However, due to voting rules that may prevent your bank or broker from voting your uninstructed shares on a discretionary basis in the election of directors and other non-routine matters, it is important that you cast your vote. Accordingly, please provide appropriate voting instructions to your broker or bank to ensure your vote will count.

You will be able to attend the Annual Meeting online, vote and submit your questions during the Annual Meeting by visiting www.virtualshareholdermeeting.com/BLFS2019.

In accordance with rules adopted by the Securities and Exchange Commission (the “SEC”), we may furnish proxy materials, including this proxy statement and our annual report on Form 10-K for the fiscal year ended December 31, 2018 to our stockholders by providing access to such documents on the Internet instead of mailing printed copies. Most stockholders will not receive printed copies of the proxy materials unless they request them. Instead, the Notice of Internet Availability of Proxy Materials (the “Notice”), which was mailed to most of our stockholders, will instruct you as to how you may access and review all of the proxy materials on the Internet. The Notice also instructs you as to how you may submit your proxy on the Internet. By accessing and reviewing the proxy materials on the Internet, you will save us the cost of printing and mailing these materials to you and reduce the impact of such printing and mailing on the environment. If you would like to receive a paper copy of our proxy materials, you should follow the instructions for requesting such materials provided in the Notice.

These proxy solicitation materials will be sent or given on or about April 30, 2019 to all stockholders entitled to vote

at the Annual Meeting. Stockholders who owned BioLife Solutions Common Stock (including persons that held shares of restricted Common Stock issued pursuant to our amended and restated 2013 Performance Incentive Plan) at the close of business on April 15, 2019 (the “Record Date”) are entitled to receive notice of, attend and vote at the Annual Meeting. On the Record Date, there were 18,731,386 shares of Common Stock outstanding and approximately 6,800 beneficial holders of our Common Stock. Additionally, there were 498,536 unvested restricted shares of Common Stock outstanding on the Record Date. Each share of Common Stock and unvested restricted share of Common Stock entitles the holder to one vote.

We will provide, without charge, a copy of our annual report on Form 10-K to each stockholder of record as of the Record Date that requests a copy in writing. Any exhibits listed in the annual report on Form 10-K report also will be furnished upon request at the actual expense we incur in furnishing such exhibit. Any such requests should be directed to our Corporate Secretary at our executive offices set forth above.

VOTING AND RELATED MATTERS

Voting Procedures

As a stockholder of BioLife Solutions, you have a right to vote on certain business matters affecting us. The proposals that will be presented at the Annual Meeting and upon which you are being asked to vote are discussed below in the “Proposals” section. Each share of BioLife Solutions Common Stock (including each share of restricted Common Stock issued pursuant to the amended and restated 2013 Performance Incentive Plan) you owned as of the Record Date entitles you to one vote on each proposal presented at the Annual Meeting.

Proxy Card

The proxy card which is accessible over the Internet or in physical form if you requested to receive physical copies of the proxy materials enables you to appoint Michael Rice, our Chief Executive Officer and President, and Roderick de Greef, our Chief Financial Officer, as your representatives at the Annual Meeting. By completing and returning the proxy card or voting online as described herein, you are authorizing Messrs. Rice and de Greef to vote your shares at the Annual Meeting in accordance with your instructions on the proxy card. This way, your shares will be voted whether or not you attend the virtual Annual Meeting. Even if you plan to attend the virtual Annual Meeting, we think that it is a good idea to complete and return your proxy card before the Annual Meeting date just in case your plans change. If a proposal comes up for vote at the Annual Meeting that is not on the proxy card, the proxies will vote your shares, under your proxy, according to their best judgment.

Methods of Voting

You may vote over the Internet, by mail or in person online at the Annual Meeting. Please be aware that if you vote over the Internet, you may incur costs such as Internet access charges for which you will be responsible.

Voting over the Internet. You can vote via the Internet. The website address for Internet voting is provided on the Notice and on the proxy card. You will need to use the control number appearing on your proxy card to vote via the Internet. You can use the Internet to transmit your voting instructions up until 11:59 p.m. Eastern Daylight Time on June 11, 2019. Internet voting is available 24 hours a day. If you vote via the Internet, you do not need to return a proxy card. If you sign and return the proxy card or submit an electronic vote but do not give instructions on how to vote your shares, your shares will be voted as recommended by the Board. If your shares are held in the name of your broker or other nominee, you are considered the beneficial owner of shares held in street name. As a beneficial owner,

you may vote by proxy via the Internet by following the instructions provided by your brokerage firm, bank, broker-dealer or other similar organization that holds your shares.

