- (c). Principal Business Address: 2141 Rosecrans Avenue, Suite 4000, El Segundo, California 90245.

Edgar Filing: CHICAGO CARBON CO - Form SC 13D/A

- (a). Name: Unocal Corporation, a Delaware corporation ("Unocal")
- (b). Principal Business: Oil and gas exploration and production
- (c). Principal Business Address: 2141 Rosecrans Avenue, Suite 4000, El Segundo, California

8

Attached as Appendix A is information concerning each partner of Chicago and the executive officers and directors of Lemont, Midwest 76, Midwest, Union and Unocal required to be disclosed in response to Item 2 and General Instruction C to Schedule 13D. Such persons may be deemed, but are not conceded to be, controlling persons of these entities. Collectively, Chicago, Lemont, Midwest 76, Midwest, Union and Unocal are hereinafter referred to as the "Reporting Persons."

(d) During the past five years, none of the Reporting Persons nor any of the persons referred to in Appendix A has been convicted in a criminal proceeding (excluding traffic violations and similar misdemeanors).

(e) None of the Reporting Persons nor any of the persons referred to in Appendix A has been party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws, during the last five years.

(f) All persons named in Appendix A are citizens of the United States.

Item 3. Source and Amount of Funds or Other Consideration.

Not applicable. See Item 4.

Item 4. Purpose of Transaction.

Union Oil originally purchased the shares of Common Stock reported herein for the purpose of investment. Union Oil subsequently sold the shares to Chicago in order to achieve a more tax-efficient corporate holding structure for the shares and at the time Chicago acquired the shares for the purpose of investment. Under the Stock Ownership and Registration Rights Agreement, dated as of June 29, 1999 by and between Union Oil and the Issuer (the "Stock Ownership Agreement"), a copy of which is attached hereto as Exhibit B, Union Oil retained (and pursuant to the Addendum referred to in the next sentence, Chicago succeeded to) the absolute right to vote its shares of Common Stock as it individually determined except as otherwise described in Item 6 hereof and in the Stock Ownership Agreement. Upon the sale of the shares to Chicago, Chicago, Union Oil and the Issuer executed an addendum to the Stock Ownership Agreement (the "Addendum"), attached hereto as Exhibit C, whereby Chicago became a party to the agreement and became bound by the same obligations as Union Oil under the agreement. With respect to plans or proposals that Union Oil may have that relate to any change in the present board of directors or management of the Issuer, Union Oil has the right under the Addendum to designate one member of the board of directors of the Issuer. Union Oil's current designated director to the Issuer's board of directors is Mr. Kenneth Butler.

The Stock Ownership Agreement affords Chicago certain rights, including the right to: (i) require the Issuer to undertake, from time to time, the registration with the U.S. Securities and Exchange Commission (the "S.E.C.") some or all of the shares of Common Stock it owns, subject to customary

Edgar Filing: CHICAGO CARBON CO - Form SC 13D/A

limitations as set forth in the Stock Ownership Agreement; (ii) request that some or all of its shares of Common Stock be included with other shares of Common Stock that the Issuer proposes to register with the S.E.C., whether such registration relates to a primary or secondary offering or an offering of shares of Common Stock under a universal shelf registration statement subject to customary limitations as set forth in the Stock Ownership Agreement; and (iii) to acquire as many shares of Common Stock as may be required to maintain its then current ownership percentage if the Issuer sells or transfers additional shares of Common Stock that would otherwise dilute Chicago's ownership percentage.

On May 1, 2003, the Issuer filed a universal shelf registration statement on S.E.C. Form S-3 to sell up to \$500,000,000 of debt or equity securities. In response to the Issuer's filing as well as other strategic business considerations, Chicago is presently considering its options with respect to the shares of Common Stock it holds, including whether to sell some or all of them by exercising its registration rights under the Stock Ownership Agreement or otherwise. It is unlikely that Chicago will exercise its right to acquire additional shares of Common Stock in accordance with its rights under the Stock Ownership Agreement.

Item 5. Interest in the Securities of the Issuer.

(a) There were 39,420,303 shares of Common Stock outstanding as of March 31, 2003. The Reporting Persons are deemed to be the beneficial owners of 5,800,000 shares of Common Stock, which constitute approximately 14.71323% of the total issued and outstanding Common Stock as of March 31, 2003.

(b) Chicago is controlled by three general partners - Lemont, Midwest 76 and Midwest - which are wholly owned subsidiaries of Union. Union is a wholly owned subsidiary of Unocal. Therefore, Unocal may be deemed to control Union,

9

Lemont, Midwest 76, Midwest, and Chicago. Thus, the Reporting Persons may be deemed to share voting power and investment power with respect to the Common Stock.

(c) None of the Reporting Persons, nor any person listed on Appendix A, has effected any transactions in the Common Stock during the past 60 days.

(d) To the best of the knowledge of the Reporting Persons, none of the Reporting Persons nor any person listed on Appendix A beneficially owns any Common Stock of the Issuer except as set forth above. To the best of the knowledge of each reporting Person, no persons other than Chicago has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the shares of Common Stock beneficially owned by the Reporting Persons.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

The shares of Common Stock acquired by Union and subsequently sold to Chicago were acquired in a private placement and are restricted securities. Pursuant to the Stock Ownership Agreement, Union retained the absolute right to vote its shares of Common Stock as it individually determined except that for so long as Union owns greater than 10% of Common Stock, it must vote its shares in

Edgar Filing: CHICAGO CARBON CO - Form SC 13D/A

favor of the director nominees recommended by the management of the Issuer. In addition, certain transfer restrictions, and registration rights granted by the issuer are set forth in the Stock Ownership Agreement, a copy of which was included as Exhibit B to Schedule 13D filed on July 12, 1999. After the sale of the shares to Chicago, Union and the Issuer executed an addendum to the Stock Ownership Agreement (included as Exhibit B to this Schedule 13D) which has the same force and effect as if Chicago had executed a counterpart of the Stock Ownership Agreement. Additionally, the Issuer and Union executed a covenant (attached as Exhibit D to this Schedule 13D) whereby the Issuer consents to the transfer, Chicago agrees to comply with the terms and conditions of the Stock Ownership Agreement, and Union agrees to certain conditions including maintaining not less than 80% of the voting power of Chicago. Union and Chicago also executed a Clarification and Assignment (filed as Exhibit E to this Schedule 13) whereby Union assigns, conveys, and delivers to Chicago all of Union's rights, title and interest in to, and under the Stock Ownership Agreement (other than Union's rights, titles, and interests under Article 111 of the Stock Ownership Agreement, relating to Union's right to designate a director or a director nominee to the Board of Directors of the Issuer.

Item 7. Material to be Filed as Exhibits.

- Exhibit A Joint Filing Agreement, dated June 3, 2003.
- Exhibit B Stock Ownership and Registration Rights Agreement, dated as of June 29, 1999 by and between Union Oil and the Issuer (incorporated by reference to Exhibit B to the Schedule 13D of the Reporting Persons filed July 12, 1999).
- Exhibit C Addendum to Stock Ownership and Registration Rights Agreement dated as of September 30, 1999 by and between Union and Chicago (incorporated by reference to Exhibit B to the Schedule 13D/A of the Reporting Persons filed November 16, 1999).
- Exhibit D Unocal Covenant dated as of September 30, 1999 (incorporated by reference to Exhibit C to the Schedule 13D/A of the Reporting Persons filed November 16, 1999).
- Exhibit E Clarification and Assignment dated as of September 30, 1999 by and between Union and Chicago (incorporated by reference to Exhibit D to the Schedule 13D/A of the Reporting Persons filed November 16, 1999).
