This meeting will be held on Wednesday, May 9, 2018, at 9:00 a.m. Eastern Time, at the offices of Goodwin Procter LLP, The New York Times Building, 620 Eighth Avenue, New York, NY 10018.

As permitted by the rules of the Securities and Exchange Commission, we have provided access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials, or E-proxy notice, to our shareholders of record as of the close of business on March 12, 2018. The E-proxy notice contains instructions for your use of this process, including how to access our proxy statement and annual report and how to authorize your proxy to vote online. In addition, the E-proxy notice contains instructions on how you may receive a paper copy of the proxy statement and annual report or elect to receive your proxy statement and annual report over the Internet.

If you are unable to attend the annual meeting in person, it is very important that your shares be represented and voted at the meeting. NOTICE OF ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 9, 2018

To Our Shareholders:

You are cordially invited to attend the Annual Meeting of Shareholders (the “Annual Meeting”) of Urban Edge Properties (“we”, the “Company” or “UE”), to be held on Wednesday, May 9, 2018, at 9:00 a.m. Eastern Time, at the offices of Goodwin Procter LLP, The New York Times Building, 620 Eighth Avenue, New York, NY 10018, for the following purposes:

1. To elect the seven trustees named in the Proxy Statement, each to serve until our annual meeting of shareholders held in 2019 and until their successors are duly elected and qualify;
2. To consider and vote on a proposal to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2018;
3. To consider and vote, on a non-binding advisory basis, on a resolution to approve the compensation of our named executive officers as described in the Proxy Statement; and
4. To transact such other business as may properly come before the Annual Meeting, including any adjournments or postponements thereof.

We are furnishing proxy materials to you electronically, via the Internet, instead of mailing printed copies of those materials to each shareholder. We believe that this process expedites receipt of our proxy materials by shareholders, while lowering the costs and reducing the environmental impact of our Annual Meeting. We have provided a Notice of Internet Availability of Proxy Materials (the “Notice”) to our shareholders of record on March 12, 2018. The Notice contains instructions on how to access our Proxy Statement and annual report over the Internet and how to vote online. The Notice also includes instructions on how you can request and receive a paper copy of the Proxy Statement and annual report for this Annual Meeting and future meetings of shareholders.

The Board of Trustees has fixed the close of business on March 12, 2018 as the record date for determining the shareholders entitled to notice of and to vote at our Annual Meeting. Only holders of record of our common shares of beneficial interest, par value \$.01 per share (the “Common Shares”), as of the close of business on March 12, 2018 are entitled to notice of and to vote at the Annual Meeting and at any adjournment or postponement thereof.

The Board of Trustees appreciates and encourages your participation in the Annual Meeting. Whether or not you plan to attend the Annual Meeting, it is important that your shares be represented. You may authorize your proxy to vote your shares over the Internet as described in the Notice. Alternatively, if you requested and received a paper copy of the proxy card by mail, please complete, date, sign and promptly return the proxy card in the self-addressed stamped envelope provided. You also may vote by telephone as described in your proxy card. If you vote your shares over the Internet, by mail or by telephone prior to the Annual Meeting, you may nevertheless revoke your proxy and cast your vote personally at the meeting, as described in the Proxy Statement. PROXY STATEMENT

QUESTIONS AND ANSWERS

Why did I receive a Notice of Internet Availability of Proxy Materials?

As permitted by the rules of the Securities and Exchange Commission (the “SEC”), we are making this Proxy Statement and our annual report available to our shareholders electronically via the Internet. We provided a Notice of Internet Availability of Proxy Materials (the “Notice”) to our shareholders of record on March 12, 2018. If you received the Notice electronically, you will not receive a printed copy of the proxy materials in the mail. If you would like to receive a printed copy of our proxy materials, please follow the instructions for requesting printed materials contained in the Notice.

Urban Edge Properties (“we”, the “Company” or “UE”) has furnished this Proxy Statement to you in connection with the solicitation of proxies by our Board of Trustees (“Board”) for use at the 2018 Annual Meeting of Shareholders (the “Annual Meeting”) to be held at the offices of Goodwin Procter LLP, The New York Times Building, 620 Eighth Avenue, New York, NY 10018, on Wednesday, May 9, 2018, at 9:00 a.m. Eastern Time. The Notice and this Proxy Statement provide the information you need to know to vote by proxy or in person at the Annual Meeting. We are first sending this Proxy Statement and the accompanying materials to shareholders on or about March 29, 2018.

What items will be voted on at the Annual Meeting?

Shareholders will vote on the following items at the Annual Meeting:

• Proposal 1: the election of the seven trustees named in this Proxy Statement, each to serve until our annual meeting of shareholders held in 2019 and until their successors are duly elected and qualify;

• Proposal 2: the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the year ending December 31, 2018; and

• Proposal 3: the approval, on a non-binding advisory basis, of the compensation of our named executive officers as described in this Proxy Statement.

In addition, shareholders will vote on such other business as may properly come before the Annual Meeting, including any adjournments or postponements thereof.

What is the Board’s voting recommendation for each item to be considered at the Annual Meeting?

The Board recommends that you vote your shares as follows:

• Proposal 1: “FOR” the election of the seven trustee nominees named in this Proxy Statement;

• Proposal 2: “FOR” the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2018; and

• Proposal 3: “FOR” the approval, on a non-binding, advisory basis, of the compensation of our named executive officers as described in this Proxy Statement.

What vote is required to approve the proposals?

Once a quorum is present, the following vote is required to approve each proposal:

Proposals 1, 2 and 3: The election of a trustee nominee, the ratification of the appointment of Deloitte & Touche LLP and the non-binding advisory approval of the compensation of our named executive officers must each be approved by a majority of the votes cast on the proposal.

Other Items: A majority of the votes cast will be sufficient to approve any other matter which may properly come before the Annual Meeting. The Board does not know of any other matters that may properly be brought before the Annual Meeting.

What is the quorum for the meeting?

The presence in person or by proxy of shareholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting will constitute a quorum to transact business at the Annual Meeting. Your shares will be counted for purposes of determining if there is a quorum, whether representing votes for, against or abstained, if you:

• Are present and vote in person at the Annual Meeting; or

• Have authorized a proxy on the Internet, by telephone or by properly submitting a proxy card or vote instruction form by mail.

If a quorum is not present at the Annual Meeting, the chairman of the meeting may adjourn the Annual Meeting sine die or from time to time to a date not more than 120 days after the original record date of March 12, 2018 without notice other than announcement at the meeting.

Who is entitled to attend and vote at the Annual Meeting?

All shareholders of record as of the close of business on March 12, 2018, the record date for the Annual Meeting, are entitled to attend and vote at the Annual Meeting. You may authorize a proxy to vote your shares without attending the Annual Meeting. You are entitled to cast one vote for each whole common share of beneficial interest, par value \$.01 per share (a "Common Share"), you held of record as of the record date. As of the record date, there were 113,920,633 shares of our Common Shares issued and outstanding.

Attendance at the Annual Meeting is limited to shareholders. In order to attend the Annual Meeting in person, each shareholder will be required to present valid U.S. federal or state government issued picture identification, such as a driver's license or passport, to confirm share ownership as of the record date. Beneficial owners will also be required to present proof of beneficial ownership, such as a vote instruction form or brokerage statement, to be admitted to the meeting. The use of cell phones, smartphones, pagers, recording and photographic equipment and/or computers is not permitted in the meeting room at the Annual Meeting.

Directions to attend the Annual Meeting and vote in person are available at our website at www.uedge.com.

What is the difference between a shareholder of record and a beneficial owner?

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC ("AST"), you are considered the shareholder of record with respect to those shares, and the Notice, and if requested, the proxy materials, were sent directly to you by AST.

If your shares are held in an account at a brokerage firm, bank, broker-dealer, or other similar organization, then you are the beneficial owner of shares held in "street name," and the Notice, and if requested, the proxy materials, will be forwarded to you by that organization. The organization holding your account is considered the shareholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to instruct that organization on how to vote the shares held in your account. Those instructions are contained in a "vote instruction form" provided to you by the organization that holds your shares.

If I am a shareholder of record, how do I vote?

Whether or not you plan to attend the Annual Meeting, we urge you to authorize your proxy to vote your shares. As described in the Notice, there are four ways to vote:

• Via the Internet. You may authorize a proxy via the Internet by visiting www.proxyvote.com and entering the control number found on the Notice.

• **By Telephone.** If you received your proxy materials by mail, you may authorize a proxy by calling the toll free number found on the proxy card.

• **By Mail.** If you received your proxy materials by mail, you may authorize a proxy by filling out the proxy card and sending it back in the envelope provided.

• **In Person.** You may vote in person at the Annual Meeting. We will give you a ballot when you arrive at the Annual Meeting.

Telephone and internet authorization methods for shareholders of record will be available until 11:59 p.m. (Eastern Time) on May 8, 2018. If you vote by mail, you must ensure proper completion and receipt of the proxy no later than May 8, 2018.

If I am a beneficial owner of shares held in street name, how do I vote?

If you own shares held by a broker, you may instruct your broker to vote your shares in the manner that you direct by following the instructions that the broker provides to you. If you are the beneficial owner of shares held in street name and you wish to vote in person at the Annual Meeting, you must obtain a legal proxy from the organization that holds your shares prior to the Annual Meeting. Please contact that organization for instructions on how to obtain a legal proxy.

Can I change or revoke my proxy?

Yes. If you are a shareholder of record, you may revoke your proxy at any time prior to its exercise by filing with our Secretary a duly executed revocation of proxy, by properly submitting, either by Internet, mail or telephone, a proxy bearing a later date or by appearing at the meeting and voting in person. Attendance at the meeting will not by itself constitute revocation of a proxy. If you are the beneficial owner of shares held in street name, you must contact the organization that holds your shares to receive instructions as to how you may revoke your voting instructions.

How are proxies voted?

Proxies properly submitted via the Internet, mail or telephone will be voted at the Annual Meeting in accordance with your directions. If your properly-submitted proxy does not provide voting instructions on a proposal, then the proxy holders will vote your shares (i) in the manner recommended by the Board on all matters presented in this Proxy Statement and (ii) as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting. Mark J. Langer, Robert C. Milton III and Alexandra Ferrone have been designated as proxy holders for the Annual Meeting.

How are abstentions and broker non-votes treated?

If you are a beneficial owner whose shares are held of record by a broker, you must instruct the broker how to vote your shares. A “broker non-vote” occurs when a bank, broker or other holder of record holding shares for a beneficial owner does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

You may choose to abstain or refrain from voting your shares on one or more issues presented for a vote at the Annual Meeting. However, both abstentions and broker non-votes are counted as present for purposes of determining the presence of a quorum. Abstentions and broker non-votes are not considered votes cast and therefore will not affect the outcome of the vote on any of the proposals.

Who has paid for this proxy solicitation?

We have paid the entire expense of preparing, printing and mailing the Notice and, to the extent requested by our shareholders, the proxy materials and any additional materials furnished to shareholders. We have requested banks, brokers or other nominees and fiduciaries to forward the proxy materials to beneficial owners of our Common Shares and to obtain authorization for the execution of proxies. We will reimburse such parties for their reasonable expenses in forwarding proxy materials to beneficial owners upon request.

Proxies may be solicited by our trustees, officers or employees personally or by telephone without additional compensation for such activities. No arrangements or contracts have been made with any solicitors as of the date of this Proxy Statement, although we reserve the right to engage solicitors if we deem them necessary. Such solicitations may be made by mail, telephone, facsimile, e-mail or personal interviews.

Where can I find additional information?

Our website is located at www.uedge.com. Although the information contained on or connected to our website is not part of this Proxy Statement, you can view additional information on the website, such as the charters of our Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee, our Corporate Governance Guidelines, our Code of Business Conduct and Ethics, and reports that we file with the SEC. Copies of these documents may be obtained free of charge by writing to Urban Edge Properties, 888 Seventh Avenue, New York, New York 10019, Attention: Robert C. Milton III, Executive Vice President, General Counsel and Secretary.