Voting by Telephone. Using a touch-tone telephone, you may transmit your voting instructions to the number provided in the Notice.

Voting by Mail. If you received a printed proxy card, you can vote by marking, dating and signing it, and returning it in the postage-paid envelope provided. Please promptly mail your proxy card to ensure that it is received prior to the closing of the polls at the Annual Meeting.

Voting at the Meeting. If you attend the Annual Meeting online and plan to vote, you will be able to vote virtually. If your shares are registered directly in your name, you are considered the stockholder of record and you have the right to vote online at the Annual Meeting. If your shares are held in the name of your broker or other nominee, you are considered the beneficial owner of shares held in street name. As a beneficial owner, if you wish to vote at the Annual Meeting, you will need a legal proxy from your broker or other nominee authorizing you to vote those shares online at the Annual Meeting.

Revoking Your Proxy

You may revoke your proxy at any time before it is voted at the Annual Meeting. To do this, you must:

enter a new vote over the Internet, or by signing and returning a replacement proxy card;

provide written notice of the revocation to our Corporate Secretary at our principal executive office, 3303 Monte Villa Parkway, Suite 310, Bothell, Washington 98021, which written notice must be received prior to the Annual Meeting;
or

attend the virtual Annual Meeting online and vote.

Quorum and Voting Requirements

Stockholders of record (including persons that held shares of restricted Common Stock issued pursuant to our amended and restated 2013 Performance Incentive Plan) at the close of business on April 15, 2019, are entitled to receive notice and vote at the Annual Meeting. On the Record Date, there were 18,742,725 issued and outstanding

shares of our Common Stock. Additionally, there were 498,536 unvested restricted shares of Common Stock outstanding. Each holder of Common Stock (or restricted Common Stock) voting at the Annual Meeting, either online or by proxy, may cast one vote per share of Common Stock held on the Record Date on all matters to be voted on at the Annual Meeting. Stockholders may not cumulate votes in the election of directors.

Table of Contents

The presence, in person online or by proxy, of the holders of a majority of the outstanding shares of Common Stock entitled to vote constitutes a quorum for the transaction of business at the Annual Meeting. Assuming that a quorum is present:

- (1) a plurality of the shares present in person online or represented by proxy at the Annual Meeting and entitled to vote on the election of directors will be required to elect each Board nominee;
- (2) the compensation of our named executive officers will be approved on a non-binding, advisory basis, if a majority of the votes properly cast at the meeting on this proposal vote to approve this proposal;
the frequency of conducting future stockholder advisory votes on named executive officer compensation (which
- (3) will be either every year, every two years or every three years) will be determined by the frequency that receives the largest number of votes;
the ratification of the appointment of Peterson Sullivan LLP as our independent registered public accounting firm
- (4) for fiscal year ending December 31, 2019 will be approved if approved by a majority of the votes cast at the meeting on this proposal.

Votes cast by proxy or online at the Annual Meeting will be tabulated by the election inspector appointed for the Annual Meeting who will also determine whether a quorum is present. The election inspector will treat abstentions and broker non-votes (i.e., shares held by a broker or nominee that are represented online at the Annual Meeting, but with respect to which such broker or nominee is not instructed to vote on a particular proposal and does not have discretionary voting power) as shares that are present for purposes of determining the presence of a quorum. With regard to the election of our director nominees, broker non-votes and votes marked “withheld” will not affect the outcome of the election of the directors. With regard to Proposals Two and Three, abstentions and broker non-votes will not be counted for purposes of determining whether such proposal has been approved and will not have the effect of negative votes. With regard to the ratification of the appointment of Peterson Sullivan LLP as our independent registered public accounting firm for fiscal year ending December 31, 2019, abstentions will not be counted for purposes of determining whether such proposal has been ratified and will not have the effect of negative votes, whereas, because the ratification of the appointment of auditors is a routine matter, a broker may vote on this matter without instructions from the beneficial owner as long as instructions are not given.

