1 Refer to “Capital and total loss-absorbing capacity instruments” under “Bondholder information” at information on the key features and the terms and conditions of the capital instruments included in the 2019. Instruments are listed according to their maturity or optional call date. 2 Instruments available for requirements are eligible until one year before maturity, with a haircut of 50% applied in the last year before maturity. 3 Instruments issued by UBS Group AG, Switzerland and transferred in May 2018 to UBS Group Funding (Switzerland) AG under the deferred contingent capital plan (DCCP) awards. DCCP instruments qualifying as tier 2 capital are eligible for purposes until 30 December of the year prior to maturity. 4 Outstanding low-trigger loss-absorbing capacity instruments are available under the transitional rules of the Swiss SRB framework to meet the going concern requirements until their first call date, even if the first call date is after 31 December 2019. As of their first call date, they meet the going concern requirements. 5 Outstanding high- and low-trigger loss-absorbing tier 2 capital instruments are available under the transitional rules of the Swiss SRB framework to meet the going concern requirements until their first call date or (ii) 31 December 2019, and to meet going concern requirements thereafter. Outstanding high-trigger loss-absorbing tier 2 capital instruments are subject to amortization starting five years prior to their first call date or first call date or (ii) 31 December 2019, and to meet going concern requirements thereafter. Outstanding low-trigger loss-absorbing tier 2 capital instruments are subject to amortization starting five years prior to their first call date or first call date or (ii) 31 December 2019, and to meet going concern requirements thereafter. 6 Outstanding high- and low-trigger loss-absorbing tier 2 capital instruments are subject to amortization starting five years prior to their first call date or first call date or (ii) 31 December 2019, and to meet going concern requirements thereafter. 7 Non-Basel III-compliant tier 2 capital instruments are subject to amortization starting five years prior to their first call date or first call date or (ii) 31 December 2019, and to meet going concern requirements thereafter.

Notice to investors | This document and the information contained herein are provided solely for information purposes, and are not to be construed as solicitation of an offer to buy or sell any securities or other financial instruments in Switzerland, the United States or any other jurisdiction. No investment decision relating to securities of or relating to UBS Group AG, UBS AG or their affiliates should be made on the basis of this document. Refer to UBS's first quarter 2019 report and its Annual Report 2018 for additional information. These reports are available at www.ubs.com/investors.

Rounding | Numbers presented throughout this report may not add up precisely to the totals provided in the tables and text. Percentages, absolute and percent changes, and adjusted results are calculated on the basis of unrounded figures, with the exception of movement information provided in text that can be derived from figures displayed in the tables, which is calculated on a rounded basis.

Tables | Within tables, blank fields generally indicate that the field is not applicable or not meaningful, or that information is not available as of the relevant date or for the relevant period. Zero values generally indicate that the respective figure is zero on an actual or rounded basis. Percentage changes are presented as a mathematical calculation of the change between periods.
