Item	8	01	Other	Events

On September 4, 2009, Fannie Mae (formally known as the Federal National Mortgage Association) announced that it had received notice on September 3, 2009 from the New York Stock Exchange (the "NYSE") that the company has returned to compliance with the NYSE's minimum share price continued listing requirement because the average share price of Fannie Mae's common stock during the 30 trading days ended on August 31, 2009, and its closing share price on that date, both were more than \$1.00.

As a result, the NYSE will discontinue dissemination of the ".BC" indicator on the NYSE website and exchange listing.

Item 9.01 Financial Statements and Exhibits.

A copy of the news release announcing Fannie Mae's return to compliance with the NYSE's minimum share price continued listing requirement is attached as Exhibit 99.1 to this report and incorporated herein by reference.
