PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

To be held on October 26, 2015

Southern Missouri Bancorp, Inc.'s Board of Directors is using this proxy statement to solicit proxies from the holders of Southern Missouri Bancorp common stock for use at our annual meeting of shareholders. We are first mailing this proxy statement and the enclosed form of proxy to our shareholders on or about September 21, 2015. Certain of the information provided herein relates to Southern Bank, a wholly owned subsidiary of Southern Missouri Bancorp. Southern Bank may also be referred to from time to time as the "Bank." References to "Southern Missouri Bancorp", the "Company", "we", "us" and "our" refer to Southern Missouri Bancorp, Inc. and, as the context requires, Southern Bank.

By submitting your proxy, you authorize our Board of Directors to represent you and vote your shares at the meeting in accordance with your instructions. The Board also may vote your shares to adjourn the meeting from time to time and will be authorized to vote your shares at any adjournments or postponements of the meeting.

Southern Missouri Bancorp's Annual Report to Shareholders for the fiscal year ended June 30, 2015, which includes Southern Missouri Bancorp's audited financial statements, is enclosed. Although the Annual Report is being mailed to shareholders with this proxy statement, it does not constitute a part of the proxy solicitation materials and is not incorporated into this proxy statement by reference. These materials are also available via the Internet at <http://www.edocumentview.com/smbc>.

INFORMATION ABOUT THE ANNUAL MEETING

Time and Place of the Annual Meeting.

Our annual meeting will be held as follows:

Date: October 26, 2015

Time: 9:00 a.m., local time

Place: Holiday Inn Ballroom

2781 North Westwood Boulevard
Poplar Bluff, Missouri

Matters to be Considered at the Annual Meeting.

At the meeting, shareholders of Southern Missouri Bancorp are being asked to consider and vote upon the following proposals:

Proposal I. Election of four directors of Southern Missouri Bancorp, for a term of three years;

Proposal II. An advisory (non-binding) vote on executive compensation as disclosed in this proxy statement, commonly referred to as a “say on pay” vote; and

Proposal III. Ratification of the appointment of BKD, LLP as Southern Missouri Bancorp's independent auditors for the fiscal year ending June 30, 2016.

The shareholders also will transact any other business that may properly come before the annual meeting or any adjournment or postponement of the annual meeting. As of the date of this proxy statement, we are not aware of any other business to be presented for consideration at the annual meeting other than the matters described in this proxy statement.

Who is Entitled to Vote?

We have fixed the close of business on September 4, 2015, as the record date for shareholders entitled to notice of and to vote at the Southern Missouri Bancorp annual meeting. Only holders of record of Southern Missouri Bancorp common stock on that record date are entitled to notice of and to vote at the annual meeting. You are entitled to one vote for each share of Southern Missouri Bancorp common stock you own. On September 4, 2015, there were 7,424,666 shares of Southern Missouri Bancorp common stock outstanding and entitled to vote at the annual meeting.

What if My Shares are Held in "Street Name" by a Broker?

If you are the beneficial owner of shares held in "street name" by a broker, your broker, as the record holder of the shares, is required to vote the shares in accordance with your instructions. If you do not give instructions to your broker, your broker may nevertheless vote the shares with respect to "discretionary" items, but will not be permitted to vote your shares with respect to "non-discretionary" items. In the case of non-discretionary items, the shares not voted will be treated as "broker non-votes." Whether an item is discretionary is determined by the exchange rules governing your broker. All of the items being voted on at the meeting are expected to be non-discretionary items except the vote on the ratification of the appointment of BKD, LLP.

How do I vote my 401(k) shares?

If you participate in the Southern Bank 401(k) Retirement Plan you may provide voting instructions to Capital Bank and Trust Company, the plan's trustee, by completing and returning the Proxy Card accompanying this proxy statement, by using the toll-free telephone number, or by indicating your instructions over the Internet. When casting your vote, you should consider your long-term best interests as a plan participant, as well as the long-term best interests of other plan participants. The trustee will vote your shares in accordance with your duly executed instructions received by October 16, 2015.

If you fail to sign or timely return the proxy voting instructions, whether by mail, by telephone, or over the Internet, the trustee will vote your shares as “abstain.”

How Many Shares Must Be Present to Hold the Meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of at least a majority of the shares of Southern Missouri Bancorp common stock entitled to vote at the annual meeting as of the record date will constitute a quorum. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What If a Quorum Is Not Present at the Meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the shareholders present or represented by proxy may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given. An adjournment will have no effect on the business that may be conducted at the meeting.

How Do I Vote at the Annual Meeting?

You can vote:

- by returning the enclosed proxy card in the enclosed pre-paid envelope;
- by telephone; or
- over the Internet

Please refer to the specific instructions set forth in the proxy card. You may also vote your shares in person at the meeting. However, to ensure that your shares are voted in accordance with your wishes and that a quorum is present at the meeting so that we can transact business, we urge you to register your vote by proxy as promptly as possible. Your prompt response will help reduce solicitation costs. For security reasons, our electronic voting system has been designed to authenticate your identity as a shareholder. If you hold shares in "street name," your broker, bank, trustee, or nominee will provide you with materials and instructions for voting your shares.

May I Revoke My Proxy?

