GENERAL INFORMATION

Solicitation by the Board of Directors

This proxy statement is being sent on or about April 8, 2005, in connection with the solicitation by the Board of Directors of Trustmark Corporation (Trustmark) of proxies to be voted at the 2005 Annual Meeting of Shareholders and at any adjournment or postponement thereof for the purposes set forth in the foregoing Notice of Annual Meeting of Shareholders.

Meeting Location, Date and Time

The Annual Meeting of Shareholders will be held in the Grand Ballroom of the Hilton Hotel, located at 1001 East County Line Road, Jackson, Mississippi 39211, on Tuesday, May 10, 2005, at 10:00 a.m.

Shareholders Entitled to Vote

Shareholders of record at the close of business on March 14, 2005, are entitled to notice of and to vote at the meeting in person or by proxy. On the record date, Trustmark had outstanding 57,198,010 shares of common stock.

Required Vote

A majority of the shares outstanding constitutes a quorum. In the election of directors, each shareholder may vote his shares cumulatively by multiplying the number of shares he is entitled to vote by the number of directors to be elected. This product constitutes the number of votes the shareholder may cast for one nominee or by distributing this number of votes among any number of nominees. Each share is entitled to one vote on other issues, and the issue will be approved if the votes cast in favor of the action exceed the votes cast opposing the action. While abstentions and broker non-votes (shares held by brokerage customers that may not be voted on certain matters because the broker has not received specific instructions from the customers) are counted for purposes of determining a quorum, they are not otherwise counted and, therefore, will have no effect on the outcome of any issue.

All valid proxies received by Trustmark will be voted in accordance with the instructions indicated in such proxies. If no instructions are indicated in an otherwise properly executed proxy, it will be voted in accordance with the recommendations of the Board of Directors of Trustmark.

How to Vote

Shareholders of record can vote in person at the annual meeting or by proxy without attending the annual meeting.

To vote by proxy, either:

1. Complete the enclosed proxy card, sign, date and return it in the enclosed postage-paid envelope,
2. Vote by telephone (instructions are on the proxy card) or
3. Vote by Internet (instructions are on the proxy card).

Revocation of Proxies

Any shareholder may revoke a proxy at any time before it is voted by written notice to the Secretary, by revocation at the meeting or by delivery to the Secretary of a subsequently dated proxy.

Voting on Other Matters

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

The Board of Directors is not aware of any additional matters likely to be brought before the meeting. If other matters do come before the meeting, the persons named in the accompanying proxy or their substitutes will vote the shares represented by such proxies in accordance with the recommendations of the Board of Directors of Trustmark.

Cost of Proxy Solicitation

Solicitation of proxies will be primarily by mail. Associates of Trustmark and its subsidiaries may be used to solicit proxies by means of telephone or personal contact but will not receive any additional compensation for doing so. Banks, brokers, trustees and nominees will be reimbursed for reasonable expenses incurred in sending proxy materials to the beneficial owners of such shares. The total cost of the solicitation will be borne by Trustmark.

CORPORATE GOVERNANCE

In December 2000, Trustmark's Board of Directors created a Governance Committee to perform a comprehensive evaluation of Trustmark's approach to corporate governance. With the assistance of an outside consulting firm specializing in corporate governance, the Committee analyzed numerous corporate governance topics including:

- o Role, structure and composition of the Board and committees,
- o Committee charters, calendars and decision accountabilities,
- o Required Board/Director competencies and traits,
- o Nomination, selection and succession procedures for directors and
- o Board performance evaluation.

As a result of this analysis, Trustmark implemented an enhanced governance structure in April 2002. The effectiveness and efficiency of Trustmark's corporate decision-making processes were improved through the implementation of a committee structure and revised director accountabilities that best enable the Board to address issues such as business growth, human capital and technology.

Provisions of Trustmark's governance structure include, among other things, a retirement age of 65 for directors, required notification of changes in professional responsibilities and residence, a director's attendance policy, as well as the authority to seek advice or counsel from external advisers on an as-needed basis.

Board Mission

The role of the Board is to foster Trustmark's long-term success consistent with its fiduciary responsibilities to shareholders. As part of this role, Trustmark's Board is responsible for:

- o Providing strategic guidance and oversight,
- o Acting as a resource on strategic issues and in matters of planning and policymaking,
- o Ensuring that management's operations contribute to Trustmark's financial soundness,
- o Promoting social responsibility and ethical business conduct,
- o Providing insight and guidance on complex business issues and problems in the banking and financial services industries,
- o Ensuring that an effective system is in place to facilitate selection, succession planning and compensation of the Chief Executive Officer and
- o Ensuring Trustmark's compliance with all relevant legal and regulatory requirements.

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

The Board also adopted a formal mission statement for the Board and its committees to address the governance guidelines and responsibilities of each. Likewise, the Board has adopted codes of conduct for directors, senior financial officers and associates. These materials are available on Trustmark's website at www.trustmark.com or may be obtained by written request addressed to the Secretary of the Board, Trustmark Corporation, Post Office Box 291, Jackson, MS 39205-0291.

Meetings of the Board of Directors

The Board of Directors met five times in 2004. Each director attended at least 75 percent of the total number of meetings of the Board of Directors and Board committees of which he or she was a member in 2004.

Director Attendance at Annual Meeting

Directors are expected to attend the Annual Meeting of Shareholders, and in 2004, all directors were present.

Director Independence

The Board has affirmatively determined that all directors, with the exception of the Chairman and CEO, Richard G. Hickson, meet the requirements of independence under NASDAQ Rule 4200.

Lead Director

Trustmark's Chairman of the Board also serves as CEO. Therefore, under the governance guidelines set forth in Trustmark's Board Mission Statement, the Chairman of the Executive Committee, Matthew L. Holleman III, serves as the Board's Lead Director. The primary responsibility of the Lead Director is to chair Board meetings when the CEO is not present and refer to the appropriate Board committees any issue brought to his attention by shareholders, directors or others.

Committees of the Board of Directors

There are five committees that collectively provide guidance on strategic issues, planning and policymaking: Audit and Finance, Executive, Human Resources, Nominating and Strategic Planning. The committees are comprised solely of independent directors, with the exception of the Executive Committee.

Audit and Finance Committee

Under the terms of its Charter (Exhibit B hereto), the Audit and Finance Committee meets at least five times a year and is responsible for, among other things, annual approval of the independent auditors, oversight of audit activities, financial reporting and regulatory compliance, as well as review and approval of Trustmark's profit plan.

The Committee meets with the independent and internal auditors without management present on a regular basis.

Executive Committee

The Executive Committee acts on behalf of the Board if a matter requires Board action before a meeting of the full Board can be held. The Committee is responsible for reviewing the corporate governance structure and annually evaluating each director's performance against specific performance criteria.

Human Resources Committee

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

The role of the Human Resources Committee is to ensure that appropriate policies and practices are in place to facilitate the development of management talent, orderly CEO succession planning, corporate social responsibility and the setting of management compensation.

Nominating Committee

The Nominating Committee is charged with the responsibility of seeking, interviewing and recommending to the Board of Directors qualified candidates for Board and committee membership.

The Nominating Committee Mission Statement is posted on Trustmark's website at www.trustmark.com.

Strategic Planning Committee

The Strategic Planning Committee provides guidance to management on the strategic planning process and issues of strategic importance including business growth and expansion, material transactions and technology. The Committee is also responsible for monitoring progress with Trustmark's long-term strategic and financial objectives.

Committee Membership

The following table shows the current membership of each committee and the number of meetings held by each committee during 2004:

Director Compensation

Directors receive an annual retainer of \$12,000 plus \$1,000 for each Board meeting attended. The Executive Committee Chairman receives an additional retainer of \$6,000 per year. All other Executive Committee members receive an additional retainer of \$3,000 per year. All committee members and committee chairs receive \$500 and \$750, respectively, for each committee meeting attended. The CEO receives no compensation for Board or committee service.

Trustmark provides non-employee directors the opportunity to participate in a contributory defined benefit deferred fee plan. Under the plan, participating directors may defer up to \$12,000 of fees annually to fund a portion of the cost of their defined retirement benefits and death benefits. The amount of the

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

retirement benefit and death benefit is determined based upon the participant's annual contribution amount, the length of Board service (with accrual and vesting occurring prorata assuming Board service to age 65) and the age of the director at date of entry into the plan. Depending on a number of factors, the projected annual retirement benefit is payable at age 65 for the longer of life or 25 years and ranges from \$20,000 to \$165,000 for current directors electing to participate in the plan. The vested annual retirement benefit as of December 31, 2004, payable at age 65 to current directors electing to participate in the plan ranges from \$13,000 to \$71,000. If a participating director dies prior to retirement, his beneficiary will receive a scheduled death benefit for ten years. If the plan is terminated, or a director's Board service is terminated, within three years after a change in control of Trustmark (as defined in the plan), affected directors will be credited with an additional five years of Board service for purposes of determining retirement benefits. Trustmark has purchased life insurance policies on participating directors to fund this plan.

Non-employee directors are eligible to receive stock option awards under the Trustmark Corporation 1997 Long Term Incentive Plan. On April 20, 2004, each non-employee director received an option grant of 2,000 shares pursuant to the plan. These options vest in equal installments over a four-year period and expire in 2014. Accelerated vesting and exercisability of these options is provided upon a change in control of Trustmark (as defined in the plan).

Non-employee directors may defer all or a part of their annual retainer and meeting fees (excluding any contribution to the deferred fee plan described above) pursuant to a voluntary non-qualified deferred compensation plan. The compensation deferred is credited to a liability account, which is deemed invested in and mirrors the performance of one or more designated investment funds available under the plan and selected at the option of the director. The deferred compensation account will be paid in a lump sum or in annual installments at a designated time upon the occurrence of an unforeseen emergency or upon a director's cessation of service on the Board.

Communications with Directors

Shareholders desiring to contact Trustmark's Board of Directors may do so by sending written correspondence to Board of Directors, Trustmark Corporation, Post Office Box 291, Jackson, MS 39205-0291 or by e-mail to boardofdirectors@trustmark.com.

Communications will be referred to the Chairman of the Executive Committee, who will determine the appropriate committee to receive the communication and take any action deemed necessary by that committee.

Complaints relating to Trustmark's accounting, internal accounting controls or auditing matters should be directed to Trustmark's General Counsel/Secretary to the Board, Trustmark Corporation, Post Office Box 291, Jackson, MS 39205-0291 or by calling 1-800-844-2000 (extension 5088) or 1-601-208-5088.

