Item 8.01. Other Events.

On July 11, 2013, iGo, Inc., a Delaware corporation (“**iGo**”) and Steel Excel Inc., a Delaware corporation (“**Steel**”), issued a joint press release announcing that iGo and Steel have entered into a Stock Purchase and Sale Agreement dated July 11, 2013 (the “**Sale Agreement**”), pursuant to which Steel will commence a cash tender offer (the “**Offer**”) to purchase up to 44.0% of the outstanding shares of iGo’s common stock, par value \$0.01, on a fully-diluted basis (the “**Shares**”), at a price per share of \$3.95 (the “**Offer Price**”), subject to the terms and conditions set forth in the Sale Agreement. The transaction has been approved by the boards of directors of both iGo and Steel.

Under the terms of the Sale Agreement, Steel’s obligation to accept for payment and pay for the Shares tendered in the Offer is conditioned upon, among other things, the tender of at least 30.0% of the total number of outstanding shares of iGo’s common stock on a fully-diluted basis. The Sale Agreement further provides that if, upon the expiration of the Offer, more than 30% but less than 44.0% of iGo’s common stock then outstanding on a fully-diluted basis is tendered in the Offer, Steel is obligated to purchase from iGo newly issued shares of iGo’s common stock at the Offer Price so that such number of newly issued shares of common stock, when added to the number of shares of common stock owned by Steel following consummation of the Offer, constitutes 44.0% of iGo’s common stock then outstanding on a fully-diluted basis.

In addition, iGo and Steel announced that in connection with the Sale Agreement, Steel has entered into a Tender and Voting Agreement (the “**Tender Agreement**”) with iGo and Adage Capital Partners, L.P., a Delaware limited partnership (“**Adage**”), one of iGo’s principal stockholders owning approximately 21.0% of iGo’s outstanding common stock, pursuant to which Adage has agreed to tender in the Offer all shares beneficially owned by Adage subject to proration for tenders by other stockholders. The Tender Agreement also requires Adage to vote its Shares and, for the term of the Tender Agreement, irrevocably appoints Steel as Adage’s proxy and attorney-in-fact to vote its shares at any meeting of iGo’s stockholders in favor of the transactions contemplated by the Sale Agreement and against any other extraordinary corporate transaction, lease or transfer of assets of iGo, or change in iGo’s capitalization, iGo board of directors or corporate structure. In addition, pursuant to the Tender Agreement, Adage has agreed, except in connection with the transactions contemplated by the Sale Agreement or otherwise with the consent of iGo and Steel, to not sell any of its shares of iGo’s common stock until the third anniversary of the date of the Tender Agreement.

A copy of the Joint Press Release issued by Steel and iGo dated July 11, 2013 is attached as Exhibit 99.1 and is incorporated herein by reference.
