On March 3, 2008, the Board of Directors of General Motors Corporation took the following actions. Regarding incentive compensation, any actual compensation that may be realized from the following grants will be dependent on GM's financial results and stock price performance.

(1) Frederick A. Henderson, 49, has been elected President and Chief Operating Officer of the Corporation effective March 3, 2008. Mr. Henderson has been Chief Financial Officer and a Vice Chairman of the Corporation since January 1, 2006. The restricted stock units will vest 1/3 in year three (2011) with the remaining 2/3 vesting through year five.

Mr. Henderson's brother, Douglas L. Henderson, is a non-executive employee of the Corporation, with annual compensation of less than \$200,000. Other than that relationship, there is no reportable relationship between the Corporation or its affiliates and Mr. Henderson.

(4) Grants of performance contingent stock options were approved for Messrs. Wagoner and Henderson, in amounts of 500,000 shares and 200,000 shares, respectively. These options were granted at \$23.13 on the date of grant, March 5, 2008 and will vest following the first anniversary date of the grant if the price of GM Common stock reaches \$40.00 (173% of the grant price) prior to March 5, 2013 and this price is maintained for a ten day period within thirty consecutive trading days. Vested performance options may be exercised through March 5, 2015 (a seven year term). Net shares acquired upon exercise must be held for at least a two year period while the executive is actively employed.