If your shares are held by a bank or broker in street name, it is important that you cast your vote if you want it to count in the election of directors and other non-routine matters. Voting rules may prevent your bank or broker from voting your uninstructed shares on a discretionary basis in the election of directors and other non-routine matters. Accordingly, if your shares are held by a bank or broker in street name and you do not instruct your bank or broker how to vote in the election of directors or any other non-routine matters, no votes will be cast on your behalf.

Voting of Proxies

When a proxy is properly executed and returned, the shares it represents will be voted at the Annual Meeting as directed. If no specification is indicated, the shares will be voted:

- (1) “for” the election of each Board nominee set forth in this proxy statement unless the authority to vote for such directors is withheld;
- (2) “for” the approval on an advisory basis of the compensation of our named executive officers as disclosed in this proxy statement;
- (3) “for” conducting future stockholder advisory votes on the compensation of named executive officers every three years;
- (4) “for” the ratification of the appointment of Peterson Sullivan LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019; and
- (5) at the discretion of your proxies on any other matter that may be properly brought before the meeting.

Table of Contents

Voting Results

Voting results will be announced at the Annual Meeting and published in a Current Report on Form 8-K that will be filed with the SEC within four business days after the Annual Meeting.

Holding of Stock

Most of our stockholders hold their shares in an account at a brokerage firm, bank or other nominee holder, rather than holding share certificates in their own name. As summarized below and described elsewhere herein, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If, on the Record Date, your shares were registered directly in your name with our transfer agent, Broadridge, LLC, you are a “stockholder of record” who may vote at the Annual Meeting, and we sent the Notice to you and directed you to these proxy materials. As the stockholder of record, you have the right to direct the voting of your shares by voting as described above. Whether or not you plan to attend the Meeting, please complete, date and sign the enclosed proxy card to ensure that your vote is counted.

Beneficial Owner

If, on the Record Date, your shares were held in an account at a brokerage firm or at a bank or other nominee holder, you are considered the beneficial owner of shares held “in street name,” and the Notice and the instructions to review these proxy materials were forwarded to you by your broker or nominee who is considered the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to direct your broker on how to vote your shares and to attend online the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares online at the Annual Meeting unless you receive a valid proxy from your brokerage firm, bank or other nominee holder. To obtain a valid proxy, you must make a special request of your brokerage firm, bank or other nominee holder. If you do not make this request, you can still vote by using the voting instruction card sent to you by your broker; however, you will not be able to vote online at the Annual Meeting.

Householding of Proxy Materials; Receipt of More than One Proxy Card

Some banks, brokers and other nominee record holders may be participating in the practice of “householding” proxy materials and annual reports. This means that only one copy of the proxy materials may have been sent to multiple stockholders in your household. This practice is designed to reduce our printing and postage costs. However, if you are residing at such an address and wish to receive a separate annual report on Form 10-K or proxy statement in the future, you may telephone our Secretary at (425) 402-1400 or write to BioLife Solutions, Inc., 3303 Monte Villa Parkway, Suite 310, Bothell, Washington 98021. If you are receiving multiple copies of our annual report on Form 10-K and proxy statement, you may request householding by contacting our Secretary in the same manner.

If you have received more than one Notice or otherwise have access to more than one proxy card, you may have multiple accounts at the transfer agent and/or with brokerage firms. Please sign and return all proxy cards to ensure that all of your shares are voted.

Proxy Solicitation

We are soliciting proxies solely on behalf of the Company and will bear the cost of this solicitation. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for reasonable expenses incurred in forwarding solicitation materials to such beneficial owners. Proxies also may be solicited by our directors, officers or employees, personally, by telephone, facsimile, Internet or other means, without additional compensation. We may retain a proxy solicitor to assist in the distribution of proxies and proxy solicitation materials, and in the solicitation of proxies. Generally, the fee for such services is approximately \$15,000 plus expenses. If we do elect to retain a proxy solicitor, we will pay the proxy solicitor reasonable and customary fees. Except as described above, we do not presently intend to solicit proxies other than by mail.

No Right of Appraisal

None of Delaware law, our Amended and Restated Certificate of Incorporation, as amended, or our Amended and Restated Bylaws (the “Bylaws”) provides for appraisal or other similar rights for dissenting stockholders in connection with any of the proposals to be voted upon at this Meeting. Accordingly, our stockholders will have no right to dissent and obtain payment for their shares.

