performance goals that the Company believes are reasonable in light of past performance and market conditions; (2) the long-term vesting for the Company's equity incentive awards helps to align the interests of management with those of the Company's shareholders in respect of the Company's long-term performance; (3) a range of levels of performance under the Company's cash incentive bonus plan results in corresponding levels of compensation under that plan, rather than an "all-or-nothing" approach; (4) achievement of the targets under the Company's bonus plan is based on the satisfaction of corporate performance metrics such as revenues and earnings per share, which serves to minimize the impact of excessive risk taking by any individual member of management; and (5) the six-year vesting contained in Mr. Croatti's restricted stock awards mitigate the impact of any short-term risk taking by him.

## Meetings of Independent Directors

The independent Directors of the Company meet in executive sessions outside the presence of management. The presiding Director for these meetings is Mr. Evans, the Lead Director. Any interested party or shareholder who wishes to make their concerns known to the independent Directors may avail themselves of the same procedures provided below under the heading "Communication with the Board of Directors". The Company's Audit Committee Complaint Procedure is available on the Company's website at [www.unifirst.com](http://www.unifirst.com).

## Communication with the Board of Directors

Any interested party or shareholder who wishes to communicate with any of the Company's Directors or the Board of Directors as a group, may do so by writing to the Board of Directors, or such individual Director(s) c/o Chief Financial Officer, UniFirst Corporation, 68 Jonspin Road, Wilmington, MA 01887. The Company recommends that all correspondence be sent via certified U.S. mail, return receipt requested. All correspondence received by the Chief Financial Officer will be forwarded by him promptly to the appropriate addressee(s).

## Director Stock Ownership Policy

In January 2012, the Board of Directors adopted a stock ownership policy. Under the policy, Directors are expected to own shares of the Company's stock having a value at least equal to four times the annual retainer fees for Directors. The policy provides a four-year phase-in period. The Board of Directors believes that this policy helps to align the interests of the Directors with those of the Company's shareholders.

## EXECUTIVE COMPENSATION

### Compensation Discussion and Analysis

The Compensation Committee of our Board of Directors, in collaboration with management, develops and implements our compensation policies. The Compensation Committee also reviews and establishes the compensation paid to our executive officers. We believe we provide an appropriate and competitive total compensation package to our executive officers through a combination of base salary, annual cash incentive bonuses, long-term equity incentive compensation and broad-based benefits programs. We place significant emphasis on pay for performance-based incentive compensation, which is designed to reward our executive officers based on the achievement of predetermined corporate goals.

This Compensation Discussion and Analysis describes our compensation objectives, policies and practices with respect to our Chief Executive Officer, Chief Financial Officer and the other three most highly-compensated executive officers as determined in accordance with applicable SEC rules (collectively, our “named executive officers”).

### Objectives of Our Executive Compensation Programs

Our compensation programs for our named executive officers are designed to achieve the following objectives:

attract and retain talented and experienced executives in the highly competitive uniform rental and sales industry;

motivate and reward executives whose knowledge, skills and performance are critical to our success and the furtherance of our long term strategic plan;

align the interests of our executives and shareholders by motivating executives to increase shareholder value and by rewarding executives when shareholder value increases;

provide a competitive compensation package which is weighted heavily towards pay for performance, and in which a significant portion of total compensation is determined by corporate and individual performance and the creation of shareholder value;

ensure fairness among our executive officers by recognizing the contributions each executive makes to our success; and

foster a shared commitment among executives by coordinating their corporate and individual goals.

## Our Executive Compensation Programs and Plans

We designed our executive compensation programs and plans to achieve the objectives described above. Our executive compensation primarily consists of base salary, annual cash incentive bonuses tied to the achievement of predetermined corporate performance goals, long-term equity incentive compensation and broad-based benefits programs. In addition, in October 2012, we determined to award our Chief Executive Officer a special discretionary cash bonus on account of his exceptional performance in 2011 and 2012.

Within the context of the overall objectives of our compensation programs, we typically determine the specific amounts of compensation to be paid to each of our named executive officers based on a number of factors:

the performance of our named executive officers in prior years;

the roles and responsibilities of our named executive officers;

the individual experience and skills of our named executive officers;

for each named executive officer, other than our Chief Executive Officer, the evaluations and recommendations of our Chief Executive Officer; and

the amounts of compensation being paid to our other named executive officers.

