INFORMATION STATEMENT

GENERAL INFORMATION

In this Information Statement we refer to Medical Alarm Concepts Holding, Inc., a Nevada corporation, as the “Company,” “we,” “us,” or “our.”

The Information Statement is furnished in connection with an action by written consent (the “Written Consent”) of the holder of a majority of the Company’s issued and outstanding voting capital stock (the “Majority Shareholder”). The actions taken by the Written Consent will not become effective until at least 20 business days after the Information Statement is sent or given to our shareholders in accordance with the requirements of the rules of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The close of business on April 26, 2016, the date that the Majority Shareholder gave its written consent, is the record date (the “Record Date”) for the determination of shareholders entitled to notice of the action by the Written Consent.

Pursuant to the Written Consent, the Majority Shareholder approved an amendment to our Amended and Restated Articles of Incorporation (the “Articles”) to change the name of the Corporation from Medical Alarm Concepts Holdings, Inc. to Wearable Health Solutions, Inc. (the “Proposal”).

Our Board of Directors unanimously approved the amendment to our Articles on April 26, 2016. Also on April 26, 2016, the Board of Directors set the Record Date as April 26, 2016.

This Information Statement contains a brief summary of the material aspects of the Proposal approved by the Board and the Majority Shareholder.

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

ABOUT THE INFORMATION STATEMENT

What is the Purpose of the Information Statement?

This Information Statement is being furnished to you pursuant to Section 14 of the Exchange Act to notify our shareholders of certain corporate actions taken by the Majority Shareholder pursuant to the Written Consent. In order to eliminate the costs and management time involved in obtaining proxies and in order to effect the Proposal as early as possible to accomplish the purposes hereafter described, the Board elected to seek the written consent of the Majority Shareholder to reduce the costs and implement the Proposal in a timely manner.

Who is Entitled to Notice?

Each outstanding share of the Company's voting securities on the close of business on the Record Date will be entitled to notice of the actions to be taken pursuant to the Written Consent.

What Constitutes the Voting Shares of the Company?

The voting power entitled to vote on the Proposal consists of the vote of the holders of a majority of the Company's voting securities as of the Record Date. As of the Record Date, the Company's voting securities consisted of 7,874,177 shares of Common Stock and 138,889 shares of Series C Preferred Stock ("Series C Preferred Stock"). Each share of Common Stock is entitled to one vote per share on matters submitted to the Stockholders. Holders of shares of Series C Preferred Stock vote together with the holders of Common Stock on all matters and do not vote as a separate class. A holder of shares of Series C Preferred Stock is entitled to that number of votes, on a pro rata basis with all other holders of Series C Preferred Stock, equal to that number of common shares which is not less than 51% of the vote required to approve any action.

What Vote is Required to Approve the Proposal?

The affirmative vote of a majority of the voting stock outstanding on the Record Date is required for approval of the Proposal. As of the Record Date, the Company had 7,878,676 shares of Common Stock issued and outstanding and 138,889 shares of Series C Preferred Stock. Each share of Common Stock entitles its holder to one vote on each matter submitted to the shareholders. However, because the Majority Shareholder held 138,889 shares of Series C Preferred Stock as of the close of business on the Record Date and through its consent voted in favor of the Proposal, no other shareholder consents will be obtained in connection with this Information Statement.

THE PROPOSAL

AMENDMENT TO THE AMENDED AND RESTATED

ARTICLES OF INCORPORATION TO change the name of the Corporation from Medical Alarm Concepts Holdings, Inc. to Wearable Health Solutions, Inc.

Purpose and Effect of the Amendment

The Board of Directors believes the Name Change will be in the best interest of the Company as the new name better reflects the long-term strategy and identity of the Company. While the “Medical Alarm Concepts Holding, Inc.” name has served the Company over time, the Company’s management believes that this is the right time to change the Company’s name. Management also believes that the new name effectively conveys the Company’s business direction and product lines.

A copy of the proposed amendment to the Company’s Articles of Incorporation is attached hereto as Exhibit A. The amendment will become effective upon filing with the Nevada Secretary of State as required by the Nevada Revised Statutes. It is anticipated that this will occur not less than 20 days following April 27, 2016.

These shares are deemed to be outstanding and beneficially owned by the person holding those options, warrants or convertible promissory notes for the purpose of computing the percentage ownership of that person, but they are not treated as outstanding for the purpose of computing the percentage ownership of any other person.

(2) The percentage of shares beneficially owned is based on 7,878,676 shares of our common stock issued and outstanding as of April 26, 2016.