Who Can Answer Questions About Voting Your Shares

You can contact our Corporate Secretary at (425) 402-1400 or by sending a letter to our Corporate Secretary at our principal executive office, 3303 Monte Villa Parkway, Suite 310, Bothell, Washington 98021, with any questions about proposals described in this proxy statement or how to execute your vote.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to be held on June 12, 2019: The notice of annual meeting of stockholders, this proxy statement, including your proxy card, and our annual report on Form 10-K for the fiscal year ended December 31, 2018 are available at www.proxyvote.com.

Table of Contents**BOARD OF DIRECTORS****Overview**

Our Bylaws provide that the size of our Board is to be determined from time to time by resolution of the Board but shall consist of at least three members. Our Board presently consists of five members. Our Board has determined three of our directors– Messrs. Cohen, Hinson, and Schick – to be independent under the rules of the NASDAQ Stock Market, after taking into consideration, among other things, those transactions described under “Certain Transactions”. Mr. Cohen serves as Chairman of the Board and is an independent director. Therefore, The Board does not have a lead director; however, recognizing that the Board is composed almost entirely of outside directors, in addition to the Board’s strong committee system (as described more fully below), we believe this leadership structure is appropriate for the Company and allows the Board to maintain effective oversight of management.

At each annual meeting of stockholders, members of our Board are elected to serve until the next annual meeting and until their successors are duly elected and qualified. If the nominees named in this proxy statement are elected, the Board will consist of five persons.

Compensation Committee. The purpose of the Compensation Committee is to discharge its fiduciary responsibilities relating to the compensation of executive officers, the organizational structure, succession, retention and training policies and review and oversight of benefit programs. Our Compensation Committee is responsible for reviewing the recommendations of our Chief Executive Officer and Chief Financial Officer, making recommendations to the Board regarding the compensation of our executive officers, and ensuring that the total compensation paid to the executive officers is reasonable and competitive, and does not promote excessive risk taking. In making its recommendation to the Board, the Compensation Committee considers the results of the most recent stockholder advisory vote on executive compensation. The Chief Executive Officer may not be present during voting or deliberation on his compensation. The Compensation Committee is also responsible for reviewing and making recommendations to the Board regarding director and committee member compensation. In addition, the Compensation Committee approves and has oversight over our bonus plans for executive officers and/or stock-based compensation plans and oversight of our overall compensation plans and benefit programs, including approval and oversight of grants.

In discharge of its duties related to administration of executive bonus plans, the Compensation Committee may, subject to the terms of each plan, delegate authority to management for the day-to-day non-material administration of such plans. Further, the Compensation Committee may, subject to the terms of each plan, delegate authority to management to make grants to non-executive officers under stock-based compensation plans.

The Compensation Committee has the authority to obtain independent advice and assistance from internal or external legal, accounting and other advisors, at the Company’s expense. The Compensation Committee may select, or receive advice from, a compensation consultant, legal counsel or other adviser to the Committee, other than in-house legal counsel, only after taking into consideration the six factors outlined in Rule 10C-1 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). In considering and determining compensation levels, the Compensation Committee reviews independent and externally generated compensation data, in accordance with Rule 10C-1 of the Exchange Act.

The members of the Compensation Committee are independent directors within the meaning of the listing standards of the NASDAQ Stock Market.

Business Conduct and Ethics. The Nominating and Governance Committee has the authority to obtain independent advice and assistance from internal or external legal, accounting and other advisors, at the Company's expense.

All members of our Nominating and Governance Committee are independent under the listing standards of the NASDAQ Stock Market.

Table of Contents

The Nominating and Governance Committee will consider candidates recommended by stockholders in accordance with the procedures set forth in our Bylaws, and prior to the date it recommends a slate of director nominees to the Board. Pursuant to the Nominating and Governance Committee Charter, there is no difference in the manner in which a nominee recommended by a stockholder or otherwise is evaluated.

