Item 1.01. Entry into a Material Definitive Agreement.

On August 28, 2018, Cesca Therapeutics Inc. (the “Company”) entered into a Securities Purchase Agreement (the “Purchase Agreement”) with certain accredited investors (the “Investors”), pursuant to which the Company agreed to issue and sell to the Investors (the “Offering”) an aggregate of 1,035,000 shares of the Company's common stock, par value \$0.001 per share, for a purchase price of \$0.18 per share and 2,965,000 pre-funded warrants for a purchase price of \$0.17 per pre-funded warrant.

Each pre-funded warrant is immediately exercisable for one share of common stock at an exercise price of \$0.01 per share and will remain exercisable until exercised in full. A holder of a pre-funded warrant will not have the right to exercise any portion of its warrant if the holder, together with its affiliates, would beneficially own in excess of 4.99% or 9.99%, as applicable, of the number of shares of the Company’s common stock outstanding immediately after giving effect to such exercise (the “Beneficial Ownership Limitation”); provided, however, that the holder may increase or decrease the Beneficial Ownership Limitation, although any increase will not be effective until the 61st day after a notice of increase is delivered to the Company and the holder may not increase the Beneficial Ownership Limitation in excess of 9.99%.

The Offering of the shares of common stock, the pre-funded warrants and the shares of common stock issuable upon the exercise of the pre-funded warrants was not registered under the Securities Act of 1933, as amended (the “Securities Act”) and were offered and sold pursuant to the exemption provided in Section 4(a)(2) under the Securities Act and Rule 506 of Regulation D promulgated thereunder.

The closing of the Offering was subject to satisfaction of customary closing conditions set forth in the Purchase Agreement and is expected to occur on or around August 28, 2018. The Purchase Agreement also contains representations, warranties, indemnification and other provisions customary for transactions of this nature. Under the Purchase Agreement, the Company agreed to register the resale of the shares of common stock sold in the Offering and the shares of common stock issuable upon exercise of the pre-funded warrants. In addition, subject to certain exceptions, in the event the Company sells or issues any shares of common stock or common stock equivalents during the period beginning on the closing date of the Offering and ending on the date that is one-hundred and eighty-two (182) days following such date, the Company is required to issue each Investor a number of shares of common stock (or additional pre-funded warrants to purchase shares of common stock) equal to the number of shares the Investor would have received had the purchase price for such shares been at such lower purchase price.

The gross proceeds to the Company, excluding the proceeds, if any, from the exercise of the pre-funded warrants, was approximately \$690,350.

The foregoing descriptions of the Purchase Agreement and the pre-funded warrants do not purport to be complete and are qualified in their entirety by reference to the full text of the Purchase Agreement and the form of pre-funded warrant, which are attached as Exhibits 4.1 and 10.1 hereto, respectively, and incorporated herein by reference.
