Fitch reviews Petrobras' global ratings

Rio de Janeiro, February 4th, 2015 – Petróleo Brasileiro S.A. – Petrobras informs that Fitch Ratings reviewed Petrobras' debt ratings from BBB to BBB-, and has placed these ratings on Rating Watch Negative. This grade keeps Petrobras as an Investment Grade Company.

According to Fitch, this revision reflects the increased uncertainty regarding Petrobras' ability to record an adjustment to its fixed assets on a timely manner, increasing the risk that creditors could accelerate debt payments.

This review is also related to the potential impact of the corruption investigations in production growth, since it may affect negotiations with suppliers and equipment availability, delaying de delivery of production platforms.

Moreover, Fitch affirms that Petrobras rating continues to reflect its strategic importance to Brazil and the support of the Brazilian Government, the Company's controlling shareholder.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