PROPOSAL 1

ELECTION OF TRUSTEES

Our Board of Trustees (“Board”) currently consists of seven trustees (“Trustees”). Commencing this year, each Trustee will be elected annually for a term of one year and shall hold office until the next succeeding annual meeting and until a successor is duly elected and qualifies. Under our Bylaws, at a shareholder meeting to elect Trustees, a majority of the votes cast with respect to a nominee's election is sufficient to elect a Trustee (as long as a quorum is present), unless the election is contested, in which case a plurality of all votes cast will be sufficient.

In evaluating the suitability of individual Board members, our Corporate Governance and Nominating Committee takes into account many factors such as general understanding of various business disciplines (e.g., marketing or finance), understanding of the Company’s business environment, educational and professional background, judgment, integrity, ability to make independent analytical inquiries and willingness to devote adequate time to Board duties. The Board evaluates each individual in the context of the Board as a whole with the objective of retaining a group with diverse and relevant experience that can best perpetuate the Company’s success and represent shareholder interests through sound judgment.

The following table sets forth the name, age, starting year and position for each of our current Trustees as of March 12, 2018.

Name	Age	Trustee Since	Position
Jeffrey S. Olson	50	2014	Trustee (Chairman) and Chief Executive Officer
Michael A. Gould	75	2015	Trustee (Lead Trustee)
Steven H. Grapstein	60	2015	Trustee
Steven J. Guttman	71	2015	Trustee
Amy B. Lane	65	2015	Trustee
Kevin P. O'Shea	52	2014	Trustee

Trustees will be elected by a majority of the votes cast in the election of Trustees.

Our Board is deeply focused on our corporate governance practices. Our current leadership structure is comprised of a combined Chairman of the Board and Chief Executive Officer, a Lead Trustee who is independent and Board committees comprised solely of independent Trustees. The Board believes its current structure provides an effective balance between strong Company leadership and appropriate safeguards and oversight by independent Trustees. We value independent board oversight as an essential component of strong corporate performance to enhance shareholder value. All of our Trustees are independent, except Jeffrey S. Olson, our Chairman and Chief Executive Officer and Mr. Roth.

As Chairman and Chief Executive Officer, Mr. Olson uses the in-depth focus and perspective gained as a senior executive leading other real estate companies and as an analyst covering many U.S. REITs to effectively and efficiently guide our Board. He fulfills his responsibilities through close interaction with our Lead Trustee, Michael A. Gould, who was elected to serve in that capacity by the independent Trustees of our Board.

The Board concluded that Mr. Olson, as a well-seasoned leader with a track record of running and analyzing real estate companies over a long period of time, is the best person to lead the Board. The Board also considered current Board relationships and determined that there is actual and effective independent oversight of management with Mr. Gould serving as independent Lead Trustee, providing significant independent oversight of the Board, and with the Board as a whole, being primarily comprised of members independent of management, also serving as an actual and effective independent voice.

Trustee Independence

Our Corporate Governance Guidelines and the NYSE listing standards require that at least a majority of our Trustees, and all of the members of the Audit, Compensation and Corporate Governance and Nominating Committees, be “independent.” The NYSE standards provide that, to qualify as an “independent” Trustee, in addition to satisfying certain bright-line criteria, the Board must affirmatively determine that a Trustee has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company).

In addition, our Board has adopted categorical standards to assist it in making determinations of independence. These categorical standards specify certain relationships that our Board has determined not to be material relationships that would categorically impair a Trustee’s ability to qualify as independent, including, among others, (i) a Trustee’s or his or her immediate family member’s status as an employee of an organization that has made payments to the Company, or that has received payments from the Company, not in excess of certain specified amounts; (ii) relationships with organizations with which the Company conducts business, in each case which owe money to the Company or to which the Company owes money not in excess of certain specified amounts; (iii) personal relationships between a Trustee (or a member of the Trustee’s immediate family) with a member of the Company’s management; and (iv) any other relationship or transaction that is not covered by any of the categorical standards that does not involve the payment of more than \$100,000 in the most recently completed fiscal year of the Company. The Board of Trustees’ categorical standards are set forth in our Corporate Governance Guidelines on the Company’s website located at www.uedge.com. In accordance with these categorical standards and the NYSE listing standards, the Board undertook its annual review of the independence of our Trustees at the meetings of the Corporate Governance and Nominating Committee on February 22, 2018 and of the Board of Trustees on February 23, 2018. During these reviews, the Board considered relationships between each Trustee or members of his or her immediate family and the Company, and whether there were transactions between the Trustees or members of their immediate families and the Company. The Board affirmatively determined that each of our Trustees, other than Messrs. Olson and Roth, satisfies the bright-line independence criteria of the NYSE and that none has a relationship with us that would interfere with such person’s

ability to exercise independent judgment as a member of the Board. In determining that Ms. Lane qualified as an independent director for purposes of her service on the Board and the committees on which she serves, the Board considered her membership on the board of directors of The TJX Companies, Inc., which is one of our largest tenants. The Board's conclusion that this relationship did not impair Ms. Lane's independence for purposes of her service on the Compensation Committee was primarily based on the fact that Ms. Lane serves as an independent, non-employee director of The TJX Companies, Inc., which is a relationship that is deemed immaterial pursuant to the categorical standards adopted by the Board. Therefore, we believe that all of these Trustees, who constitute a majority of the Board, are independent under the NYSE rules.

Lead Trustee

Our Corporate Governance Guidelines provide that a Lead Trustee shall annually be elected by a majority of the independent Trustees. Mr. Michael A. Gould has served as our Lead Trustee since 2015. The responsibilities and goals of our Lead Trustee are described in our Corporate Governance Guidelines and include the following:

- Chairing all Board meetings at which the Chairman is not present, including executive sessions of the independent Trustees;
- Consulting with the Chairman to suggest the schedule of Board meetings and annual or special meetings of shareholders;
- Providing input to the Chairman to determine agendas for Board meetings;
- Chairing all executive sessions of the Board and meetings of the independent Trustees;
- Serving as a liaison between the Chairman/Chief Executive Officer and the independent Trustees;
- Coordinating with the independent Trustees to evaluate the Chairman/Chief Executive Officer's performance in relation to annual goals and objectives;
- Helping to develop a high-performing Board, by assisting Trustees in reaching consensus, keeping the Board focused on strategic decisions, managing information flow between the Trustees and management and coordinating activities across various committees; and
- Supporting effective shareholder communication by the Chairman/Chief Executive Officer and the Board.

Corporate Governance Guidelines

Our Board has adopted a set of Corporate Governance Guidelines to assist it in guiding our governance practices. The Corporate Governance Guidelines are re-evaluated at least annually by the Corporate Governance and Nominating Committee in light of changing circumstances in order to continue serving our best interests and the best interests of our shareholders. Our Corporate Governance Guidelines are available on our website under "About Us - Governance - Corporate Governance Guidelines" at www.uedge.com, or by requesting a copy in print, without charge, by contacting our Secretary at 888 Seventh Avenue, New York, New York 10019.

Our Trustees stay informed about our business by attending meetings of the Board and its committees and through supplemental reports and communications.

Board Committees

Our Board has established standing committees to assist it in the discharge of its responsibilities. The principal responsibilities of each committee are described below. Actions taken by any committee of our Board are reported to the Board, usually at the meeting following such action. Membership of the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee is each composed of three Trustees who are each "independent" as defined under the rules, regulations and listing standards of the NYSE. Our Board may from time to time establish other committees to facilitate the management of our company. Copies of the charters of the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee are posted on our website at www.uedge.com under "About Us - Governance."

The table below sets forth a summary of our committee structure and membership information.

†Audit Committee Financial Expert

Audit Committee

The Audit Committee's purposes are to (i) assist the Board in its oversight of (a) the integrity of our financial statements, (b) our compliance with legal and regulatory requirements, (c) the independent registered public accounting firm's qualifications and independence, and (d) the performance of the independent registered public accounting firm and the company's internal audit function; and (ii) prepare an Audit Committee report as required by the SEC for inclusion in our annual proxy statement. The function of the Audit Committee is oversight. Management is responsible for the preparation, presentation and integrity of our financial statements and for the effectiveness of internal control over financial reporting. Management is also responsible for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. An independent registered public accounting firm is responsible for planning and carrying out a proper audit of our annual financial statements, reviewing our quarterly financial statements prior to the filing of each Quarterly Report on Form 10-Q and annually auditing the effectiveness of internal control over financial reporting and other procedures. Additional information regarding the Audit Committee's duties and responsibilities may be found on our website under "About Us - Governance - Audit Committee Charter."

Each member of the Audit Committee is financially literate, knowledgeable and qualified to review financial statements, and is "independent" as defined under the rules, regulations and listing standards of the NYSE. The Board determined that Mr. O'Shea, the Chair of the Audit Committee, qualifies as an "Audit Committee Financial Expert," as defined in Item 401(h) of Regulation S-K. A report of the Audit Committee may be found on page 22.

Compensation Committee

The Compensation Committee is responsible for establishing the terms of the compensation of the executive officers and the granting and administration of awards under the Company's 2015 Omnibus Share Plan. Compensation decisions for our executive officers are made by the Compensation Committee. Decisions regarding compensation of other employees are made by our Chief Executive Officer and are subject to review and approval of the Compensation Committee. The Compensation Committee has authority under its charter to select, retain and approve fees for, and to terminate the engagement of, independent compensation consultants, outside legal counsel or other advisors as it deems appropriate without seeking approval of the Board or management. Additional information regarding the Compensation Committee's duties and responsibilities may be found on our website under "About Us - Governance - Compensation Committee Charter."

Each member of the Compensation Committee is "independent" as defined under the rules, regulations and listing standards of the NYSE. A report of the Compensation Committee may be found on page 47.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee's responsibilities include the selection of potential candidates for the Board and the development and review of our Governance Guidelines. It also reviews Trustee compensation and benefits, and oversees annual self-evaluations of the Board and its committees. The committee also makes

recommendations to the Board concerning the structure and membership of the other Board committees as well as management succession plans. The committee selects and evaluates candidates for the Board in accordance with the criteria set out in the Company's Governance Guidelines, a summary of which is provided below. The committee is then responsible for recommending to the Board a slate of candidates for Trustee positions for the Board's approval. Additional information regarding the Corporate Governance and Nominating

Committee's duties and responsibilities may be found on our website under "About Us - Governance - Corporate Governance and Nominating Committee Charter."

Each member of the Corporate Governance and Nominating Committee is "independent" as defined under the rules, regulations and listing standards of the NYSE.

Role of the Board and its Committees in Risk Oversight

One of the key functions of the Board is informed oversight of our risk management process. The Board administers this oversight function directly, with support from the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee, each of which addresses risks specific to their respective areas of oversight. In addition to receiving information from its committees, the Board receives updates directly from members of management. In particular, Mr. Olson, due to his management position, is able to frequently communicate with other members of our management team and update the Board on the important aspects of our day-to-day operations. The full Board also oversees strategic and operational risks.

The Audit Committee oversees our risk policies and processes relating to our financial statements and financial reporting processes, as well as key credit risks, liquidity risks, market risks and compliance, and the guidelines, policies and processes for monitoring and mitigating those risks. The Audit Committee also monitors risks arising from related person transactions. The Audit Committee meets with the audit partner of our independent registered public accounting firm that conducts the review of internal controls over financial reporting to discuss the annual audit plan and any issues that such partner believes warrant attention.

The Compensation Committee oversees risk management as it relates to our compensation plans, policies and practices in connection with structuring our executive compensation programs and reviewing our incentive compensation programs for other employees and has reviewed with management whether our compensation programs may create incentives for our employees to take excessive or inappropriate risks which could have a material adverse effect on us.

The Corporate Governance and Nominating Committee oversees risks related to, among other matters, our governance structure and processes, succession planning, potential conflict of interest, and violations of the Company's Code of Business Conduct and Ethics.

