Item Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

#### Term Loan Amendment and Note Redemption

On December 19, 2013, Spansion LLC, a wholly owned subsidiary of Spansion Inc. (the "Company"), entered into an Amendment No. 1 and Incremental Joinder Agreement, dated as of December 19, 2013 ("Amendment No. 1"), to the Amended and Restated Credit Agreement dated as of December 13, 2012 (as amended, supplemented or otherwise modified from time to time, the "Term Loan Facility"), among Spansion LLC, as borrower, the Company, Spansion Technology LLC (together with the Company, the "Guarantors"), Barclays Bank PLC, as administrative agent and collateral agent, and Morgan Stanley Senior Funding, Inc., as documentation agent.

Under the terms of Amendment No. 1, the interest rate on the approximately \$216 million term loan extended under the Term Loan Facility was reduced from LIBOR plus 4.00% (with a LIBOR floor of 1.25%) to LIBOR plus 3.00% (with a LIBOR floor of 0.75%). In conjunction with the closing of Amendment No. 1, Spansion LLC borrowed an additional approximately \$84 million under the Term Loan Facility (as amended by Amendment No. 1). Amendment No. 1 also provided for other modifications to certain covenants and provisions of the Term Loan Facility, including among other things, an extension of the maturity date to December 13, 2019, an increase of the general restricted payments basket from \$50 million to \$75 million, and a clarification that the new \$84 million term loan does not count towards the \$100 million incremental borrowing cap.

The other covenants and provisions of the Term Loan Facility remain unchanged, and the Term Loan Facility and Spansion LLC's current revolving facility continue to be secured on an equal priority basis by a first priority security interest in, among other items, (i) all equity interests of Spansion Technology LLC, Spansion LLC and each of its direct and indirect domestic subsidiaries, and certain intercompany debt, (ii) all present and future tangible and intangible assets of Spansion LLC and its direct and indirect domestic subsidiaries, and (iii) all proceeds and products of the property and assets described in (i) and (ii).

Approximately \$84 million of the new term loan borrowings under the Term Loan Facility (as amended by Amendment No. 1) together with cash on hand will be used to redeem the outstanding 7 7/8% Senior Notes due 2017 (the "*Notes*") issued by Spansion LLC (approximately \$94 million outstanding). The redemption of the Notes will occur
