Item 1.01 Entry into a Material Definitive Agreement.

On April 20, 2012, Portfolio Recovery Associates, Inc. ("the "Company") and its domestic subsidiaries closed a series of transactions to exercise a portion of the accordion loan feature of its existing credit facility with its administrative agent, Bank of America, N.A., and its syndicate of lenders (the "Credit Agreement"), thereby increasing the lenders' commitments by \$50,950,000, resulting in \$458,450,000 aggregate principal amount available under the Company's line of credit. The Company's existing lenders under the Credit Agreement provided \$40,950,000 of this increase, and \$10,000,000 was provided by a new lender, Israel Discount Bank of New York, which is now a party to the Credit Agreement. The Company may request additional increases of up to \$91,550,000 under its credit facility. The increased commitments will be used to support the Company's general corporate purposes, which may include the financing of future purchases of consumer debt portfolios and further business expansion, domestically and internationally. The Credit Agreement was also amended to clarify the definition of "positive operating income."

The foregoing does not constitute a complete summary of the terms of the Credit Agreement, and reference is made to the complete form of the Credit Agreement as of December 20, 2010 attached as Exhibit 10.1 to the Form 8-K report filed by the Company on December 22, 2010, which is hereby incorporated by reference herein.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information provided above under Item 1.01 is hereby incorporated in this Item 2.03 by reference.