Nomination of Directors

Nominations for election to the Board of Directors may be made by the Board of Directors or by any shareholder of any outstanding class of capital stock of Trustmark entitled to vote for the election of directors. Nominations other than those made by or on behalf of the existing management of Trustmark shall be made in writing and shall be delivered or mailed to Trustmark's Chairman of the Board not less than fourteen (14) days nor more than fifty (50) days prior to any meeting of shareholders called for the election of directors; provided, however, that if less than twenty-one (21) days' notice of the meeting is given to shareholders, such nomination shall be mailed or delivered to the Chairman of the Board not later than the close of business on the seventh (7th) day following the day on which the notice of the meeting was mailed. Such

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

notification shall contain the following information to the extent known to the notifying shareholder: (a) the name and address of each proposed nominee; (b) the principal occupation of each proposed nominee; (c) the total number of shares of capital stock of Trustmark that will be voted for each proposed nominee; (d) the name and residence address of the notifying shareholder; and (e) the number of shares of capital stock of Trustmark owned by the notifying shareholder.

Nominations not made in accordance with the above procedure may be disregarded by the chairman of the meeting at his discretion, and upon his instructions, all votes cast for each such nominee may be disregarded.

Trustmark's bylaws permit direct nominations by shareholders. Therefore, the Nominating Committee does not have a policy for considering nominees recommended by shareholders. However, if a shareholder wishes to recommend an individual for Board service, rather than directly nominate the individual as set forth above, the shareholder may submit the individual's name to the Nominating Committee in writing addressed to Trustmark Corporation Nominating Committee, Post Office Box 291, Jackson, MS 39205-0291 or by e-mail to boardofdirectors@trustmark.com. In considering an individual recommended by a shareholder but not directly nominated, the Nominating Committee will use the same guidelines as set forth in the Director Qualifications.

When identifying potential candidates for director nominees, the Committee may solicit suggestions from incumbent directors, management or others. With regard to the proposed nominees for 2005, two nominees have not previously served on the Board: John M. McCullough and R. Michael Summerford, whose names were submitted for consideration by a non-management director and an independent third party, respectively.

Director Qualifications

The Board believes that in order to appropriately carry out their roles, directors must demonstrate a variety of personal traits and competencies. In considering nominees submitted by the Board or management, the Nominating Committee will use these traits, leadership qualities and individual competencies to assess future director nominees' suitability for Board service.

Personal Traits

Board service is an extremely important, high profile role and carries with it significant responsibility. For that reason, it is important that all directors possess a certain set of personal traits, including:

- o Personal and Professional Integrity
- o Accountability
- o Informed Business Judgment
- o Mature Confidence
- o High Performance Standards
- o Initiative/Responsiveness
- o Business Credibility

Leadership Qualities

When seeking individuals to fill leadership roles, the following skill sets are required:

- o Communication Skills
- o Crisis Management Skills
- o Facilitation Skills
- o Relationship Building/Networking

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

Individual Competencies

There are certain competencies that must be represented collectively by the directors on each Board committee, but each individual director need not necessarily possess all of them. The specific competencies vary by committee, as illustrated in the chart below:

PROPOSAL 1: Election of Directors

The Board of Directors has fixed the number of directors for the coming year at twelve. The nominees listed herein have been proposed by the Board of Directors for election at the meeting.

Shares represented by the proxies will, unless authority to vote is withheld, be voted in favor of the proposed slate of twelve nominees. In the election of directors, each shareholder may vote his shares cumulatively by multiplying the number of shares he is entitled to vote by the number of directors to be elected. This product constitutes the number of votes the shareholder may cast for one nominee or by distributing this number of votes among any number of nominees. The proxies reserve the right, in their discretion, to vote cumulatively. If a shareholder withholds authority for one or more nominees and does not direct otherwise, the total number of votes the shareholder is entitled to cast will be distributed among the remaining nominees.

Should any of these nominees be unable to accept the nomination, the votes which otherwise would have been cast for the nominee(s) will be voted for such other person(s) as the Board of Directors shall nominate. Each director is elected to hold office until the next annual meeting of shareholders or until a successor is elected and qualified. The persons who will be elected to the Board of Directors will be the twelve nominees receiving the largest number of votes.

The Board of Directors recommends that shareholders vote "for" the proposed nominees.

PROPOSAL 2: 2005 Stock and Incentive Compensation Plan

The Board of Directors is requesting that shareholders approve the Trustmark Corporation 2005 Stock and Incentive Compensation Plan (2005 Plan), which will replace the Trustmark Corporation 1997 Long Term Incentive Plan (1997 Plan). The 2005 Plan is designed to provide expanded equity compensation opportunities for key associates and Board members of Trustmark and its subsidiaries.

As of March 1, 2005, there were 1,839,493 outstanding options under the 1997 Plan, with a weighted-average exercise term to expiration of 6.9 years and a weighted-average exercise price of \$23.72 per share.

The following summary of certain principal features of the 2005 Plan is subject to the specific provisions contained in the full text of the 2005 Plan attached as Exhibit A to this proxy statement.

Purpose of the Plan

The 2005 Plan will allow Trustmark to make grants of stock options, stock appreciation rights (SARs), restricted stock, restricted stock units and performance units (awards) to key associates and directors. The purpose of these

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

awards is to promote a greater identity of interest between key associates and directors and Trustmark's shareholders by increasing the key associates' and directors' proprietary interests in Trustmark.

Description of the Plan

Plan Term

The 2005 Plan becomes effective on the date of its approval by Trustmark's shareholders (May 10, 2005) and, subject to earlier termination by the Board of Directors, terminates on May 9, 2015. Except for performance unit awards payable only in cash (for which payment is contingent on shareholder approval of the 2005 Plan), no awards may be granted under the 2005 Plan prior to shareholder approval of the plan.

Administration

The 2005 Plan will be administered by the Human Resources Committee (the Committee), which will consist only of non-employee directors, as defined in Rule 16b-3 under the Securities Exchange Act of 1934 (Exchange Act), and "outside directors," as defined by Section 162(m) under the Internal Revenue Code (Code). Subject to the terms of the 2005 Plan, the Committee will have, among other powers, the power to determine the key associates and directors to whom awards are made, the nature and extent of any such awards, the terms and conditions upon which awards may be made, exercised and modified, and to make all other determinations and take all other actions necessary or advisable for the administration of the 2005 Plan. Repricing of options, however, is not permitted under the 2005 Plan.

Eligibility

Only key associates and Board members of Trustmark and its subsidiaries are eligible to receive awards under the 2005 Plan. Key associates include officers or other associates of Trustmark and its subsidiaries who, in the opinion of the Committee, can contribute significantly to the growth and profitability of or perform services of major importance to Trustmark and its subsidiaries. As of March 1, 2005, there were approximately 142 associates and 18 non-employee directors who would be eligible to participate in the 2005 Plan.

Shares Available For Grants

The maximum number of shares of Trustmark's common stock available for issuance under the 2005 Plan is the sum of (1) 6,000,000 common shares plus (2) the number of outstanding options under the 1997 Plan, which hereafter expire or are otherwise terminated or forfeited. The 2005 Plan does not limit the number of shares that may be issued for any particular type of award other than the maximum amount available under the 2005 Plan.

If any award granted terminates, expires, lapses or is forfeited for any reason (other than by exercise of a related option in the case of Tandem SARs), the common shares subject to such award will be available for further awards. In addition, if the exercise price for a stock option is paid using previously acquired common shares, the number of common shares available for future awards under the 2005 Plan will be reduced only by the net number of new common shares issued upon the exercise of the option. Similarly, if common shares are surrendered by a participant as full or partial payment of withholding taxes or if the number of common shares otherwise deliverable is reduced for payment of withholding taxes, the number of common shares surrendered or withheld shall again be available for future awards under the 2005 Plan.

The number of shares subject to each outstanding award, the exercise price, and the annual limit on and aggregate number of shares for which or from which awards may be made will be adjusted for such stock dividends, stock splits, recapitalizations, mergers, consolidations or reorganizations.

Annual Limits on Awards

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

Under the plan, in any calendar year no individual may receive awards of stock options or SARs with respect to more than 90,000 common shares, awards of restricted stock or restricted stock units with respect to more than 50,000 common shares or awards of performance units providing for the cash payment of more than \$1,000,000.

Section 162(m) Performance-Based Awards

Awards may be granted that do or do not qualify as "performance-based compensation" under section 162(m) of the Code.

Under Section 162(m), compensation paid to the Chief Executive Officer and any other executive officer reported in the summary compensation table in a tax year is not deductible if it exceeds \$1,000,000 unless it is "performance-based" compensation. Performance-based compensation must be based on achievement of objective performance goals set by the Committee and the material terms of the compensation or benefit to be paid, including the performance goals which may be used and the maximum which may be paid to any associate, must be disclosed to and approved by shareholders before payment. The Committee must certify that the applicable performance goals and any other material terms are in fact satisfied.

The performance goals for Section 162(m) performance-based compensation with respect to the 2005 Plan will be determined by the Committee, may be equal to, less than or more than one year and may not be the same for all participants, may relate to performance of a subsidiary, division, strategic business unit or line of business or may be based on the performance of Trustmark generally. Under the 2005 Plan, performance goals may be based on:

- o Trustmark stock value or increases therein
- o earnings per share or earnings per share growth
- o net earnings, earnings or earnings growth (before or after one or more of taxes, interest, depreciation and/or amortization)
- o operating profit
- o operating cash flow
- o operating or other expenses
- o operating efficiency
- o return on equity, assets, capital or investment
- o sales or revenues or growth thereof
- o deposits, loan and/or equity levels or growth thereof
- o working capital targets or cost control measures
- o regulatory compliance
- o gross, operating or other margins
- o efficiency ratio (as generally recognized and used for bank financial reporting and analysis)
- o interest income
- o non-interest income
- o credit quality
- o net charge-offs and/or non-performing assets (excluding such loans or classes of loans as may be designated for exclusion)
- o productivity
- o customer satisfaction
- o satisfactory internal or external audits
- o improvement of financial ratings
- o achievement of balance sheet or income statement objectives
- o quality measures
- o any component or components of the foregoing (including, without limitation, determination thereof with or without the effect of discontinued operations and dispositions of business segments, non-recurring items, material extraordinary items that are both unusual and infrequent, special charges, and/or accounting changes) or
- o implementation, management or completion of critical projects or processes.

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

Performance goals may include a threshold level of performance below which no payment or vesting may occur, levels of performance at which specified payments or specified vesting will occur, and a maximum level of performance above which no additional payment or vesting will occur. Performance goals may be absolute in their terms or measured against or in relationship to a market index, a group of other companies comparably, similarly or otherwise situated, or a combination thereof. Each of the performance goals will be determined, where applicable and except as provided above, in accordance with generally accepted accounting principles.

Generally, under the design of the 2005 Plan, all awards of stock options and all SARs qualify as performance-based compensation. In addition, the 2005 Plan has been designed to enable any other award granted by the Committee, to the extent it so elects, to qualify as performance-based compensation.