In addition, we rely on our understanding of the amount of compensation paid by our principal competitors and similarly situated companies to their executives with comparable roles and responsibilities as a market check for the compensation decisions we make.

Each of the primary elements of our executive compensation is discussed in detail below, including a description of how each element fits into the overall compensation of our named executive officers. We also discuss below the amounts of compensation paid to our named executive officers for fiscal 2012 under each of these elements. In the descriptions below, we highlight particular compensation objectives that we have designed specific elements of our executive compensation program to address. However, it should be noted that we have designed our compensation programs to complement each other and collectively serve all of our executive compensation objectives described above. Accordingly, whether or not specifically mentioned below, we believe that each element of our executive compensation program serves each of our objectives to a greater or lesser extent.

### Base Salary

We pay our named executive officers a base salary, which we review and determine annually. We believe that a competitive base level of compensation is a necessary element of any compensation program that is designed to attract and retain talented and experienced executive officers who will facilitate the accomplishment of our long term strategic plan and increase shareholder value. We also believe that attractive base salaries can motivate and reward executive officers for their overall performance. The base salaries paid to our named executive officers reflect the general performance of our named executive officers during prior years, their roles and responsibilities, and their experience, skills and contributions. The base salaries set forth in the "Summary Compensation Table" below reflect the base salaries earned by our named executive officers in fiscal 2012. We determine the base salaries of our named executive officers on a calendar year basis. For calendar 2012, we increased the base salaries of all of our named executive officers as follows: Mr. Croatti's base salary increased from \$550,000 to \$605,000 per year, Steven S. Sintros' base salary increased from \$275,000 to \$300,000 per year, Cynthia Croatti's base salary increased from \$351,500 to \$372,500 per year, Bruce P. Boynton's base salary increased from \$280,000 to \$295,000 per year and David M. Katz's base salary increased from \$293,000 to \$308,000 per year. The base salaries of our other executive

officers reflected increases as determined by our Compensation Committee after reviewing Mr. Croatti's recommendations.

#### Annual Cash Incentive Bonuses

Consistent with our emphasis on performance incentive compensation programs, our named executive officers are eligible to receive annual cash incentive bonuses primarily based on their performance as measured against predetermined corporate financial goals that we establish. The primary objective of our annual cash incentive bonuses is to motivate our named executive officers and to reward them for meeting our short-term objectives using a performance-based compensation program with objectively determinable goals. Our annual cash incentive bonuses also align the interests of our named executive officers and our shareholders by providing our executives with incentives to increase shareholder value and a reward for doing so.

Under our bonus plan, our named executive officers have the potential to earn annual cash incentive bonuses at a level that represents a meaningful portion of our named executive officers' cash compensation. Our bonus plan provides for potential annual cash incentive bonuses of up to 28% of the named executive officer's base salary for the fiscal year. Potential bonus payments under our bonus plan are linked to objective criteria set forth in our bonus plan. Our named executive officers can earn annual cash incentive bonuses based on predetermined goals tied to corporate revenues, earnings per share and customer retention.

At the beginning of each fiscal year, we set a fiscal year target for corporate revenues for purposes of our bonus plan. At the end of each fiscal year, we compare actual revenues for the fiscal year both to target revenues and actual revenues for the prior fiscal year. Based on our actual revenues for the fiscal year, each named executive officer can earn a bonus of up to 4% of his or her base salary if actual revenues exceed a predetermined percentage of the target revenues. Another 4% of his or her base salary can be earned based on the extent to which actual revenues exceed 103% of prior year revenues. The amount of the bonus would vary depending on the amount by which actual revenues varied from target revenues or the prior year revenues, as the case may be. The actual amount of the bonus is based on the percentage achievement of the bonus criteria. To achieve the maximum bonus for each revenue goal, actual revenues must equal or exceed 102% of the target revenues and 108% of the prior year revenues, respectively.

