CALCULATION OF FILING FEE

<u>Transaction Valuation*</u>	<u>Amount of Filing Fee*</u>
N/A	N/A

* A filing fee is not required in connection with this filing as it relates solely to preliminary communications made before the commencement of a tender offer.

Check the box if any part of the fee is offset as provided by Rule 0-11(a)(2) and identify the filing with which the offsetting fee was previously paid. Identify the previous filing by registration statement number, or the Form or Schedule and the date of its filing.

Amount Previously Paid: N/A
Form or Registration No.: N/A
Filing Party: N/A
Date Filed: N/A

Check the box if the filing relates solely to preliminary communications made before the commencement of a tender offer.

Check the appropriate boxes below to designate any transactions to which the statement relates:

- third-party tender offer subject to Rule 14d-1.
- issuer tender offer subject to Rule 13e-4.
- going-private transaction subject to Rule 13e-3.
- amendment to Schedule 13D under Rule 13d-2.

Check the following box if the filing is a final amendment reporting the results of the tender offer:

Envoy Communications Group Inc. announces sale of UK holdings

TORONTO, Sept. 15, 2006 Envoy Communications Group Inc. (NASDAQ:ECGI/TSX:ECG) today announced the completion of the sale to Sun Chemical Corporation of its United Kingdom subsidiaries, ECG Holdings (UK) Limited, Watt Gilchrist Limited and Parker Williams Design Limited. Watt Gilchrist provides brand management, pre-press and film services, while Parker Williams is a London-based packaging design and brand specialist company.

The sale price of \$27 million is payable in cash and will result in a net gain to Envoy of approximately \$6.5 million. We believe the sale of our UK holdings, which do not represent a core holding for Envoy, will enhance shareholder value, says Geoff Genovese, Envoy's CEO.

Mr. Genovese also stated that the sale of our UK holdings will allow us to focus our attention on our wholly-owned subsidiary, Watt International Inc. and our merchant bank, Envoy Capital Group. Watt International will concentrate on its core business of providing strategy, branding and design services. Under the terms of a strategic services agreement, Watt International will continue to work with Watt Gilchrist Limited to support its customer's reprographic needs in North America. Watt International has a long standing reputation for delivering

Edgar Filing: ENVOY COMMUNICATIONS GROUP INC - Form SC TO-C

world-wide strategic branding solutions. In the past several months, Watt International has won a number of strategic consulting and branding assignments, which are expected to improve its future profitability.

This addition will greatly enhance Sun Chemical's understanding of packaging market trends and customer needs. The acquisition of Watt Gilchrist and Parker Williams will enable us to better serve customers in the packaging segment and other markets requiring sophisticated color management, said Dr. David Hill, President and CEO of Sun Chemical.

Envoy is also announcing today that it intends to use a portion of the sale proceeds to repurchase common shares under a substantial issuer bid in the form of a modified Dutch Auction tender offer, subject to receiving certain regulatory approvals and exemptions. The Board of Directors has approved an issuer bid to purchase up to 8 million of Envoy's common shares for a cash price of not more than Cdn \$2.50 and not less than Cdn \$2.25 per common share, subject to regulatory approvals and exemptions and to customary conditions. Based on the number of shares tendered and the prices specified by the tendering shareholders, Envoy will determine the lowest price per share within the range that will enable it to buy 8 million shares properly tendered. Shareholders whose shares are purchased under the offer will be paid the purchase price in cash, without interest, promptly after the expiration date. If the number of shares properly deposited pursuant to the issuer tender offer exceeds 8 million shares, then the successfully deposited shares will be purchased on a pro rata basis (disregarding fractions) according to the number of shares deposited. Envoy will return all shares not purchased under the tender offer, including shares deposited at prices greater than the maximum purchase price per share, shares not purchased as a result of proration, and shares not accepted for purchase. If the offer is fully taken up, it will represent approximately 41.2% of the currently outstanding shares for a maximum purchase price of approximately Cdn \$20 million. The Company intends to apply promptly for required regulatory approvals and exemptions, and to mail an offer to purchase and issuer bid circular, and related documents detailing the terms and conditions of the tender offer as soon as practicable after such approvals and exemptions are obtained.

This press release is for informational purposes only and does not constitute an offer to buy or the solicitation of an offer to sell Envoy common shares. The solicitation and the offers to buy Envoy common shares will only be made pursuant to a separate offer to purchase and issuer bid circular, and related materials. At the time the tender offer is commenced, Envoy will file an offer to purchase, issuer bid circular and related documents with Canadian securities regulatory authorities and a Tender Offer Statement on Schedule TO and with the United States Securities and Exchange Commission (the SEC). Shareholders should carefully read the Tender Offer Statement, the offer to purchase and issuer bid circular, the related letter of transmittal and other related materials when they are available because they will contain important information, including the various terms and conditions of the offer. The offer to purchase and issuer bid circular, the related letter of transmittal and certain other documents are expected to be sent to all holders of Envoy common shares, at no expense to them promptly following commencement of the offer. The Tender Offer Statement (including the offer to purchase and issuer bid circular, the related letter of transmittal and all other offer documents filed by Envoy with the SEC) will also be available at no charge at the SEC's website at <http://www.sec.gov>. and the website of the Canadian Securities administrators at www.sedar.com. Shareholders are urged to read these materials carefully prior to making any decision with respect to the tender offer.
