Item 8.01. Other Events.

Huntington Ingalls Industries, Inc. (the “Company”) has previously disclosed that it has been pursuing legal action against an insurer, FM Global, with respect to insurance claims related to losses and damages suffered by the Company as a result of Hurricane Katrina. On September 6, 2013, the Company and FM Global entered into a settlement agreement, pursuant to which the Company has agreed to release its claims in exchange for a cash payment of \$180 million from FM Global. The terms of the settlement agreement are confidential, and the Company does not anticipate making any further public comments regarding the settlement agreement.

The Company is currently assessing the impact of the receipt of the settlement amount on the Company's consolidated financial position, results of operations and cash flows.

The Company has also previously disclosed that the Company, through a predecessor-in-interest, filed suit against Aon, which acted as the Company's broker in connection with the policy with FM Global, seeking damages for breach of contract, professional negligence and negligent misrepresentation, as well as declaratory relief. The Company waived no rights against Aon in the settlement with FM Global and intends to continue pursuing its claims against Aon.

This Current Report on Form 8-K contains forward-looking statements, which are subject to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include the Company's belief that FM Global will make the settlement payment due under the settlement agreement. The Company undertakes no obligation to update any forward-looking statements, and you should not place undue reliance on any forward-looking statements that it may make.