At the beginning of each fiscal year, we set a fiscal year target amount of corporate earnings per share for purposes of our bonus plan. At the end of each fiscal year, we compare actual earnings per share for the fiscal year both to target earnings per share and actual earnings per share for the prior fiscal year. Based on our actual earnings per share for the fiscal year, each named executive officer can earn a bonus of up to 8% of his or her base salary if actual earnings per share exceed a predetermined percentage of the target earnings per share. Another 8% of his or her base salary can be earned based on the extent to which actual earnings per share exceed 103% of prior year earnings per share. The amount of the bonus would vary depending on the amount by which actual earnings per share varied from target earnings per share or the prior year earnings per share, as the case may be. The actual amount of the bonus is based on the percentage achievement of the bonus criteria. To achieve the maximum bonus for each earnings per share goal, the actual earnings per share must equal or exceed the target earnings per share and 110% of the prior year earnings per share, respectively.

Our bonus plan also provides for annual cash incentive bonuses of up to 4% of base salary for our named executive officers based on customer retention.

No annual cash incentive bonuses are paid to our named executive officers unless at least one of the revenue targets and one of the earnings per share targets are achieved.

In establishing our targeted bonus opportunities, we consider the incentives that we want to provide to our executives and our historical practices. For fiscal 2012, we established the following corporate financial goals under our bonus plan. With respect to revenues, target revenues were set at \$1.195 billion. Since actual revenues for fiscal

2012 were \$1.256 billion, based on the percentage achievement levels the named executive officers earned a 4% bonus based on target revenues and a 4% bonus based on the comparison to the prior year revenues. With respect to corporate earnings per share, target earnings per share were set at \$3.80. Actual earnings per share were \$4.76; however, the Committee determined to exclude the positive effect of a settlement in fiscal 2012 that related to environmental litigation which resulted in a \$6.7 million pre-tax gain. As adjusted to exclude this gain, earnings per share for fiscal 2012 were \$4.55. Based on this adjusted earnings per share amount and the percentage achievement levels, the named executive officers earned an 8% bonus based on target earnings per share and an 8% bonus based on the comparison to prior year earnings per share. With respect to customer retention levels, at our 2012 revenue growth rate, the named executive officers earned a bonus of 1% based on this criterion.

For fiscal 2012, our named executive officers received the following annual cash incentive bonuses under our bonus plan:

Name	Bonus	% of Base Salary
Ronald D. Croatti	\$146,492	25%
Steven S. Sintros	\$72,836	25%
Cynthia Croatti	\$91,309	25%
Bruce P. Boynton	\$72,453	25%
David M. Katz	\$75,703	25%

In addition, in conjunction with our review of the performance of our Chief Executive Officer, we awarded him a special discretionary cash bonus of \$1,000,000 on account of his exceptional performance in 2011 and 2012. For a more detailed discussion regarding the factors considered by us in connection with the award of this bonus, see “Our CEO Bonus Award” below.

#### Long-Term Equity Incentive Compensation

We grant long-term equity incentive awards to our named executive officers as part of our total compensation package. We use long-term equity incentive awards as part of our emphasis on performance-based incentive compensation. Our long-term equity incentive awards align the interests of our named executive officers and our shareholders by providing our executives with incentives to increase shareholder value and a reward for doing so. We generally grant long-term incentive awards once each year. In light of the significant multi-year vesting plan relating to the restricted stock award we granted to Mr. Croatti in 2010, we did not grant Mr. Croatti a separate annual equity award for fiscal 2012.

We have traditionally granted non-qualified stock options to our named executive officers. In fiscal 2010, we determined that it was in the best interests of the shareholders and the executives to instead award SARs. SARs are functionally very similar to non-qualified stock options; in each case, the recipient receives the value (in shares) of the appreciation in the market price of the Company’s Common Stock from the grant date to the exercise date. Consistent with the vesting schedule of stock options granted by us since 2003, the SARs are subject to a five-year cliff-vesting schedule under which the SARs become vested and exercisable after five years from the date of grant and expire ten years after the grant date. In fiscal 2012, we granted SARs to all of our named executive officers other than Mr. Croatti.