Compensation Committee Interlocks and Insider Participation

During 2017, the following trustees, all of whom are "independent" as defined under the rules, regulations and listing standards of the NYSE, served on our Compensation Committee: Michael A. Gould, Steven J. Guttman and Amy B. Lane. None of our executive officers serve as either a member of the Board of Directors or the compensation committee of any other company that has any executive officers serving as a member of our Board or Compensation Committee.

Board and Committee Meetings

In 2017, the Board held ten meetings, the Audit Committee held six meetings, the Compensation Committee held six meetings and the Corporate Governance and Nominating Committee held six meetings. Each Trustee attended all of the Board meetings and their respective committee meetings in 2017. We held our annual meeting of shareholders on May 10, 2017, which was attended by all Trustees.

The independent Trustees of our Board have the opportunity to meet in executive session, without management present, at each Board and committee meeting. The Lead Trustee presides over independent, non-management sessions of the Board.

Nomination of Trustees

Before each annual meeting of shareholders, the Corporate Governance and Nominating Committee considers the nomination of each Trustee whose term expires at the annual meeting of shareholders and will also consider new candidates whenever there is a vacancy on the Board or whenever a vacancy is anticipated due to a change in the size or composition of the Board, a retirement of a Trustee or for any other reason.

The process that this committee will use to identify a nominee to serve as a member of the Board will depend on the qualities being sought, but the Board should, based on the recommendation of the Corporate Governance and Nominating Committee, select new nominees considering the following, among other, criteria: (i) personal qualities and characteristics, accomplishments and reputation in the business community; (ii) current knowledge and contacts in the communities in which UE does business and in UE's industry or other industries relevant to UE's business; (iii) ability and willingness to commit adequate time to board and

committee matters; (iv) the fit of the individual's skills and personality with those of other Trustees and potential Trustees in building a board that is effective, collegial and responsive to the needs of the Company; and (v) diversity of viewpoints, experience and other demographics.

The Corporate Governance and Nominating Committee will consider the criteria described above in the context of an assessment of the perceived needs of the Board as a whole and seek to achieve diversity of occupational and personal backgrounds on the Board. The Board will be responsible for selecting candidates for election as Trustees based on the recommendation of the Corporate Governance and Nominating Committee.

In addition to considering incumbent Trustees, the Corporate Governance and Nominating Committee may identify Trustee candidates based on recommendations from management and shareholders. Shareholder recommendations must be submitted in writing to Urban Edge Properties, 888 Seventh Avenue, New York, New York 10019, Attention: Robert C. Milton III, Executive Vice President, General Counsel and Secretary, indicating the nominee's qualifications and other relevant biographical information and providing confirmation of the nominee's consent to serve as Trustee, if elected. The Corporate Governance and Nominating Committee may request additional information in order to evaluate the nominee.

Under our current Bylaws, at a shareholder meeting to elect Trustees, a majority of all votes cast at the meeting will be sufficient to elect a Trustee (as long as a quorum is present), unless the election is contested, in which case a plurality of all votes cast will be sufficient.

In nominating Steven Roth for re-election at the 2018 annual meeting and assuming Mr. Roth were to be re-elected at all the boards on which he currently serves, the Corporate Governance and Nominating Committee considered that Mr. Roth would serve on boards of three public companies in addition to Vornado Realty Trust, where he serves as Chairman of the Board and Chief Executive Officer. However, the Committee noted that Mr. Roth's two most recently added Board seats resulted from spinning business units out of Vornado. In the case of Urban Edge's business, Mr. Roth acquired, developed and redeveloped and managed a substantial portion of our assets over a period of almost 40 years. The Committee also noted that Mr. Roth is a highly-engaged board member, did not miss a board meeting in 2017 and possesses significant real estate and management experience.

Lastly, our Corporate Governance and Nominating Committee and Board of Trustees as a whole considered an amendment to our Bylaws to provide our shareholders with the right to amend our Bylaws without the concurrence of our Board. In connection with this, management undertook a shareholder outreach effort and received input from shareholders representing approximately one-half of the outstanding shares of the Company. In light of the input received directly from shareholders, the proxy voting guidelines of certain of our shareholders and the evolving landscape in this area, particularly among Maryland REITs, we concluded not to make a change at this time to our Bylaws. Our Board intends to continue to evaluate this issue.

Availability of Corporate Governance Materials

Shareholders may view our corporate governance materials, including the charters of our Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee, our Corporate Governance Guidelines and our Code of Business Conduct and Ethics, on our website at www.uedge.com, and these documents are available in print to any shareholder upon request by writing to Urban Edge Properties, 888 Seventh Avenue, New York, New York 10019, Attention: Robert C. Milton III, Executive Vice President, General Counsel and Secretary. Information on or connected to our website is not and should not be considered a part of this Proxy Statement.

Communication with the Board of Trustees

Our Board believes that shareholders and other constituents should have the ability to send written communications to the Board. Therefore, our policy is that all written communications to the Board as a whole should be addressed to the Chairman at Urban Edge Properties, 888 Seventh Avenue, New York, New York 10019, c/o Board Secretary. The Chairman will review all relevant written communications with the other members of the Board. Written

Edgar Filing: Urban Edge Properties - Form DEF 14A

communications to our independent and/or non-management members of the Board should be addressed to the Lead Trustee at Urban Edge Properties, 888 Seventh Avenue, New York, New York 10019, c/o Board Secretary.

COMPENSATION OF TRUSTEES

Non-employee members of the Board are compensated as follows:

- (1) each receives an annual cash retainer equal to \$65,000;
each receives an annual grant of restricted Common Shares or restricted LTIP Units (“LTIP Units”) in Urban Edge
- (2) Properties LP (“UELP”), our operating partnership, with a value equal to \$100,000 that will vest on the one-year anniversary of grant;
- (3) the Lead Trustee receives an additional annual cash retainer of \$40,000;
- (4) the Chairman of the Audit Committee receives an additional annual cash retainer of \$25,000;
- (5) the Chairman of the Compensation Committee receives an additional annual cash retainer of \$20,000;
- (6) the Chairman of the Corporate Governance and Nominating Committee receives an additional annual cash retainer of \$15,000; and
- (7) members of the Audit, Compensation and Corporate Governance and Nominating Committees receive additional annual cash retainers of \$12,500, \$10,000 and \$7,500, respectively.

Our Board and the Corporate Governance and Nominating Committee review our Trustee compensation at least annually. Our Board has the authority to approve all compensation payable to our Trustees, although the Corporate Governance and Nominating Committee is responsible for making recommendations to our Board regarding this compensation. For 2017, FTI Consulting, Inc. (“FTI Consulting”) was hired to evaluate the structure and competitiveness of our Trustee compensation and recommend changes, as appropriate. Based on this review, the Corporate Governance and Nominating Committee recommended changes to our 2017 Trustee compensation to the full Board, and the full Board followed this recommendation.

2017 Trustee Compensation

The following table summarizes the compensation earned by and/or paid to our non-employee Trustees in respect of their 2017 Board and Committee service. Mr. Olson, our Chairman and Chief Executive Officer, does not receive compensation for his services as Trustee. Information regarding compensation for Mr. Olson can be found in the “Executive Officer Compensation” section of this Proxy Statement.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table lists the number of Common Shares and Units (as defined below) beneficially owned, as of March 12, 2018, by: (i) each person who holds more than a 5% interest in the Company or our operating partnership, UELP; (ii) Trustees of the Company; (iii) each named executive officer; and (iv) the Trustees and all executive officers of the Company as a group. Unless otherwise specified, “Units” are common limited partnership units of UELP and other classes of units convertible into such common limited partnership units (including LTIP Units). Percentage of total beneficial ownership is calculated based on 113,920,633 Common Shares and 12,458,402 Units as described in footnotes (1) through (4) of the table below.

Beneficial ownership of Common Shares is determined under the rules of the SEC and generally includes any Common Shares over which a person exercises sole or shared voting or investment power. Common Shares subject to options currently exercisable or exercisable within 60 days of March 12, 2018 are deemed to be outstanding and beneficially owned by the person and any group of which that person is a member, but are not deemed outstanding for the purpose of computing the percentage of beneficial ownership for any other person. In the case of persons other than our executive officers and Trustees or where we have received additional information from the beneficial owner, the information presented in this table is based on filings with the SEC as of March 12, 2018. Except as noted by footnote, and subject to community property laws where applicable, we believe based on the information provided to us that the individuals and entities named in the table below have sole voting and investment power with respect to all Common Shares and Units below. The address of each Trustee and executive officer shown in the table below is c/o Urban Edge Properties, 888 Seventh Avenue, New York, NY 10019.

(1) Numbers and percentages in the table are based on 113,920,633 Common Shares and 12,458,402 Units (other than Units held by the Company) outstanding as of March 12, 2018.

(2) The Company conducts its business through, and substantially all of its interests in properties are held by, UELP. The Company is the sole general partner of, and owns approximately 89.9% of the Units of, UELP as of March 12, 2018 (one Unit for each Common Share outstanding). Generally, any time after one year from the date of issuance (or two years in the case of certain holders), holders of Units (other than the Company) have the right to have their Units redeemed in whole or in part by UELP for cash equal to the fair market value

at the time of redemption of one Common Share for each Unit redeemed or, at the option of the Company, one Common Share, subject to customary anti-dilution provisions (the "Unit Redemption Right").

(3) The total number of Shares outstanding used in calculating this percentage assumes that all Shares that each person has the right to acquire within 60 days of the record date (pursuant to the exercise of options or upon the redemption or conversion of other Company or UELP securities for or into Shares) are deemed to be outstanding, but are not deemed to be outstanding for the purpose of computing the ownership percentage of any other person.

These persons are also required by SEC rules and regulations to furnish us with copies of these reports. PROPOSAL 2

RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has selected the accounting firm of Deloitte & Touche LLP to serve as our independent registered public accounting firm for the year ending December 31, 2018, and the Board is asking shareholders to ratify this appointment. Although current law, rules and regulations, as well as the Audit Committee charter, require our independent auditor to be engaged, retained and supervised by the Audit Committee, the Board considers the selection of the independent auditor to be an important matter of shareholder concern and is submitting the selection of Deloitte & Touche LLP for ratification by shareholders as a matter of good corporate practice. Deloitte & Touche LLP has served as our independent registered public accounting firm since 2014 and is considered by our management to be well qualified. A representative of Deloitte & Touche LLP will be present at the Annual Meeting, will be given the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

THE BOARD OF TRUSTEES RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

Audit-related fees ⁽²⁾	898,000	311,000
Tax fees ⁽³⁾	358,000	265,000
Total Fees	\$2,151,000	\$1,438,000

The increase in audit-related fees for 2017 primarily relates to work performed on the acquisition of approximately \$450 million of properties and audit procedures performed during the implementation of a new enterprise resource planning system.

⁽³⁾ Represents the aggregate fees billed by Deloitte for the years ended December 31, 2017 and 2016 for professional services rendered for tax compliance, tax advice and tax planning. Tax fees generally include fees for tax consultations regarding return preparation and REIT tax law compliance.

Pre-Approval Policies and Procedures

The Audit Committee established a policy of reviewing and approving engagement letters with our independent registered public accounting firm for the services described under “Audit Fees” before the provision of those services, and has pre-approved the use of our independent registered public account firm by the Company for additional audit-related and other services of up to \$50,000 in each case. Any services not specified that exceed those amounts must be approved by the Audit Committee before the provision of such services commences. Requests to provide services requiring pre-approval by the Audit Committee are submitted to the Audit Committee with a description of

the services to be provided and an estimate of the fees to be charged in connection with such services. The Audit Committee approved all services to be performed by our independent registered public accounting firm during 2017.

AUDIT COMMITTEE REPORT

In performing its oversight role, the Audit Committee has reviewed and discussed the audited consolidated and combined financial statements with management and Deloitte & Touche LLP. The Audit Committee has also discussed with Deloitte & Touche LLP the matters required to be discussed by PCAOB Auditing Standard No. 1301, Communications with Audit Committees. The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by PCAOB Ethics and Independence Rules 3526, Communication with Audit Committees Concerning Independence. The Audit Committee has also discussed with the independent registered public accounting firm its independence. The independent registered public accounting firm has free access to the Audit Committee to discuss any matters the firm deems appropriate.

