São Paulo, April 9, 2019 - GOL Linhas Aéreas Inteligentes S.A. (NYSE: GOL and B3: GOLL4), Brazil's premier domestic airline, provides its **Investor Update**. The information below for the quarter ended in March 2019 is preliminary and unaudited. For comparison purposes, the results for the first quarter 2018 results were adjusted in accordance with IFRS 16.

- GOL expects an EBITDA margin for the quarter of 29% to 30%, an increase in relation to the quarter ended in March 2018 (28%).
- Passenger unit revenue (PRASK) for the first quarter is expected to be up approximately 3% year over year. For the quarter ended in March, GOL expects unit revenue (RASK) to increase approximately 3%.
- Non-fuel unit costs (CASK ex-fuel), are expected to increase by approximately 3% in relation to the first quarter of the prior year, primarily due to the depreciation of the Brazilian real in the year-over-year comparison.
- GOL's financial leverage, as measured by the Net Debt/LTM EBITDA ratio, was approximately 3.2x (IFRS 16) at the end of the March 2019 quarter. The Company amortized R\$203 million of debt in the quarter and total liquidity at quarter-end is expected to be at R\$3.5 billion.

Disclaimer

The information contained in this press release has not been subject to any independent audit or review and contains "forward-looking" statements, estimates and projections that relate to future events, which are, by their nature, subject to significant risks and uncertainties. All statements other than statements of historical fact contained in this press release including, without limitation, those regarding GOL's future financial position and results of operations, strategy, plans, objectives, goals and targets, future developments in the markets in which GOL operates or is seeking to operate, and any statements preceded by, followed by or that include the words "believe", "expect", "aim", "intend", "will", "may", "project", "estimate", "anticipate", "seek", "should" or similar words or expressions, are forward-looking statements. The future events referred to in these forward-looking statements involve known and unknown risks, uncertainties, contingencies and other factors, many of which are beyond GOL's control, that may cause actual results, performance or events to differ materially from those expressed or implied in these statements. These forward-looking statements are based on numerous assumptions regarding GOL's present and future business strategies and the environment in which GOL will operate in the future and are not a guarantee of future performance. Such forward-looking statements speak only as at the date on which they are made. None of GOL or any of its affiliates, officers, directors, employees and agents undertakes any duty or

obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except to the extent required by law. None of GOL or any of its affiliates, officers, directors, employees, professional advisors and agents make any representation, warranty or prediction that the results anticipated by such forward-looking statements will be achieved, and such forward-looking statements represent, in each case, only one of many possible scenarios and should not be viewed as the most likely or standard scenario. Although GOL believes that the estimates and projections in these forward-looking statements are reasonable, they may prove materially incorrect and actual results may materially differ. As a result, you should not rely on these forward-looking statements.

Non-GAAP Measures

To be consistent with industry practice, we disclose so-called non-GAAP financial measures which are not recognized under IFRS or U.S. GAAP, including “Net Debt”, “Adjusted Net Debt”, “total liquidity”, “EBITDA” and “EBITDAR”. Our management believes that disclosure of non-GAAP measures provides useful information to investors, financial analysts and the public in their review of our operating performance and their comparison of our operating performance to the operating performance of other companies in the same industry and other industries. However, these non-GAAP items do not have standardized meanings and may not be directly comparable to similarly-titled items adopted by other companies. Potential investors should not rely on information not recognized under IFRS as a substitute for the GAAP measures of earnings or liquidity in making an investment decision.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
