RespireRx Pharmaceuticals Inc. (the "Registrant") was unable, without unreasonable effort or expense, to file its Quarterly Report on Form 10-Q for the period ended March 31, 2018 (the "Quarterly Report") by the May 15, 2018 filing date applicable to smaller reporting companies due to a delay experienced by the Registrant in completing its financial statements. The Registrant was unable to obtain in a timely fashion certain invoices, or estimates thereof, from certain key vendors, which contributed to the Registrant's inability to timely complete its financial statements. As a result, the Registrant is still in the process of preparing disclosure and validating information needed to complete the Quarterly Report and requires additional time to complete the Quarterly Report. The Registrant intends to file a complete Quarterly Report as soon as practicable within the extension period of five calendar days provided under Rule 12b-25 of the Securities Exchange Act of 1934, as amended.
