Borrowing Policies

The following information supplements the section of our prospectus captioned “Investment Objectives and Policies – Borrowing Policies” beginning on page 81 of the prospectus:

Edgar Filing: Cole Credit Property Trust II Inc - Form 424B3

On May 23, 2008, Cole Operating Partnership II, LP, the operating partnership of CCPT II, ("Cole OP II") which we sometimes refer to as the borrower, entered into a revolving credit facility providing for up to \$135.0 million of secured borrowings pursuant to a credit agreement with Bank of America, N.A., as administrative agent, among other things, ("Bank of America"), Banc of America Securities, LLC, as sole lead arranger and sole book manager, JP Morgan Chase Bank, N.A. as syndication agent, and other lending institutions that may become parties to the credit agreement. The credit facility allows Cole OP II to borrow up to \$135.0 million in revolving loans. Subject to meeting certain conditions, the approval of Bank of America and the payment of certain fees, the amount of the credit facility may be increased up to a maximum of \$235.0 million, with each increase being no less than \$25.0 million. Up to 15.0% of the total amount available may be used for issuing letters of credit and up to \$20.0 million may be used for "swingline" loans, which generally are loans of a minimum of \$100,000 for which the Borrower receives funding on the same day as its loan request, and which are repaid within five business days. The proceeds of the credit facility may be used for acquiring real estate and real estate related assets, working capital and general corporate purposes.

The credit facility matures on May 23, 2011. The borrower has the option to extend the credit facility for an additional twelve month period through May 23, 2012 provided that (i) a written notice of intent to extend the term of the credit agreement is provided at least 30 days, but not more than 90 days prior to May 23, 2011; (ii) no defaults or events of default exist; (iii) the borrower pays to Bank of America a fee equal to fifteen hundredths of one percent (0.15%) of the then existing aggregate commitments; and (iv) certain requirements with respect to the representations and warranties contained in the credit agreement are satisfied.

Loans under the credit facility will bear interest at rates depending upon the type of loan used. For a eurodollar rate loan, the interest rate will be equal to the greater of (a) two and one half percent (2.50%) per annum or (b) the one month, two month, three month or six month London Interbank Offered Rate for the interest period, as selected by borrower, plus the applicable rate. The applicable rate is based upon the overall leverage ratio, generally defined as our total consolidated outstanding indebtedness divided by our total consolidated asset value and ranges from 1.80% at a leverage ratio of less than 50.0% to 2.10% at a leverage ratio of 60.0% to 65.0%.

For each base rate committed loan and each swing line loan, the interest rate will be a per annum amount equal to the base rate plus the applicable rate. The base rate generally is a fluctuating rate per annum equal to (a) 0.25% plus (b) the higher of (i) the federal funds rate plus 0.50% or (ii) Bank of America's prime rate. The applicable rate for base rate committed loans is zero at all leverage ratios.

The borrower has the right to prepay the outstanding amounts in the credit facility, in whole or in part, without premium or penalty provided that (i) prior written notice is received by the administrative agent and (ii) any prepayment of eurodollar rate loans shall be in a principal amount of \$5,000,000 or a whole multiple of \$1,000,000 in excess thereof; and (iii) any prepayment of base rate committed loans shall be in a principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof or, in each case, if less the entire principal amount thereof then outstanding.

Cole OP II has pledged all of its equity interests in certain of its subsidiary limited liability companies which have been identified by Cole OP II as collateral for its obligations under the credit facility. Subject to certain conditions, Cole OP II may pledge its equity interests in additional subsidiary entities and may remove its pledge of previously identified subsidiary entities. In addition, we, and each identified subsidiary entity, guarantees the obligations of Cole OP II under the credit facility.

