Item 8.01 Other Events

On July 23, 2008, the Board of Directors of San Jose Water Company, a wholly owned subsidiary of SJW Corp., approved (1) the First Amendment to San Jose Water Company's Executive Supplemental Retirement Plan attached hereto as Exhibit 10.1 (the "Amendment") and (2) the Cash Balance Executive Supplemental Retirement Plan attached hereto as Exhibit 10.2 (the "Cash Balance SERP").

As a result of the Amendment, executive officers and other management personnel of San Jose Water Company or other SJW Corp. affiliates who commence employment on or after March 31, 2008 will not be eligible to participate in the existing San Jose Water Company Executive Supplemental Retirement Plan. That plan provides participants with a monthly pension benefit that supplements the pension they earn under the San Jose Water Company tax-qualified Retirement Plan (the "Retirement Plan").

The new Cash Balance SERP is a supplemental retirement benefit plan for executive officers and other key management personnel of San Jose Water Company and other SJW Corp. affiliates who commence employment on or after March 31, 2008 and are accordingly ineligible to participate in the existing Executive Supplemental Retirement Plan. The actual participants will be selected from time to time by the Executive Compensation Committee of the SJW Corp. Board of Directors.

An account balance will be maintained for each participant in the Cash Balance SERP and will be periodically credited with a percentage of his or her compensation for the applicable period based on his or her years of credited service in accordance with the following formula:

Years of Credited Service	Percent of Compensation
-----	-----
Less than 5	10%
5 but less than 10	11%
10 but less than 15	12%
15 but less than 20	14%
20 or more	16%

The account balance will also be credited periodically with interest pursuant to a pre-established formula. The participant will vest in his or her account balance upon completion of ten (10) years of service or upon certain changes in control or ownership of SJW Corp.

The account balance accrued under the Cash Balance SERP will be offset by a portion of the participant's account balance under the Retirement Plan. Accordingly, at such time as the participant becomes entitled to receive his or her retirement benefit under the Cash Balance SERP, a portion of his or her accrued account balance under the Retirement Plan will be applied as an offset to his or her Cash Balance SERP account. The remainder of that account will then be paid in a lump sum on the first business day of the seventh month following his or her separation from service.

The Cash Balance SERP also provides a death benefit should the participant die with a vested account balance. The amount of the death benefit will be calculated in the same manner as if

the participant had survived and will be payable in a lump sum to his or her beneficiary.