Based on the reports and discussions described in the preceding paragraph and subject to the limitations on the role and responsibilities of the Audit Committee referred to below and in the Audit Committee Charter in effect during 2017, the Audit Committee recommended to the Board of Trustees that the audited consolidated and combined financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2017. Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's consolidated and combined financial statements has been carried out in accordance with the auditing standards of the PCAOB, that the consolidated and combined financial statements are presented in accordance with accounting principles generally accepted in the United States of America or that Deloitte & Touche LLP is in fact "independent" or the effectiveness of the Company's internal controls.

EXECUTIVE OFFICER COMPENSATION

Compensation Discussion and Analysis

Overview

The “Executive Officer Compensation” section of this Proxy Statement presents the detailed compensation arrangements for our named executive officers (“NEOs”) for fiscal year 2017. For the fiscal year ended December 31, 2017, our NEOs and their titles were as follows:

- Jeffrey S. Olson - Chairman and Chief Executive Officer (“CEO”)
- Mark J. Langer - Executive Vice President and Chief Financial Officer (“CFO”)
- Robert Minutoli - Executive Vice President and Chief Operating Officer (“COO”)
- Michael Zucker - Executive Vice President - Leasing
- Herbert Eilberg - Chief Investment Officer (“CIO”)

Executive Summary

Our executive compensation philosophy emphasizes performance-based compensation over guaranteed pay. To better align our pay practices with this philosophy, in 2016 we shifted a significant portion of the total compensation of executive officers to compensation based on quantifiable performance metrics and role specific objectives determined by a formulaic short-term incentive compensation program (the “STI Program” or “STI”), a practice we continued in 2017.

2017 Business Highlights

In 2017, we achieved numerous financial and operating goals, including that we:

Achieved total shareholder return of 18.7% since our spin from Vornado in January 15, 2015 and -4.06% for year-end 2017, which, on a relative basis, significantly exceeded the returns of the SNL Retail Shopping Center Index of -8.93% and -11.08%, respectively;

• Generated Funds From Operations (“FFO”) as Adjusted of \$1.34 per diluted share, a 5.5% increase over 2016;

• Increased same-property cash Net Operating Income (“NOI”) by 4.7% (5.4% including properties in redevelopment) over the prior year;

• Increased same-property retail portfolio occupancy by 10 basis points to 98.3% as compared to December 31, 2016;

• Completed \$53.6 million in development, redevelopment and anchor repositioning projects, ending the year with approximately \$195 million in active projects;

• Added \$72.5 million of projects to our pipeline;

• Significantly strengthened our balance sheet, raising \$1.5 billion in capital, ending the year with \$500 million in cash, a net debt to total capitalization ratio of 22% and net debt to adjusted EBITDA ratio to 4.6x; and

• Acquired approximately \$450 million in properties.

For reconciliations of FFO as Adjusted, same-property cash NOI and net debt to adjusted EBITDA to the most directly comparable GAAP financial measures and why we view these measures to be useful supplemental performance measures, see “Non-GAAP Financial Measures” below.

2017 Total Return to Shareholders Performance

The following performance graph compares the cumulative total shareholder return of our Common Shares with the SNL U.S. REIT Retail Shopping Center Index from January 1, 2017 to December 31, 2017, assuming the reinvestment of all dividends into additional common shares during the holding period. Past performance is not necessarily indicative of future results.

2017 Short-Term Incentive Compensation Program

In 2017, we implemented our 2017 STI Program, which provides annual bonuses to executives based on performance criteria established by the Compensation Committee at the beginning of 2017. NEOs earn bonuses based on the level of achievement of pre-established Company and individual-specific performance metrics. Awards earned are paid 50% in cash and 50% in time-based equity (except for Mr. Minutoli whose bonus was paid 100% in cash).

In accordance with the foregoing and based on their performance in 2017, the Compensation Committee awarded the following amounts under the 2017 STI Program, expressed both as an absolute and as a percentage of their base salary:

Name	Target 2017 STI Opportunity (as a % of Salary)	Actual 2017 STI Award (as % of Salary)	Actual 2017 STI Award (\$) ⁽¹⁾
Mr. Olson	100%	160%	\$1,601,268
Mr. Langer	100%	153%	\$803,502
Mr. Minutoli	100%	137%	\$684,384
Mr. Zucker	100%	127%	\$537,649
Mr. Eilberg	115%	138%	\$483,908

⁽¹⁾ Equity awards are reflected in this column at their grant date fair value. 2017 STI awards were paid 50% in equity and 50% in cash, except for Mr. Minutoli who was paid 100% in cash.

Say on Pay Voting Results

At our 2017 annual meeting of shareholders, we received approximately 97.47% approval for our annual advisory “say on pay” vote to approve the compensation of our NEOs was approved. The Compensation Committee believes that the voting results demonstrate significant support for our NEO compensation program.

Compensation Review Process

Compensation Program Objectives

UE's Compensation Committee has established executive compensation objectives and a philosophy to attract, retain and appropriately reward a "best-in-class" executive management team. We believe that the quality, skills and dedication of our NEOs are critical factors that affect the long-term value of the Company. Accordingly, the objectives of our executive compensation program are to:

- Attract and retain a highly-skilled, "best-in-class" team of executives.
- Motivate our executives to contribute to the achievement of company-wide, business-unit and individual goals.
- Emphasize equity-based incentives with long-term performance measurement periods and vesting conditions.
- Align the interests of executives with shareholders by linking payouts under annual incentives to performance measures that promote the creation of long-term shareholder value.
- Achieve an appropriate balance between risk and reward in our compensation program that does not encourage excessive or inappropriate risk-taking.
-

Encourage equity ownership by our executives over the course of their employment, aligning executive interests with those of our shareholders.

• Maintain a best-in-class compensation program that incorporates best practice policies from the perspective of shareholders, peers and other relevant sources.

Our executive compensation program is intended to reward the achievement of annual, long-term and strategic goals of both the Company and the individual executive. To achieve these objectives, our executive compensation program includes fixed,

variable, annual and long-term components as described below. In particular, for our Chairman and CEO, a majority of his compensation is in the form of equity compensation subject to multi-year, time-based vesting and/or total return to shareholders (TSR) performance designed to ensure that the value of the compensation that he ultimately realizes is based on our share price performance, further aligning his interests with those of the Company and our shareholders.

Role of the Compensation Committee and our Chief Executive Officer

The purposes and responsibilities of the Compensation Committee in making compensation decisions include:

- Review and approve corporate goals and objectives relevant to the compensation of the CEO, evaluate the CEO's performance and determine and approve the CEO's compensation level based on this evaluation;
- Review and approve the total compensation package for the Company's officers at the level of executive vice-president and above, and all equity awards under the Company's 2015 Omnibus Share Plan;
- Make recommendations to the Board with respect to incentive compensation plans and equity-based plans that are subject to Board approval and approve any new or materially amended equity compensation plan where shareholder approval has not been obtained; and
- Oversee, with management, regulatory compliance with respect to compensation matters, including the Company's compensation policies.

The Compensation Committee also may retain, at our expense, and terminate independent counsel and other advisors and experts as it deems necessary or appropriate to carry out its duties. In setting the 2017 compensation for our NEOs (other than the CEO), the Compensation Committee also considered the recommendations of the CEO.

Role of the Independent Compensation Consultant and Use of Peer Group Data

The Compensation Committee selected FTI Consulting, Inc. ("FTI Consulting") as its compensation consultant for 2017. FTI Consulting provides the Compensation Committee with peer executive compensation data and expertise and advice on various matters brought before the Compensation Committee. The Compensation Committee has the sole authority to retain and terminate FTI Consulting as its compensation consultant and approve fees and other engagement terms. The Compensation Committee has determined that FTI Consulting is independent from management based upon the consideration of relevant factors, including the following:

- FTI Consulting does not provide any services to us except advisory services to the Compensation Committee;
- The amount of fees received from us by FTI Consulting is not material as a percentage of FTI Consulting's total revenue;
- FTI Consulting has policies and procedures that are designed to prevent conflicts of interest;
- FTI Consulting and its employees that provide services to the Compensation Committee do not have any business or personal relationship with any member of the Compensation Committee or any of our executive officers; and
- FTI Consulting and its employees that provide services to the Compensation Committee do not own any of our Common Shares.

Based on the data and analysis provided by FTI Consulting, the Compensation Committee has developed a compensation plan that seeks to maintain the link between corporate performance and shareholder returns while being generally competitive within our industry. The Compensation Committee considered FTI Consulting's peer group analysis when considering base salaries and bonuses paid to our executives for 2017.

In selecting the targeted peer group, the Compensation Committee considers REITs that have at least two of the following characteristics:

- Retail property focus (shopping centers, freestanding retail and regional malls);
- REITs with a geographic focus similar to that of the Company and with which the Company directly competes for talent; and
- Market capitalization no less than approximately one half (1/2) and no more than approximately two and a half (2 1/2) times the market capitalization of UE.

The following table provides the names and key information for each peer company at the time at which the Compensation Committee reviewed the peer group market data at year end 2017:

Analysis of Risk Associated with our Executive Compensation Program

Our Compensation Committee has considered the concept of risk as it relates to our executive compensation program and the Compensation Committee does not believe our executive compensation program encourages excessive or inappropriate risk taking for the reasons stated below.

We structure our pay to consist of both fixed and variable compensation. The fixed portion (base salary) of compensation is designed to provide a base level of income regardless of our financial or share price performance. The variable portions of compensation (cash incentive and equity) are designed to encourage and reward both short- and long-term corporate performance. We believe that these variable elements of compensation are a sufficient percentage of total compensation to provide incentives to executives to produce superior short- and long-term corporate results, while the fixed element is also sufficiently high that the executives are not encouraged to take unnecessary or excessive risks in doing so. The Company and Compensation Committee also believe that the mix of quantifiable performance metrics used in our long-term equity-based compensation plans and the STI program and the subjective role specific objectives included in the STI Program provides an incentive for our executives to produce superior performance without the distorting effects of providing a pre-determinable compensation award based on the performance of only one division or business unit or upon other results that may not reflect the long- or short-term results of the Company as a whole.

As demonstrated above, our executive compensation program is structured to achieve its objectives by (i) providing incentives to our NEOs to manage the Company for the creation of long-term shareholder value, (ii) avoiding the type

of disproportionately

27

large short-term incentives that could encourage our NEOs to take risks that may not be in the Company's long-term interests, (iii) requiring our NEOs to maintain a significant investment in the Company and (iv) evaluating annually an array of performance criteria in determining executive compensation rather than focusing on a singular metric that may encourage unnecessary risk taking. We believe this combination of factors encourages our NEOs to manage the Company prudently.

Elements of Compensation

Base Salary: Description and Analysis

Although the Compensation Committee does not set base salary levels equal to any specific percentage of base salaries paid to comparable officers in the targeted peer group, the NEOs are paid an amount in the form of base pay within the range of base salaries paid in the targeted peer group and sufficient to attract executive talent and maintain a stable management team.

For 2017, our NEOs' base salaries were not increased, except for Mr. Zucker whose base salary was increased to \$425,000 in recognition of his exceptional 2016 performance and to better align his base salary with that of market peers.

Name	2017 Annual Base Salary	2016 Annual Base Salary
Mr. Olson	\$1,000,000	\$1,000,000
Mr. Langer	\$525,000	\$525,000
Mr. Minutoli	\$500,000	\$500,000
Mr. Zucker	\$425,000	\$325,000
Mr. Eilberg	\$350,000	\$350,000

Annual base salaries are reviewed each year by the Compensation Committee and, under the employment agreements or offer letter with Messrs. Olson, Langer and Minutoli, may be increased by the Compensation Committee as needed. For 2018, our NEOs' base salaries were not increased, except for Mr. Minutoli whose base salary was increased to \$600,000.