The credit agreement contains customary affirmative, negative and financial covenants, representations, warranties and borrowing conditions. The credit agreement also includes usual and customary events of default and remedies for facilities of this nature. Upon the occurrence of any event of default, the eurodollar rate loans and base rate committed loans will bear interest payable on demand at an interest rate equal to 2.0% per annum above the interest rate that would otherwise be applicable at that time, until the default is cured. Similarly, the letter of credit fees described below will be increased to a rate of 2.0% above the letter of credit fee that would otherwise be applicable at that time. In addition to Cole OP II failing to pay amounts when due and breaching any of the terms of the credit agreement or related loan documents, events of default include, but are not limited to: (1) failure to pay any principal when due; (2) failure to pay interest and fees within five (5) business days after due; (3) the occurrence of a change of control; (4) a change in management; (5) material inaccuracy of any representation or warranty; (6) the

Edgar Filing: Cole Credit Property Trust II Inc - Form 424B3

bankruptcy or insolvency of Cole OP II or any consolidated subsidiary; (7) violation of any financial, negative or other covenant; (8) violation of ERISA regulations; and (9) judgments against Cole OP II or any consolidated subsidiary in excess of \$10.0 million or \$25.0 million in aggregate that remain unsatisfied or unstayed for sixty days. If an event of default occurs and is not cured timely, the lenders under the credit facility shall have no obligation to make further disbursements under the credit facility and all outstanding loans shall be immediately due and payable.

2

Edgar Filing: Cole Credit Property Trust II Inc - Form 424B3

Cole OP II was required to pay certain fees under the credit agreement, including an arrangement fee of \$250,000 to Banc of America Securities, LLC along with an upfront fee equal to 0.45% of the total credit facility. In addition, Cole OP II will pay to Bank of America an annual administrative agency fee of \$50,000. Cole OP II will also pay an annualized fee for any unused portion of the credit facility. The unused portion fee is based on the average daily balance of the total aggregate commitment less any borrowing outstanding and is equal to 0.20% on the daily unused portion of the credit facility if daily usage is less than 50.0% of the aggregate commitments and 0.15% on the daily unused portion of the credit facility if daily usage is greater than or equal to 50.0% of the aggregate commitments. Cole OP II must also pay certain fees upon the issuance of each letter of credit under the credit agreement and a quarterly fee based on the outstanding face amounts of any letters of credit.

Potential Property Investments

Our advisor has identified certain properties as potential suitable investments for us. The acquisition of each such property is subject to a number of conditions. A significant condition to acquiring any one of these potential acquisitions is our ability to raise sufficient proceeds in this offering to pay all or a portion of the purchase price. An additional condition to acquiring these properties may be our securing debt financing to pay the balance of the purchase price. Such financing may not be available on acceptable terms or at all.

Edgar Filing: Cole Credit Property Trust II Inc - Form 424B3

Our evaluation of a property as a potential acquisition, including the appropriate purchase price, will include our consideration of a property condition report; unit-level store performance; property location, visibility and access; age of the property, physical condition and curb appeal; neighboring property uses; local market conditions, including vacancy rates; area demographics, including trade area population and average household income; neighborhood growth patterns and economic conditions; and the presence of demand generators.

We will decide whether to acquire each property generally based upon:

- satisfaction of the conditions to the acquisition contained in the respective contract;
- no material adverse change occurring relating to the properties, the tenant or in the local economic conditions;
- our receipt of sufficient net proceeds from the offering of our common stock to the public and financing proceeds to make this acquisition; and
- our receipt of satisfactory due diligence information including the appraisal, environmental reports and tenant and lease information.

Other properties may be identified in the future that we may acquire prior to or instead of these properties. Due to the considerable conditions to the consummation of the acquisition of these properties, we cannot make any assurances that the closing of these acquisitions are probable. The properties currently identified are as follows:

Property	Expected Acquisition Date	Seller (1)	Approximate Purchase Price (2)	Approximate Compensation to Sponsor (3)
Coral Walk – Cape Coral, FL	June 2008	NAP Pondella LLC	\$ 27,000,000	\$ 540,000
LA Fitness – Brooklyn Park, MN	June 2008	Park Place Promenade III, LLC	10,450,000	209,000
			\$ 37,450,000	\$ 749,000

(1) Seller is an unaffiliated third party.

(2) Approximate purchase price does not include acquisition costs, which we expect to be approximately 3.0% of the contract purchase price, which include acquisition fees described in note 3 below.

(3) Amounts include acquisition fees payable to an affiliate of our advisor for acquisition fees in connection with the property acquisition.

Each potential property acquisition is subject to a net lease, pursuant to which the tenant is required to pay substantially all operating expenses and capital expenditures in addition to base rent.
