(e) Compensatory Arrangements for Certain Officers.

On February 21, 2012, the Board of Directors of Bar Harbor Bankshares (the Company), upon the recommendation of the Company's Compensation Committee, which, among other things, reviews and approves incentive plans for executive officers, approved the 2012 Annual Incentive Plan (the Plan) and designated target awards for fiscal year 2012 (calculated as a percentage of base salary) for certain executive officers of the Company and its wholly owned first tier bank and second tier trust company subsidiaries, including the Company's named executive officers.

The Plan focuses on rewarding for the achievement of specific goals that we believe are critical to the growth and profitability of the Company. The principal objectives of the plan are to:

- 
- Focus executive attention on key business metrics;
- 
- Align compensation with organizational and individual performance;
- 
- Encourage teamwork and collaboration across all areas of the Company to drive improved business results;
- 
- Motivate and reward the achievement of specific, measurable performance objectives;
- 
- Provide competitive total cash compensation;
- 
- Provide significant reward for achieving and exceeding performance results; and
- 
- Enable the Company to attract and retain the talent needed to drive success.

Plan performance goals are based on net income and efficiency ratio measures. In addition each participant has two to four individual goals that focus on either departmental or team performance such as lending growth, deposits growth, or asset quality measures. The mix of these goals varies by role.

In addition to the mix of a net income and an efficiency ratio measure, Mr. Murphy has an asset quality matrix measure. In addition to the overall team measures, Mr. Shencavitz's model includes measures of investment income and investment yield. The awards to Messrs. Bonsey, Dalton and Leackfeldt include the two team goals along with loan and deposit growth and the asset quality matrix measure. Mr. Leackfeldt also has a Deposit yield measure.

The table below provides guidelines for the allocation of participant's incentives for each performance component

<b>Position</b>	<b>BHB/Team Performance</b>	<b>Individual Performance</b>
Joseph M. Murphy, CEO/President	75%	25%
Gerald Shencavitz, EVP and CFO	75%	25%
Gregory Dalton, SVP	30%	70%
Messrs. Bonsey and Leackfeldt	50%	50%

The Company has developed the Plan based on existing business, market and economic conditions. If substantial changes occur that affect these conditions, the Company may add to, amend, modify or discontinue any of the terms or conditions of the Plan at any time. The Compensation Committee may, at its sole discretion, waive, change or amend the Plan, as it deems appropriate.