Option Awards

An option may be either an incentive stock option (ISO) or a non-qualified stock option (NQSO). Option terms will be determined by the Committee in its discretion, but generally, an option will not be exercisable in any event after ten years from its grant date, and the exercise price for an option may not be less than 100% of the common shares' fair market value at the date the option is awarded. The aggregate fair market value of common shares, with respect to which any key associate may first exercise ISOs granted under the plan during any calendar year, may not exceed \$100,000 or such amount specified in the Code and rules and regulations thereunder.

Subject to the Committee's determination, the exercise price of any option may be paid in cash, by delivery of common shares valued at fair market value at the time of exercise, or in an approved "cashless exercise," or by a combination of these methods. The 2005 Plan authorizes the grant of reload options in the event the participant exercises all or a part of a stock option, including a reload option, by surrendering stock in payment of the option price. Each reload option will be granted on the date of exercise of the original option, will cover a number of shares not exceeding the number of shares surrendered in payment of the option price under such original option, will have an option price equal to the fair market value on the date it is awarded, will expire on the stated expiration date of the original option and will be subject to such other terms and conditions as the Committee may determine.

SAR Awards

The 2005 Plan authorizes the grant of stock appreciation rights in tandem with the grant of options (Tandem SARs) in addition to the grant of options (Additive SARs) and independent of the grant of options (Freestanding SARs, and collectively, SARs).

A SAR may be exercised in whole or part, and entitles the holder, upon exercise, to receive cash or common shares or a combination thereof equivalent in value to the excess of the fair market value on the exercise date of the common shares represented by the SAR over (i) the option exercise price of the related option in the case of a Tandem or Additive SAR or (ii) the fair market value on the grant date of the common shares represented by the SAR in the case of a Freestanding SAR. Payment for the value of a SAR may be made on exercise or, if provided for in the award agreement, on a delayed basis either electively or mandatorily.

A Tandem SAR will expire no later than ten years from its grant date, and is exercisable and transferable subject to the conditions of, the related option. If a Tandem SAR is exercised, it will reduce correspondingly the number of common shares represented by the related option, and exercise of the related option will similarly reduce the number of shares represented by the Tandem SAR. The Committee retains sole discretion to approve or disapprove an optionee's election to receive cash to the extent required by Rule 16b-3 under the Exchange

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

Act or the terms of the particular agreement.

An Additive SAR is deemed to be exercised upon, and in addition to, the exercise of the related options. The deemed exercise of Additive SARs will not reduce the number of common shares with respect to which the related options remain unexercised. A Freestanding SAR may be exercised upon whatever terms and conditions the Committee, in its sole discretion, imposes on such SARs.

Restricted Stock Awards

Restricted stock is stock which may not be disposed of by a participant until the restrictions established by the Committee lapse. The restrictions may take the form of a period during which the participant must remain employed or may require the achievement of one or more pre-established performance criteria. Holders of restricted stock will have voting and, unless otherwise provided by the Committee, dividend rights. Subject to any exceptions authorized by the Committee, shares of restricted stock will be forfeited upon termination of employment or service. Similarly, shares of restricted stock will also be forfeited if any performance criteria established, with respect to such awards, are not achieved within the required time period.

Restricted Stock Unit Awards

A restricted stock unit is an award which is valued by reference to a common share. Payment of the value of restricted stock units may not be made until the restrictions established by the Committee lapse. The restrictions may take the form of a period of restriction during which the participant must remain employed or may require the achievement of one or more pre-established performance criteria.

Holders of restricted stock units have no right to vote the shares represented by the units; however, such participants may have added to their rights an equivalent number of units represented by any dividends or other distributions which would have been received if the shares represented by the units had been issued.

Subject to any exceptions authorized by the Committee, restricted stock units will be forfeited upon termination of employment or service. The Committee may provide for vesting of restricted stock units in connection with the termination of a participant's employment or service on such basis as it deems appropriate. Similarly, restricted stock units will also be forfeited if any performance criteria established with respect to such awards are not achieved within the required time period.

Payment for vested restricted stock units may be made on vesting or, if provided for in the award agreement, on a delayed basis either electively or mandatorily. If paid on a delayed basis, the payment amount may be adjusted for deemed interest or earnings on such basis as the Committee may provide.

Performance Unit Awards

A performance unit is a fixed dollar award based on performance goals established and certified by the Committee. Performance units may be paid in cash, common shares or a combination thereof.

Change in Control

The Committee may, at the time an award is made or thereafter, take any one or more of the following actions in connection with a change in control: (i) provide for the acceleration of any vesting periods; (ii) provide for the purchase or settlement of any such award for cash; (iii) make an adjustment to the award as the Committee deems appropriate to reflect the change in control; or (iv) cause any award to be assumed by the acquiring or surviving corporation.

Non-Transferability

Subject to certain exceptions and, except for certain permitted transfers of

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

NQSOs to family members and trusts, awards granted under the 2005 Plan generally may not be assigned, transferred, pledged or otherwise encumbered by a participant, other than by will or the laws of descent and distribution.

Amendment and Termination of the Plan

The Board of Directors may terminate, amend or modify the 2005 Plan from time to time in any respect without shareholder approval, unless the particular amendment or modification requires shareholder approval under the Code, the rules and regulations under Section 16 of the Exchange Act, the rules and regulations of the exchange on which Trustmark's common shares are listed or pursuant to any other applicable laws, rules or regulations. Currently, it is anticipated that shareholder approval of any amendments will normally be required if an amendment would materially increase the benefits that can be provided, materially increase the number of shares which may be issued or the compensation which may be provided or materially modify the requirements as to eligibility for participation. No amendment or modification of the 2005 Plan, other than capital adjustments pursuant to the plan, may adversely affect any awards previously granted under the plan without the participant's written consent.

Federal Income Tax Consequences of Awards Granted under the Plan

The following is a brief summary of the federal income tax consequences relating to awards under the 2005 Plan based upon the federal income tax laws in effect on the date hereof (other than the compensation deduction limit under Section 162(m) which is described above). This summary is not intended to be exhaustive and, among other things, does not describe state or local tax consequences.

A participant who exercises a NQSO will realize ordinary income in an amount measured by the excess of the fair market value of the shares on the date of exercise over the exercise price. Trustmark generally will be entitled to a corresponding deduction for federal income tax purposes.

A participant who exercises an ISO will not be subject to taxation at the time of exercise, nor will Trustmark be entitled to a deduction for federal income tax purposes. The difference between the exercise price and the fair market value of shares on the date of exercise is a tax preference item for purposes of determining a participant's alternative minimum tax. A disposition of the purchased shares after the expiration of the required holding period will generate long-term capital gain in the year of disposition, and Trustmark will not be entitled to a deduction for federal income tax purposes. A disposition of the purchased shares prior to the expiration of the applicable holding period will subject the participant to taxation at ordinary income rates in the year of disposition, and Trustmark generally will be entitled to a corresponding deduction.

A participant who exercises a SAR will realize ordinary income in an amount equal to the amount of cash and the fair market value of any shares received. Trustmark generally will be entitled to a corresponding deduction for federal income tax purposes. If the participant receives common stock upon exercise of a SAR, the taxation of the post-exercise appreciation or depreciation is treated as either a short-term or long-term capital gain or loss, depending upon the length of time the participant held the shares of common stock.

A participant receiving restricted stock generally will recognize ordinary income in the amount of the fair market value of the restricted stock at the time the stock is no longer subject to forfeiture, less the consideration paid for the stock. However, a participant may elect, under Section 83(b) of the Code within 30 days of the grant of the stock, to recognize taxable ordinary income on the date of grant equal to the excess of the fair market value of the shares of restricted stock (determined without regard to the restrictions) over the purchase price of the restricted stock. Thereafter, if the shares are forfeited,

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

the participant will be entitled to a deduction, refund or loss, for tax purposes only, in an amount equal to any purchase price of the forfeited shares regardless of whether the participant made a Section 83(b) election. With respect to the sale of shares after the forfeiture period has expired, the holding period to determine whether any gain or loss is long- or short-term begins when the restriction period expires, and the tax basis for such shares will generally be based on the fair market value of such shares on such date. However, if the participant makes an election under Section 83(b), the holding period will commence on the date of grant, the tax basis will be equal to the fair market value of shares on such date (determined without regard to restrictions), and Trustmark generally will be entitled to a deduction equal to the amount that is taxable as ordinary income to the participant in the year that such income is taxable. Dividends paid on restricted stock generally will be treated as compensation that is taxable as ordinary income to the participant and will be deductible by Trustmark, when paid. If, however, the participant makes a Section 83(b) election, the dividends will be taxable as ordinary income to the participant but will not be deductible by Trustmark.

A participant will not realize income in connection with the grant of a restricted stock unit or the credit of any dividend equivalents to his or her account or the grant of a performance unit. When shares of common stock and/or cash is delivered to the participant, the participant will generally be required to include as taxable ordinary income in the year of receipt, an amount equal to the amount of cash and the fair market value of any shares received. Trustmark will be entitled to a deduction at the time and in the amount included in the participant's income by reason of the receipt. For each share of common stock received in respect of a restricted stock unit, the taxation of the post-exercise appreciation or depreciation is treated as either a short-term or long-term capital gain or loss, depending upon the length of time the participant held the shares of common stock.

On October 22, 2004, the American Jobs Creation Act of 2004 (the Act) was enacted and included a new tax provision (Section 409A of the Code) affecting "nonqualified deferred compensation." Any such compensation must, among other things, meet election timing and payment timing requirements. Failure to meet these requirements causes the nonqualified deferred compensation to be taxed when vested, to be subject to an additional 20% federal income tax and to be subject to interest on federal underpayments from the year the compensation vests. Under current IRS guidance, certain awards under the 2005 Plan are excluded from nonqualified deferred compensation to which Section 409A applies. These excluded awards are stock options under which common shares are issued, SARs under which common shares are issued, restricted stock and restricted stock units and performance units which are paid at or shortly after vesting. Other awards under the 2005 Plan may be treated as nonqualified deferred compensation to which Section 409A applies, and in such case, it is generally Trustmark's intent that such awards be designed to comply with the election timing, payment timing and other requirements of Section 409A.

Recommendation and Vote Required

Shareholder approval of the 2005 Plan requires the affirmative vote of the holders of a majority of the votes cast on the proposal. Approval of the 2005 Plan by shareholders will be considered approval of the material terms of the plan, including for performance-based awards, the performance goals which may be used and the maximum benefit which may be paid to any associate for purposes of Section 162(m) of the Code.

The Board of Directors recommends that shareholders vote "for" approval of the 2005 Plan.

