### **INFORMATION ABOUT OUR BOARD OF DIRECTORS,**

#### **BOARD COMMITTEES AND RELATED MATTERS**

##### **Composition of the Board of Directors**

Our Board of Directors has responsibility for our overall corporate governance and meets regularly throughout the year. Our bylaws provide that our Board of Directors may fix the exact number of directors between one and twelve.

Our Board of Directors has fixed the number of directors at one and since March 31, 2012 to the present, James Beatty has been our executive officer and director.

After the appointment of our new directors, the number of directors on our Board of Directors will be fixed at five. At our next annual meeting of stockholders, our stockholders will elect five individuals to our Board of Directors to hold office until the next succeeding annual meeting of stockholders, until their successors are elected or until their earlier death, resignation or removal.

##### **Corporate Governance and Committees**

Our directors are kept informed of our business through discussions with our executive officers, by reviewing materials provided to them and by participating in meetings of our Board of Directors.

During the year ended December 31, 2013, our Board of Directors held zero meetings attended by members of the board either in person or via telephone, but approved resolutions by unanimous written consent in lieu of a meeting.

As of October 28, 2014, our Board of Directors did not have a standing audit committee, compensation committee or nominating committee. We anticipate that our new Board of Directors will form an audit committee, compensation committee and a nominating committee.

Until an audit committee is formed, our Board of Directors will meet with our independent auditors at least annually to review the results of the annual audit and discuss the financial statements; and receive and consider the accountants' comments as to controls, adequacy of staff and management performance and procedures in connection with audit and financial controls.

Until the Board of Directors appoints a nominating committee, the entire Board of Directors can efficiently and effectively fulfill this function by using a variety of methods for identifying and evaluating nominees for director. We have not adopted a policy with regard to the consideration of any director candidates recommended by our security holders.

As of October 28, 2014, our Board of Directors did not have a compensation committee because our director served as our only officer.

Our director, James Beatty is not considered independent under the current standards for "independence" established by the SEC and NASDAQ Market Place Rules as he is also our executive officer. Our proposed directors, Mark Gray and Wyly Wade, will not be considered independent under the current standards for "independence" established by the SEC and NASDAQ Market Place Rules.

### **Stockholder Communications with our Board of Directors**

We have not adopted any procedures by which security holders may recommend nominees to our Board of Directors. We anticipate that such a procedure will be adopted concurrent with the consummation of the Merger Transaction.

### **Compensation of Directors**

Our directors do not receive compensation in connection with their service as directors. Our director, James Beatty, served on our Board of Directors during the twelve months ended December 31, 2013.