Upon a holder’s exercise of a SAR, we are generally entitled to a tax deduction in the year in which the SAR is exercised equal to the fair market value of the shares of stock issued upon such exercise. The holder of such SAR is generally taxed on this same amount in the year of exercise.

In fiscal 2012, we granted the following SARs to the following named executive officers:

Name	Exercise or Base Number of Securities Underlying SARs	Price of SAR Awards (\$/Sh)
Ronald D. Croatti	-	-
Steven S. Sintros	8,000	\$49.67
Cynthia Croatti	12,000	\$49.67
Bruce P. Boynton	8,000	\$49.67
David M. Katz	8,000	\$49.67

Under the Restricted Stock Award Agreement dated April 5, 2010, the Company issued to Mr. Croatti 350,000 shares of restricted stock which were subject to objective performance criteria relating to corporate revenues and adjusted operating margin in fiscal 2010, 2011 and 2012. The Compensation Committee is responsible for determining whether the performance criteria have been achieved. Based on the Company's financial results in these years, the Compensation Committee determined that all of the performance criteria for this award have been achieved. As a result, all of the shares of restricted stock have been fully earned and are subject to vesting in four equal annual installments beginning in 2013.

#### Our CEO Bonus Award

In conjunction with our annual performance review of Mr. Croatti, our Chief Executive Officer, we considered a special discretionary cash bonus award of \$1,000,000 on account of his exceptional performance with respect to fiscal years 2011 and 2012. In considering this bonus award, we looked at a number of factors, most of which are subjective. Each of us weighed the factors differently and no single factor or group of factors was determinative for any of us. We each looked at the totality of circumstances and factors and reached our conclusions accordingly. We considered to a greater or lesser extent each of the following factors; however, this listing of factors is not intended to be, and is not, exhaustive of all of the inputs and factors considered by each of us.

Due to Mr. Croatti's outstanding leadership, vision and commitment, UniFirst achieved industry leading performance in fiscal 2011 and 2012.

UniFirst achieved substantial growth in this two-year period notwithstanding a challenging economic environment. UniFirst's revenues and net income grew by 22.5% and 24.3%, respectively, over this two-year period.

UniFirst's shareholders' equity grew from \$708.1 million at August 28, 2010 to \$896.9 million at August 25, 2012, an increase of 26.7%.

UniFirst's stock price increased from \$40.47 per share on August 27, 2010 to \$65.20 per share on August 25, 2012, an increase of 61.1%.

UniFirst has outperformed its principal publicly-held competitors, in terms of long-term growth in revenue, net income, tangible shareholders equity and market capitalization.

We considered the perspectives that a number of different constituencies would likely have on the bonus award, including shareholders, customers, other executives and employees.

Based on our review of these and other factors, we exercised our collective judgment and unanimously concluded to award a special discretionary cash bonus of \$1,000,000 to Mr. Croatti on account of his exceptional performance.

## Broad-Based Benefits Programs and Perquisites

All full-time employees, including our named executive officers, may participate in our health and welfare benefit programs, including medical, dental and vision care coverage, disability insurance, life insurance and the UniFirst Corporation Profit Sharing Plan. In addition, certain of our full-time employees, including our named executive officers, may participate in the UniFirst Corporation Unfunded Supplemental Executive Retirement Plan. In fiscal 2012, our named executive officers also received certain perquisites and personal benefits set forth in the “Summary Compensation Table” below. We provide these benefits to retain and attract talented executives with the skills and experience to further our long term strategic plan.

## Employment Agreements

We generally do not enter into employment agreements with our executives. However, in connection with the significant equity award granted to Mr. Croatti in 2010, we determined that it was in the best interests of the shareholders to require him to enter into an employment agreement. We concluded that the contractual commitments set forth in the employment agreement, which include a two-year noncompetition clause, would help to ensure Mr. Croatti’s continued service as our Chief Executive Officer. To this end, we purposely limited Mr. Croatti’s severance rights under the employment agreement to six-months of salary, payable only if the Company terminates his employment without cause. In addition, we did not provide for any special parachute or change-in-control payments.

