GOL Launches Flights to Presidente Prudente, in São Paulo

São Paulo, December 20, 2007 GOL Linhas Aéreas Inteligentes S.A. (NYSE: GOL and Bovespa: GOLL4), the parent company of Brazil's low-cost airlines GOL Transportes Aéreos S.A. and VRG Linhas Aéreas S.A., announces that GOL has begun daily operations to Presidente Prudente, located in western São Paulo state.

The route will connect Presidente Prudente to both São Paulo's capital and Cuiabá, in Mato Grosso. Presidente Prudente has one of Brazil's leading cattle ranching industries and is known as a center for the quarter-mile horse and the Nelore Mocho cattle. The Animal Exposition held during the first two weeks of September is one of the largest events in Brazil, attracting thousands of business and leisure travelers. The city is also recognized as home to a number of important universities and other educational institutions.

Adding new routes to connect Brazil's countryside cities with state capitals is an important part of GOL's effort to offer safe, high-quality transportation to all Brazilians at accessible fares, says Tarcisio Gargioni, GOL's Vice-President of Marketing and Services.

Tickets are available through the website www.voegol.com.br. Please see the destination table below for flight departure schedules:

About GOL Linhas Aéreas Inteligentes S.A.

GOL Linhas Aéreas Inteligentes S.A. is the parent company of low-cost airlines GOL Transportes Aéreos S.A. (GTA, which operates the GOL brand) and VRG Linhas Aéreas S.A. (VRG, which operates the VARIG brand). GTA and VRG offer daily flights to more destinations in Brazil than any other domestic airline while providing customers with the most convenient flight schedules in the country. The airlines operate a young, modern fleet of Boeing aircraft, the safest and most comfortable aircraft of its class, with low maintenance, fuel and training costs, and high aircraft utilization and efficiency ratios. In addition to safe and reliable services, which stimulate brand recognition and customer satisfaction, the Company's service is recognized as the best value proposition in the market. Growth plans include increasing frequencies in existing markets and adding service to additional markets in both Brazil and other high-traffic travel destinations. Shares are listed on the NYSE (GOL) and the Bovespa (GOLL4) stock exchanges.

GOL Transportes Aéreos S.A. offers over 630 daily flights to 59 destinations connecting the most important cities in Brazil as well as the main destinations in Argentina, Bolivia, Chile, Paraguay, Peru and Uruguay. FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