Annual Cash and Equity Incentives - 2017 Short-Term Incentive Compensation Plan

In 2017, the Company implemented the 2017 STI Program that sets forth threshold, target and maximum award levels under a formulaic award structure. The threshold, target and maximum award levels as a percentage of each NEO's base salary for 2017 were as follows:

Executive	Threshold	Target	Maximum
Mr. Olson	50%	100%	200%
Mr. Langer	50%	100%	175%
Mr. Minutoli	50%	100%	175%
Mr. Zucker	50%	100%	150%
Mr. Eilberg	50%	115%	150%

In February 2018, the Compensation Committee approved 2017 STI payments to our NEOs with 80% determined based on objective company goals for Messrs. Olson and Minutoli and approximately 50% for Messrs. Eilberg, Langer and Zucker, and the remainder for each determined based on the achievement of role specific metrics as determined based on evaluations by the CEO (for NEOs other than the CEO) and the Compensation Committee. For Messrs. Olson and Minutoli, a significant portion of their performance measures under the 2017 STI were based on the achievement of company-wide operating and portfolio objectives. For Messrs. Eilberg, Langer and Zucker, the performance measures included the company-wide goals but also included measures more closely tailored to the achievement of goals for which such executives were individually responsible.

Based on actual performance in 2017 and the weightings assigned to each performance measure, the Compensation Committee determined the 2017 STI Program awards set forth below. Incentive awards are paid 50% in cash and 50% in equity that vests ratably over three years (four years for Mr. Olson), except for Mr. Minutoli whose incentive award is paid 100% in cash.

For 2017, the NEOs received the following incentive awards:

Name	Total STI Award (as % of Base Salary)	Actual 2017 STI Cash Award	Actual 2017 STI Equity Award ⁽¹⁾
Mr. Olson	160%	\$800,634	\$800,615
Mr. Langer	153%	\$401,751	\$401,747
Mr. Minutoli	137%	\$684,384	-
Mr. Zucker	127%	\$268,825	\$268,812
Mr. Eilberg	138%	\$241,951	\$241,935

⁽¹⁾ The stock bonus amounts were granted on February 22, 2018 as restricted stock (LTIP Units for Mr. Olson) under the terms of the Urban Edge Properties 2015 Omnibus Share Plan (the "Omnibus Share Plan"). These awards vest ratably over three years (or four years in the case of Mr. Olson) subject to continued employment through each vesting date with the initial vesting occurring on February 22, 2019. 2017 STI Awards granted 50% in cash and 50% in equity, with the equity rounded down to the nearest whole share or unit, as applicable.

Long -Term Equity Based Compensation

In addition to the awards granted under the STI Program, UE granted restricted stock and option awards to the NEOs based on their employment agreements or offer letters, other than Mr. Zucker and Mr. Eilberg who are not subject to such an agreement or letter. Pursuant to the employment agreement or offer letter, NEOs were awarded the long-term incentive equity awards in 2017 with the following approximate grant date fair values:

Name	2017 Restricted Stock ⁽¹⁾	2017 Stock Options ⁽²⁾
Mr. Olson	-	\$500,000
Mr. Langer	-	\$200,000
Mr. Minutoli	\$350,000	-
Mr. Zucker	-	-
Mr. Eilberg	-	-

(1) The restricted stock was awarded on February 22, 2018 under the terms of the Omnibus Share Plan. These shares vest ratably over three years subject to continued employment through each vesting date with the initial vesting occurring on February 24, 2018.

(2) The stock options were granted on February 22, 2018 pursuant to the Omnibus Share Plan with 10-year contractual lives and vest ratably over three years (or four years in the case of Mr. Olson), subject to continued employment through each vesting date, with the initial vesting occurring on February 22, 2019.

Long-Term Equity-Based Compensation: 2015 & 2017 Outperformance Plan and 2018 LTI Plan
2015 Outperformance Plan

On November 3, 2015, the Compensation Committee approved the Company's 2015 Outperformance Plan ("2015 OPP"), a multi-year performance-based equity compensation program. Under the 2015 OPP, participants may earn awards in the form of LTIP Units based on our absolute TSR (weighted 33.33%) and our TSR relative to a peer group (weighted 66.67%) over a three-year measurement period from November 6, 2015 through November 5, 2018. Participants will not earn any awards under the 2015 OPP unless (i) under the absolute TSR weighting, the Company's TSR during the measurement period is at least 21% or (ii) under the relative TSR weighting, the Company's TSR during the measurement period is at least at the 50th percentile of our peer group. The maximum number of LTIP Units will be earned under the 2015 OPP if the Company both (a) achieves 50% or higher TSR over the three-year measurement period and (b) is in the 75th or higher percentile of our peer group for TSR over the three-year measurement period.

2017 Outperformance Plan

On February 24, 2017, the Compensation Committee approved the Company's 2017 Outperformance Plan ("2017 OPP"), which is essentially the same as the 2015 OPP with the notable exception of the weighting of the absolute and relative TSR, which is 25% and 75%, respectively (as opposed to 33.33% and 66.67%, respectively, under the 2015 OPP). Under the 2017 OPP, awards are also granted in LTIP Units based on our absolute TSR and our TSR relative to a peer group over a three-year measurement period from February 24, 2017 through February 23, 2020. Participants will not earn any awards under the 2017 OPP unless (i) under the absolute TSR weighting, the Company's TSR during the measurement period is at least 21% or (ii) under the relative TSR weighting, the Company's TSR during the measurement period is at least at the 50th percentile of our peer group. The maximum number of LTIP Units will be earned under the 2017 OPP if the Company both (a) achieves 50% or higher TSR over the three-year measurement period and (b) is in the 75th or greater percentile of our peer group for TSR over the three-year measurement period.

Listed below are the threshold, target and maximum numbers of LTIP Units that each NEO will be eligible to earn upon achieving both goals discussed above at the conclusion of the performance period under the 2017 OPP:

Executive	Threshold Units ⁽¹⁾	Target Units	Maximum Potential Units ⁽²⁾	Grant Date Value ⁽³⁾
Mr. Olson	15,272	45,816	76,361	\$1,027,624
Mr. Langer	10,690	32,071	53,452	\$719,330
Mr. Minutoli	12,217	36,652	61,088	\$822,092
Mr. Zucker	6,108	18,326	30,544	\$411,046
Mr. Eilberg	3,054	9,163	15,272	\$205,523

⁽¹⁾ Represents the number of units earned if the minimum threshold is met under the 2017 OPP Plan.

⁽²⁾ Represents the maximum number of units earned if the maximum performance thresholds under the 2017 OPP Plan are met.

⁽³⁾ Represents the grant date fair value of the awards computed in accordance with FASB ASC 718.

25% of the award is earned if the Company outperforms a predetermined absolute TSR and 75% is earned if the Company's TSR outperforms on a relative basis a select peer group of retail REITs as follows:

Absolute TSR Component (25% of the Award)	% of Maximum Award Earned
21.0%	20.0%
39.0%	60.0%
50.0%	100.0%

Relative TSR Component (75% of the Award)	% of Maximum Award Earned
50th Percentile	20.0%
65th Percentile	60.0%
75th Percentile	100.0%

The number of LTIP Units that are earned if performance is between two of the performance thresholds specified above, will be determined based on linear interpolation between the percentages earned at each of the performance thresholds. During the performance measurement period, participants will receive only one-tenth of the dividends otherwise payable to the Company's shareholders with respect to their LTIP Units and the remaining dividends on their LTIP Units will accrue during the performance measurement period and will be paid to participants only if the LTIP Units are ultimately earned based on the achievement of the designated performance objectives.

If the designated performance objectives are achieved, awards earned under the 2017 OPP will also be subject to vesting based on continued employment with the Company through February 23, 2022, with 50% of each earned award vesting on the date the Compensation Committee determines the amount earned under the 2017 OPP following the conclusion of the performance period, and 25% vesting on each of February 23, 2021 and February 23, 2022.

2018 Long-Term Incentive Plan

In 2018 the Compensation Committee determined that a transition from the use of an outperformance plan was appropriate given peer and industry norms and the desire to improve attraction and retention of members of management. On February 22, 2018, the Compensation Committee approved the Company's 2018 Long-Term Incentive Plan ("2018 LTI Plan"). The 2018 LTI Plan represents the evolution of the Company's expected annual long-term incentive awards.

The 2018 LTI Plan is comprised of both performance-based and time-based vesting awards. Notwithstanding the equity awards made pursuant to certain NEO's employment agreements or offer letters, equity awards made under the 2018 LTI Plan are weighted, in terms of grant date and fair value, 80% performance-based and 20% time-based for each of the NEO's, with the exception of Mr. Minutoli who received solely performance-based awards (as he separately received a time-based equity award).

The performance-based awards are structured similarly to those under the 2017 OPP with the notable exception that the absolute and relative TSR hurdles have been reduced to align more with REIT market practice, per our review of REIT industry performance plans with the assistance of FTI Consulting. Weighting of the absolute and relative TSR, which is 25% and 75%, respectively, is consistent with the 2017 OPP awards. Awards, which are granted in LTIP Units, are eligible to be earned based on our absolute TSR and our TSR relative to a peer group over a three-year measurement period from February 22, 2018 through February 21, 2021.

Participants will not earn any awards under the 2018 LTI Plan unless (i) under the absolute TSR weighting, the Company's TSR during the measurement period is at least 18% or (ii) under the relative TSR weighting, the Company's TSR during the measurement period is at least at the 35th percentile of our peer group. The maximum number of LTIP Units will be earned under the performance-based portion of the 2018 LTI Plan if the Company achieves both (a) 36% or higher TSR over the three-year measurement period and (b) is in the 75th or greater percentile of our peer group for TSR over the three-year measurement period. If our Absolute TSR for the performance period is negative, then no more than 100% (i.e., the number of Target Units) may be earned under the Relative TSR Component.

Mr. Olson	25,517	63,793	105,258	\$1,167,292

Mr. Eilberg	3,355	8,386	13,838	\$153,457

(1) Represents the number of units earned if the minimum threshold for the performance-based awards under the 2018 LTI Plan is met.

(2) Represents the midpoint between the Threshold Units and Maximum Potential Units.

(3) Represents the maximum number of units earned if the maximum performance thresholds are met.

(4) Represents the grant date fair value of the computed in accordance with FASB ASC 718.

Relative TSR Component (75% of the Award) % of Target Units Earned

35th Percentile	40%
55th Percentile	100%
75th Percentile	165%

The number of LTIP Units that are earned if performance is between threshold and target or target and maximum, will be determined based on linear interpolation between the percentages earned at the applicable levels. During the performance measurement period, participants will receive only one-tenth of the dividends otherwise payable to the Company's shareholders with respect to their LTIP Units and the remaining dividends on their LTIP Units will accrue during the performance measurement period and will be paid to participants only if the LTIP Units are ultimately earned based on the achievement of the designated performance objectives.

If the designated performance objectives are achieved, the performance-based awards earned under the 2018 Performance Plan will also be subject to vesting based on continued employment with the Company through February 21, 2023, with 50% of each earned award vesting on the date the Compensation Committee determines the amount earned following the conclusion of the performance period, and 25% vesting on each of February 21, 2022 and February 21, 2023.

In 2018 it was determined to strengthen the retentive aspect of our compensation program by including time-based awards in the 2018 LTI Plan. The time-based awards, also granted in LTIP Units, vest ratably over three years (or four in the case of Mr. Olson). Listed below are the number of LTIP Units that each NEO was granted on February 22, 2018:

Name	Time-Based Vesting LTIP Units	Grant Date Value
Mr. Olson	13,485	\$291,823
Mr. Langer	6,182	\$134,275

Mr. Zucker	3,546	\$76,729

Mr. Eilberg 1,733

\$38,364

⁽¹⁾ Mr. Minutoli was separately granted restricted Common Shares that vests over three years with a grant date fair value of \$350,005.