## Our Executive Compensation Process

The Compensation Committee of our Board of Directors is primarily responsible for establishing the compensation paid to our named executive officers. The Board of Directors has determined that each member of the Compensation Committee is “independent” as that term is defined under the applicable rules of the New York Stock Exchange. In determining executive compensation, our Compensation Committee annually reviews the performance of our named executive officers with our Chief Executive Officer, and our Chief Executive Officer makes recommendations to our Compensation Committee with respect to the appropriate base salary, annual cash incentive bonus payments and grants of long-term equity incentive awards for each of our named executive officers. Our Compensation Committee annually reviews the performance of our Chief Executive Officer and establishes the appropriate base salary, annual cash incentive bonus payments and grants of long-term equity incentive awards to be paid to him. In general, we do not engage in a formal benchmarking process in setting the compensation for our executives.

## Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis contained in this Proxy Statement with management. Based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and the Company’s Annual Report on Form 10-K for the fiscal year ended August 25, 2012 for filing with the Securities and Exchange Commission.

## Pension Benefits Table – Fiscal 2012

The following table sets forth the actuarial present value of accumulated benefits under our Unfunded Supplemental Executive Retirement Plan, the number of years of credited service and the dollar amount of payments and benefits paid during fiscal 2012 to our named executive officers as of August 25, 2012:

Name	Plan Name	Number of Years of Credited Service(1)	Present Value of Accumulated Benefits(2)	Payments During Last Fiscal Year
Ronald D. Croatti Chairman of the Board, President and Chief Executive Officer	UniFirst Corporation Unfunded Supplemental Executive Retirement Plan	30	\$2,325,118	-
Steven S. Sintros Vice President and Chief Financial Officer	UniFirst Corporation Unfunded Supplemental Executive Retirement Plan	8	\$50,662	-
Cynthia Croatti Executive Vice President and Treasurer	UniFirst Corporation Unfunded Supplemental Executive Retirement Plan	30	\$712,672	-
Bruce P. Boynton Senior Vice President, Operations	UniFirst Corporation Unfunded Supplemental Executive Retirement Plan	30	\$903,509	-
David M. Katz Vice President, Sales and Marketing	UniFirst Corporation Unfunded Supplemental Executive Retirement Plan	3	\$45,544	-

- (1) As discussed in more detail below under the heading “UniFirst Corporation Unfunded Supplemental Executive Retirement Plan”, our SERP limits the number of years of credited service to thirty for purposes of determining a participant’s benefits under the plan.
- (2) Amounts reported in this column represent the present value of the accumulated benefit obligation as of August 25, 2012. Our obligation has been estimated assuming benefits commence on the individual’s social security retirement date and using FASB ASC Topic 715 assumptions for mortality, assumed payment form and discount rates in effect at the measurement dates.

#### UniFirst Corporation Unfunded Supplemental Executive Retirement Plan

Certain of our and our affiliates’ employees are eligible to participate in our SERP, including our named executive officers. Retirement benefits provided by our SERP are based on a participant’s average annual base earnings, exclusive of bonuses, commissions, fringe benefits and reimbursed expenses, for the last three years of full-time employment prior to the participant’s retirement date (“Final Average Earnings”). On January 8, 2008, the Board of Directors approved an amendment to our SERP (the “SERP Amendment”) which modifies the calculation of a participant’s plan benefit. Prior to the SERP Amendment, our SERP provided that upon a participant’s retirement on his social security retirement date, the participant would receive an aggregate amount equal to 1.33% percent of the participant’s Final Average Earnings multiplied by his years of service, limited to 30 years, less the participant’s primary Social Security benefit. The SERP Amendment provides that upon the retirement of a participant on his social security retirement date, a participant will receive a plan benefit in an aggregate amount equal to 1.33% percent of the participant’s Final Average Earnings multiplied by his years of service, limited to 30 years, less 3.33% of the participant’s primary Social Security benefit multiplied by his years of service, limited to 30 years. The SERP Amendment did not change the plan benefit of a participant with at least 30 years of credited service. For participants who retire on or after January 1, 2008 with less than 30 years of credited service, the SERP Amendment provides for a slightly greater plan benefit than under the previous version of our SERP as a result of the change in the calculation of the primary social security benefit offset used in calculating the plan benefit. The SERP Amendment had no effect on participants who retired prior to January 1, 2008.

