Explanatory Note

This Current Report on Form 8-K/A amends the Current Report on Form 8-K filed on May 18, 2018 (the “Initial Form 8-K”) by Primo Water Corporation, a Delaware corporation (the “Company”), solely for the purpose of correcting a typographical error with respect to the Company’s signature page on the Initial Form 8-K. No other changes were made to the Initial Form 8-K.

Item 1.01. Entry into a Material Definitive Agreement.

On May 17, 2018, Primo Water Corporation (the “Company”) entered into an Underwriting Agreement (the “Underwriting Agreement”) with William Blair & Company, L.L.C. and BMO Capital Markets Corp., as representatives (the “Representatives”) of the several underwriters named therein (the “Underwriters”), relating to the issuance and sale of 4,643,000 shares of the Company’s common stock, par value \$0.001 per share (“Common Stock”). Under the terms of the Underwriting Agreement, the Company also granted to the Underwriters an option, exercisable in whole or in part at any time for a period of 30 days from the date of the Underwriting Agreement, to purchase up to an additional 696,450 shares of Common Stock. The net proceeds to the Company from this offering are expected to be approximately \$61.6 million, after deducting underwriting discounts and commissions and other estimated offering expenses. The offering is expected to close on or about May 22, 2018, subject to customary closing conditions.

The Underwriting Agreement contains customary representations, warranties and covenants made by the Company. It also provides for customary indemnification by each of the Company and the Underwriters, severally and not jointly, for losses or damages arising out of or in connection with the offering, including for liabilities under the Securities Act of 1933, as amended, and other obligations of the parties. In addition, pursuant to the terms of the Underwriting Agreement, each of the Company’s directors and executive officers have entered into “lock-up” agreements with the Underwriters that, subject to certain exceptions, generally prohibit, without the prior written consent of the Representatives, the sale, transfer or other disposition of the Company’s securities for a period of 90 days from the date of the Underwriting Agreement.

The offering is being made pursuant to an effective registration statement on Form S-3 (Registration Statement No. 333-221938) previously filed by the Company with the Securities and Exchange Commission and a prospectus supplement thereunder. The Underwriting Agreement is filed as Exhibit 1.1 to this report, and the description of the terms of the Underwriting Agreement is qualified in its entirety by reference to such exhibit. A copy of the opinion of K&L Gates LLP relating to the legality of the issuance and sale of the Common Stock in the offering is attached as Exhibit 5.1 hereto.