You may revoke your proxy before it is voted by:

- submitting a new proxy with a later date;
- notifying the Corporate Secretary of Southern Missouri Bancorp in writing before the annual meeting that you have revoked your proxy; or
- voting in person at the annual meeting.

If you plan to attend the annual meeting and wish to vote in person, we will give you a ballot at the annual meeting. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a validly executed proxy from the nominee indicating that you have the right to vote your shares.

How does the Board of Directors recommend I vote on the items to be considered at the annual meeting?

The Board of Directors recommends that you vote:

- FOR the election of the four director nominees to the Board of Directors.
- FOR approval of the advisory (non-binding) vote on executive compensation (“say on pay”).
- FOR ratification of the appointment of BKD, LLP.

What if I do not specify how my shares are to be voted?

Registered Shareholders. If you a registered shareholder and you submit a proxy but do not indicate any voting instructions, your shares will be voted:

- FOR the election of the four director nominees to the Board of Directors.
- FOR approval of the advisory (non-binding) vote on executive compensation (“say on pay”).
- FOR ratification of the appointment of BKD, LLP.

Holders of Shares in “Street Name”. If you hold your shares in “street name” through a broker and do not provide your broker with voting instructions, it is expected that your broker will be unable to vote your shares except on the vote to ratify the appointment of BKD, LLP. See “What if my shares are held in ‘street name’ by a broker?”

Will Any Other Business Be Conducted at the Meeting?

The Board of Directors knows of no other business that will be presented at the meeting. If any other matter properly comes before the shareholders for a vote at the meeting, the Board of Directors, as holder of your proxy, will vote your shares in accordance with its best judgment.

How Many Votes Are Required to Elect the Director Nominees?

The affirmative vote of a plurality of the votes cast at the meeting is required to elect the nominees as directors. This means that the three director nominees will be elected if they receive more affirmative votes than any other persons nominated for election. No persons have been nominated for election other than the three nominees named in this proxy statement. If you vote "Withhold" with respect to the election of any or all of the nominees, your shares will not be voted with respect to the person or persons indicated, although your shares will be counted for purposes of determining whether there is a quorum.

How Many Votes Are Required to Approve Each of the Other Items?

The affirmative vote of a majority of the votes cast on the matter is required to approve the advisory (say on pay) vote on executive compensation and the ratification of the appointment of BKD, LLP. The outcome of the say on pay vote is not binding on the Board of Directors.

What Happens If a Nominee Is Unable to Stand for Election?

If a nominee is unable to stand for election, the Board of Directors may either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, the Board of Directors, as holder of your proxy, will vote your shares for the substitute nominee unless you have withheld authority to vote for the nominee replaced.

How Will Abstentions Be Treated?

If you abstain from voting, your shares will still be included for purposes of determining whether a quorum is present. Because directors will be elected by a plurality of the votes cast, abstaining is not offered as a voting option for the election of directors. An abstention on the advisory (say on pay) vote or on the ratification of the appointment of BKD, LLP will not be counted as a vote cast and will have no effect on the item.

How Will Broker Non-Votes Be Treated?

Shares treated as broker non-votes on one or more items will be included for purposes of calculating the presence of a quorum but will not be counted as votes cast on those items.

Proxy Solicitation Costs

We will pay the cost of soliciting proxies. In addition to this mailing, our directors, officers and employees may also solicit proxies personally, electronically or by telephone. We will also reimburse brokers and other nominees for their expenses in sending these materials to you and obtaining your voting instructions.

STOCK OWNERSHIP OF SOUTHERN MISSOURI BANCORP COMMON STOCK

Stock Ownership of Significant Shareholders, Directors and Executive Officers

The following table sets forth, as of the September 4, 2015, voting record date, information regarding share ownership of:

those persons or entities (or groups of affiliated person or entities) known by management to beneficially own more than five percent of Southern Missouri Bancorp common stock other than directors and executive officers;

each director and director nominee of Southern Missouri Bancorp, Inc.;

each executive officer of Southern Missouri Bancorp named in the Summary Compensation Table appearing under "Executive Compensation" below; and

all current directors and executive officers of Southern Missouri Bancorp as a group.

The address of each of the beneficial owners, except where otherwise indicated, is the same address as Southern Missouri Bancorp. An asterisk (*) in the table indicates that an individual beneficially owns less than one percent of the outstanding common stock of Southern Missouri Bancorp. As of September 4, 2015, there were 7,424,666 shares of Company common stock issued and outstanding. The share amounts presented in the table reflect the two-for-one common stock split in the form of a 100% common stock dividend paid January 30, 2015.

Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission (the "SEC"). In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to outstanding options that are exercisable as of or within 60 days after September 4, 2015, are included in the number of shares beneficially owned by the person and are deemed outstanding for the purpose of calculating the person's percentage ownership. These shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person.

Business Experience and Qualifications of Directors and Director Nominees

The Board believes that the many years of service that our directors have at the Company, the Bank or at other financial institutions is one of their most important qualifications for service on our Board. This service has given them extensive knowledge of the banking business and the Company. Furthermore, their service on Board committees here or at other institutions, especially in areas of audit, compliance and compensation is critical to their ability to oversee the management of the Bank by our executive officers. Service on the Board by our president is critical to aiding the outside directors' understanding of the complicated issues that are common in the banking business. Each outside director brings special skills, experience and expertise to the Board as a result of their other business activities and associations. The business experience for at least the past five years and the experience, qualifications, attributes, skills and areas of expertise of each director that further supports his or her service as a director are set forth below.