Pension payments under our SERP are made at the intervals then in effect for the payment of base salaries to our executive officers. Upon the death of a participant, the participant’s designated beneficiary will be paid retirement benefits for up to 12 years from the participant’s date of retirement. Our SERP provides that, upon any change in control of the Company, participants in our SERP will receive a lump sum payment equal to the actuarial equivalent of their plan benefit as of the date of the change in control.

On December 23, 2008, the Board of Directors approved an additional amendment (the “Second SERP Amendment”) to the SERP. The Second SERP Amendment is meant to clarify the definition of “separation from service” and to conform with final regulations interpreting Internal Revenue Code Section 409A. Prior to the Second SERP Amendment, the SERP did not specifically address whether a transition to part-time employment after retirement was a “separation from service” which would permit payments to commence. As amended, the SERP provides that payments will start for participants who have retired but who continue to provide services on a part-time schedule, provided that the part-time schedule is less than one-half of the participant’s previous full time schedule. No benefits were increased because of the Second SERP Amendment.

#### Potential Payments Upon Termination or Change in Control

Employment Agreement with Ronald D. Croatti

On April 5, 2010, we entered into an Employment Agreement (the “Employment Agreement”) with Ronald D. Croatti, the Company’s Chairman, Chief Executive Officer and President. The Employment Agreement provides for the employment of Mr. Croatti for a term of six years, subject to earlier termination as set forth in the Employment Agreement. Pursuant to the Employment Agreement, Mr. Croatti’s initial base salary was his base salary in effect as of April 5, 2010 and is reviewed on an annual basis consistent with our usual practices for senior executives. In addition, Mr. Croatti is entitled to participate in the Company’s executive cash bonus plan in the same manner as other senior executives of the Company and to receive a grant of 350,000 shares of restricted common stock pursuant to a Performance Criteria Restricted Stock Award Agreement (as set forth below). In the event that we terminate Mr. Croatti’s employment without cause during the term of the Employment Agreement, Mr. Croatti will be entitled to receive one-half of his annual base salary then in effect. If Mr. Croatti had been terminated without cause on August 25, 2012, the last day of fiscal 2012, Mr. Croatti would have been entitled to receive \$302,500. Mr. Croatti has agreed under the Employment Agreement not to compete with the Company or to solicit our employees or customers for a period of 24 months following his termination.

#### Restricted Stock Award Agreements with Ronald D. Croatti

On April 5, 2010, we entered into a Restricted Stock Award Agreement (the “Performance Criteria Restricted Stock Award Agreement”) with Mr. Croatti pursuant to which we granted 350,000 shares of restricted common stock (the “Performance Restricted Shares”) to Mr. Croatti. The Performance Restricted Shares would be earned if the Company achieved certain consolidated revenues and adjusted operating margins as set forth in the Performance Criteria Restricted Stock Award Agreement during certain performance periods set forth in such agreement (collectively, the “Performance Criteria”). As of the end of our 2012 fiscal year, Mr. Croatti had earned all of the Performance Restricted Shares. The Performance Restricted Shares earned upon achievement of the Performance Criteria will vest in four equal amounts on the third, fourth, fifth and sixth anniversaries of the grant date provided that Mr. Croatti continues to be employed by the Company on each such date. Mr. Croatti may transfer all or a portion of the Performance Restricted Shares to any holder of Class B Common Stock of the Company in exchange for an identical number of shares of Class B Common Stock (the “Transferred Class B Shares”). Upon any such transfer, the restrictions and conditions to which the Performance Restricted Shares are subject under the Performance Criteria Restricted Stock Award Agreement will lapse and such restrictions and conditions will attach to the Transferred Class B Shares. In the event that Mr. Croatti’s employment is terminated without cause or by reason of death or disability prior to the vesting of the Performance Restricted Shares, all of the Performance Restricted Shares will become fully vested. If Mr. Croatti’s employment had been terminated without cause or by death or disability on August 25, 2012, the last day of fiscal 2012, Mr. Croatti would have earned 116,667 Performance Restricted Shares (in addition to the 233,333 Performance Restricted Shares previously earned by Mr. Croatti under the Performance Criteria Restricted Stock Award Agreement through such date), and all 350,000 of such shares would have become fully vested with a market value of approximately \$22,820,000 based on the closing price of our Common Stock of \$65.20 per share on such date as reported by the New York Stock Exchange.

