In the capital increase, 410,779,174,294 new shares will be issued, 143,513,066,618 of which will be common shares and 267,266,107,676 of which will be preferred shares, all of them identical to the outstanding shares in all aspects, pursuant to the terms of Article 171, paragraph 1 of Law No. 6,404 of December 15, 1976, as amended (the "Brazilian Corporations Law").

The period to exercise the preemptive rights to acquire new shares in the Brazilian market begins on November 18, 2004 for those shareholders holding shares on November 11, 2004, subject to the following terms and conditions.

**1. Amount of Capital Increase**

1.1. The amount of the capital increase, subject to the provisions above, will be up to two billion, fifty-three million, eight hundred ninety-five thousand, eight hundred seventy-one *reais* and forty-seven cents (R\$2,053,895,871.47), and the Company will maintain its decision to increase the capital if the subscribed amount reaches a minimum of one billion four hundred million *reais* (R\$1,400,000,000.00).

**2. Number and Class of Shares to Be Issued**

2.1. 143,513,066,618 common shares, without par value, and 267,266,107,676 preferred shares, without par value, will be issued, including preferred shares in the form of American Depositary Shares ("ADSs").

**3. Record Date and Subscription List**

3.1. Shareholders holding common shares issued by the Company will be entitled to subscribe for 0.350558679 new common shares for each common share held by the shareholders on November 11, 2004.

3.2. Shareholders holding preferred shares issued by the Company will be entitled to subscribe for 0.350558679 new preferred shares for each preferred share held by the shareholders on November 11, 2004.

#### **4. Ex-Rights Trading**

4.1. Shares acquired beginning on November 12, 2004 will not entitle the purchaser to the subscription rights.

#### **5. Subscription for Shares and Trading of Subscription Rights**

5.1. Holders of shares issued by the Company in Brazil may request subscription through the broker of their choice, or may fill out the applicable subscription bulletin, which may be requested at any branch of Banco ABN Amro Real S.A. ("Banco ABN Amro Real"), the depository financial institution that acts as the Company's transfer agent, in each case during the period from November 18, 2004 to December 17, 2004.

5.2. Shareholders of the Company who wish to trade their subscription rights may do so from November 18, 2004 to December 10, 2004. Shareholders should instruct the broker of their choice to trade the rights directly on the stock exchange, or shareholders whose shares are held in the custody of Banco ABN Amro Real should request from that institution the bulletin of transfer of rights that will be issued by Banco ABN Amro Real.

5.3. After a bulletin of transfer of rights is issued pursuant to item 5.2. above, and after effective transfer of the bulletin of transfer of rights, the corresponding declaration on the back of the bulletin of transfer of rights will be required, with the notarized signature of the transferor.

5.4. Shareholders should indicate their interest in the remaining unsubscribed shares in the applicable subscription bulletin.

#### **6. Issue Price**

6.1. The issue price will be R\$5.00 (five *reais* ) per lot of one thousand shares for both classes of shares of the Company.

6.2. Pursuant to the terms of Article 170, paragraph 1, of the Brazilian Corporations Law and CVM Advisory Opinions No. 1 of September 27, 1978, and No. 5 of December 3, 1979, the criterion chosen for determining the issue price of the new shares to be issued by the Company was the share price of the preferred shares on the São Paulo Stock Exchange ("BOVESPA") due to their high degree of liquidity.

6.3. The determination of the issue price of the new shares to be issued by the Company is a function of market conditions and is intended to create a margin for the orderly development of the transaction, to stimulate shareholder participation and to enable the formation of a market price for the subscription rights.

6.4. The issue price represents (i) a discount of approximately 30% on the volume weighted average closing price of the preferred shares, and a premium of approximately 2% on the volume weighted average closing price of the common shares in the last thirty (30) trading days at BOVESPA and (ii) a discount of approximately 32% on the volume weighted average closing price of the preferred shares, and a discount of approximately 3% on the volume weighted average of closing price of the common shares in the last sixty (60) trading days at BOVESPA.

#### **7. Dividends**

7.1. After the ratification of the capital increase by the Board of Directors, the shares issued will be entitled to receive the full amount of any dividends to be declared by the Company thereafter.

#### **8. Period to Exercise the Subscription Rights**

Beginning: November 18, 2004

End: December 17, 2004

## **9. Manner of Payment**

9.1. The shares shall be paid for in cash, in Brazilian currency at the time of subscription.

## **10. Procedure to Subscribe Remaining Shares**

10.1. After the end of the exercise period of the preemptive rights, shareholders who indicated an interest in their subscription bulletins in subscribing for any leftover unsubscribed shares shall have a period of three (3) business days after the determination of the number of leftover shares to subscribe for such leftover shares, which period will begin on December 21, 2004 and end on December 23, 2004. The maximum number of shares of a class (including shares in the form of ADSs) to be allocated to each subscriber will be determined by multiplying the total number of shares of the class (including shares in the form of ADSs) that were not subscribed by the percentage calculated by dividing the number of shares of the class (including shares in the form of ADSs) subscribed by the subscriber by the total number of shares of the class subscribed (including shares in the form of ADSs).

10.2. Shares that remain unsubscribed after the first reoffering round will again be reoffered to shareholders that have indicated an interest in their subscription bulletins in subscribing for any leftover unsubscribed shares. Shareholders will have a period of three (3) business days after the determination of the number of leftover shares from the first reoffering round to subscribe for such unsubscribed shares, which period will begin on December 27, 2004 and end on December 29, 2004. The procedure outlined in item 10.1 above will be used to calculate the number of shares (including shares in the form of ADSs) to be allocated to each subscriber, provided that the maximum number of leftover unsubscribed shares (including shares in the form of ADSs) to be allocated to each subscriber will be calculated based on the results of the first reoffering round.

10.3. If unsubscribed shares remain after the second reoffering round, the Board of Executive Officers of the Company may decide, as authorized by the Board of Directors, to dispose of the remaining shares in an auction at BOVESPA, for the benefit of the Company (Article 171, paragraph 7, item "b" of the Brazilian Corporations Law), which auction, if necessary, will be held on January 4, 2005, or to allocate such remaining shares among the shareholders through additional reoffering rounds.