Benefits and Perquisites

We provide our NEOs with certain perquisites that we believe are reasonable and in line with the prevailing competitive market. In the case of Messrs. Langer and Minutoli, these perquisites include supplemental life, disability and similar insurance premiums not to exceed \$30,000 in any calendar year. Additionally, due to the location of our corporate offices in New York City and the extensive business-related travel requirements of our NEOs, we provide certain of our NEOs with the use of a car and/or driver or a car allowance. Providing a car and driver allows these executive officers to use their travel time efficiently and productively for business purposes. Accordingly, we believe providing these benefits serves the best interests of our shareholders as it allows our executives to continue to focus on Company matters while traveling. While providing a car and driver does provide incidental personal benefit to the executive, the cost of this personal benefit constitutes only a small percentage of the executive's total compensation. Nevertheless, the amounts disclosed in this Proxy Statement for car and driver costs include the entire value of the benefit, both business and personal.

Governance Policies Relating to Compensation

Equity Ownership Guidelines

To further foster the strong ownership culture among our senior executive management team, and to ensure the continued direct alignment of management and shareholder interests and to be consistent with emerging corporate governance trends, we have adopted executive equity ownership guidelines requiring that our Chairman and CEO, CFO and COO maintain a minimum ownership level of Common Shares or related Company equity. The equity ownership requirements (comprised of Common Shares and certain securities convertible into or redeemable for Common Shares) for our executives are as follows:

Title	Multiple
Chairman and CEO	5x Base Salary
CFO	3x Base Salary
COO	3x Base Salary

These executive officers have until the end of the fifth full calendar year after becoming an executive officer to satisfy the ownership requirement. All of these executive officers satisfy these guidelines.

Policy on Hedging and Pledging of Company Securities

Our NEOs and Trustees are prohibited from purchasing our securities on margin, borrowing against our securities held in a margin account, or pledging our securities as collateral for any loan and from entering into hedging or derivative transactions based on the Company's securities.

(1) The amounts listed do not represent the actual amounts paid in cash to or value realized by the NEOs. The valuation is based on the grant date fair value computed in accordance with FASB ASC Topic 718. On February 24, 2017, the Company granted Mr. Olson 31,734 restricted LTIP Unit awards with ¼ vesting on each anniversary of the grant date, and Messrs. Minutoli, Langer, Eilberg and Zucker 12,341, 14,158, 10,944 and 8,621, respectively, restricted Common Shares with vesting on each anniversary of the grant date. On February 24, 2017, the Company granted each of Messrs. Olson, Minutoli, Langer, Eilberg, and Zucker 76,361, 61,088, 53,452, 15,272 and 30,544, respectively, LTIP Units under the 2017 Outperformance Plan, respectively, with 50% vesting

on the third anniversary of the grant date, 25% vesting on the fourth anniversary of the grant date and 25% vesting on the fifth anniversary of the grant date, subject to certain performance hurdles further described herein.

Dividends are paid on both the vested and unvested portion of restricted Common Shares and restricted LTIP Unit awards, and 10% of the regular distribution amount is paid on the unearned portion of the LTIP Unit awards under the 2017 Outperformance Plan prior to the end of the performance period, with full distribution paid thereafter. In accordance with applicable SEC rules, amounts shown include the impact of bonuses paid in equity in the year actually granted. Assumptions used in the calculation of these amounts are included in footnote 16 to our consolidated and combined financial statements included in our Form 10-K as filed with the SEC. If we assumed that maximum performance would be achieved under the performance-based restricted stock units granted in 2017, the grant fair value date of the LTIP Units we granted to the NEOs in 2017 under the Outperformance Plan would have been as follows: (i) Mr. Olson - \$2,165,598, (ii) Mr. Minutoli - \$1,732,456, (iii) Mr. Langer - \$1,515,899, (iv) Mr. Zucker - \$866,228 and Mr. Eilberg - \$433,134.

The amounts listed do not represent the actual amounts paid in cash to or value realized by the NEOs. The valuation of Options is based on the grant date fair value computed in accordance with FASB ASC Topic 718.

Assumptions used in the calculation of these amounts are included in footnote 16 to our consolidated and
(2) combined financial statements included in our Form 10-K as filed with the SEC. On February 24, 2017, the Company granted (i) Mr. Olson options to acquire 97,656 Common Shares with $\frac{1}{4}$ vesting on each anniversary of the grant date, and (ii) Mr. Langer options to acquire 39,603 Common Shares with vesting on each anniversary of the grant date.

(3) The amounts listed for 2017 represent the cash portion of the 2017 STI Program awards paid in March 2018. For each of the NEOs, the 2017 STI amounts were paid 50% in cash and 50% in equity (except for Mr. Minutoli who was paid 100% in cash). On February 22, 2018, each of the NEOs other than Mr. Minutoli received a grant of equity (restricted Common Shares that vest over three years for each of Messrs. Langer, Zucker and Eilberg, and LTIP Units that vest over four year for Mr. Olson) with a grant date fair value approximately equal to these Non-Equity Incentive Plan Compensation Amounts.

(4) The following table sets forth 2017 other compensation earned by or granted to each of our NEOs:

Name	Year	Car Allowance/Use of Car and Driver (\$) ⁽¹⁾	Reimbursement for Benefit Expenses Not Covered (\$) ⁽²⁾	Matching 401(k) Contribution (\$)	HSA Contribution (\$)	Total (\$)
Jeffrey S. Olson	2017	\$ 141,081	\$ —	\$ 13,500	\$ —	\$154,581
Mark J. Langer	2017	\$ 62,202	\$ 30,000	\$ 13,500	\$ 2,500	\$108,202
Robert Minutoli	2017	\$ 18,000	\$ 30,000	\$ 18,000	\$ 3,000	\$69,000
Michael Zucker	2017	\$ 18,000	\$ —	\$ 13,500	\$ 2,500	\$34,000
Herbert Eilberg	2017	\$ —	\$ —	\$ 13,500	\$ 2,500	\$16,000

Mr. Olson was provided with a car and a driver and Mr. Langer was provided a car. Each such NEO used the car and driver as applicable for both business and personal purposes with the amounts shown reflective of the aggregate incremental cost to the Company for the car, driver and related expenses without allocating between business and personal uses. Mr. Olson's car was purchased in 2014 and Mr. Langer's car was purchased in 2015. Each of Messrs. Minutoli and Zucker is provided with a car allowance which is paid to them in cash in equal installments on a bi-weekly basis.

The figures here represent the sum of the cost of the NEOs reimbursement for medical premiums, supplemental group term life insurance, and supplemental long term disability above and beyond the Company's normal benefit programs that are generally available to all salaried employees of the Company.

Olson Employment Agreement

Vornado entered into an amended and restated employment agreement with Jeffrey S. Olson, which became effective on September 1, 2014 (the "Olson Agreement Effective Date") and which has an initial term of five years, with automatic one-year renewals thereafter unless either party provides the other party at least 90 days' prior notice of nonrenewal. The employment agreement provides that, during the term of the agreement, Mr. Olson will serve as the Chairman of our Board and Chief Executive Officer of UE.

The employment agreement provides for an annual base salary of \$1,000,000 and a target annual bonus of 100% of annual base salary paid 50% in cash and 50% in equity awards that vest ratably over four years. Pursuant to his employment agreement, the annual bonus paid in respect of fiscal year 2015 was not permitted to be less than \$1,000,000. Also, prior to 2018, Mr. Olson was entitled to receive grants each year under UE's long-term incentive compensation plans of options to purchase Common Shares with a grant date Black Scholes value equal to \$500,000 that vest 25% on each anniversary of the grant date subject to continued employment. Mr. Olson is entitled to participate in the 401(k) and welfare and benefit plans that are generally offered to UE senior-level executives or employees and to a car and driver.

Pursuant to his employment agreement, on February 17, 2015, UE granted Mr. Olson options to purchase 2,092,137 of Common Shares (the "Initial Olson Option Award") based on the volume-weighted average trading price of a Common Share on the NYSE for the 20 trading days following (but not including) January 15, 2015 (the "Average UE Price"). The options were granted pursuant to the Omnibus Share Plan. The Initial Olson Option Award is scheduled to vest 25% on each of the third and fourth anniversaries of the grant date and 50% on the fifth anniversary of the grant date subject to continued employment. Additionally, on February 17, 2015, pursuant to his employment agreement UE granted Mr. Olson 209,213 LTIP Units pursuant to the Omnibus Share Plan. Mr. Olson is also entitled to received a cash make-whole payment equal to \$3,156,952 (which represents \$5,000,000 less the value of certain equity awards Mr. Olson received from his prior employer), which was paid by Vornado shortly after the Olson Agreement Effective Date.

(1) The awards under the column entitled “Equity Incentive Plan Awards: Number of Unearned Shares, Units or Other Rights That Have Not Vested” are awards of LTIP Units under the 2017 OPP and 2015 OPP. These LTIP Units do not have any value unless specified performance criteria are met and specified criteria for converting and/or redeeming the LTIP Units for Common Shares are also met. As of December 31, 2017, these criteria had not been met (as the relevant measurement period has not yet ended). If our performance for the three-year measurement period applicable to these LTIP Units continues to be the same as we experienced from the beginning of the applicable three-year measurement period through December 31, 2017, (i) the awards under the 2015 OPP would have been earned at maximum for the portion that is based on our TSR relative to a peer group and no amounts would have been earned for the portion that is based on our absolute TSR and (ii) the awards under the 2017 OPP would have been earned between threshold and target for the portion that is based on our TSR relative to a peer group and no amounts would have been earned for the portion that is based on our absolute TSR. Accordingly, pursuant to SEC rules, (i) the awards under the 2015 OPP are reflected in the table at maximum for the portion that is based on our TSR relative to a peer group and at threshold for the portion that is based on our absolute TSR and (ii) the awards under the 2017 OPP are reflected in the table at target for the portion that is based on our TSR relative to a peer group and at threshold for the portion that is based on our absolute TSR.

Potential Payments Upon Termination of Employment or a Corporate Transaction/Change in Control

Each of our NEOs serves at the pleasure of our Board. The disclosure below describes certain compensation that may become payable to Messrs. Olson, Minutoli, Langer and Eilberg as a result of a qualifying termination of employment, based on their respective employment agreement or offer letter, as applicable. In addition, the following disclosure describes the impact of a qualifying termination of employment, a corporate transaction or a change in control under the terms of the equity awards held by each of our NEOs.

Olson Employment Agreement

On any termination of Mr. Olson's employment, Mr. Olson will be entitled to payment of any earned, but unpaid, base salary and annual bonus and accrued and unpaid vacation pay, and any compensation and benefits due to Mr. Olson under the terms of any other plan or program. On a termination of Mr. Olson's employment by UE without cause or by Mr. Olson for good reason, subject to Mr. Olson's execution of a release, Mr. Olson will be entitled to (1) a lump sum payment of the Severance Amount, (2) a Pro Rata Bonus paid at the time bonuses are otherwise paid, (3) the Medical Benefits and (4) vesting of all outstanding unvested equity awards. Stock options held by Mr. Olson will remain exercisable for 60 days following termination (or, if earlier, for the remainder of the term of the option). For purposes of Mr. Olson's employment agreement:

The "Severance Amount" equals two times Mr. Olson's base salary and target annual bonus unless the termination is within three months prior to, in connection with or within two years following a change in control of UE (a "Qualifying CIC Termination"), in which case it will equal three times Mr. Olson's base salary and target annual bonus. The "Pro Rata Bonus" equals a pro rata portion of Mr. Olson's annual bonus for the year of termination based on actual performance or, on a Qualifying CIC Termination, means the greater of that amount and Mr. Olson's target annual bonus.

The "Medical Benefits" require UE to provide Mr. Olson medical insurance coverage substantially identical to that provided to other senior executives for three years, subject to applicable law.

On a termination of Mr. Olson's employment due to death or disability, Mr. Olson will be entitled to vesting of the Initial Olson Option Award and it will remain exercisable for one year following termination (or, if earlier, for the remainder of the term).

Mr. Olson is subject to non-competition and non-solicitation of employees covenants through the one-year anniversary of the date Mr. Olson's employment terminates for any reason.

