On September 15, 2016, we received written notice from the NYSE MKT LLC that we were back in compliance with the continued listing standards set forth in Section 1003(f)(v) of the NYSE MKT Company Guide referenced in the Exchange's letter dated March 15, 2016. The Company will be subject to NYSE Regulation's normal continued listing monitoring. However, in accordance with Section 1009(h) of the Company Guide, if the Company is again determined to be below any of the continued listing standards within 12 months of the date of this letter, NYSE MKT will examine the relationship between the two incidents of noncompliance and re-evaluate the Company's financial recovery from the first incident. NYSE Regulation will then take appropriate action, which depending on the circumstances, may include truncating the compliance procedures described in Section 1009 of the Company Guide or immediately initiate delisting procedures.

On September 19, 2016, we issued a press release regarding our regained compliance with the continued listing requirements of the NYSE MKT. A copy of the press release is furnished hereto as Exhibit 99.1.