L. Douglas Bagby. Mr. Bagby served as the City Manager of Poplar Bluff from September 2003 until his retirement in June 2014. Previously, he was employed for 14 years as the General Manager of Poplar Bluff Municipal Utilities and had served two earlier years as the Poplar Bluff City Manager. Mr. Bagby served six years on the Poplar Bluff R-1 school board. He is currently Chairman of the Board of Directors of Southern Missouri Bancorp. His background provides expertise in providing deposit services and credit to public units, both directly and through the securities markets.

Ronnie D. Black. Mr. Black is currently the Secretary of Southern Missouri Bancorp, Inc. Mr. Black served as Executive Director of the General Association of General Baptists, from 1997 until his retirement in 2010; he continues to serve as a consultant for the association and for Jim Hill Consultants, a firm specializing in stewardship campaigns for religious organizations. Previously, Mr. Black served as Director of Stewardship for the association and as Director of the General Baptist Foundation. Mr. Black served 13 years on the Poplar Bluff City Council, including service as the city's mayor. Mr. Black provides valuable contacts to the Company in area non-profit and religious organizations.

Rebecca M. Brooks. Ms. Brooks is the financial operations manager for McLane Transport, Inc. She has held that position since 1997. In that capacity, her duties include financial statement preparation and analysis, budgeting, oversight of the firm's payroll, payables, and receivables functions, and tax management. She was previously employed in healthcare administration and served as President of a small hospital employee credit union. That institution merged with Maxwell-Gunter Federal Credit Union, where she served on the board of directors for five years. Ms. Brooks provides expertise to the Board of Directors in the evaluation of transportation and other service industry borrowers. Having worked with credit unions provides Ms. Brooks a background for understanding consumer credit and regulatory oversight of financial institutions.

Todd E. Hensley. Mr. Hensley was formerly Chairman, President, and CEO of Peoples Service Company and its subsidiary, Peoples Banking Company prior to their acquisition by the Company on August 5, 2014. He also served as Chairman of the Board of Directors of the subsidiary bank, Peoples Bank of the Ozarks. Prior to that, he served as Compliance Officer and General Counsel and also had broad responsibilities for the operations of Peoples Banking Company and its subsidiaries. He remains an attorney licensed to practice in Missouri and Illinois. He has been involved in the banking industry for over 20 years.

Board of Directors' Meetings and Committees and Corporate Governance Matters

Board Meetings, Independence and Ethics Code

Meetings of the Company's Board of Directors are generally held on a monthly basis. The Company's Board of Directors held twelve regular meetings and eight special meetings during the fiscal year ended June 30, 2015. All directors of the Company attended at least 75 percent of the aggregate of the total number of Board meetings. The Company's policy is for all directors to attend its annual meeting of shareholders, and all directors attended last year's annual meeting.

Director Independence

The Board has determined that Directors Black, Bagby, Schalk, Brooks, Love, Moffitt, Robison, and Tooley, constituting a majority of the Board members, are “independent directors,” as that term is defined in Rule 5605(a)(2) of the Marketplace Rules of the Nasdaq Stock Market (“NASDAQ”). Among other things, when making this determination, the Board considers each director’s current or previous employment relationships and material transactions or relationships with the Company or the Bank, members of their immediate family and entities in which the director has a significant interest. The purpose of this review is to determine whether any relationships or transactions exist or have occurred that are inconsistent with a determination that the director is independent. Among other matters, in reaching its determination on independence, the Board considered the fact that certain of the directors or their affiliates have borrowed money from the Bank. See “Business Relationships and Transactions with Executive Officers, Directors and Related Persons.”

Shareholders may communicate directly with the Board of Directors by sending written communications to Douglas Bagby, 531 Vine Street, Poplar Bluff, Missouri 63901.

The Board of Directors has adopted a Code of Business Conduct and Ethics that applies to all directors, officers and employees. You may obtain a copy of the Code free of charge by writing to the Corporate Secretary of the Company, 531 Vine Street, Poplar Bluff, Missouri 63901 or by calling (573) 778-1800. In addition, the Code of Business Conduct and Ethics has been filed with the SEC as Exhibit 14 to the Company's Annual Report on Form 10-K for the year ended June 30, 2011 and is available on our investor relations website at <http://investors.bankwithssouthern.com> under "Corporate Overview/Corporate Governance."

Board Leadership Structure and Role in Risk Oversight

As noted above, the positions of Chairman of the Board and of President and Chief Executive Officer are held by separate persons. This has been the case since the Company was formed. The Board believes this structure is appropriate for the Company and the Bank because it creates a clear line between management by the executive management and oversight of management by the Board of Directors, led by the Chairman.

