ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO
SECURITIES OF THE ISSUER

Amended and Restated Investor Rights Agreement

The Venrock Entities and other stockholders (collectively, the “Holders”) of the Issuer have entered into an Amended and Restated Investor Rights Agreement dated April 26, 2012 (the “Investor Rights Agreement”) with the Issuer. Subject to the terms of the Investor Rights Agreement, holders of shares having registration rights (“Registrable Securities”) can demand that the Issuer file a registration statement or request that their shares be covered by a registration statement that the Issuer is otherwise filing.

Demand Registration Rights

The holders of at least a majority of the then-outstanding registrable securities of the Issuer may make a written request to the Issuer for the registration of all or part of the registrable securities under the Securities Act, if the amount of registrable securities to be registered would yield an aggregate offering price to the public of at least \$10.0 million. The Issuer is only required to file two registration statements that are declared effective upon exercise of these demand registration rights, and may postpone the filing of a registration statement for up to 120 days in a 12-month period if the Issuer’s board of directors determines that the filing would be seriously detrimental to the Issuer and its stockholders, provided that the Issuer does not register any securities for its own account or any other stockholder during such 120-day period.

CUSIP No. 14862Q100

Page 17 of 21

Form S-3 Registration Rights

The holders of then-outstanding registrable securities can request that the Issuer register all or part of their shares on Form S-3 if the Issuer is eligible to file a registration statement on Form S-3 and if the aggregate price to the public of the shares offered, net of any underwriters' discounts or commissions, is at least \$1.0 million. The stockholders may only require the Issuer to effect one registration statement on Form S-3 in a 12-month period, and the Issuer may postpone the filing of a registration statement on Form S-3 once during any 12-month period for a total cumulative period of not more than 120 days if the Issuer's board of directors determines that the filing would be detrimental to the Issuer and its stockholders, provided that the Issuer does not register any securities for its own account or any other stockholder during such 120-day period, with specified exceptions.

Piggyback Registration Rights

If the Issuer registers any of its securities for public sale in an offering, holders of registrable securities will have the right to include their shares in the registration statement. This right does not apply to specified types of registrations. The underwriters of any underwritten offering will have the right to limit the number of shares registered by these holders if they determine in good faith that marketing factors require limitation, in which case the number of shares to be registered will be apportioned pro rata among these holders, according to the total amount of securities entitled to be included by each holder, or in a manner mutually agreed upon by the holders. However, the number of shares to be registered by these holders cannot be reduced below 25% of the total shares covered by the registration statement.

Expenses of Registration

The Issuer generally will pay all expenses, other than underwriting discounts and commissions, and the reasonable fees and disbursements of one special counsel for the selling stockholders incurred in connection with the registrations described above, not to exceed \$25,000.

Expiration of Registration Rights

The registration rights described above will expire, with respect to any particular holder of these rights, on the earlier of (i) March 19, 2017 or (ii) when that holder can sell all of its registrable securities in a three-month period without restriction under Rule 144 of the Securities Act.

Other than as described in this Schedule 13D, to the knowledge of the Venrock Entities and the Venrock GPs, there are no other contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any person with respect to any securities of the Issuer.