In carrying out its function to nominate candidates for election to our Board, the Nominating and Governance Committee considers the Board's mix of skills, experience, character, commitment and diversity—diversity being broadly construed to mean a variety of opinions, perspectives and backgrounds, such as gender, race and ethnicity differences, as well as other differentiating characteristics, all in the context of the requirements and needs of our Board at that point in time. In reviewing potential candidates, the Committee will also consider all relationships between any proposed nominee and any of our stockholders, competitors, customers, suppliers or other persons with a relationship to the Company. The Nominating and Governance Committee believes that each candidate should be an individual who has demonstrated exceptional ability and judgment, who are willing and able to make a sufficient time commitment to the Company, and who shall be most effective, in conjunction with the other nominees to the Board, in collectively serving the long-term interests of the stockholders.

The Nominating and Governance Committee's methods for identifying candidates for election to our Board include the solicitation of ideas for possible candidates from a number of sources, including from members of our Board, our executive officers, individuals who our executive officers or Board members believe would be aware of candidates who would add value to our Board and through other research. The Nominating and Governance Committee may, from time to time, retain, for a fee, one or more third-party search firms to identify suitable candidates. The Nominating and Governance Committee will consider all candidates identified through the processes described above, and will evaluate each candidate, including incumbents, based on the same criteria.

The Nominating and Governance Committee does not have a formal policy with respect to diversity; however, the Board and the Nominating and Governance Committee believe that it is essential that the Board members represent diverse viewpoints.

2017 Management Performance Bonus Plan

On December 20, 2016, the Board agreed to implement a Management Performance Bonus Plan for 2017 (the “Bonus Plan”). Pursuant to the terms of the Bonus Plan, six senior officers of the Company received options to purchase an aggregate of 1,000,000 shares of Common Stock which vest in various percentages based on achieving varying levels of specified revenue targets for the year ending December 31, 2017. The options have an exercise price of \$1.64, and, for each milestone that is achieved, vest 50% on the release of the Company’s audited financial statements for 2017, and 50% one year thereafter. In addition, pursuant to the Bonus Plan, the six officers also have the right to receive up to an aggregate of \$436,250 in cash based on achieving varying levels of specified adjusted EBITDA targets for the year ending December 31, 2017. Any cash bonus, once earned, would be paid on the release of the Company’s audited financial statements. If the minimum performance targets are not achieved, no options will vest and no cash bonus will be paid. On February 27, 2018, the Company’s Board of Directors determined that, subject to the completion of the 2017 audit, the specified revenue target had been achieved. Accordingly, 999,997 options to purchase shares of the Company’s Common Stock vested as follows: 50% of the options vested on March 8, 2018 and the remaining 50% vested on March 8, 2019.

Engagement of Executive Compensation Firm

In 2019, we engaged an independent executive compensation firm, FW Cook, to review our current compensation practices and make recommendations to the Compensation Committee and the full Board regarding the compensation paid to our executive officers. With consideration to the recommendations of FW Cook, including an evaluation of the compensation practices of a like-situated peer group of public life science companies, our Compensation Committee recommended and our Board approved a salary increase in February 2019 for Mr. Rice (see “Employment Agreements” below), cash bonus targets for our executive officers (up to 60% of base salary for Mr. Rice and up to 30% of base salary for the remaining executive officers) and the issuance of additional equity based compensation to our executive officers based on our attainment of certain performance metrics for fiscal 2019.

Specifically, our executive officers were granted service-based restricted stock awards (approximately 94,000 shares of restricted stock in the aggregate vesting over four years) and performance-based restricted stock awards (approximately 94,000 shares of restricted stock in the aggregate). The performance-based restricted stock awards will vest as to between 0% and 200% of the number of restricted shares granted to each executive officer based on our total shareholder return during the period beginning on January 1, 2019 through December 31, 2020 as compared to the total shareholder return of 20 of our peers (such peers having been determined by our Compensation Committee with assistance of FW Cook immediately prior to the grant date).

The foregoing notwithstanding, a merger or consolidation of the Company shall not constitute a “Change in Control” if immediately after such merger or consolidation a majority of the voting power of the capital stock of the continuing or surviving entity, or any direct or indirect parent corporation of such continuing or surviving entity, will be owned by the persons who were the Company’s stockholders immediately prior to such merger or consolidation in substantially the same proportions as their ownership of the voting power of the Company’s capital stock immediately prior to such merger or consolidation.