Benefits payable under the plan are based on a formula that takes into account the participant's compensation averaged over the highest consecutive five-year period out of the most recent seven-year period and the number of years of credited service. Compensation consists of W-2 taxable income adjusted for associate contributions to 401(k), qualified transportation fringe benefits and cafeteria plans. Compensation does not include group term life insurance, automobile allowance, moving expenses, severance pay or income from stock options after 2002. After 2003, compensation also excludes all incentive compensation, bonuses and commissions. For 2004, the maximum benefit allowable by the Internal Revenue Service was \$165,000 and the maximum covered compensation was \$205,000.

The table assumes the entire service period was completed under the benefit formula that is effective for service on or after January 1, 2004. Amounts payable pursuant to the plan are not subject to deduction for social security.

Supplemental Retirement Plan

Trustmark provides executive officers with a non-qualified defined benefit plan, which provides a supplemental retirement benefit to executive officers selected

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

for plan participation by the Human Resources Committee. The retirement benefit is payable for life, but not less than ten years, and normally commences at normal retirement age (65). Benefits payable pursuant to the plan are not subject to deduction for social security.

The plan provides retirement and death benefits based upon a retirement benefit amount for each participant established by the Human Resources Committee. The retirement benefit amount is based on the executive officer's level of responsibilities and, in part, on specified salary. The following table sets forth, as to each named executive officer, retirement benefits currently anticipated to be paid at normal retirement (the anticipated normal retirement benefit):

Name	Annual Benefit
Richard G. Hickson	\$ 300,000
Gerard R. Host	150,000
Harry M. Walker	125,000
Duane A. Dewey	100,000
William O. Rainey	82,250

The plan permits early retirement, with Human Resources Committee consent, at or after age 55 with five years of plan participation. Benefits at early retirement are actuarially reduced.

The plan also provides a deferred vested benefit payable at normal retirement age to a participant terminating for reasons other than retirement with at least one year of plan participation. The deferred benefit is accrued and vests at the rate of 1/10th of the anticipated normal retirement benefit for each year of plan participation not over ten.

If a participant does not complete at least one year of plan participation, plan benefits are forfeited (except where the cessation of employment is due to death, retirement, total disability or just cause as defined in the plan).

Should a participant die prior to retirement, the participant's beneficiary will receive a death benefit equal to a percentage (100% for the first year and 75% for the remaining years) of a specified covered salary amount (which amount is twice the anticipated normal retirement benefit) for ten years or until the participant would have reached normal retirement age, whichever is later. Life insurance contracts have been purchased to fund payments under the plan.

Years of plan participation credited to the above participants as of December 31, 2004, are: Richard G. Hickson - 7 years, Gerard R. Host - more than 10 years, Harry M. Walker - more than 10 years, Duane A. Dewey - 1 year, William O. Rainey - more than 10 years.

Employment Agreements

Mr. Hickson entered into an amended and restated employment agreement with Trustmark effective March 12, 2002, which provides for his employment as Chairman and Chief Executive Officer. The agreement provides for the Human Resources Committee to approve a base salary of not less than \$400,000 and award bonuses, stock options and other customary benefits. Bonus payments must not exceed current base salary.

If Mr. Hickson's employment is terminated (other than for Cause, death, disability or retirement) or in the event he resigns for Good Reason within three years after a change in control of Trustmark, Mr. Hickson is entitled to an amount equal to the sum of his salary immediately prior to the change in control and the highest annual bonus earned in any of the preceding three years. In consideration of Mr. Hickson's agreements relating to confidentiality,

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

non-solicitation and non-competition, Trustmark is additionally obligated to pay Mr. Hickson an amount equal to the sum of his salary immediately prior to the termination or resignation and the highest annual bonus earned in any of the preceding three years, multiplied by two. Mr. Hickson is entitled to receive customary benefits for twelve months following his termination, reduced by any benefits received from later employment. Any outstanding unvested stock options vest as of the change in control. Finally, Trustmark is obligated to purchase Mr. Hickson's residence for the lesser of appraised value or \$900,000 if he is unable to sell it within four months.

If, without a change in control, Mr. Hickson is terminated (other than for Cause, death, disability or retirement) or if he resigns for Good Reason, in consideration of Mr. Hickson's agreements relating to confidentiality, non-solicitation and non-competition, Trustmark is obligated to pay Mr. Hickson an amount equal to the sum of his salary immediately prior to the termination or resignation and the highest annual bonus earned in any of the preceding three years, multiplied by two. Trustmark must also provide customary benefits for a period of eighteen months following termination, reduced by any benefits received from later employment, and purchase Mr. Hickson's residence for the lesser of appraised value or \$900,000 if he is unable to sell it within four months.

If Mr. Hickson is terminated for Cause or if he leaves Trustmark voluntarily, he is not entitled to any payment other than earned salary and bonus.

Effective March 12, 2002, Trustmark entered into amended and restated employment agreements with Gerard R. Host and Harry M. Walker.

Under these agreements, if Mr. Host or Mr. Walker's employment is terminated (other than for Cause, death, disability or retirement) or if either resigns for Good Reason within two years after a change in control of Trustmark, the executive is entitled to payments equal to the sum of his base salary immediately prior to the change in control and the highest annual bonus earned in any of the preceding two years. Trustmark is required to continue certain benefits for twelve months following termination or resignation, reduced by any benefits received from later employment. Any outstanding unvested stock options vest as of the date of termination or resignation. Additionally, Trustmark is obligated to make certain payments in consideration of the executive's covenants relating to confidentiality, non-solicitation and non-competition. The amount payable is the sum of the executive's base salary and the highest annual bonus earned in any of the preceding three years.

If, without a change in control, either executive is terminated without Cause or if either resigns for Good Reason, Trustmark is obligated to make certain payments in consideration of the executive's covenants relating to confidentiality, non-solicitation and non-competition. The amount payable is the sum of the executive's base salary and the highest annual bonus earned in any of the preceding three years.

If Mr. Host or Mr. Walker is terminated for Cause or leaves Trustmark voluntarily, they are not entitled to any payment other than earned salary and bonus.

For purposes of these agreements, "Cause" means (i) commission of an act of personal dishonesty, embezzlement or fraud; (ii) misuse of alcohol or drugs; (iii) failure to pay any obligation owed to Trustmark or any affiliate; (iv) breach of a fiduciary duty or deliberate disregard of any rule of Trustmark or any affiliate; (v) commission of an act of willful misconduct or the intentional failure to perform stated duties; (vi) willful violation of any law, rule or regulation (other than misdemeanors, traffic violations or similar offenses) or any final cease-and-desist order; (vii) unauthorized disclosure of any confidential information of Trustmark or any affiliate or engaging in any

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

conduct constituting unfair competition or inducing any customer of Trustmark or any affiliate to breach a contract with Trustmark or any affiliate.

"Good Reason" means (i) a demotion in status, title or position or the assignment of the person to duties or responsibilities which are materially inconsistent with such status, title or position; (ii) a material breach of the applicable agreement by Trustmark; (iii) a relocation of the person to a location more than fifty miles outside of Jackson, Mississippi, without the person's consent or, (iv) in the case of Mr. Hickson, his not being named as the Chief Executive Officer of any successor by merger to Trustmark. In the case of Mr. Hickson's agreement, any good faith determination of "Good Reason" made by him shall be conclusive.

Human Resources Committee Report on Executive Compensation

Trustmark's Human Resources Committee, which held five meetings in 2004, recommends to the Board the compensation of Trustmark's Chief Executive Officer and other executive officers and oversees the administration of all executive compensation, including salary, cash bonuses awarded under the management incentive program and equity-based awards under Trustmark's 1997 Long Term Incentive Plan. The Committee is comprised entirely of independent directors. Committee recommendations with respect to compensation of executive officers other than the CEO take into account compensation recommendations made by the CEO.

Trustmark's executive compensation policy is designed to attract and retain highly qualified executives and to motivate them to maximize shareholder value by achieving performance goals. Each executive officer's compensation is dependent upon achieving business and financial goals and realizing individual performance objectives. The Committee also intends that incentive compensation paid to the named executive officers normally will be deductible for federal income tax purposes, but the Committee recognizes that there are circumstances where deductibility is secondary and may not be obtained. In designing the proposed 2005 Stock and Incentive Compensation Plan, which includes expanded types of equity and incentive compensation opportunities, the Committee contemplated that awards under that plan could be designed to meet the performance-based compensation requirements for deductibility under Section 162(m) of the Code.

Chief Executive Officer Compensation - 2004

The Committee retained an independent consulting firm to evaluate competitive compensation levels and make recommendations for Mr. Hickson's compensation for 2004. In establishing Mr. Hickson's salary, the Committee principally considered the independent consultant's compensation analyses of salaries paid to chief executive officers of financial institutions with an asset-size similar to Trustmark's in Trustmark's general geographic market. The Committee also considered Mr. Hickson's individual performance and contributions relative to Trustmark's corporate goals in 2003. Although the Committee considered a number of corporate goals in this context, the Committee gave the greatest weight to Trustmark's financial performance.

Mr. Hickson's cash bonus for 2004 was determined based upon Trustmark's management incentive plan and was measured in a manner similar to that used for other executive officers. In measuring corporate performance, actual performance was measured against profit plan performance targets established at the beginning of 2004. Under the plan, Mr. Hickson's target incentive was set at 70% of base compensation with a potential maximum of 100% of base compensation. Mr. Hickson's incentive award was weighted at 75% on corporate performance, measuring actual results for earnings per share and return on equity compared to Trustmark's profit plan performance targets. The remaining 25% was weighted on actual results for specific strategic operational drivers including operating

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

efficiency, revenue growth, credit quality and net income after taxes compared to Trustmark's profit plan.

Pursuant to the same methodology used to grant equity-based awards to other executive officers under Trustmark's 1997 Long Term Incentive Plan, for 2004, Mr. Hickson was awarded options to purchase 45,000 shares of Trustmark's stock at \$27.30 per share, which was fair market value of such shares on the award date. The number of options granted was designed to provide Mr. Hickson with additional incentive-based compensation.

Executive Officers' Compensation - 2004

Salary

In establishing the salaries of Trustmark's executive officers for 2004, the Committee considered the recommendations of the CEO, which were principally based on the individual performance, skills and experience of each executive officer.

Cash Bonuses

Cash bonuses awarded to executive officers for 2004 were made pursuant to Trustmark's management incentive plan. Under the plan, the CEO recommends annual incentive targets for executive officers stated as a percentage of base salary, which are then reviewed by the Committee and approved by the Board of Directors of Trustmark National Bank ("TNB"). The incentive awards for executive officers are based on measured weightings with respect to corporate performance, strategic operational drivers and business unit goals.

Equity-based Awards

Equity-based awards, designed to provide additional incentive-based compensation, are made to executive officers pursuant to Trustmark's 1997 Long Term Incentive Plan. Although the Committee can exercise discretion in making awards under the plan, for 2004, the Committee awarded executive officers stock options based on each executive's position and responsibilities.

