CSP Inc. (the “Company”) was unable, without unreasonable effort or expense, to file its Annual Report on Form 10-K for the year ended September 30, 2016 (the “Annual Report”) by the December 29, 2016 filing date due to a delay the Company experienced in completing its financial statements and other related disclosures in the Annual Report. The delay is due to expanded testing of revenue transactions for our European operations in accordance with the revenue recognition criteria as required by U.S. Generally Accepted Accounting Principles. As a result, our independent auditors have not completed their audit of our financial statements for the fiscal year ended September 30, 2016. We anticipate that we will file the Annual Report no later than January 13, 2017, the fifteenth calendar day following the prescribed filing date.
