Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

In order to fund a portion of the purchase price of the acquisition of CV Therapeutics, Inc. ("CVT") by Gilead Sciences, Inc. ("Gilead"), on April 14, 2009, Gilead borrowed \$400 million in funds under its existing Amended and Restated Credit Agreement (the "Credit Agreement") with Bank of America, N.A., as Administrative Agent, Swing Line Lender and L/C Issuer, and certain lender parties thereto. Gilead intends to repay the loan using cash flow generated from operations.

Gilead entered into the Credit Agreement on December 18, 2007. Under the Credit Agreement, Gilead and Gilead Biopharmaceutics Ireland Corporation ("GBIC") may borrow up to an aggregate of \$1.25 billion in revolving credit loans. The Credit Agreement also includes a sub-facility for swing line loans and letters of credit. Loans under the Credit Agreement bear interest at either (i) LIBOR plus a margin ranging from 0.20 percent to 0.32 percent or (ii) the base rate, as defined in the Credit Agreement. The Credit Agreement will terminate and all amounts owing thereunder shall be due and payable on December 17, 2012. Gilead and GBIC may reduce the commitments and may prepay loans under the Credit Agreement in whole or in part at any time without penalty, subject to reimbursement of lenders' breakage and reemployment costs in certain cases. The Credit Agreement contains customary representations, warranties, affirmative covenants, negative covenants and events of default.

The foregoing description of the Credit Agreement is qualified in its entirety by reference to the description of the Credit Agreement contained in the Current Report on Form 8-K filed by Gilead on December 19, 2007 and the executed Credit Agreement, which was attached as Exhibit 10.1 to the Form 8-K. Such Credit Agreement is incorporated herein by reference.