Risk is inherent with the operation of every financial institution, and how well an institution manages risk can ultimately determine its success. We face a number of risks, including but not limited to credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputation risk. Management is responsible for the day-to-day management of the risks we face, while the Board has ultimate responsibility for the oversight of risk management. The Board believes that risk management, including setting appropriate risk limits and monitoring mechanisms, is an integral component and cannot be separated from strategic planning, annual operating planning, and daily management of our business. Consistent with this approach as well as based on the belief that certain risks require an oversight focus that a Board committee can better provide, the Board has delegated the oversight of certain risk areas to certain committees of the Board. The responsibilities of the Compensation Committee include the consideration of risks in connection with incentive and other compensation programs. See "—Board Meetings and Committees." These committees regularly provide reports of their activities and recommendations to the full Board. In addition, members of senior management regularly attend meetings of the Board to report to the Board on the primary areas of risk that we face.

Board Committee Attendance and Charter

The Board of Directors of the Company has standing Audit, Compensation, and Nominating Committees. All members of these committees attended at least 75 percent of the total number of meetings held by the committees on which he or she served during fiscal 2015, with the exception of Director Black, who missed two Audit Committee meetings, and Director Robison, who missed one Compensation Committee meeting. The Board of Directors has adopted written charters for the Audit Committee, the Compensation Committee and the Nominating Committee. The charters for the Audit Committee, Compensation Committee and the Nominating Committee are available on our investor relations website at investors.bankwithssouthern.com at "Corporate Overview/Corporate Governance." You also may obtain a copy of these committee charters free of charge by writing to the Corporate Secretary of the Company,

531 Vine Street, Poplar Bluff, Missouri 63901 or by calling (573) 778-1800.

Audit Committee

The Audit Committee is comprised of Directors Love (Chairman), Bagby, Black, Schalk, Moffitt, Brooks, Robison, and Tooley, all of whom are “independent directors” under the Nasdaq listing standards. The Board of Directors has determined that Director Love is an “audit committee financial expert” as defined in Item 407(e) of Regulation S-K of the Securities and Exchange Commission and that all of the Audit Committee members meet the independence and financial literacy requirements under the Nasdaq listing standards. The Audit Committee operates under a written charter adopted by the Company’s Board of Directors, a copy of which is available on our investor relations website, at

<http://investors.bankwithsouthern.com>, "Corporate Overview/Corporate Governance." In fiscal 2015, the Audit Committee met four times.

The Audit Committee is responsible for hiring, terminating and/or reappointing the Company's independent auditor and for reviewing the annual audit prepared by our independent registered public accounting firm. The functions of the Audit Committee also include:

- approving non-audit and audit services to be performed by the independent registered public accounting firm;
- reviewing and approving all related party transactions for potential conflict of interest situations;
- reviewing and assessing the adequacy of the Audit Committee Charter on an annual basis;
- ensuring the existence of effective accounting and internal control systems; and
- overseeing the entire audit function of the Company, both internal and independent.

Compensation Committee

The Compensation Committee is comprised of three independent directors, including Directors Robison (Chairman), Bagby, and Tooley. The Compensation Committee is responsible for:

determining compensation to be paid to the Company's officers and employees, which are based on the recommendation of Mr. Steffens, except that compensation paid to Mr. Steffens is determined based on the recommendation of a majority of the independent directors, and Mr. Steffens is not present during voting or deliberations concerning his compensation; and

- overseeing the administration of the employee benefit plans covering employees generally.

The Compensation Committee does not designate its authority to any one of its members or any other person, however, Mr. Steffens does make recommendations to the Committee for all compensation, except his own. This Committee also administers the Company's Stock Option and Incentive Plan, Equity Incentive Plan, and the Management Recognition and Development Plan and reviews overall compensation policies for the Company. The

Company's Compensation Committee met one time during the fiscal year ended June 30, 2015.

Compensation Committee Interlocks and Insider Participation

None of the three members of the Compensation Committee are an officer, employee or former officer of the Company or the Bank. None of our executive officers serve as a member of the compensation committee of any other company that has an executive officer serving as a member of our Board of Directors or serve as a member of the board of directors of any other company that has an executive officer serving as a member of our Compensation Committee.

Nominating Committee

The Nominating Committee is composed of Directors Schalk (Chairman), Love, and Moffitt. The committee is primarily responsible for selecting nominees for election to the Board. The Nominating Committee generally meets once per year to make nominations. The Nominating Committee will consider nominees recommended by shareholders in accordance with the procedures in the Company's bylaws, but the Nominating Committee has not actively solicited such nominations. The Nominating Committee has the following responsibilities:

recommend to the Board the appropriate size of the Board and assist in identifying, interviewing and recruiting candidates for the Board;

recommend candidates (including incumbents) for election and appointment to the Board of Directors, subject to the provisions set forth in the Company's articles of incorporation and bylaws relating to the nomination or appointment of directors, based on the following criteria: business experience, education, integrity and reputation, independence, conflicts of interest, diversity, age, number of other directorships and commitments (including charitable obligations), tenure on the Board, attendance at Board and committee meetings, stock ownership, specialized knowledge (such as an understanding of banking, accounting, marketing, finance, regulation and public policy) and a commitment to the Company's communities and shared values, as well as overall experience in the context of the needs of the Board as a whole;

review nominations submitted by shareholders, which have been addressed to the Corporate Secretary, and which comply with the requirements of the Company's articles of incorporation and bylaws;

- consider and evaluate nominations from shareholders using the same criteria as all other nominations;

annually recommend to the Board committee assignments and committee chairs on all committees of the Board, and recommend committee members to fill vacancies on committees as necessary; and

- perform any other duties or responsibilities expressly delegated to the Committee by the Board.