Committee Composition

No current or former executive officer of Trustmark or any of its subsidiaries serves or, during 2004, served as a member of the Human Resources Committee. The Committee, which has submitted the foregoing Report on Executive Compensation, is composed of the following persons:

Reuben V. Anderson - Chair
William C. Deviney, Jr.
C. Gerald Garnett
Carolyn C. Shanks

TRANSACTIONS WITH MANAGEMENT

No directors, executive officers, nominees, five percent shareholders, their related entities or their immediate family members have been indebted to Trustmark, or any subsidiaries other than TNB, at any time since January 1, 2004. In the ordinary course of business, TNB and its subsidiaries have provided and expect to provide in the future, banking, investment and insurance services in excess of \$60,000 with directors, executive officers, nominees, five percent shareholders, related entities and immediate family members. Such transactions are made on substantially the same terms including, in the case of loans, interest rates and collateral, as those prevailing at the time for comparable transactions with other persons. None of the loans involved more than the normal risks of collectibility and presented no other unfavorable features.

During 2004, TNB engaged in business relationships with various entities in which members of the Board of Directors have direct and indirect interests. None

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

of these relationships were considered material to TNB or such entity.

AUDIT AND FINANCE COMMITTEE REPORT

Trustmark's Audit and Finance Committee, which conducts the usual and necessary activities in connection with the audit functions of Trustmark, held eight meetings during 2004.

Independent Public Accountants

On April 29, 2002, the Board of Directors, based on the recommendation of the Audit and Finance Committee, engaged KPMG LLP (KPMG) as Trustmark's independent accountants for a three-year period.

Representatives of KPMG are expected to be present at the annual meeting with the opportunity to make a statement, if they desire to do so, and to be available to respond to appropriate questions during the period generally allotted for questions at the meeting.

The Committee has reaffirmed KPMG's engagement as the independent accountants for 2005.

Committee Review and Discussion

The Committee reviewed and discussed with management and KPMG the consolidated audited financial statements as of and for the three years ended December 31, 2004. The Committee also discussed with KPMG the matters required by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended. The Committee received the written disclosures and the letter from KPMG required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as amended, and discussed the independence of KPMG. Based on this review, the Committee recommended to the Board of Directors that the consolidated audited financial statements be included in Trustmark's Annual Report on Form 10-K for the year ended December 31, 2004.

None of the members of Trustmark's Audit and Finance Committee serve on the audit committee of another company, and all are independent directors as defined by NASDAQ rules:

J. Kelly Allgood - Chair
John L. Black, Jr.
Richard H. Puckett
Kenneth W. Williams

The Securities and Exchange Commission (SEC) requires that at least one member of the audit committee qualify as a financial expert. The Board has determined that John L. Black, Jr., meets this requirement. Upon Mr. Black's retirement from the Board of Directors in May 2005, and upon shareholder election of the proposed slate of directors, Mr. R. Michael Summerford will be named as a member of the Audit and Finance Committee. The Board has determined that Mr. Summerford also meets the rules of independence as defined and meets the qualifications set forth by the SEC to be named Trustmark's financial expert.

Accounting Fees

The following aggregate fees were billed to Trustmark during 2004 and 2003 by KPMG for services rendered:

1. Audit Fees - Audit fees include fees for professional services in connection with the audit of Trustmark's consolidated financial statements, review of internal controls, review of the interim consolidated financial statements included in quarterly reports and

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

services provided by KPMG in connection with statutory and regulatory filings. Audit fees for 2004 and 2003 were \$1,006,082 and \$260,250, respectively. Included in 2004 is \$743,155 associated with Sarbanes-Oxley compliance.

2. Audit-Related Fees - Audit-related fees include fees for professional services in connection with audits of benefit plans and acquisition consultation. Audit-related fees for 2004 and 2003 were \$29,203 and \$58,150, respectively.
3. Tax Fees - Tax fees include fees for professional services rendered in connection with tax compliance and were \$4,128 and \$21,325 for 2004 and 2003, respectively.
4. All Other Fees - All other fees include fees for professional services rendered in connection with consulting services provided. KPMG did not bill Trustmark for other fees during 2004. Other fees billed during 2003 totaled \$700.

Pre-Approval Policy

The Audit and Finance Committee has adopted a policy that sets forth guidelines and procedures for the pre-approval of services to be performed by the independent accountants, as well as the fees associated with those services. Annually, the Committee reviews and establishes the types of services and fee levels to be provided by the independent accountants. Any additional services or fees in excess of the approved amount require specific pre-approval by the Committee. The Committee has delegated to its Chairman the authority to evaluate and approve services and fees in the event that pre-approval is required between meetings. If the Chairman grants such approval, he will report that approval to the full Committee at its next meeting. Non-audit services, as prohibited by the SEC, are likewise prohibited under the Committee's pre-approval policy.

Audit and Finance Committee Charter

The Audit and Finance Committee reviews and reassesses the adequacy of the Committee's Charter on an annual basis. The Charter, which has been amended primarily to address the Committee's review of the reports on internal controls from management and the independent accountants, accompanies this proxy as Exhibit B.

TRUSTMARK CORPORATION
2005 STOCK AND INCENTIVE COMPENSATION PLAN

ARTICLE I
Establishment, Purpose and Duration

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

1.1 Establishment of the Plan. Trustmark Corporation (hereinafter referred to as the "Company"), a Mississippi corporation, hereby establishes an incentive compensation plan to be known as the "2005 Stock and Incentive Compensation Plan" (hereinafter referred to as the "Plan"), as set forth in this document. Unless otherwise defined herein, all capitalized terms shall have the meanings set forth in Section 2.1 herein. The Plan permits the grant of Incentive Stock Options, Non-Qualified Stock Options (including Reload Options), Stock Appreciation Rights, Restricted Stock, Restricted Stock Units and/or Performance Units to Key Associates and Directors.

The Plan was adopted by the Board of Directors of the Company on March 8, 2005, to become effective (the "Effective Date") as of May 10, 2005 if approved at the May 10, 2005 annual meeting of the Company's shareholders by vote of shareholders of the Company in accordance with applicable laws and any applicable rules of any national securities exchange or system on which the Stock is then listed or reported. Except for Performance Unit Awards payable only in cash (with payment also contingent on shareholder approval of the 2005 Plan), Awards may not be granted under the Plan prior to shareholder approval of the Plan.

1.2 Purpose of the Plan. The purpose of the Plan is to promote the success of the Company and its Subsidiaries by providing incentives to Key Associates and Directors that will promote the identification of their personal interest with the long term financial success of the Company and with growth in shareholder value. The Plan is designed to provide flexibility to the Company in its ability to motivate, attract, and retain the services of Key Associates and Directors upon whose judgment, interest, and special effort the successful conduct of its operation is largely dependent.

In addition, the Plan permits the grant of a Reload Option in order to restore an Option opportunity on the number of shares of Stock surrendered to exercise an Option to encourage a Participant to maximize his ownership interest in the Company without reducing the percentage interests of shareholders.

1.3 Duration of the Plan. The Plan shall commence on the Effective Date, as described in Section 1.1 herein, and shall remain in effect, subject to the right of the Board of Directors to terminate the Plan at any time pursuant to Article XII herein, until May 9, 2015, at which time it shall terminate except with respect to Awards (including any outstanding Reload Option obligation) made prior to, and outstanding on, that date which shall remain valid in accordance with their terms.

 - (iii) the acquisition of a controlling influence over the management or policies of the Company by any person or by persons acting as a "group" (within the meaning of Section 13(d) of the Exchange Act); or

Notwithstanding the foregoing, in the case of (i), (ii) and (iii) hereof, ownership or control of the Company's voting stock by the Trustmark National Bank (the "Bank") or any associate benefit plan sponsored by the Company or the Bank shall not constitute a Change in Control. For purposes of this paragraph only, the term "person" refers to an individual or a corporation, partnership, trust, association, joint venture, pool, syndicate, sole proprietorship, unincorporated organization of any other form of entity not specifically listed herein.

The terms and conditions of each Performance-Based Compensation Award, including the Performance Goal and Performance Period, shall be set forth in an Agreement or in a subplan of the Plan which is incorporated by reference into an Agreement.
- (s) "Performance Goal" means one or more performance measures or goals set by the Committee in its discretion for each grant of a Performance-Based Compensation Award. The extent to which such performance measures or goals are met will determine the amount or value of the Performance-Based Compensation Award to which a Participant is entitled to exercise, receive or retain. Performance Goals may be particular to a Participant, may relate to the performance of the Subsidiary, division, strategic business unit or line of business which employs him, or may be based on the performance of the Company generally. Performance Goals may be absolute in their terms or measured against or in relationship to a market index, a group of other companies comparably, similarly or otherwise situated, or a combination thereof. The Committee shall determine the Performance Period during which the Performance Goal must be met; and attainment of Performance Goals shall be subject to certification by the Committee. Each of the Performance Goals shall be determined, where applicable and except as provided above, in accordance with generally accepted accounting principles.

- (t) "Performance Period" means the time period during which the Performance Goal must be met in connection with a Performance-Based Compensation Award. Such time period shall be set by the Committee.

ARTICLE III Administration

3.1 Administration of the Plan by the Committee. The Plan shall be administered by the Committee which shall have all powers necessary or desirable for such administration. The express grant in the Plan of any specific power to the Committee shall not be construed as limiting any power or authority of the Committee. In addition to any other powers and, subject to the provisions of the Plan, the Committee shall have the following specific powers: (i) to determine the terms and conditions upon which the Awards may be made and exercised; (ii) to determine all terms and conditions of each Agreement, which need not be identical; (iii) to construe and interpret the Agreements and the Plan; (iv) to establish, amend or waive rules or regulations for the Plan's administration; (v) to accelerate the exercisability of any Award, the end of a Performance Period or termination of any Period of Restriction or other restrictions imposed under the Plan; and (vi) to make all other determinations and take all other actions necessary or advisable for the administration of the Plan.

The Chairman of the Committee and such other directors and officers of the Company as shall be designated by the Committee are hereby authorized to execute Agreements on behalf of the Company and to cause them to be delivered to the recipients of Awards.

For purposes of determining the applicability of Section 422 of the Code (relating to Incentive Stock Options), or in the event that the terms of any Award provide that it may be exercised only during employment or service or within a specified period of time after termination of employment or service, the Committee may decide to what extent leaves of absence for governmental or military service, illness, temporary disability, or other reasons shall not be deemed interruptions of employment or service or continuous employment or service.

Subject to limitations under applicable law, the Committee is authorized in its discretion to issue Awards and/or accept notices, elections, consents and/or other forms or communications by Participants by electronic or similar means, including, without limitation, transmissions through e-mail, voice mail, recorded messages on electronic telephone systems, and other permissible methods, on such basis and for such purposes as it determines from time to time.

