PAR TECHNOLOGY CORPORATION REPORTS FOURTH QUARTER RESULTS

## Edgar Filing: PAR TECHNOLOGY CORP - Form 8-K

-----  
NEW HARTFORD, NY, PAR TECHNOLOGY CORPORATION (NYSE:PTC)

New Hartford, NY-- February 11, 2008 -- PAR Technology Corporation (NYSE: PTC), a leader in providing integrated hardware, software and service solutions to the hospitality industry, and provider of Government I/T solutions and services, today reported financial results for the fourth quarter and year ended December 31, 2007.

For the fourth quarter ended December 31, 2007, PAR Technology Corporation reported revenues of \$60.2 million compared to \$54.2 million in the fourth quarter 2006, an increase of 11%. Net income in the period was \$483,000 versus the \$820,000 earned in the fourth quarter one year ago, a decline of 41%. The Company reported diluted net earnings per share of \$0.03 for this past quarter, 50% lower than the \$0.06 reported for the same period a year earlier.

For the year ended December 31, 2007, PAR Technology Corporation reported revenues of \$209.5 million, basically flat from the \$208.7 million reported one year ago. The Company also reported a net loss of \$2.7 million in 2007 versus net income of \$5.7 million earned last year. Diluted net loss per share in 2007 was reported at \$0.19 compared to diluted net income per share of \$0.39 reported for the year 2006.

John W. Sammon, PAR Chairman & CEO commented, "We faced a number of challenges in 2007, many of which had an impact on our operating results. We never-the-less are pleased with our revenue growth in the fourth quarter and our return to profitability.

"Sammon went on to say, "Despite difficult economic trends in the U.S., our outlook for 2008 anticipates improved operating results in each of our business segments. The Company, along with our management team, is committed to managing our business toward improved operating results during the coming year. From a long-term perspective, we believe PAR is well positioned to benefit from multiple growth opportunities, as the trend towards integrated services and solutions in the hospitality marketplace continues to accelerate. We are optimistic about our ability to take advantage of these opportunities based on our product and service offerings, relationships with industry leaders in each segment of hospitality, and our demonstrated ability to deliver business value at high levels of scalability for our customers."

Certain Company information in this release or by its spokespersons from time to time may contain forward-looking statements. Any statements in this document that do not describe historical facts are forward-looking statements. Forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Investors are cautioned that all forward-looking statements involve risks and uncertainties, including without limitation, delays in new product introduction, risks in technology development and commercialization, risks in product development and market acceptance of and demand for the Company's products, risks of downturns in economic conditions generally, and in the quick service sector of the restaurant market specifically, risks of intellectual property rights associated with competition and competitive pricing pressures, risks associated with foreign sales and high customer concentration, and other risks detailed in the Company's filings with the Securities and Exchange Commission.

PAR Technology Corporation creates and markets products that help hospitality operators around the world to better manage money, materials, people and the guest experience. PAR has provided hardware, software and services to the world's largest restaurant chains and their franchisees for almost 30 years. Today the Company's extensive offering includes technology solutions for the full spectrum of hospitality operations, from boutique hotels and independent table service restaurants to international QSR chains, all backed by PAR's
