## Item 8.01 Other Events

During the three months ended March 31, 2017, we realigned certain of our businesses among our reportable segments to correspond with internal management reporting changes and our previously announced planned exit from the Individual Commercial medical business on January 1, 2018. Additionally, we renamed our Group segment to the Group and Specialty segment, and began presenting the Individual Commercial business results as a separate segment rather than as part of the Retail segment. Specialty health insurance benefits, including dental, vision, other supplemental health, and financial protection products, marketed to individuals are now included in the Group and Specialty segment. Specialty health insurance benefits marketed to employer groups continue to be included in the Group and Specialty segment. As a result of this realignment, our reportable segments now include Retail, Group and Specialty, Healthcare Services, and Individual Commercial. Prior period segment financial information has been recast to conform to the 2017 presentation.

We began to report under our new structure effective with the filing of our Quarterly Report on Form 10-Q for the three months ended March 31, 2017. This Current Report on Form 8-K (this “Form 8-K”) updates and supersedes the information in Items 1, 6, 7 and 8 of our Annual Report on Form 10-K for the year ended December 31, 2016 (the “2016 Form 10-K”) to reflect retrospective application of the new segments and reclassified historical results to conform to the new presentation. These adjustments had no impact on net income, cash flows or equity. Except as specifically provided, the information in this Form 8-K does not reflect any event or development occurring after February 17, 2016, the date we filed the 2016 Form 10-K. For a discussion of events and developments subsequent to the filing of the 2016 Form 10-K, please refer to our Securities and Exchange Commission (“SEC”) filings since that date. In our Quarterly Reports on Form 10-Q for the quarterly periods ended March 31, 2017, June 30, 2017 and September 30, 2017, we adjusted the unaudited condensed consolidated financial statements for the three months ended March 31, 2016 and for the three and six months ended June 30, 2016 to reflect the retrospective application of our new segments. Accordingly, we are filing this Form 8-K so that our annual financial statement information for years prior to January 1, 2017 incorporated by reference in any document that we have filed or may file from time to time with the SEC would reflect our reclassification of certain businesses.