In the event that payments or benefits owed to Mr. Olson constitute "parachute payments" within the meaning of Section 280G of the Code and would be subject to the excise tax imposed by Section 4999 of the Code, such payments or benefits will be reduced to an amount that does not result in the imposition of such excise tax, but only if such reduction results in Mr. Olson receiving a higher net-after-tax amount than he would have absent such reduction.

"Cause" generally means Mr. Olson's (1) conviction of, or plea of guilty or nolo contendere to, a felony; (2) willful and continued failure to use reasonable best efforts to substantially perform his duties (other than such failure resulting from Mr. Olson's incapacity due to physical or mental illness or after Mr. Olson's notice of termination for good reason) that Mr. Olson fails to remedy to the reasonable satisfaction of UE within 30 days after UE's written notice of such failure; or (3) willful misconduct that is or may reasonably be expected to have a material adverse effect on the reputation or interests of UE.

Mr. Olson may terminate his employment for "good reason" within 90 days after he has actual knowledge of the occurrence, without his written consent, of one of the following events that has not been cured within 30 days after Mr. Olson gives written notice of such event to UE (provided that such notice is given to UE within 30 days after Mr. Olson becomes aware of the event): (1) a material reduction in base salary, aggregate annual cash compensation opportunity or the aggregate level of employee benefits; (2) a material diminution in Mr. Olson's position, authority, duties or responsibilities; (3) a relocation of Mr. Olson's location of employment to a location outside of Manhattan or outside of 30 miles of Paramus, New Jersey; or (4) UE's material breach of any provision of the employment agreement, including (a) Mr. Olson not holding the title of Chairman and Chief Executive Officer, (b) delivery by UE of a notice of non-renewal of the employment agreement, (c) UE's failure to appoint or elect Mr. Olson to the Board or removal of Mr. Olson from the Board, (d) a failure of a successor to UE to assume the employment agreement and (e) a material change in Mr. Olson's reporting relationship inconsistent with the terms of his employment agreement.

Minutoli Offer Letter

Under the Letter Agreement, if Mr. Minutoli is terminated by the Company without cause or resigns for good reason three months prior to, in connection with or within two years following a change in control, he will receive an amount equal to (x) 2.5 times the sum of (i) his then-current base salary plus (ii) his then-current target annual bonus, plus (y) a pro-rated bonus paid for the year of termination. If Mr. Minutoli retires after providing 90 days advance notice and actively assists the Company in transitioning his duties, then (a) he will be paid a pro-rated bonus for the year in which he retires and (b) all service-based conditions on his unvested equity awards will vest (but any awards that include corporate performance-based vesting conditions, will remain subject to such conditions).

Langer Employment Agreement

On any termination of Mr. Langer's employment, Mr. Langer will be entitled to payment of any earned but unpaid base salary and annual bonus and accrued and unpaid vacation pay, and any compensation and benefits due to Mr. Langer under the terms of any other plan or program. On a termination of Mr. Langer's employment by UE without cause or by Mr. Langer for good reason, subject to Mr. Langer's execution of a release, Mr. Langer will be entitled to (1) a lump sum payment of the Severance Amount, (2) a Pro Rata Bonus paid at the time bonuses are otherwise paid, (3) the Medical Benefits and (4) vesting of all outstanding unvested equity awards. Stock options held by Mr. Langer will remain exercisable for 60 days following termination (or, if earlier, for the remainder of the term of the option). For purposes of Mr. Langer's employment agreement:

The "Severance Amount" equals 1.5 times the sum of Mr. Langer's base salary and target annual bonus, unless the termination is within three months prior to, in connection with or within two years following a change in control of UE (a "Qualifying CIC Termination"), in which case it equals 2.5 times the sum of Mr. Langer's base salary and target annual bonus.

The "Pro Rata Bonus" equals a pro rata portion of Mr. Langer's annual bonus for the year of termination based on actual performance or, on a Qualifying CIC Termination, the greater of that amount and Mr. Langer's target annual bonus.

The "Medical Benefits" require UE to provide Mr. Langer medical insurance coverage substantially identical to that provided to other senior executives for one year following termination or, on a Qualifying CIC Termination, for two

years following termination, in each case subject to applicable law.

The Initial Langer Option Award was granted to Mr. Langer on April 20, 2015. On a termination of Mr. Langer's employment due to death or disability, Mr. Langer will be entitled to vesting of the Initial Langer Option Award and Initial Langer Restricted

LTIP Units, and the Initial Langer Option Award will remain exercisable for one year following termination (or, if earlier, for the remainder of the term).

Mr. Langer is subject to non-competition and non-solicitation of employees covenants through the one-year anniversary of the date Mr. Langer's employment terminates for any reason.

In the event that payments or benefits owed to Mr. Langer constitute "parachute payments" within the meaning of Section 280G of the Code and would be subject to the excise tax imposed by Section 4999 of the Code, such payments or benefits will be reduced to an amount that does not result in the imposition of such excise tax, but only if such reduction results in Mr. Langer receiving a higher net-after-tax amount than he would have absent such reduction.

"Cause" generally means Mr. Langer's (1) conviction of, or plea of guilty or nolo contendere to, a felony; (2) willful and continued failure to use reasonable best efforts to substantially perform his duties (other than such failure resulting from Mr. Langer's incapacity due to physical or mental illness or after Mr. Langer's notice of termination for good reason) that Mr. Langer fails to remedy to the reasonable satisfaction of UE within 30 days after UE's written notice of such failure; or (3) willful misconduct that is or may reasonably be expected to have a material adverse effect on the reputation or interests of UE.

Mr. Langer may terminate his employment for "good reason" within 90 days after he has actual knowledge of the occurrence, without his written consent, of one of the following events that has not been cured within 30 days after Mr. Langer's written notice of such event (provided that such notice is given to UE within 30 days after Mr. Langer becomes aware of the event): (1) a material reduction in base salary, annual bonus opportunity or the aggregate level of employee benefits; (2) a material diminution in Mr. Langer's position, authority, duties or responsibilities; (3) a relocation of Mr. Langer's location of employment to a location outside of Manhattan or more than 30 miles outside of Paramus, New Jersey; or (4) UE's material breach of any provision of the employment agreement, including (a) Mr. Langer not holding the title of Chief Financial Officer, (b) delivery by UE of a notice of non-renewal of the Agreement, (c) a failure of a successor to UE to assume the Agreement and (d) a material change in Mr. Langer's reporting relationship.

Eilberg Offer Letter

On a termination of Mr. Eilberg's employment by UE without cause, or by Mr. Eilberg for good reason, if the Initial Eilberg Equity Grant has not been fully vested, the unvested portion of the Initial Eilberg Equity Grant shall continue to vest according to the schedule set forth in the offer letter, notwithstanding the fact that Mr. Eilberg will no longer be an employee of the Company at such time.

On a termination of Mr. Eilberg's employment by UE without cause, or by Mr. Eilberg for good reason, and if such termination occurs within 12 months after a change in control of UE, the Company shall pay or cause to be paid to Mr. Eilberg a cash severance payment in an amount equal to (i) one year of his then-current base salary; plus (ii) the amount of his target bonus for that year. For these purposes, "cause" means (a) conviction of, or plea of guilty or nolo contendere to, a felony pertaining or otherwise relating to his employment with the Company or an affiliate; or (b) willful misconduct that is materially economically injurious to the Company or any of its affiliates, in each case as determined in the Company's sole discretion; and "good reason" means (a) the assignment to the employee of duties materially and adversely inconsistent with the employee's status prior to the change in control or a material and adverse alteration in the nature of the employee's duties, responsibilities or authority; (b) a reduction in the employee's base salary; or (c) a relocation of the employee's own office location to a location more than 30 miles from its location prior to the change in control.

Equity Awards

Pursuant to the terms of the applicable award agreements entered into with our NEOs relating to restricted LTIP Units and Common Shares that are subject to vesting based solely on continued employment, all outstanding unvested LTIP Units and Common Shares held by each of our NEOs will fully vest in the event such NEO's employment is terminated by us without cause or by the NEO for good reason within 24 months of a change in control or as a result of the NEO's death. Pursuant to the terms of the applicable award agreements entered into with our NEOs relating to options to purchase Common Shares, all outstanding options held by each of our NEOs will fully vest in the event

such NEO's employment is terminated by us without cause or by the NEO for good reason within 24 months of a change in control or as a result of the NEO's retirement on or after attainment of age 65, death or disability and the options will continue to be exercisable following termination for up to one year in the event of a termination due to qualifying retirement, death or disability and up to 60 days in the event of any other termination, other than a termination for cause (but in no event beyond the expiration of the term of the option).

With respect to the LTIP Units that we granted to our NEOs under the 2015 OPP and the 2017 OPP, pursuant to the terms of the applicable award agreements, in the event of a change in control prior to the end of the applicable three-year measurement

period, we will determine the award earned by the NEOs based on our performance through the date of the change in control measured against pro-rated hurdles, provided that, in the event the change in control occurs within the first year of the three-year measurement period, the amount earned will be pro-rated based upon the portion of the three-year measurement period that elapsed from the first day of such period through the date of the change in control. The LTIP Units earned will remain subject to vesting based on continued employment in the same manner as would have applied in the absence of a change in control (i.e., one-half of the LTIP Units that are earned will vest on the date the Compensation Committee determined the amount earned and the remainder will vest in equal installments on the fourth and fifth anniversaries of the beginning of the three-year measurement period), except that all of an NEO's LTIP Units that are earned will vest if the NEO's employment is terminated by the Company without cause or by the NEO for good reason within 18 months following the change in control or if the LTIP Units that are earned do not remain outstanding following the change in control. In addition, any LTIP Units earned prior to a change in control will fully vest if the NEO's employment is terminated by the Company without cause or by the NEO for good reason within 18 months following the change in control.

In the event of a qualified termination of a NEO prior to the end of the three-year measurement period for the 2015 OPP or the 2017 OPP, the NEO will be entitled to retain his LTIP Units subject to the same performance-based vesting conditions as applied prior to such termination; provided that the number of LTIP Units earned will be prorated based upon the portion of the three-year measurement period that elapsed from the first day of such period through the date of the qualified termination. Any LTIP Units subsequently earned will be fully vested, but, other than in the case of a termination upon death or disability, the NEO will not have the right to transfer the LTIP Units until the dates on which they would have vested if the qualified termination had not occurred. In the event of a qualified termination of a NEO after the end of the three-year measurement period, any LTIP Units earned by such NEO will fully vest; provided that, other than in the case of a termination upon death or disability, the NEO will not have the right to transfer the LTIP Units until the dates on which they would have vested if the qualified termination had not occurred. The term qualified termination is defined in the award agreements for the 2015 OPP and the 2017 OPP to mean the termination of employment with us as a result of a NEO's death, disability or, after the first anniversary of the beginning of the three-year measurement period, a termination by us without cause or such NEO's resignation for good reason.

In each case, the terms cause, good reason and change in control are specifically defined in the applicable award agreements.

⁽¹⁾ LTIP Units and Common Shares that would have vested are valued based on the closing price of the Common Shares on the last business day of 2017, December 29, 2017, which was of \$25.49. The value of the options to purchase Common Shares is calculated as the difference between the closing price of the Common Shares on December 29, 2017 and the exercise price of the options. The amounts included for the 2015 OPP and the 2017 OPP awards under “Termination by Urban Edge Properties Without Cause or by the Executive for Good Reason” or “Qualifying Death or Disability” represent the amounts that would be earned if performance through the end of the applicable three-year measurement period continued at the same rate as we experienced from the beginning of applicable three-year measurement period through December 31, 2017. Amounts under “Change in Control” for the 2015 OPP and the 2017 OPP awards reflect the amount that would vest upon the change in control (i.e., 50% of the amount earned based on achievement of the performance-based vesting conditions) and does not include the portion of the award that would remain subject to vesting based on continued employment.

