Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Indemnification Agreement

On November 8, 2007, the Board of Directors of Group 1 Automotive, Inc. (the "Company") authorized the Company to execute indemnification agreements (each, an "Indemnification Agreement") with the members of the Board of Directors and certain of the Company's executive officers (collectively, the "Indemnitees"). Under the terms of the Indemnification Agreement, the Company has agreed to indemnify the Indemnitees for actions taken in their respective capacities as directors or officers of the Company to the fullest extent permitted by the Delaware General Corporation Law for certain expenses and costs incurred by such Indemnitees, under the circumstances and to the extent provided for in the Indemnification Agreement. The description in this Item 5.02 of the terms of the Indemnification Agreement is qualified in its entirety by reference to the full text of the form of indemnification agreement filed as Exhibit 10.1 to this Form 8-K and incorporated herein by reference.

Performance Award

On November 7, 2007, the Compensation Committee (the "Compensation Committee") of the Board of Directors (the "Board") of Group 1 Automotive, Inc. (the "Company") approved performance-based awards (the "Performance Shares") for each of John C. Rickel (15,000 Performance Shares) and Randy L. Callison (15,000 Performance Shares). On November 8, 2007, after consultation with the Board, the Compensation Committee approved an award of 30,000 Performance Shares for Earl J. Hesterberg. All of the Performance Shares were issued under the Group 1 Automotive 2007 Long Term Incentive Plan.

Beginning on January 1, 2008 and continuing each year through 2011, with respect to each calendar-year performance period, restrictions with respect to 25% of each award will lapse if the Company achieves its annual targets with respect to the following performance measures:

- gross margin target,
- percentage of same store revenue growth compared to the Company's public automotive consolidator peer group, and
- reduction in selling, general and administrative expenses.

Each performance measure is assigned a relative weight of 33 1/3%.

The Compensation Committee will review the performance of the Company at the end of each fiscal year during the performance period to determine whether the targets have been achieved. Vesting may occur independently as to each performance measure. In the event the Company does not meet its annual target with respect to any performance measure, then the Company will review cumulative performance of each such performance measure at the end of each successive performance period. If the average performance for the preceding and current performance periods exceeds the annual performance target, then the Company will deem the performance measure to have been satisfied for the current and preceding periods.

The foregoing summary of the vesting terms of the Performance Shares is not complete and is qualified in its entirety by reference to the vesting schedule, a copy of which is filed as Exhibit 10.2 to this report and incorporated herein by reference.

Effective November 8, 2007, the Board of Directors of Group 1 Automotive, Inc. (the "Company") authorized the amendment and restatement of the Company's bylaws (the "Amended Bylaws"). The Amended Bylaws include, among other things, the following changes: (i) location of the Company's registered office, (ii) provision to allow stockholder meetings to be held by remote communication, (iii) provisions to allow notice of meeting by electronic transmission, (iv) provision for the issuance and transfer of uncertificated shares, and (v) clarification that the Company may have either a non-executive or an executive Chairman of the Board.