Under each employment agreement, “Cause” means the Company’s belief that any of the following has occurred: (i) any breach of the employment agreement by the executive officer; (ii) any failure to perform assigned job responsibilities that continues unremedied for a period of 10 days after written notice to the executive officer by the Company; (iii) the executive officer’s malfeasance or misconduct in connection with the executive officer’s duties under the employment agreement or any act or omission of the executive officer which is materially injurious to the financial condition or business reputation of the Company or any of its subsidiaries or affiliates, (iv) commission of a felony or misdemeanor or failure to contest prosecution for a felony or misdemeanor; (v) the Company’s reasonable belief that the executive officer engaged in a violation of any statute, rule or regulation, any of which in the judgment of the Company is harmful to the business or to Company’s reputation; (vi) the Company’s reasonable belief that the executive officer engaged in unethical practices, dishonesty or disloyalty; or (vii) any reason that would constitute “cause” under the laws the State of Washington.

Amended and Restated 2013 Performance Incentive Plan

The Amended and Restated 2013 Performance Incentive Plan and the award agreements entered into thereunder include certain provisions that may result in a payment to, or acceleration of vesting of awards held by, a named executive officer in connection with a change in control. A change in control is defined as: (a) the acquisition, directly or indirectly, in one transaction or a series of related transactions, by any person or group (within the meaning of Section 13(d)(3) of the Exchange Act) of the beneficial ownership of securities of the Company possessing more than fifty percent (50%) of the total combined voting power of all outstanding securities of the Company; (b) a merger or consolidation of the Company with any other entity, whether or not the Company is the surviving entity in such

transaction, except for a transaction in which the holders of the outstanding voting securities of the Company immediately prior to such merger or consolidation hold as a result of holding Company securities prior to such transaction, in the aggregate, securities possessing more than fifty percent (50%) of the total combined voting power of all outstanding voting securities of the Company or of the surviving entity (or the parent of the surviving entity) immediately after such merger or consolidation; (c) the sale, transfer or other disposition (in one transaction or a series of related transactions) of all or substantially all of the assets of the Company; or (d) the approval by the stockholders of a plan or proposal for the liquidation or dissolution of the Company.

In the event of a change in control, the Administrator (as defined in the plan) has the discretion to provide in each award agreement for (i) the vesting of options to accelerate automatically upon a change in control of the Company (as defined in the plan) and (ii) the assumption of awards by the acquiring or successor entity (or parent thereof) or replacement by such entity with new options or other incentives upon a change in control of the Company. The terms of the Company's outstanding option agreements under the plan provide for accelerated vesting upon the occurrence of the change in control transaction, provided, that the Administrator in its sole discretion may provide for the purchase or exchange of each option for an amount of cash or other property having a value equal to the difference between (x) the value of the cash or other property that you would have received pursuant to the change in control transaction in exchange for the shares issuable upon exercise of the option had the option been exercised immediately prior to the change in control transaction, and (y) the exercise price of the option. Outstanding options shall terminate and cease to be exercisable upon consummation of a change in control except to the extent that such awards are assumed by the successor entity pursuant to the terms of the change in control transaction. The Administrator shall give written notice of a proposed change in control transaction to the holder not less than fifteen (15) days prior to the anticipated effective date of the proposed transaction.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Since January 1, 2017, there has not been, nor has there been proposed, any transaction, arrangement or relationship or series of similar transactions, arrangements or relationships, including those involving indebtedness not in the ordinary course of business, to which we or our subsidiaries were or are a party, or in which we or our subsidiaries were or are a participant, in which the amount involved exceeded or exceeds the lesser of \$120,000 or 1% of the average of our total assets at year-end for the last two completed fiscal years and in which any of our directors, nominees for director, executive officers, beneficial owners of more than 5% of any class of our voting securities, or any member of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest, other than as described above under the headings “Executive Compensation” and “Board of Directors—Director Compensation” and other than the transactions described below. Each of the transactions described below was reviewed and approved or ratified by the Audit Committee of the Board. It is anticipated that any future transactions between us and our officers, directors, principal stockholders and affiliates will be on terms no less favorable to us than could be obtained from unaffiliated third parties. Preferred Stock

On May 12, 2016, we entered into a \$4 million unsecured credit facility (the “Original Note”) with our largest shareholder, WAVI Holdings, AG (“WAVI”). Under the related commitment letter, WAVI has agreed to make a series of four \$1 million advances on June 1, 2016, September 1, 2016, December 1, 2016 and March 1, 2017. The Original Note is unsecured, carries an annual interest rate of 10%, and matures on June 1, 2017. In addition, we have agreed not to permit any liens on our assets, subject to certain exceptions. As partial compensation for WAVI entering into the commitment letter, we issued WAVI a detachable common stock purchase warrant exercisable to purchase up to 550,000 shares of Common Stock at an exercise price of \$1.75 per share. The warrant expires on May 12, 2021.