Nominations, other than those made by the Nominating Committee, must be made pursuant to timely notice in writing to the Corporate Secretary as set forth in the Company's bylaws. In general, to be timely, a shareholder's notice must be received by the Company not less than 90 days nor more than 120 days prior to the first anniversary of the preceding year's annual meeting; however, if less than 100 days' notice of the date of the scheduled annual meeting is given by the Company, the shareholder has until the close of business on the tenth day following the day on which notice of the date of the scheduled annual meeting was made. The shareholder's notice must include certain other information set forth in the Company's bylaws. This description is a summary of our nominating process. Any shareholder wishing to propose a director candidate to the Company should review and must comply in full with the procedures set forth in the Company's articles of incorporation and bylaws and in Missouri law. During the fiscal year ended June 30, 2015, the Nominating Committee met on three occasions for the selection of director nominees, with respect to committee assignments, and for the naming of officers.

COMPENSATION OF DIRECTORS

The Company uses a combination of cash and stock-based compensation to attract and retain qualified persons to serve as non-employee directors of the Company and the Bank. Each director of the Company also is a director of the Bank. Directors are compensated \$900 per month for their service on the Company's Board of Directors. In setting director compensation, the Board of Directors considers the significant amount of time and level of skill required for service on the Boards of the Company and the Bank, particularly due to the duties imposed on directors of public companies and financial institutions. The types and levels of director compensation are annually reviewed and set by

the Compensation Committee and ratified by the full Board of Directors.

For the fiscal year ended June 30, 2015, each director received a monthly fee of \$1,100 for serving on the Bank's Board of Directors.

For Mr. Hensley, the award vests annually in equal installments of 20% beginning September 5, 2015.

Directors' Retirement Agreements

Southern Bank has entered into individual retirement agreements with each of its directors. These agreements were entered into in recognition of the directors' past service to the Bank and to ensure their continued service on the Board. Each agreement provides that, following a director's termination of service on the Board on or after age 60, other than termination for cause, the director will receive five annual payments equal to the product of the cash fees paid to the director during the calendar year preceding his retirement and the director's vested percentage. The vested percentage is determined as follows: 50% after five years of service, 75% after 10 years of service, and 100% after 15 years of service. The benefits payable under the director's retirement agreements are unfunded and unsecured obligations of

Southern Bank payable solely out of the general assets of Southern Bank.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Introduction. In this section, we provide an overview and analysis of our compensation programs, the material compensation policy decisions we have made under these programs, and the material factors that we considered in making those decisions. Following this section you will find a series of tables containing specific information about compensation paid or payable to the following individuals, whom we refer to as our “named executive officers”.

· Greg A. Steffens, President and Chief Executive Officer

· Matthew T. Funke, Chief Financial Officer

· Kimberly A. Capps, Chief Operations Officer

· William D. Hribovsek, Chief Lending Officer

Lora L. Daves, Chief Credit Officer

The discussion below is intended to help you understand the detailed information provided in those tables and put that information into context within our overall compensation program.

Executive Summary of Key Compensation Decisions.

Our key compensation-related decisions during and subsequent to fiscal 2015 included the following:

increases in base salaries during fiscal 2015 of between 3.6% and 21.6%, based on merit, achievement of key business plan goals, increasing responsibilities as part of a growing organization, the need to stay market competitive and retain personnel who are integral to our continued plans for growth and management succession.

- the payment of bonuses based on achievement of key business plan goals during fiscal 2015.

Compensation Philosophy and Objectives.

The Compensation Committee of the Board of Directors administers our compensation and benefit programs. The Compensation Committee is responsible for setting and administering the policies which govern executive compensation. Our current compensation philosophy is designed to:

- attract the right people and differentiate compensation based on performance;
- retain top performers and reward them for helping us build and sustain our culture and values and achieve our business strategy and goals;
- compensate our people in ways that inspire and motivate them, both individually and as a team, to execute our vision and drive for enduring customer satisfaction;
- provide total compensation and learning and development opportunities that are competitive with that of other companies of similar size and complexity; and
- properly align risk-taking and compensation.

While the primary components of our compensation program have been base salary, stock options and stock grants, and bonuses, the Compensation Committee also takes into account the full compensation package provided to the individual, including retirement plan benefits, health benefits and other benefits.

The Compensation Committee has established a broad-based compensation program to address compensation for directors, executive officers and other employees. The overall goal of this compensation program is to help the Company and the Bank attract, motivate and retain talented and dedicated executives, orient its executives toward the achievement of business goals and link the compensation of its executives to the Company's success. The Compensation Committee seeks to establish compensation levels that attract highly effective executives who work well as a team. Our overriding principles in setting types and amounts of compensation are:

Merit/Performance Based – Individual compensation is linked to the successful achievement of performance objectives.

Market Competition – Total compensation attracts, retains, and motivates our top performers at a competitive level in our market.

Shareholder Value – Compensation components that align the interests of key management, especially the named executive officers with those of our shareholders in furtherance of our goal to increase shareholder value.