A majority of the entire Committee shall constitute a quorum and the action of a majority of the members present at any meeting at which a quorum is present (in person or as otherwise permitted by applicable law), or acts approved in writing by a majority of the Committee without a meeting, shall be deemed the action of the Committee.

3.2 Selection of Participants. The Committee shall have the authority to grant Awards under the Plan, from time to time, to such Key Associates and/or Directors as may be selected by it. Each Award shall be evidenced by an Agreement.

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

3.3 Decisions Binding. All determinations and decisions made by the Board or the Committee pursuant to the provisions of the Plan shall be final, conclusive and binding.

3.4 Requirements of Rule 16b-3 and Section 162(m) of the Code. Notwithstanding any other provision of the Plan, the Board or the Committee may impose such conditions on any Award, and amend the Plan in any such respects, as may be required to satisfy the requirements of Rule 16b-3, as amended (or any successor or similar rule), under the Exchange Act.

Any provision of the Plan to the contrary notwithstanding, and except to the extent that the Committee determines otherwise: (i) transactions by and with respect to officers and directors of the Company who are subject to Section 16(b) of the Exchange Act (hereafter, "Section 16 Persons") shall comply with any applicable conditions of SEC Rule 16b-3; (ii) transactions with respect to persons whose remuneration is subject to the provisions of Section 162(m) of the Code shall conform to the requirements of Section 162(m)(4)(C) of the Code; and (iii) every provision of the Plan shall be administered, interpreted, and construed to carry out the foregoing provisions of this sentence.

Notwithstanding any provision of the Plan to the contrary, the Plan is intended to give the Committee the authority to grant Awards that qualify as performance-based compensation under Section 162(m)(4)(C) of the Code as well as Awards that do not so qualify. Every provision of the Plan shall be administered, interpreted, and construed to carry out such intention, and any provision that cannot be so administered, interpreted, and construed shall to that extent be disregarded; and any provision of the Plan that would prevent an Award that the Committee intends to qualify as performance-based compensation under Section 162(m)(4)(C) of the Code from so qualifying shall be administered, interpreted, and construed to carry out such intention, and any provision that cannot be so administered, interpreted, and construed shall to that extent be disregarded.

3.5 Indemnification of Committee. In addition to such other rights of indemnification as they may have as directors or as members of the Committee, the members of the Committee shall be indemnified by the Company against reasonable expenses, including attorneys' fees, actually and reasonably incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with the Plan or any Award granted or made hereunder, and against all amounts reasonably paid by them in settlement thereof or paid by them in satisfaction of a judgment in any such action, suit or proceeding, if such members acted in good faith and in a manner which they believed to be in, and not opposed to, the best interests of the Company and its Subsidiaries.

ARTICLE IV Stock Subject to the Plan

4.1 Number of Shares. Subject to adjustment as provided in Section 4.4 herein, the maximum aggregate number of Shares that may be issued pursuant to Awards made under the Plan shall not exceed the sum of (i) 6,000,000 plus (ii) that number of Shares represented by options under the Second Amended Trustmark Corporation 1997 Long Term Incentive Plan which expire or are otherwise terminated or forfeited at any time after the Effective Date of the Plan. Except as provided in Sections 4.2 and 4.3 herein, the issuance of Shares in connection with the exercise of, or as other payment for Awards, under the Plan shall reduce the number of Shares available for future Awards under the Plan.

Stock that may be issued under the Plan may either be authorized but unissued Shares, Shares held in treasury, or Shares held in a grantor trust created by the Company.

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

The Company, during the term of the Plan and thereafter during the term of any outstanding Award which may be settled in Stock, shall reserve and keep available a number of Shares sufficient to satisfy the requirements of the Plan.

4.2 Lapsed Awards or Forfeited Shares. If any Award granted under the Plan terminates, expires, or lapses for any reason other than by virtue of exercise of the Award, or if Shares issued pursuant to Awards are forfeited, any Stock subject to such Award again shall be available for the grant of an Award under the Plan, subject to Section 7.3.

4.3 Delivery of Shares as Payment. In the event a Participant pays the Option Price for Shares pursuant to the exercise of an Option with previously acquired Shares, the number of Shares available for future Awards under the Plan shall be reduced only by the net number of new Shares issued upon the exercise of the Option. In addition, in determining the number of shares of Stock available for Awards, if Stock has been delivered or exchanged by a Participant as full or partial payment to the Company for payment of withholding taxes, or if the number of shares of Stock otherwise deliverable has been reduced for payment of withholding taxes, the number of shares of Stock exchanged as payment in connection with the withholding tax or so reduced shall again be available for purpose of Awards under the Plan.

4.4 Capital Adjustments. The number and class of Shares subject to each outstanding Award, the Option Price and the annual limits on and aggregate number of Shares for which Awards thereafter may be made shall be subject to such adjustment, if any, as the Committee in its sole discretion deems appropriate to reflect such events as stock dividends, stock splits, recapitalizations, mergers, consolidations or reorganizations of or by the Company.

ARTICLE V Eligibility

Persons eligible to participate in the Plan include (i) all associates of the Company and its Subsidiaries (including any corporation which becomes a Subsidiary after the adoption of the Plan by the Board) who, in the opinion of the Committee, are Key Associates and (ii) all Directors.

Multiple grants of Awards under the Plan may be made in any calendar year to a Participant, provided, however, that Awards of Options and SARs (disregarding any Tandem SARs as defined in Section 7.1) granted in any calendar year to any one Participant shall not provide for the issuance of, and/or cash payment with respect to, more than 90,000 Shares in the aggregate, that Awards of Restricted Stock and Restricted Stock Units granted in any calendar year to any one Participant shall not provide for the issuance of, and/or cash payment with respect to, more than 50,000 Shares in the aggregate, and that Performance Units granted in any calendar year to any one Participant shall not provide for the payment of more than \$1,000,000 in the aggregate.

ARTICLE VI Stock Options

6.1 Grant of Options. Subject to the terms and conditions of the Plan, Options may be granted to Key Associates and Directors at any time and from time to time as shall be determined by the Committee. The Committee shall have complete discretion in determining the number of Shares subject to Options granted to each Participant, provided, however, that (i) only Non-Qualified Stock Options may be granted to Directors who are not associates of the Company or a Subsidiary, (ii) no Participant may be granted Options in any calendar year for more than 90,000 Shares (with Options cancelled in the same year as granted counted against this limit and with Options for which the Option Price is

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

reduced treated as cancelled and reissued for this annual limit) and (iii) the aggregate Fair Market Value (determined at the time the Award is made) of Shares with respect to which any Participant may first exercise ISOs granted under the Plan during any calendar year may not exceed \$100,000 or such amount as shall be specified in Section 422 of the Code and rules and regulations thereunder.

6.2 Option Agreement. Each Option grant shall be evidenced by an Agreement that shall specify the type of Option granted, the Option Price (as hereinafter defined), the duration of the Option, the number of Shares to which the Option pertains, any conditions imposed upon the exercisability of Options in the event of retirement, death, disability or other termination of employment or service, and such other provisions as the Committee shall determine. The Agreement shall specify whether the Option is intended to be an Incentive Stock Option within the meaning of Section 422 of the Code, or a Non-Qualified Stock Option not intended to be within the provisions of Section 422 of the Code, provided, however, that if an Option is intended to be an Incentive Stock Option but fails to be such for any reason, it shall continue in full force and effect as a Non-Qualified Stock Option. If an Option is intended to be a Performance-Based Compensation Award, the terms and conditions thereof, including the Performance Goal and Performance Period, shall be set forth in an Agreement or in a subplan of the Plan which is incorporated by reference into an Agreement and the requirements to satisfy or achieve the Performance Goal as so provided therein shall be considered to be restrictions under the Plan.

6.3 Option Price. The Option Price of an Option shall be determined by the Committee subject to the following limitations. The Option Price shall not be less than 100% of the Fair Market Value of such Stock on the Grant Date. In addition, an ISO granted to a Key Associate (including any Director who is a Key Associate) who, at the time of grant, owns (within the meaning of Section 424(d) of the Code) stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, shall have an Option Price which is at least equal to 110% of the Fair Market Value of such Stock on the Grant Date.

6.4 Duration of Options. Each Option shall expire at such time as the Committee shall determine, provided, however, that no Option shall be exercisable after the expiration of ten years from its Award Date. In addition, an ISO granted to a Key Associate (including any Key Associate who is a Director) who, at the time of grant, owns (within the meaning of Section 424(d) of the Code) stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, shall not be exercisable after the expiration of five years from its Award Date.

6.5 Exercisability. Options granted under the Plan shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall determine, which need not be the same for all Participants.

6.6 Method of Exercise. Options shall be exercised by the delivery of a written notice to the Company in the form prescribed by the Committee setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares and payment of (or an arrangement satisfactory to the Company for the Participant to pay) any tax withholding required in connection with the Option exercise. The Option Price shall be payable to the Company in full either in cash, by delivery of Shares of Stock valued at Fair Market Value at the time of exercise or by a combination of the foregoing.

To the extent permitted under the applicable laws and regulations, at the request of the Participant and with the consent of the Committee, the Company agrees to cooperate in a "cashless exercise" of an Option. The cashless exercise shall be effected by the Participant delivering to a securities broker instructions to exercise all or part of the Option, including instructions to sell a sufficient number of shares of Stock to cover the costs and expenses

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

associated therewith.

As soon as practicable, after receipt of written notice and payment of the Option Price and completion of payment of (or an arrangement satisfactory to the Company for the Participant to pay) any tax withholding required in connection with the Option exercise, the Company shall deliver to the Participant, stock certificates in an appropriate amount based upon the number of Options exercised, issued in the Participant's name.

6.7 Restrictions on Stock Transferability. The Committee shall impose such restrictions on any Shares acquired pursuant to the exercise of an Option under the Plan as it may deem advisable, including, without limitation, restrictions under applicable Federal securities law, under the requirements of the National Association of Securities Dealers, Inc. or any stock exchange upon which such Shares are then listed and under any blue sky or state securities laws applicable to such Shares. The Committee may specify in an Agreement that Stock delivered on exercise of an Option is Restricted Stock or Stock subject to a buyback right by the Company in the amount of, or based on, the Option Price therefor in the event the Participant does not complete a specified service period after exercise.

6.8 Nontransferability of Options. No Option granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, all Options granted to a Participant under the Plan shall be exercisable during his lifetime only by such Participant or his guardian or legal representative.

