did not receive any proceeds from the sale of shares by the selling shareholders) and net proceeds to Deerfield Triarc, after deducting the underwriters' discounts and commissions and estimated offering expenses, of approximately \$363.7 million. The underwriters have been granted a 30-day option to purchase up to an additional 3.75 million shares of Deerfield Triarc's common stock at the \$16.00 per share offering price, less underwriters' discounts and commissions, to cover over-allotments, if any.

Deerfield Triarc's common stock is listed on the New York Stock Exchange under the symbol "DFR".

Deerfield Triarc began operations in December 2004. Deerfield Triarc intends to qualify as a real estate investment trust (REIT) for federal income tax purposes. It invests in real estate related securities and various alternative investments, such as collateralized debt obligations, consumer asset-backed securities, senior secured and unsecured bank loans, corporate mezzanine loans, high yield corporate bonds, distressed and stressed debt securities and private equity investments. Deerfield Triarc is an externally managed REIT, with Deerfield Capital Management LLC ("Deerfield"), a Chicago-based asset manager offering a diverse range of fixed income and credit-related strategies to institutional investors, as its manager. Triarc Companies, Inc. ("Triarc") owns an indirect majority interest in Deerfield. Deerfield had approximately \$8.8 billion under management as of May 1, 2005.

A registration statement relating to these securities has been declared effective by the Securities and Exchange Commission. This Current Report shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.
