SEC Rule 15Ga-1 Methodology Statement

Fannie Mae is filing this report in compliance with SEC Rule 15Ga-1. The following information is

Fannie Mae filed its initial report in compliance with SEC Rule 15Ga-1 as of February 14, 2012. (set forth below) outstanding as of December 31, 2011 and included all activities between and including Fannie Mae against the seller of the related mortgage loans (including activities in such period of representations and warranties related to such mortgage loans.

In accordance with Rule 15Ga-1, Fannie Mae is filing a report on a quarterly basis approximately all mortgage securities (with those exceptions as set forth below) outstanding at the beginning of that calendar quarter. The report includes all repurchase demands made by Fannie Mae against the seller of the related mortgage loans (including activities in such period) for breaches of representations and warranties related to such mortgage loans.

Fannie Mae engages in a variety of practices with respect to mortgage loans where there are material breaches of representations and warranties related to such mortgage loans. Fannie Mae may repurchase mortgage loans from a Fannie Mae trust if it determines that there has been a material breach of representation and warranty. Fannie Mae may also repurchase mortgage loans from a Fannie Mae trust in accordance with the terms of the related mortgage loan agreement. A repurchase demand may result in an actual repurchase, or may alternatively result in an indemnification of such demand, as agreed to by the seller and Fannie Mae. Each such repurchase demand made by Fannie Mae is for a mortgage loan, regardless of (i) whether the mortgage asset in question is in the related Fannie Mae trust at the time of the demand. Consistent with Fannie Mae's 10-K and 10-Q SEC filings, the first receipt date, as captured in Fannie Mae's

The report will not include percentage calculations for most fields.¹ Because Fannie Mae routinely repurchases mortgage loans from the related Fannie Mae trust, such percentages would tend to overstate (and, in many cases, misstate) the percentage of mortgage loans that was the subject to a repurchase demand. Fannie Mae will provide the number of mortgage loans

Material breaches of representations and warranties generally relate to the underwriting of a mortgage loan or the underwriting of a mortgage loan or (ii) servicing violations. The report includes repurchase demands for breaches and servicing violations.

This report includes only those Fannie Mae mortgage securities where Fannie Mae has the right to repurchase in the event of a material breach of representation and warranty. Consequently, certain Fannie Mae mortgage securities backed by Ginnie Mae securities or other securities are not included in this report.

As described above, the mortgage loans may not necessarily be in the related Fannie Mae trust at the time of the repurchase that is paid off prior to the actual repurchase will not be reflected in subsequent reports. Single-Family and Multifamily securities commingled throughout the report and Structured Products and Structured Products governed by Rule 15Ga-1, the data will be reported at a deal-group level. As the deal-group level, the terms used in the report are defined below.

The term "Total Assets in ABS by Originator" presents, by originator, the number and issue date of mortgage loans. "originator" is the party that funded the mortgage loan in question. It is common practice in the mortgage industry for loans that they originate to third parties, who aggregate such mortgage loans from multiple originators. Fannie Mae's relationship is with such seller rather than with the originators, Fannie Mae had not, prior to November 2008 (in many cases, years after issuance) would be prohibitively expensive. Consequently, where Fannie Mae is unable to identify the originator (in paragraph (a)(2) of Rule 15Ga-1 not to provide the identity of such originator, but will list the identity of the seller) is unable to make repurchase demands in such cases, because it is generally the seller (which party is