Notwithstanding the foregoing or any other provision of the Plan to the contrary, to the extent permissible under Rule 16b-3 of the Exchange Act, a Participant who is granted Non-Qualified Stock Options pursuant to the Plan may transfer such Non-Qualified Stock Options to his or her spouse, lineal ascendants, lineal descendants, or to trusts for their benefit, provided that the Non-Qualified Stock Option so transferred may not again be transferred other than to the Participant originally receiving the grant of Non-Qualified Stock Options or to an individual or trust to whom such Participant could have transferred Non-Qualified Stock Options pursuant to this Section 6.8. Non-Qualified Stock Options which are transferred pursuant to this Section 6.8 shall be exercisable by the transferee subject to the same terms and conditions as would have applied to such Non-Qualified Stock Options in the hands of the Participant originally receiving the grant of such Non-Qualified Stock Options.

6.9 Reload Options. The Committee shall have the authority to specify at the Award Date for an Option that a Participant receiving the Option shall be granted the right to a further Non-Qualified Stock Option (a "Reload Option") in the event the Participant exercises all or a part of the Option, including a Reload Option (an "Original Option"), by surrendering in accordance with Section 6.6 hereof already owned shares of Stock in full or partial payment of the Option Price under such Original Option. Each Reload Option shall be granted on the date of exercise of the Original Option, shall cover a number of shares of Stock not exceeding the whole number of shares of Stock surrendered in payment of the Option Price under such Original Option, shall have an Option Price equal to the Fair Market Value on the Award Date of such Reload Option, shall expire on the stated expiration date of the Original Option and shall be subject to such other terms and conditions as the Committee may determine.

ARTICLE VII Stock Appreciation Rights

7.1 Grant of Stock Appreciation Rights. Subject to the terms and conditions of the Plan, Stock Appreciation Rights may be granted to Key Associates and Directors, at the discretion of the Committee, in any of the following forms, provided, however, that no Participant may be granted more than 90,000 SARs in

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

any calendar year (with SARs cancelled in the same year as granted counted against this limit and with SARs for which the base amount on which the SAR payment at exercise is calculated is reduced treated as cancelled and reissued for this annual limit):

- (a) Inconnection with the grant, and exercisable in lieu of, Options ("Tandem SARs");
- (b) In connection with and exercisable in addition to the grant of Options ("Additive SARs");
- (c) Independent of grant of the Options ("Freestanding SARs"); or
- (d) In any combination of the foregoing.

7.2 SAR Agreement. Each SAR grant shall be evidenced by an Agreement that shall specify its type of SAR and its terms and conditions. If an SAR grant is intended to be a Performance-Based Compensation Award, the Performance Goal and Performance Period shall be set forth in an Agreement or in a subplan of the Plan which is incorporated by reference into an Agreement and the requirements to satisfy or achieve the Performance Goal as so provided therein shall be considered to be restrictions under the Plan.

7.3 Exercise of Tandem SARs. Tandem SARs may be exercised with respect to all or part of the Shares subject to the Related Option. The exercise of Tandem SARs shall cause a reduction in the number of Shares subject to the Related Option equal to the number of Shares with respect to which the Tandem SAR is exercised. Conversely, the exercise, in whole or part, of a Related Option, shall cause a reduction in the number of Shares subject to the Related Option equal to the number of Shares with respect to which the Related Option is exercised. Shares with respect to which the Tandem SAR shall have been exercised may not be subject again to an Award under the Plan.

Notwithstanding any other provision of the Plan to the contrary, a Tandem SAR shall expire no later than the expiration of the Related Option, shall be transferable only when and under the same conditions as the Related Option and shall be exercisable only when the Related Option is eligible to be exercised. In addition, if the Related Option is an ISO, a Tandem SAR shall be exercised for no more than 100% of the difference between the Option Price of the Related Option and the Fair Market Value of Shares subject to the Related Option at the time the Tandem SAR is exercised.

7.4 Exercise of Additive SARs. Additive SARs shall be deemed to be exercised upon, and in addition to, the exercise of the Related Options. The deemed exercise of Additive SARs shall not reduce the number of Shares with respect to which the Related Options remains unexercised.

7.5 Exercise of Freestanding SARs. Freestanding SARs may be exercised upon whatever terms and conditions the Committee, in its sole discretion, imposes upon such SARs.

7.6 Other Conditions Applicable to SARs. In no event shall the term of any SAR granted under the Plan exceed ten years from the Grant Date. A SAR may be exercised only when the Fair Market Value of a Share exceeds either (i) the Fair Market Value per Share on the Grant Date in the case of a Freestanding SAR or (ii) the Option Price of the Related Option in the case of either a Tandem or Additive SAR. A SAR shall be exercised by delivery to the Committee of a notice of exercise in the form prescribed by the Committee.

7.7 Payment after Exercise of SARs. Subject to the provisions of the Agreement, upon the exercise of a SAR, the Participant is entitled to receive, without any payment to the Company (other than required tax withholding amounts), an amount

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

equal (the "SAR Value") to the product of multiplying (i) the number of Shares with respect to which the SAR is exercised by (ii) an amount equal to the excess of (A) the Fair Market Value per Share on the date of exercise of the SAR over (B) either (x) the Fair Market Value per Share on the Award Date in the case of a Freestanding SAR or (y) the Option Price of the Related Option in the case of either a Tandem or Additive SAR. The Agreement may provide for payment of the SAR Value at the time of exercise or, on an elective or non-elective basis, for payment of the SAR Value at a later date, adjusted (if so provided in the Agreement) from the date of exercise based on an interest, dividend equivalent, earnings, or other basis (including deemed investment of the SAR Value in Shares) set out in the Agreement (the "adjusted SAR Value"). The Committee is expressly authorized to grant SARs which are deferred compensation covered by Section 409A of the Code, as well as SARs which are not deferred compensation covered by Section 409A of the Code.

Payment of the SAR Value or adjusted SAR Value to the Participant shall be made in Shares, valued at the Fair Market Value on the date of exercise in the case of an immediate payment after exercise or at the Fair Market Value on the date of settlement in the event of an elective or non-elective delayed payment, in cash or a combination thereof as determined by the Committee, either at the time of the Award or thereafter, and as provided in the Agreement.

7.8 Nontransferability of SARs. No SAR granted under the Plan, and no right to receive payment in connection therewith, may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, all SARs, and rights in connection therewith, granted to a Participant under the Plan shall be exercisable during his lifetime only by such Participant or his guardian or legal representative.

ARTICLE VIII Restricted Stock

8.1 Grant of Restricted Stock. Subject to the terms and conditions of the Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock under the Plan to such Key Associates and Directors and in such amounts as it shall determine, provided, however, that no Participant may be granted more than 50,000 Shares of Restricted Stock in any calendar year. Participants receiving Restricted Stock Awards are not required to pay the Company therefor (except for applicable tax withholding) other than the rendering of services. If determined by the Committee, custody of Shares of Restricted Stock may be retained by the Company until the termination of the Period of Restriction pertaining thereto.

8.2 Restricted Stock Agreement. Each Restricted Stock Award shall be evidenced by an Agreement that shall specify the Period of Restriction, the number of Restricted Stock Shares granted, and the applicable restrictions and such other provisions as the Committee shall determine. If an Award of Restricted Stock is intended to be a Performance-Based Compensation Award, the terms and conditions of such Award, including the Performance Goal and Performance Period, shall be set forth in an Agreement or in a subplan of the Plan which is incorporated by reference into an Agreement and the requirements to satisfy or achieve the Performance Goal as so provided therein shall be considered to be restrictions under the Plan.

8.3 Nontransferability of Restricted Stock. Except as provided in this Article VIII and subject to the limitation in the next sentence, the Shares of Restricted Stock granted hereunder may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the termination of the applicable Period of Restriction or upon the earlier satisfaction of other conditions as specified by the Committee in its sole discretion and set forth in the Agreement. All rights with respect to the Restricted Stock granted to a Participant under the Plan shall be exercisable during his lifetime only by such

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

Participant or his guardian or legal representative.

8.4 Other Restrictions. The Committee may impose such other restrictions on any Shares of Restricted Stock granted pursuant to the Plan as it may deem advisable including, without limitation, restrictions under applicable Federal or state securities laws, and may legend the certificates representing Restricted Stock to give appropriate notice of such restrictions.

8.5 Certificate Legend. In addition to any legends placed on certificates pursuant to Section 8.4 herein, each certificate representing Shares of Restricted Stock granted pursuant to the Plan shall bear the following legend:

The sale or other transfer of the Shares of Stock represented by this certificate, whether voluntary, involuntary, or by operation of law, is subject to certain restrictions on transfer set forth in the Trustmark Corporation 2005 Stock and Incentive Compensation Plan, in the rules and administrative procedures adopted pursuant to such Plan, and in an Agreement dated (date of grant) . A copy of the Plan, such rules and procedures, and such Restricted Stock Agreement may be obtained from the Secretary of Trustmark Corporation.

8.6 Removal of Restrictions. Except as otherwise provided in this Article, Shares of Restricted Stock covered by each Restricted Stock Award made under the Plan shall become freely transferable by the Participant after the last day of the Period of Restriction and, where applicable, after a determination of the satisfaction or achievement on any applicable Performance Goal. Once the Shares are released from the restrictions, the Participant shall be entitled to have the legend required by Section 8.5 herein removed from his Stock certificate.

8.7 Voting Rights. During the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares.

8.8 Dividends and Other Distributions. Unless otherwise provided in the Agreement, during the Period of Restriction, Participants entitled to or holding Shares of Restricted Stock granted hereunder shall be entitled to receive all dividends and other distributions paid with respect to those Shares while they are so held. If any such dividends or distributions are paid in Shares, the Shares shall be subject to the same restrictions on transferability and the same rules for custody as the Shares of Restricted Stock with respect to which they were distributed.

8.9 Termination of Employment or Service. Unless otherwise provided in the Agreement, in the event that a Participant terminates his employment or service with the Company for any reason during the Period of Restriction, then any Shares of Restricted Stock still subject to restrictions as of the date of such termination shall automatically be forfeited and returned to the Company. The Committee may provide for vesting of Restricted Stock in connection with the termination of a Participant's employment or service on such basis as it deems appropriate.

ARTICLE IX Restricted Stock Units

9.1 Grant of Restricted Stock Units. Subject to the terms and conditions of the Plan, the Committee, at any time and from time to time, may grant Restricted Stock Units under the Plan (with one Unit representing one Share) to such Key Associates and Directors and in such amounts as it shall determine, provided, however, that no Participant may be granted more than 50,000 Restricted Stock Units in any calendar year. Participants receiving Restricted Stock Unit Awards are not required to pay the Company therefor (except for applicable tax withholding) other than the rendering of services.

