GENERAL

At the EGM, ordinary resolutions will be proposed to the Independent Shareholders to approve the Framework Agreement and the Specific Non-Exempt CCT.

As China IC Fund is a connected person of the Company, its wholly-owned subsidiary Xinxin (Hongkong) Capital Co., Limited and its other associates (as defined in the Listing Rules) will abstain from voting on the ordinary resolution to approve the Framework Agreement and any transactions contemplated thereunder. Apart from Xinxin (Hongkong) Capital Co., Limited and other associates of China IC Fund, no other Shareholder will be required to abstain from voting on the resolutions at the EGM.

For the year ending 31 December

	2018	2019	2020
Nature of Continuing Connected Transactions (US\$ million)	(US\$ million)	(US\$ million)	(US\$ million)
Type I CCT	900	1,100	1,500
Type II CCT	100	150	200

Type IV CCT	200	200	200
Type V CCT	100	100	100
Type VI CCT	1,000	1,000	1,000

In arriving at the Annual Caps, the Company has considered various factors including since its establishment in June 2013, SMNC had grown and expanded its business operations significantly. It is expected that SMNC will continue to increase its manufacturing capacity as well as work closely with its existing 28nm and 40nm customers and develop new clients and products. The Company has also considered the historical transaction amounts between the Company and SMNC in respect of the Continuing Connected Transactions, and reasonable factors such as the expected occurrences of Continuing Connected Transactions in light of current market conditions of the semiconductor industry and the technological capability and future business plans of the Company.

REASONS FOR AND BENEFITS OF THE CONTINUING CONNECTED TRANSACTIONS

Apart from provision of guarantee for financing activities, the Continuing Connected Transactions under the Framework Agreement is in substance a continuation of the transactions carried out under the 2016 Framework Agreement.

SMNC operates a 12-inch wafer fab with advanced process capability. As the market demand for advanced process continue to surge, the Company has been allocating and will continue to allocate majority of its advanced node manufacturing to SMNC to ensure future wafer production needs of the Company are met.

The Company believes that advancement in technology is one of the key growth factors. With respect to advanced nodes of 28nm and 40nm, which is one of the development focuses of the Group, the Group recorded a revenue growth of more than 90% in 2016 as compared to the year of 2015, and more than 30% during the first three quarters of 2017 as compared to the corresponding period in 2016. The continuous cooperation with SMNC, throughout the various steps in production as reflected in the Continuing Connected Transactions, helps the Company to meet demand from its customers and to attain higher profitability, especially for the advanced nodes.

The business partnership between the Company and SMNC has helped to eliminate some duplicated efforts on introducing and manufacturing advanced nodes for IC design houses, therefore reducing the time to market and some overhead expenses for both parties. With the expansion of its capacity and continuous innovation, the Company believes that it will be able to enhance its position in the industry and benefit from the increase in its economies of scale.

As SMNC had been continuously expanding its manufacturing capacity, the Company can therefore leverage SMNC's manufacturing capacity to expand the Company capacity based on its advanced technology in a capital-efficient manner.

The Directors (excluding the independent non-executive Directors whose view will be given after taking into account the advice from the Independent Financial Adviser) are of the view that the terms of the Framework Agreement including the Annual Caps are fair and reasonable, and the entering into of the Framework Agreement and the Continuing Connected Transactions contemplated thereunder are on normal commercial terms or better, in the ordinary and usual course of business of the Group and in the interests of the Company and the Shareholders as a whole.