The Company implements this philosophy by using a combination of cash and stock-based compensation, benefits, and perquisites to attract and retain qualified persons to serve as executive officers of the Company and the Bank. Our compensation program seeks to reach an appropriate balance between base salary (to provide competitive fixed compensation), incentive opportunities in performance-based cash bonuses (to provide rewards for meeting performance goals) and equity compensation (to align our executives' interests with our shareholders' interests). Each executive officer of the Company also is an executive officer of the Bank. Executive officers are not compensated separately for their service to the Company, with the exception of Mr. Steffens' receipt of fees for service on the Company's board of directors. The Compensation Committee considers the significant amount of time and level of skill required to perform the required duties of each executive's position, taking into account the complexity of our business as a regulated public company and financial institution, and informally reviews peer compensation data.

Base Salaries.

We provide the opportunity for our named executive officers and other officers to earn a competitive base salary. We do so in order to attract and retain appropriate talent for the position. Our base salary reflects a combination of factors, including competitive pay levels, the executive's experience and tenure, the executive's individual performance and responsibilities. We review salary levels annually to recognize these factors. We do not target base salary at any particular percentage of total compensation.

During fiscal 2015, Mr. Steffens received an increase in base salary from \$260,000 to \$275,000; Mr. Funke received an increase in base salary from \$155,000 to \$179,500; Ms. Capps received an increase in base salary from \$140,000 to \$145,000; Mr. Hribovsek received an increase in base salary from \$185,000 to \$225,000; and Ms. Daves received an increase in base salary from \$132,000 to \$145,000. Increases were attributed to achievement of key business goals related to the areas overseen by each executive officer; the need to retain top performers; the need to retain key management succession candidates; and recognition of the growing complexity of our Company and increasing responsibilities of our executive officers.

Bonuses

The Company does not have a written cash bonus plan in place for executive officers. For fiscal 2013, 2014 and 2015, all executive officers received cash bonuses. In determining the amount of cash bonuses to award, the compensation committee and board of directors primarily consider the Company's results in comparison to business plan targets for such measures as return on equity, earnings per share growth, net interest margin, noninterest income, and noninterest expense, as well as accomplishment of strategic objectives such as growth, entry to new markets, capitalization, and other factors. Generally, our compensation committee has viewed as a guideline a potential bonus payment of up to 25% of base salary, and made a determination of the amount of the awards to executive officers based on accomplishment of these strategic objectives. The compensation committee has also, since June 30, 2012, held 50% of each fiscal year's bonus for payout at the conclusion of the following fiscal year, as both a retention incentive and to

discourage excessive risk-taking on the part of our executive management team.

Management Recognition and Development Plan, 2003 Stock Option and Incentive Plan, and 2008 Equity Incentive Plan

In 1994, shareholders approved the Management Recognition and Development Plan. In 2008, shareholders approved the 2008 Equity Incentive Plan. In 2003, shareholders approved the 2003 Stock Option and Incentive Plan. The Compensation Committee administers these long-term incentive stock plans, determines employee eligibility and grants share awards.

Management Recognition and Development Plan. The Management Recognition and Development Plan is a stock-based compensation plan designed to reward directors, officers and employees for service with a proprietary interest in the Company in a manner designed to encourage such individuals to remain with the Company. The Company reserved 142,832 shares (split-adjusted) for stock awards under this plan. Awards are discretionary and are based on an assessment of the participant's position, years of service, and contribution to the success and growth of the Company. Stock awards under the plan generally have vested in equal installments over five years from the date of grant. Prior to the vesting of the shares, the recipient has voting and dividend rights and no transfer rights over the shares. All shares available have been awarded under this Plan, and the final 2,429 shares will vest over the 2016 and 2017 fiscal years.

2008 Equity Incentive Plan. The purpose of the 2008 Equity Incentive Plan is to promote the long-term success of the Company and increase shareholder value by attracting and retaining key employees and directors and encouraging directors and key employees to focus on long-range objectives. In addition, the plan is designed to further link the interests of directors, officers and employees with the interest of the Company's shareholders. The Company reserved 132,000 shares of common stock (split-adjusted) for awards of restricted stock and restricted stock units under this plan. During fiscal 2015, there were 6,000 shares awarded under this plan. A total of 103,928 shares have been awarded under this plan, and 28,072 remain available for award.

2003 Stock Option and Incentive Plan. The purpose of the 2003 Stock Option and Incentive Plan is to promote the long-term success of the Company and increase shareholder value by attracting and retaining key employees and directors and encouraging directors and key employees to focus on long-range objectives. The Company reserved 200,000 shares (split-adjusted) for option awards under this plan, plus additional shares repurchased with the proceeds of options exercised or surrendered to pay an option exercise price. Option awards are discretionary and are based on an assessment of the participant's position, years of service, and contribution to the success and growth of the Company. The plan provides for the award of incentive stock options to qualifying employees under the federal tax laws. Stock awards under the plan generally have vested in equal installments over five years from the date of grant and must be exercised within 10 years. The exercise price of options awarded always has been the fair market value of a share of the Company's common stock on the date of grant. In fiscal 2015, 10,000 shares were awarded, and none forfeited, under this plan. As of June 30, 2015 there were 171,206 shares remaining available for future awards under the 2003 Stock Option Plan which include 3,000 shares remaining available under the 200,000 shares authorization and an additional 168,206 shares that became available as a result of stock repurchases by the Company since the adoption of the 2003 Stock Option Plan. See "Potential Termination and Change in Control Payments" for benefits

under the plan upon termination without cause or a change in control.

