 - (k) [] Group, in accordance with \$240.13d 1(b)(1)(ii)(K).

If filing as a non U.S. institution in accordance with $\$240.13d\ 1(b)\ (1)\ (ii)\ (J)$. please

specify the type of institution:

Item 4. Ownership

The securities reported herein (the "Securities") are beneficially owned by one or

more open or closed end investment companies or other managed accounts that are

investment management clients of investment managers that are direct and indirect

subsidiaries (each, an "Investment Management Subsidiary" and, collectively, the

"Investment Management Subsidiaries") of Franklin Resources, Inc. ("FRI"), including

the Investment Management Subsidiaries listed in Item 7. Investment management

contracts grant to the Investment Management Subsidiaries all investment and/or

voting power over the securities owned by such investment management clients, unless

otherwise noted in this Item 4. Therefore, for purposes of Rule $13d\ 3$ under the Act,

the Investment Management Subsidiaries may be deemed to be the beneficial owners of

the Securities.

Beneficial ownership by Investment Management Subsidiaries and other affiliates of

 $\ensuremath{\mathsf{FRI}}$ is being reported in conformity with the guidelines articulated by the $\ensuremath{\mathsf{SEC}}$ staff

in Release No. 34 39538 (January 12, 1998) relating to organizations, such as FRI,

where related entities exercise voting and investment powers over the securities

being reported independently from each other. The voting and investment powers held

by Franklin Mutual Advisers, LLC ("FMA"), an indirect wholly owned Investment

Management Subsidiary, are exercised independently from FRI and from all other

Investment Management Subsidiaries (FRI, its affiliates and the Investment Management

internal policies and procedures of FMA and FRI establish informational barriers that

prevent the flow between FMA and the FRI affiliates of information that relates to $% \left(1\right) =\left(1\right) +\left(1\right)$

the voting and investment powers over the securities owned by their respective

investment management clients. Consequently, FMA and the FRI affiliates report the $\,$

securities over which they hold investment and voting power separately from each

other for purposes of Section 13 of the Act.

Charles B. Johnson and Rupert H. Johnson, Jr. (the "Principal Shareholders") each own

in excess of 10% of the outstanding common stock of FRI and are the principal $\,$

stockholders of FRI. FRI and the Principal Shareholders may be deemed to be, for

purposes of Rule 13d 3 under the Act, the beneficial owners of securities held by

persons and entities for whom or for which FRI subsidiaries provide investment $% \left(1\right) =\left(1\right) +\left(1\right) +\left($

management services. The number of shares that may be deemed to be beneficially

CUSIP NO. 111621306 Page 8 of 14 13G

owned and the percentage of the class of which such shares are a part are reported in

Items 9 and 11 of the cover pages for FRI and each of the Principal Shareholders.

FRI, the Principal Shareholders and each of the Investment Management Subsidiaries

disclaim any pecuniary interest in any of the Securities. In addition, the filing of

this Schedule 13G on behalf of the Principal Shareholders, FRI and FRI affiliates, as $\frac{1}{2}$

applicable, should not be construed as an admission that any of them is, and each of

them disclaims that it is, the beneficial owner, as defined in Rule 13d 3 , of any of

the Securities.

FRI, the Principal Shareholders, and each of the Investment Management Subsidiaries

believe that they are not a "group" within the meaning of Rule 13d 5 under the Act

and that they are not otherwise required to attribute to each other the beneficial

ownership of the Securities held by any of them or by any persons or entities for

whom or for which the Investment Management Subsidiaries provide investment management services.

Item 10. Certification

By signing below I certify that, to the best of $my\ knowledge\ and\ belief,$ the

securities referred to above were acquired and are held in the ordinary course of

business and were not acquired and are not held for the purpose of or with the effect

of changing or influencing the control of the issuer of the securities and were not

acquired and are not held in connection with or as a participant in any transaction

having that purpose or effect.

This report shall not be construed as an admission by the persons filing the report $% \left(1\right) =\left(1\right) +\left(1\right)$

that they are the beneficial owner of any securities covered by this report.

[1] Franklin Templeton Portfolio Advisors, Inc. ("FTPA") may beneficially own these securities pursuant to various separately

managed account investment management arrangements. Under these arrangements, underlying clients may, from time

to time, delegate to FTPA the power to vote such securities, in which case FTPA has sole voting power. To the extent that

the underlying client retains voting power over any securities, FTPA disclaims any power to vote or direct the vote of such

securities.

[2] One or more of the investment management contracts that relates to these securities provides that the applicable FRI affiliate

share investment power over the securities held in the applicable account(s) with another unaffiliated entity. The issuer's

securities held in any such account(s) are less than 5% of the outstanding shares of the class. In addition, FRI does not

believe that any such contract causes such client or unaffiliated entity to be part of a group with FRI or any FRI affiliate within

the meaning of Rule 13d 5 under the Act.