On June 30, 2017, we modified our existing credit facility with WAVI. Pursuant to the modification, WAVI agreed to exchange its existing credit facility, including \$4.25 million of principal and accrued interest outstanding as of June 1, 2017, for 4,250 shares of the Company’s Series A Preferred Stock, which has a fixed, aggregate stated value of \$4.25 million. The preferred shares issued to WAVI are not convertible into any other form of equity and can only be redeemed at the stated value of \$4.25 million at times and in amounts solely determined by the Company. The preferred shares also carry an annual cash dividend of 10% of the outstanding stated value, calculated and payable in arrears on a quarterly basis. The preferred shares have a liquidation preference of \$4.25 million over the common shareholders. No additional consideration was provided to WAVI for entering into this agreement. The exchange resulted in no gain or loss on the transaction.

On May 17, 2018 we redeemed 25%, or 1,063 shares of Series A Redeemable Preferred stock outstanding for \$1,063,000. On November 27, 2018 we redeemed the remaining 3,187 shares of Series A Redeemable Preferred stock outstanding for \$3,187,000. There are no Series A shares outstanding and no accrued preferred dividends as of December 31, 2018.

PROPOSALS

PROPOSAL NO. 1 – ELECTION OF DIRECTORS

Overview

Our Bylaws provide that the size of our Board is to be determined from time to time by resolution of the Board but shall consist of at least three members. Our Board presently consists of five members. Each of our current directors has been nominated for reelection.

Nominees

Upon the recommendation of our Nominating and Governance Committee, and after due consideration of the qualifications of each of the nominees as described above, the Board has nominated the following individuals to serve until his successor is duly elected and qualified, unless he resigns, is removed or otherwise is disqualified from serving as a director of the Company:

Michael Rice

Raymond Cohen

Thomas Girschweiler

Andrew Hinson

Joseph Schick

We have been advised by each of the director nominees that he is willing to be named as a nominee and each is willing to begin or continue to serve as a director if elected. If some unexpected occurrence should make necessary, in the discretion of the Board, the substitution of some other person for the nominees, it is the intention of the persons named in the proxy to vote for the election of such other persons as may be designated by the Board.

Vote Required

A plurality of the shares present in person online or represented by proxy at the meeting and entitled to vote on the election of directors will be required to elect Board nominees. The five nominees receiving the highest number of affirmative votes cast at the Annual Meeting will be the elected as our directors. Proxies cannot be voted for a greater number of persons than the number of nominees named.

Recommendation

The Board recommends that stockholders vote **FOR** the election of each of the above-listed nominees.

PROPOSAL NO. 2 – APPROVAL ON AN ADVISORY BASIS OF THE COMPENSATION OF NAMED EXECUTIVE OFFICERS

In accordance with Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) and Section 14A of the Exchange Act, the following proposal, commonly known as a “Say on Pay” proposal, enables our stockholders to vote to approve, on a non-binding advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with applicable SEC rules.

Our goal for our executive compensation program is to attract, motivate and retain a talented team of executives who will provide leadership for our success, and thereby increase stockholder value. We believe that our executive compensation program satisfies this goal and is strongly aligned with the long-term interests of our stockholders. We urge stockholders to read the section titled “Executive Compensation” elsewhere in this proxy statement for additional details about our executive compensation programs, including information about the compensation of our named executive officers in 2018.

We are asking our stockholders to indicate their support for our named executive officer compensation as described in this proxy statement. This “say-on-pay” proposal gives our stockholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers described in this proxy statement. Accordingly, we will ask our stockholders to vote FOR the following resolution at the Annual Meeting:

“RESOLVED, that the stockholders of BioLife Solutions, Inc. approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the BioLife Solutions proxy statement for the 2019 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the SEC.”