Other Benefits.

The Company provides benefits, including a 401(k) retirement plan and health care benefits, to all employees to attract and retain highly effective executives and other employees with an opportunity to maintain a quality standard of living over time and to have access to health care. These benefits are administered consistently to all levels of the organization. All employees share in the cost of health benefits based on the coverage they select. Available health care benefits are commensurate with that available in our market area.

The Company provides perquisites designed to enhance the success of the Company. Executive officer education is provided at industry conferences, seminars and schools. Dues to country clubs, social clubs and service organizations are paid to encourage community involvement and build business relationships.

Employment Agreement.

Mr. Steffens has entered into a one-year employment agreement with the Bank. Under this employment agreement, Mr. Steffens is entitled to continued payment of his salary and benefits subsequent to an involuntary termination or a termination in connection with a change in control of the Bank or the Company.

Under the agreement, an involuntary termination is a termination without cause or a constructive termination. A termination is deemed to be for cause if it is based on personal dishonesty, incompetence, willful misconduct, breach of fiduciary duty involving personal profit, intentional failure to perform stated duties, willful violation of law, regulation, regulatory order or the employment agreement. In addition, a termination required under the federal banking laws is treated as a termination for cause.

Under the employment agreement, a change in control is deemed to have occurred if: (i) there is a change in control under regulations of the Federal Reserve; (ii) the event would have to be reported on a Form 8-K; (iii) a person acquires beneficial ownership of at least 20% of the Company's securities; (iv) a majority of the board is no longer the current members or chosen by the current members; or (v) any reorganization, acquisition or sale of substantial assets in which the Company or Bank is not the resulting entity. If Mr. Steffens's employment is terminated or constructively terminated under the guidelines described in the previous paragraph in connection with or within 12 months of a change of control, the Bank would be required to pay to Mr. Steffens in a lump sum 299% of his Section 280G base amount (which is Mr. Steffens's average annual W-2 compensation during the five full calendar year periods prior to the effective date of the termination) and continue to provide access to health benefits for the remainder of the term of the agreement.

Compensation Committee Report

The Compensation Committee has reviewed and discussed with management the "Compensation Discussion and Analysis" for June 30, 2015. Based on this review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement.

The foregoing is furnished by the Compensation Committee and the Board of Directors.

Tax Considerations

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally disallows a tax deduction for compensation in excess of \$1 million paid to our chief executive officer and next three most highly compensated employees. Qualifying performance-based compensation will not be subject to the deduction limitation if certain requirements are met. The Compensation Committee reviews and considers the potential consequences of Section 162(m) to the Company. The Company reserves the right to use our judgment to authorize compensation to any employee that does not comply with the Section 162(m) exemptions for compensation we believe is appropriate.

Section 280G of the Internal Revenue Code provides that severance payments triggered by a change in control, which equal or exceed three times the individual's base amount are deemed to be "excess parachute payments." Individuals receiving parachute payments in excess of three times their base amount are subject to a 20% excise tax on the amount of the excess payments. If excess parachute payments are made, the Company and the Bank would not be entitled to deduct the amount of the excess payments. Mr. Steffens's employment agreement provides that severance and other payments that are subject to a change in control will be reduced as much as necessary to ensure that no amounts payable to the executive will be considered excess parachute payments.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires Southern Missouri Bancorp's directors and executive officers, and persons who own more than 10% of Southern Missouri Bancorp's common stock to report their initial ownership of Southern Missouri Bancorp's common stock and any subsequent changes in that ownership to the SEC. Specific due dates for these reports have been established by the SEC and Southern Missouri Bancorp is required to disclose in this proxy statement any late filings or failures to file.

Southern Missouri Bancorp believes, based solely on a review of the copies of reports furnished to us and written representations relative to the filing of certain forms, that reports covering transactions that occurred during the fiscal year ended June 30, 2015, were filed timely, with the exception of one form filed by Officer Hribovsek on November 20, 2014, covering the sale of 2,000 shares (split-adjusted), which was not timely with regard to the sale of 1,294 of those shares (split-adjusted). All other Section 16(a) filing requirements applicable to our executive officers, directors and greater than 10% beneficial owners were complied with.

Business Relationships and Transactions with Executive Officers, Directors and Related Persons

The Company and the Bank may engage in a transaction or series of transactions with our directors, executive officers and certain persons related to them. Except for loans by the Bank, which are governed by a separate policy, these transactions that qualify as "related party" transactions under applicable regulations of the Securities and Exchange Commission are subject to the review and approval of the Audit Committee and ratification by the Board of Directors. All other transactions with executive officers, directors and related persons are approved by the Board of Directors. Pursuant to the Agreement and Plan of Reorganization among the Company, Peoples Service Company and Peoples Banking Company, the Company repaid in full to Director Hensley, the Chairman, President and Chief Executive Officer of Peoples Service Company and Peoples Banking Company at the time of the close of the Merger, loans totaling \$458,000 made by Director Hensley as Trustee of the Todd E. Hensley Revocable Living Trust to Peoples Banking Company and a loan in the amount of \$2.46 million made by Robert Hensley, Director Hensley's father as Trustee of the Robert E. Hensley Revocable Living Trust, to Peoples Service Company.