On April 5, 2010, we entered into a Restricted Stock Award Agreement (the “Restricted Stock Award Agreement”) with Mr. Croatti pursuant to which we granted 50,000 shares of restricted common stock (the “Restricted Shares”) to Mr. Croatti. The Restricted Shares will vest in equal amounts on each of the first six anniversaries of the grant date provided that Mr. Croatti continues to be employed by the Company on each such date. Mr. Croatti may transfer all or a portion of the Restricted Shares to any holder of Class B Common Stock of the Company in exchange for an identical number of shares of Class B Common Stock (the “Transferred Class B Stock”). Upon any such transfer, the restrictions and conditions to which the Restricted Shares are subject under the Restricted Stock Award Agreement will lapse and such restrictions and conditions will attach to the Transferred Class B Stock. In the event that Mr. Croatti’s employment is terminated without cause or by reason of death or disability prior to the vesting of the Restricted Shares, all of the Restricted Shares will immediately and automatically vest in full. If Mr. Croatti’s employment had been terminated without cause or by death or disability on August 25, 2012, the last day of fiscal 2012, the 33,334 unvested Restricted Shares as of such date would have become fully vested with a market value of approximately \$2,173,377 based on the closing price of our Common Stock of \$65.20 per share as reported by the

New York Stock Exchange.

The foregoing summaries of the Employment Agreement and the Restricted Stock Award Agreements are qualified in their entirety by reference to each of these agreements, copies of which have been filed as Exhibits to our Quarterly Report on Form 10-Q on April 8, 2010.

#### Unfunded Supplemental Executive Retirement Plan

As discussed under the heading “UniFirst Corporation Unfunded Supplemental Executive Retirement Plan” above, upon a change in control of the Company, our named executive officers will receive a lump sum payment under our SERP equal to the actuarial equivalent of their plan benefit as of the date of the change in control. For more information concerning our SERP, see the “Pension Benefits Table – Fiscal 2012” and the discussion under the heading “UniFirst Corporation Unfunded Supplemental Executive Retirement Plan” above.

#### Director Compensation – Fiscal 2012

The Compensation Committee determines Director compensation based on the following principles: (1) Director compensation should be aligned with the long-term interest of shareholders, (2) compensation should be used to motivate Director behavior; (3) Directors should be adequately compensated for their time and effort; and (4) Director compensation should be approached on an overall basis, rather than as an array of separate elements.

We determine Director compensation on a calendar year basis. The non-employee Director fee schedule for calendar 2012 and calendar 2013 is as follows: an annual fee of \$38,000; an annual fee for chairing the Audit Committee of \$10,000; an annual fee for chairing a Committee other than the Audit Committee of \$5,000; a \$2,750 fee for each Board meeting attended; an \$1,800 fee for each Committee meeting attended; a \$1,250 fee for participating in a telephonic Board meeting; a \$1,000 fee for participating in a telephonic Committee meeting. In addition, for calendar 2013, the Lead Director will receive an annual fee of \$5,000. Each non-employee Director is entitled to a fully vested stock-settled stock appreciation right with respect to that number of shares of Common Stock which will result in such stock appreciation right having a value (based on the valuation methodology used by the Company for financial reporting purposes) at the time of grant equal to \$35,000, at an exercise price equal to the closing price of the Company’s Common Stock on the grant date. In addition, each non-employee Director received shares of unrestricted Common Stock having a value (based on the closing price of the Company’s Common Stock on the grant date) equal to \$65,000. Those Directors who satisfy the minimum share ownership requirement under the Company’s Director Stock Ownership Policy may elect to receive a cash payment of \$65,000 in lieu of the shares of unrestricted Common Stock.

Each Director who was also an employee of our Company received no Director’s fees during fiscal year 2012 and will receive no Director’s fees during fiscal year 2013.

The compensation earned by our Directors during fiscal 2012 is set forth in the table below.