This say-on-pay vote is advisory, and therefore, is not binding on us, our Compensation Committee or our Board. Our Board and our Compensation Committee value the opinions of our stockholders, and to the extent that this resolution is not approved by a majority of the votes properly cast, we may review and consider the results of this advisory vote in future compensation deliberations.

Vote Required

The approval, on an advisory basis, of the stockholders by a majority of the votes properly cast at the meeting is being sought to approve the compensation of our named executive officers as disclosed in this proxy statement.

Recommendation

Our Board recommends that stockholders vote FOR the approval on an advisory basis of the compensation of our named executive officers as disclosed in this proxy statement.

PROPOSAL NO. 3 – CONDUCTING FUTURE STOCKHOLDER ADVISORY VOTES ON THE COMPENSATION OF NAMES EXECUTIVE OFFICERS

Under the Dodd-Frank Act, public companies are generally required to include in their proxy solicitations at least once every six years an advisory vote on whether an advisory vote on named executive officer compensation (such as the say-on-pay proposal that is included in this proxy statement) should occur every one, two or three years. It is management's belief, and the recommendation of our Board, that this non-binding advisory vote should occur every three years.

We believe we have effective executive compensation practices. Our Board believes that providing our stockholders with an advisory vote on named executive officer compensation every three years will encourage a long-term approach to evaluating our executive compensation policies and practices. In contrast, focusing on executive compensation over an annual or biennial period would focus on short-term results rather than long-term value creation, which is inconsistent with our compensation philosophy, and could be detrimental to us, our employees and our financial results.

Moreover, our Board does not believe that a short review cycle will allow for a meaningful evaluation of our performance against our compensation practices, as any adjustment in pay practices would take time to implement and to be reflected in our financial performance and in the price of our Common Stock. As a result, an advisory vote on executive compensation more frequently than every three years would not, in our judgment, allow stockholders to compare executive compensation to our performance.

Lastly, we believe that conducting an advisory vote on executive compensation every three years would allow us adequate time to compile meaningful input from stockholders on our pay practices and respond appropriately. This would be more difficult to do on an annual or biennial basis, and we believe that both we and our stockholders would benefit from having more time for a thoughtful and constructive analysis and review of our compensation policies.

For the above reasons, our Board recommends that stockholders approve holding an advisory vote on named executive officer compensation every three years.

You may cast your vote on your preferred voting frequency by choosing the option of one year, two years or three years, or you may abstain from voting when you vote in response to the resolution set forth below.

“RESOLVED, that the option of once every year, two years, or three years, that receives the highest number of votes cast for this resolution will be determined to be the stockholders’ preferred frequency with which BioLife Solutions, Inc. is to hold a stockholder advisory vote regarding the executive compensation of its named executive officers, as disclosed pursuant to the SEC’s compensation disclosure rules.”

The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be the frequency for the advisory vote on the compensation of our named executive officers that has been selected by stockholders. However, because the vote on this Proposal is only advisory in nature and is not binding on us or our Board, our Board will review and consider the results of the vote, but may decide that it is in our best interests and the best interests of our stockholders to hold an advisory vote on the compensation of our named executive officers more or less frequently than the option approved by our stockholders.

PROPOSAL NO. 4 – RATIFICATION OF APPOINTMENT OF PETERSON SULLIVAN LLP

Overview

The Audit Committee has engaged the independent registered public accounting firm of Peterson Sullivan LLP as our independent registered public accounting firm to audit our financial statements for the year ending December 31, 2019. Peterson Sullivan LLP audited our financial statements for the years ended December 31, 2018 and December 31, 2017. Please refer to “Principal Accountants” section of this proxy statement above for information about fees and services paid to Peterson Sullivan LLP in 2018 and 2017, and our Audit Committee’s pre-approval policies. Stockholder ratification of such selection is not required by our Bylaws or other applicable laws. However, our Board is submitting the selection of Peterson Sullivan LLP to stockholders for ratification as a matter of good corporate practice. In the event that stockholders fail to ratify the selection, our Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, our Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if our Audit Committee believes that such a change would be in our and our stockholders’ best interests.

Representatives of Peterson Sullivan LLP are expected to be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

Vote Sought

The proposal to ratify the appointment of Peterson Sullivan LLP as our independent registered public accounting firm to audit our financial statements for the year ending December 31, 2019 will be approved if approved by a majority of the votes properly cast on this proposal.
