BACKGROUND

1. By Order dated November 12, 1998 (HCAR No. 35-26939) in this File No. 70-9343, the Commission authorized, among other things, (i) the formation and financing by Northeast Utilities ("NU") of a nonutility subsidiary holding company (which is referred to therein as "Newco" but which is now known as NU Enterprises, Inc. ("NUEI")) which will engage, through multiple subsidiaries, in a variety of energy related and other activities and (ii) the acquisition by NUEI of the securities of GENCO (now known as Northeast Generation Company), Northeast Generation Services, Inc.

Edgar Filing: NORTHEAST UTILITIES SYSTEM - Form U-1/A

(now known as Northeast Generation Services Company), HEC Inc. (now known as Select Energy Services, Inc.), Mode 1 Communications, Inc. and Select Energy, Inc. The Commission, through subsequent orders in this file, also authorized NU and NUEI to issue guarantees or provide other forms of credit support or enhancements (collectively, "Guarantees") to or for the benefit of NUEI, NUEI's nonutility subsidiaries, and NU's other to-be-formed direct or indirect energy-related companies, as defined in rule 58 under the Act, in an aggregate amount not to exceed \$500 million (the "Guarantee Limit"), at any one time, through December 31, 2002. See, Order dated May 19, 1999 (HCAR No. 35-27029) and Order dated October 21, 1999 (HCAR No. 35-27093). NU and NUEI now seek to increase the Guarantee Limit to \$750 million and to extend the date through which the Guarantees may be provided through September 30, 2005.

2. This post-effective amendment to the Application is filed to obtain authorization for the increase in the Guarantee Limit and the extension of the Guarantee period as described above.

AMENDMENT TO THE APPLICATION

To reflect the foregoing, the Application/Declaration in this proceeding, as previously amended, is further amended as follows:

3. The first sentence of Paragraph 8 is deleted and replaced with the following:

"NU and NUEI also propose to issue guarantees or provide other forms of credit support or enhancements (collectively, "Guarantees") to or for the benefit of NUEI, the Nonutility Subsidiaries and NU's other direct and indirect Rule 58 subsidiaries to be formed by NU, NUEI or the Nonutility Subsidiaries (the "Guaranteed Entities") in an aggregate amount not to exceed \$750 million ("Aggregate Authorization"), through September 30, 2005."

ITEM 5. PROCEDURE

4. The Applicants respectfully request the Commission's approval, pursuant to this Application, as amended, of all transactions described herein. The current period during which Guarantees may be issued expires December 31, 2002, accordingly, the Applicants further request that the Commission issue an order authorizing the transactions proposed herein at the earliest practicable date, but in any event no later than December 31, 2002. The Applicants hereby waive any recommended decision by a hearing officer or by any other responsible officer of the Commission and waive the 30-day waiting period between issuance of the Commission's order and the date on which it is to become effective, since it is desired that the Commission's order, when issued, become effective immediately. The Applicants consent that the office of Public Utility Regulation within the Division of Investment Management may assist in the preparation of the Commission's decision and/or order.
