Item 5.03. Amendments to Articles of Incorporation or By-Laws; Change in Fiscal Year.

On January 12, 2015, the Board amended the Company's Amended and Restated Bylaws (the "Bylaws"), with an effective date as of January 16, 2015, by changing the voting method in an uncontested election of directors from a plurality vote to a majority vote. As such, the second sentence of Article II, Section 2.6 of the Bylaws, as amended, was replaced with the following two sentences: "A nominee for director shall be elected to the Board of Directors if a majority of the votes cast are in favor of such nominee's election; provided, however, that, if the number of nominees for director exceeds the number of directors to be elected, directors shall be elected by a plurality of the votes of the shares represented in person or by proxy at any meeting of stockholders held to elect directors and entitled to vote on such election of directors. For purposes of the preceding sentence, a majority of the votes cast shall mean the number of shares voted "for" a nominee's election exceeds the number of votes cast "against" that nominee's election." A copy of the Bylaws, as amended, is filed as Exhibit 3.1 to this Current Report on Form 8-K and is incorporated herein by reference.

In connection with the amendments to the Bylaws, the Board also amended, effective as of January 16, 2015, the Company's Corporate Governance Guidelines to require an incumbent director who fails to receive a majority of votes cast with respect to his or her election in an uncontested election to tender his or her resignation. Such resignation will be considered by the Governance Committee, which will make a recommendation to the Board whether to accept or reject the resignation. Such resignation would be effective only upon acceptance by the Board. The amended Corporate Governance Guidelines can be found in the Governance section of the Company's website at http://www.franklin-electric.com.