The Bank has a written policy of granting loans to officers and directors, which fully complies with all applicable federal regulations. Loans to directors and executive officers are made in the ordinary course of business and on substantially the same terms and conditions, including interest rates and collateral, as those of comparable transactions with non-insiders prevailing at the time, in accordance with the Bank's underwriting guidelines, and do not involve more than the normal risk of collectibility or present other unfavorable features. These loans to directors and executive officers are not made at preferential rates; however, certain Bank closing fees may be waived. No director, executive officer or any of their affiliates had outstanding indebtedness to the Bank at below market interest rates since June 30, 2015. Loans to all directors and executive officers and their associates totaled approximately \$9.4 million at June 30, 2015, which was approximately 7.1% of the Company's consolidated shareholders' equity at that date. All loans to

directors and executive officers were performing in accordance with their terms at June 30, 2015.

PROPOSAL II — ADVISORY (NON-BINDING)
VOTE ON EXECUTIVE COMPENSATION

We are not legally required to include in this proxy statement an advisory vote on executive compensation, but have elected to do so in order to give shareholders an opportunity to indicate whether or not they endorse the compensation paid to our executives, as disclosed in this proxy statement. The proposal will be presented at the annual meeting as a resolution in substantially the following form:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed in the Company's proxy statement for the annual meeting pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby approved.

This vote will not be binding on the Company's Board of Directors. Nor will it affect any compensation paid or awarded to any executive. The Compensation Committee and the Board may, however, take into account the outcome of the vote when considering future executive compensation arrangements.

As disclosed in more detail under "Executive Compensation," the Compensation Committee has a very deliberate and thoughtful process for establishing a broad-based compensation program for our executives. The overall goal of this compensation program is to help the Company and the Bank attract, motivate and retain talented and dedicated executives, orient its executives toward the achievement of business goals, and link the compensation of its executives to the Company's success. Executive compensation determinations are a complex and demanding process. The Compensation Committee exercises great care and discipline in its analysis and decision-making and recognizes our shareholders' interest in executive compensation practices. The Compensation Committee seeks to establish compensation levels that attract highly effective executives who work well as a team and that are aligned with our corporate values to conduct our business with character, compassion, class and competition. A primary focus of our compensation program is to compensate actual performance, using realistic objectives while not exposing the Company to imprudent levels of risk.

The Board of Directors believes that our executive compensation program comports with the objectives described above and therefore recommends that shareholders vote **"FOR"** this proposal.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The following Report of the Audit Committee of the Board of Directors shall not be deemed to be soliciting material or to be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent Southern Missouri Bancorp, Inc. specifically incorporates this Report therein, and shall not otherwise be deemed filed under such Acts.

The Audit Committee, established under Section 3(a)(58)(A) of the Securities Exchange of 1934 operates under a written charter adopted by the full Board of Directors. In fulfilling its oversight responsibility of reviewing the services performed by Southern Missouri's independent auditors, the Audit Committee, composed of the undersigned directors, each of whom is independent as defined under Nasdaq's listing standards, carefully reviews the policies and procedures for the engagement of the independent auditors. The Audit Committee also discussed with Southern Missouri's independent auditors the overall scope and plans for the audit. The Audit Committee met with the independent auditors to discuss the results of its audit, the evaluation of Southern Missouri's internal controls, and the overall quality of Southern Missouri's financial reporting.

Prior to engaging the independent registered public accounting firm to render an audit or permissible non-audit service, the Audit Committee specifically approved the engagement of the independent registered public accounting firm to render that service. Accordingly, the Company does not engage the independent registered public accounting firm to render audit or permissible non-audit services pursuant to pre-approval policies or procedures or otherwise, unless the engagement to provide such services has been approved by the Audit Committee in advance. As such, the engagement of BKD, LLP, to render 100% of the services described in the categories above was approved by the Audit Committee in advance of the rendering of those services. We also reviewed and discussed with BKD, LLP the fees paid to the firm. These fees are described under “Independent Registered Public Accounting Firm” below.

The Audit Committee received and reviewed the report of BKD, LLP, regarding the results of their audit of the Company’s 2015 financial statements. We also reviewed and discussed the audited financial statements with Company management.

Southern Missouri’s Chief Executive Officer and Chief Financial Officer also reviewed with the Audit Committee the certifications that each such officer will file with the SEC pursuant to the requirements of Sections 302 and 906 of the Sarbanes-Oxley Act of 2002. Management also reviewed with the Audit Committee the policies and procedures it has adopted to ensure the accuracy of such certifications.

The Audit Committee has reviewed and discussed with the Company’s management the Company’s fiscal 2015 audited financial statements;

The Audit Committee has discussed with the Company’s independent auditors (BKD, LLP) the matters required to be discussed by Statement on Auditing Standards No. 61 and requirements of the Securities and Exchange Commission;

The Audit Committee has received the written disclosures and letter from the independent auditors required by Independence Standards Board No. 1 (which relates to the auditors’ independence from the Company and its related entities) and has discussed with the auditors their independence from the Company; and

Based on the review and discussions referred to in the three items above, the Audit Committee recommended to the Board of Directors that the fiscal 2015 audited financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year ended June 30, 2015.