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

9.2 Restricted Stock Unit Agreement. Each Restricted Stock Unit Award shall be evidenced by an Agreement that shall specify the Period of Restriction, the number of Restricted Stock Units granted, and the applicable restrictions and such other provisions as the Committee shall determine. If an Award of Restricted Stock Units is intended to be a Performance-Based Compensation Award, the terms and conditions of such Award, including the Performance Goal and Performance Period, shall be set forth in an Agreement or in a subplan of the Plan which is incorporated by reference into an Agreement and the requirements to satisfy or achieve the Performance Goal as so provided therein shall be considered to be restrictions under the Plan.

Unless otherwise provided in the Agreement, during the Period of Restriction, Participants holding Restricted Stock Units shall have added to their rights all dividends and other distributions which would have been paid with respect to the Shares represented by those Restricted Stock Units if such Shares were outstanding, and such deemed dividends or distributions shall be subject to the same restrictions, vesting and payment as the Restricted Stock Units to which they are attributable. Unless otherwise provided in the Agreement, during the Period of Restriction, any such deemed dividends and other distributions shall be deemed converted to additional Restricted Stock Units based on the Fair Market Value of a Share on the date of payment or distribution of the deemed dividend or distribution.

9.3 Payment after Lapse of Restrictions. Subject to the provisions of the Agreement, upon the lapse exercise of restrictions with respect to a Restricted Stock Unit, the Participant is entitled to receive, without any payment to the Company (other than required tax withholding amounts), an amount equal (the "RSU Value") to the product of multiplying (i) the number of Shares with respect to which the restrictions lapse by (ii) the Fair Market Value per Share on the date the restrictions lapse.

The Agreement may provide for payment of the RSU Value at the time of exercise or, on an elective or non-elective basis, for payment of the RSU Value at a later date, adjusted (if so provided in the Agreement) from the date of exercise based on an interest, dividend equivalent, earnings, or other basis (including deemed investment of the RSU Value in Shares) set out in the Agreement (the "adjusted RSU Value"). The Committee is expressly authorized to grant Restricted Stock Units which are deferred compensation covered by Section 409A of the Code, as well as Restricted Stock Units which are not deferred compensation covered by Section 409A of the Code.

Payment of the RSU Value or adjusted RSU Value to the Participant shall be made in Shares, valued at the Fair Market Value on the date the restrictions therefor lapse in the case of an immediate payment after vesting or at the Fair Market Value on the date of settlement in the event of an elective or non-elective delayed payment, in cash or a combination thereof as determined by the Committee, either at the time of the Award or thereafter, and as provided in the Agreement.

9.4 Nontransferability of Restricted Stock Units. No Restricted Stock Unit granted under the Plan, and no right to receive payment in connection therewith, may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, all Restricted Stock Units, and rights in connection therewith, granted to a Participant under the Plan shall be exercisable during his lifetime only by such Participant or his guardian or legal representative.

9.5 Termination of Employment or Service. Unless otherwise provided in the Agreement, in the event that a Participant terminates his employment or service with the Company for any reason during the Period of Restriction, then any Restricted Stock Units still subject to restrictions as of the date of such

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

termination shall automatically be forfeited and returned to the Company. The Committee may provide for vesting of Restricted Stock Units in connection with the termination of a Participant's employment or service on such basis as it deems appropriate.

ARTICLE X Performance Units

10.1 Grant of Performance Units. Subject to the terms and conditions of the Plan, Performance Units may be granted to Key Associates and Directors at any time and from time to time as shall be determined by the Committee, provided, however, that no Participant may be granted Performance Units with a dollar value in excess of \$1,000,000 in any calendar year. Otherwise, the Committee shall have complete discretion in determining the number of Performance Units granted to each Participant. Participants receiving such Awards are not required to pay the Company therefor (except for applicable tax withholding) other than the rendering of services.

10.2 Performance Unit Agreement. Each Performance Unit is intended to be a Performance-Based Compensation Award, and the terms and conditions of each such Award, including the Performance Goal and Performance Period (which may be equal to, less than or more than one year), shall be set forth in an Agreement or in a subplan of the Plan which is incorporated by reference into an Agreement. The Committee shall set the Performance Goal in its discretion for each Participant who is granted a Performance Unit.

10.3 Settlement of Performance Units. After a Performance Period has ended, the holder of a Performance Unit shall be entitled to receive the value thereof based on the degree to which the Performance Goals and other conditions established by the Committee and set forth in the Agreement (or in a subplan of the Plan which is incorporated by reference into an Agreement) have been satisfied.

10.4 Form of Payment. Payment of the amount to which a Participant shall be entitled upon the settlement of a Performance Unit shall be made in cash, Stock or a combination thereof as determined by the Committee. Payment may be made in a lump sum or installments as determined by the Committee.

10.5 Nontransferability of Performance Units. No Performance Unit granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, otherwise than by will or by the laws of descent and distribution. All rights with respect to Performance Units granted to a Participant under the Plan shall be exercisable during his lifetime only by such Participant or his guardian or legal representative.

ARTICLE XI Change in Control

Notwithstanding the foregoing, however, no modification of an Award, shall, without the consent of the Participant, adversely affect the rights or obligations of the Participant.

ARTICLE XIII Amendment, Modification and Termination of the Plan

Such amendment or modification may be without shareholder approval except to the extent that such approval is required by the Code, pursuant to the rules under Section 16 of the Exchange Act, by any national securities exchange or system on which the Stock is then listed or reported, by any regulatory body having jurisdiction with respect thereto or under any other applicable laws, rules or regulations.

Exhibit B

TRUSTMARK CORPORATION
AUDIT AND FINANCE COMMITTEE CHARTER

Edgar Filing: TRUSTMARK CORP - Form DEF 14A

The Audit and Finance Committee (the Committee) is a committee of the Board of Directors. Its primary function is to assist the Board in fulfilling its oversight responsibilities by monitoring Trustmark's accounting and financial reporting process, the systems of internal controls that management and the Board of Directors have established, and the audit process. The Committee is neither intended nor equipped to guarantee with certainty to the full Board and shareholders the accuracy and quality of Trustmark's financial statements and accounting practices. Proper financial reporting, accounting, and audit functions are collaborative efforts conducted by full-time professionals dedicated to these purposes. The Committee oversees the work of others involved in the financial reporting process—management, including the internal auditor, and the independent accountant – and assesses practices and safeguards, and encourages procedures that promote accountability on the part of the full-time professionals.

Audit and Finance Committee members shall meet the requirements of the National Association of Securities Dealers and the Securities and Exchange Commission. The Audit and Finance Committee shall be comprised of three or more Directors as determined by the Board, each of whom shall be independent directors, free from any relationship that would interfere with the exercise of his or her independent judgment. No member of the Committee shall participate in the preparation of the financial statements of the company or any of its subsidiaries. Audit and Finance Committee members must not accept any consulting, advisory, or other compensatory fees from the company other than for board service, and they must not be an affiliated person of the company. All members of the Committee shall have a basic understanding of finance and accounting and be able to read and understand fundamental financial statements, including Trustmark's balance sheet, income statement and cash flow statement and at least one member of the Committee shall meet the requirements of an audit committee financial expert as defined, or the reasons why not will be disclosed.

Audit and Finance Committee members shall be appointed by the Board of Directors on recommendation of the Executive Committee. If an Audit and Finance Committee chairperson is not designated or present, the members of the Committee may designate a chairperson by majority vote of the Committee membership.

The Committee shall meet at least five times annually, or more frequently as circumstances dictate. The Audit and Finance Committee chairperson shall prepare or approve an agenda in advance of each meeting. The Committee shall meet privately on a regular basis with management, the director of the internal auditing department, the independent accountants, and as a committee to discuss any matters that the Committee or each of these groups believe should be discussed. The Committee shall provide an open avenue of communication between the internal auditors, the independent accountant, management, and the Board of Directors.

The Committee shall have the power, including funding, to conduct or authorize investigations into any matters within the Committee's scope of responsibilities. The Committee shall be empowered to retain independent counsel, accountants, or others to assist it in the conduct of any investigation.

The Audit and Finance Committee's responsibilities include:

I. Oversight of Trustmark's Audit Activities

- A. Recommend to the Board of Directors the independent accountants to be nominated, approve the compensation of the independent accountants, evaluate the independent accountants; and where appropriate, replace the independent accountants.

Inquire of any other relationships that the independent accountants might have that would impair their objectivity and independence. Actively engage in a dialogue with the independent accountants with respect to any disclosed relationships or services. Obtain from the independent accountants written disclosures required by the Independence Standards Board. Establish and monitor adherence to a pre-approval policy for use of the independent accountant.
 - D. Review and concur in the appointment, replacement, reassignment, performance, or dismissal of the director of internal auditing.
 - E. Consider, in consultation with the independent accountants and the director of internal auditing, the audit scope and plan of the internal auditors and the independent accountants. Review and approve the independent accountants' engagement letter.
 - F. Review with the director of internal auditing and the independent accountants the coordination of audit effort to assure completeness of coverage, reduction of redundant efforts, and the effective use of audit resources.
 - G. Consider and review with management and the director of internal auditing:

 - 4. The internal auditing department budget and staffing.

 - 6. Internal auditing's compliance with The IIA's Standards for the Professional Practice of Internal Auditing.

- A. Review with management and the independent accountants at the completion of the annual examination:

 9. Other matters related to the conduct of the audit, which are to be communicated to the Committee under generally accepted auditing standards.

- C. Provide that management and the independent accountants discuss with the Audit and Finance Committee their judgments about the quality, not just the acceptability, of Trustmark's accounting principles as applied in its financial reporting. Inquire as to the consistency of Trustmark's accounting principles and their application, and the clarity and completeness of Trustmark's financial statements, which include related disclosures. Inquire regarding items that have a significant impact on the representational faithfulness, verifiability, and neutrality of the accounting information included in the financial statements.
- D. Discuss any items required to be communicated by the independent accountants prior to filing interim financial statements. Inquire of any disagreements with management and its resolution quarterly.
- E. Review annually with general counsel legal and regulatory matters that may have a material impact on the financial statements, related company compliance policies, and programs and reports or inquiries received from regulators or other governmental agencies.
- F. Submit reports as required by the Securities and Exchange Commission and/or the National Association of Securities Dealers.
- G. Establish and review procedures for the receipt, retention, and treatment of complaints regarding accounting, internal accounting controls or auditing matters, including procedures for the confidential, anonymous submission by associates of the company of concerns regarding questionable accounting or auditing matters.
- III. Other Audit and Finance Committee Responsibilities
- A. Annually review a summary of Directors' and officers' related transactions and potential conflicts of interest.
 - B. Review annually with the director of internal auditing and the independent accountants the results of their review of Trustmark's monitoring of compliance with Trustmark's codes of conduct.
 - C. Consider with management and the independent accountants the rationale for employing audit firms other than the principal independent accountant.

- G. Review and reassess the adequacy of the Committee's charter annually. The Charter shall be approved by the Board of Directors and published at least every three years in accordance with SEC regulations.