⁽²⁾ In the event of a termination of employment due to disability, the NEOs would not have received accelerated vesting of their restricted LTIP Units or Common Shares that are subject to vesting based solely on continued employment and, as a result, the value of equity awards set forth above would have been reduced by the following amounts: Mr. Olson - \$1,215,414, Mr. Langer - \$1,086,562, Mr. Minutoli - \$884,325, Mr. Zucker - \$440,875 and Mr. Eilberg - \$364,278.

⁽³⁾ In the event that any payments and benefits to be paid or provided to Messrs. Olson or Langer would be subject to “parachute payment” excise taxes under the Internal Revenue Code of 1986, as amended, such NEO’s payments and

benefits will be reduced to the extent necessary to avoid such excise taxes, but only if such a reduction of pay or benefits would result in a greater after-tax benefit to such NEO.

In the case of qualifying retirement, Mr. Minutoli would have been entitled to receive a prorated bonus of \$684,384 and acceleration of equity awards with a value of \$884,325 calculated in the same manner as in the table above. None of our other NEOs was eligible for qualifying retirement as of December 31, 2017.

Employee Retirement Plan

The Company does not maintain a retirement plan other than a 401(k) plan.

Deferred Compensation

The Company does not currently sponsor or operate any deferred compensation programs that are generally offered to all eligible employees or to any of the NEOs.

Pay Ratio Disclosure

Pursuant to a mandate of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act"), the SEC adopted a rule requiring annual disclosure of the ratio of the median employee's annual total compensation to the annual total compensation of the principal executive officer ("PEO"). The PEO of our Company is Mr. Olson.

For fiscal year 2017, Mr. Olson had total compensation of approximately \$4.4 million as reflected in the Summary Compensation Table. We estimate that the median annual compensation for all Company employees based on W-2 gross pay, excluding Mr. Olson, was \$91,150 for 2017. As a result, Mr. Olson's 2017 compensation was approximately 48 times that of the median annual compensation for all employees. As of December 31, 2017, we had 120 employees.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Trustees of Urban Edge Properties, a Maryland real estate investment trust (the “Company”), has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K of the Securities and Exchange Commission with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in the proxy statement and incorporated by reference in the Company’s Annual Report on Form 10-K for the year ended December 31, 2017.

PROPOSAL 3

ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

Section 14A(a)(1) of the Exchange Act generally requires each public company to include in its proxy statement a separate resolution subject to a non-binding stockholder vote to approve the compensation of the company's named executive officers, as disclosed in its proxy statement pursuant to Item 402 of Regulation S-K, not less frequently than once every three years. Accordingly, pursuant to Section 14A(a)(1) of the Exchange Act, we are providing our shareholders an opportunity to indicate whether they support our compensation program for our named executive officers as described in this Proxy Statement by voting for or against the resolution that appears below. This vote, commonly referred to as "say on pay," is not intended to address any specific item of compensation, but instead relates to the Compensation Discussion and Analysis, the tabular disclosures regarding named executive officer compensation, and the narrative disclosure accompanying the tabular presentation. We believe that it is appropriate to seek the views of our shareholders on the design and effectiveness of our executive compensation program. Although the vote on this resolution is advisory in nature and, therefore, will not bind us to take any particular action, our Compensation Committee, which is responsible for designing and administering our executive compensation program, values the opinions expressed by shareholders in their vote and will carefully consider the outcome of the vote when making future compensation decisions for our named executive officers. At our 2016 annual meeting of stockholders, our stockholders voted on, among other matters, a proposal regarding the frequency of holding a non-binding, advisory vote on the compensation of our named executive officers. A majority of the votes cast on the frequency proposal were cast in favor of holding a non-binding, advisory vote on the compensation of the Company's named executive officers every year, which was consistent with the recommendation of the Board. The Board considered the voting results with respect to the frequency proposal as well as other factors, and currently intends for the Company to hold a non-binding, advisory vote on the compensation of the Company's named executive officers every year until the next required advisory vote on the frequency of holding the non-binding, advisory vote on the compensation of our named executive officers.

Our executive compensation program is designed to encourage high performance, promote accountability and motivate our executives to achieve our business objectives while aligning their interests with those of our shareholders. To achieve these goals, significant portions of targeted compensation may only be earned upon achievement of specific performance goals and are delivered in the form of equity. Base salary is the only type of compensation awarded to our named executive officers that is fixed and not subject to any time or performance-based vesting

We believe that a majority of the compensation paid to our named executive officers should be closely aligned with our performance on both a short-term and long-term basis. As such, our executive compensation program includes incentive-based elements where the remuneration realized by each executive varies based on Company performance. For long-term incentive compensation, we grant a combination of time and performance vesting equity-based awards. Other than equity-based awards granted to our named executive officers to make them whole for compensation amounts forfeited by joining the Company and for awards to induce them to join the Company, the majority of the equity-based awards granted to our CEO and other named executive officers is in the form of performance-based units that vest only upon achievement of goals tied to the absolute and relative performance of our Common Shares over a three-year performance period. We believe equity-based awards that vest over multiple years ensures that the majority of each executive's compensation opportunity is tied to our shareholders, with emphasis on share price appreciation and dividend growth, for the executives to realize value.

Prior to voting on this proposal, shareholders are encouraged to read the sections entitled "Executive Officer Compensation-Compensation Discussion and Analysis" beginning on page 23 of this Proxy Statement, which describe in more detail our executive compensation program and the compensation decisions made by our Compensation Committee in 2017. For the reasons discussed above, we believe our compensation program for our named executive officers is instrumental in helping us achieve our operational and financial goals. Accordingly, we believe that our compensation program should be endorsed by our shareholders, and we are asking our shareholders to vote "FOR" the

following resolution:

“RESOLVED, that the shareholders hereby approve, on a non-binding advisory basis, the compensation of the Company’s named executive officers, as disclosed in the Compensation Discussion and Analysis, the compensation tables and the related narrative executive compensation disclosure contained in this Proxy Statement pursuant to the rules of the Securities and Exchange Commission.”

THE BOARD OF TRUSTEES RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We review all relationships and transactions in which we and our significant shareholders, Trustees and our executive officers or their respective immediate family members are participants (including transactions required to be disclosed under Item 404 of Regulation S-K) to determine whether such persons have a direct or indirect material interest in the transaction. Our policy (as set forth in our Code of Business Conduct and Ethics) is to determine whether such persons have a direct or indirect material interest in the transaction. In determining whether such an interest exists, we apply the standards set forth in Item 404 of Regulation S-K, our Code of Business Conduct and Ethics and our Corporate Governance Guidelines.

Our legal and financial staff is primarily responsible for the development and implementation of processes and controls to obtain information from our significant shareholders, Trustees and our executive officers with respect to related person transactions and for then determining, based on the facts and circumstances, whether we or a related person has a direct or indirect material interest in the transaction. As required under SEC rules, transactions that are determined to be directly or indirectly material to the Company or a related person are disclosed in this Schedule 14A. We also disclose transactions or categories of transactions we consider in determining that a Trustee is independent. In addition, our Audit Committee and/or our Corporate Governance and Nominating Committee reviews and, if appropriate, approves or ratifies any related person transaction that is required to be disclosed. These committees, in the course of their review of a disclosable related-party transaction, consider: (1) the nature of the related person's interest in the transaction; (2) the material terms of the transaction; (3) the importance of the transaction to the related person; (4) the importance of the transaction to the Company; (5) whether the transaction would impair the judgment of a Trustee or executive officer to act in the best interest of the Company; and (6) any other matters these committees deem appropriate.

The following is a summary of related person transactions since January 1, 2017, other than compensation arrangements which are described under "Executive Officer Compensation" and "Compensation of Trustees." The related person transactions listed below were all approved by our Board.

Transition Services Agreement

UE and Vornado entered into a Transition Services Agreement on January 15, 2015, prior to the separation, pursuant to which Vornado and its subsidiaries will provide various corporate support services to the Company on an interim, transitional basis. The services provided to UE included treasury management, human resources, information technology, tax, financial reporting, SEC compliance, risk management and insurance. Costs of the services provided to UE by Vornado during 2017 were \$649,469. These costs are expected to diminish over time as UE fills vacant positions and builds its own infrastructure. We believe that the terms are comparable to those that would have been negotiated on an arm's-length basis.

Initially the Transition Services Agreement was to terminate two years after the date of its execution, but in 2016 the health benefits, information technology and risk management services under the Transition Services Agreement were extended until July 2018 or, if earlier, the date that such services are no longer provided under the agreement. IT and risk management services terminated in 2017. Either party may terminate the agreement if the other party experiences a change-in-control, and UE, as the recipient for a particular service, generally may terminate a service prior to the scheduled expiration date of such service.

Subject to certain exceptions, the liability of each party under the Transition Services Agreement will generally be limited to the aggregate fees paid pursuant to the Transition Services Agreement during the 12-month period immediately preceding the applicable claim for losses or damages. The Transition Services Agreement also specifies that the provider of a service shall not be liable to the recipient of such service for any special, indirect, incidental, consequential or punitive damages.

Lease of Office Space from Vornado

In connection with the spin-off, UE entered into a lease with Vornado pursuant to which UE leases office space at 210 Route 4 East, Paramus, New Jersey, 07652, Vornado's administrative headquarters. UE also entered into a lease with

Edgar Filing: Urban Edge Properties - Form DEF 14A

Vornado pursuant to which UE will lease office space at 888 Seventh Avenue, New York, New York, 10019, Vornado's executive headquarters. Rent payments will generally be adjusted each year of each lease to reflect increases or decreases in operating and maintenance expenses and other factors. Rent payments in 2017 were \$907,099, comprised of rent for 210 Route 4 East, Paramus, New Jersey 07652 in the amount of \$519,809 and 888 Seventh Avenue, New York, New York 10019 in the amount of \$387,290.

Property Management and Leasing Services

In connection with the spin-off, the Company and Vornado entered into a property management agreement under which the Company provides management, development, leasing and other services to certain properties owned by Vornado and its affiliates, including Interstate Properties (“Interstate”) and Alexander’s, Inc. (NYSE:ALX). Interstate is a general partnership that owns retail properties in which Steven Roth, Chairman of Vornado’s Board and Chief Executive Officer of Vornado, and a member of our Board of Trustees, is the managing general partner. Interstate and its partners beneficially owned an aggregate of approximately 7.1% of the common shares of beneficial interest of Vornado as of December 31, 2017. As of, and for the twelve months ended December 31, 2017, Vornado owned 26.2% of Alexander’s, Inc. We recognized management and development fee income of \$1.5 million, \$1.8 million and \$2.3 million for the years ended December 31, 2017, 2016 and 2015, respectively. As of December 31, 2017 and December 31, 2016, there were \$0.2 million and \$0.3 million of fees, respectively, due from Vornado included in tenant and other receivables in our consolidated balance sheets.

OTHER BUSINESS

The Board has no knowledge of any other matter to be submitted at the Annual Meeting. If any other matter shall properly come before the Annual Meeting, including a question of adjourning or postponing the meeting, the persons named in this Proxy Statement will have discretionary authority to vote the shares thereby represented in accordance with their best judgment.

NON- GAAP FINANCIAL MEASURES

The Company uses certain non-GAAP performance measures, in addition to the primary GAAP presentations, as we believe these measures improve the understanding of the Company's operational results. We continually evaluate the usefulness, relevance, limitations, and calculation of our reported non-GAAP performance measures to determine how best to provide relevant information to the investing public, and thus such reported measures are subject to change. The Company's non-GAAP performance measures have limitations as they do not include all items of income and expense that affect operations, and accordingly, should always be considered as supplemental financial results. FFO, FFO as Adjusted, cash NOI and same-property cash NOI are non-GAAP measures commonly used by the Company and investing public to understand and evaluate our operating results and performance. The Company believes net income is the most directly comparable GAAP financial measure to FFO, FFO as Adjusted, cash NOI and same-property cash NOI. Reconciliations of these measures to net income have been provided in the tables below.

Reconciliation of Net Income to FFO and FFO as Adjusted

The following table reflects the reconciliation of net income to FFO and FFO as Adjusted for the year ended December 31, 2017. Net income is considered the most directly comparable GAAP measure.
