Item 1. Security and Issuer

This Amendment No. 1 to Schedule 13D on the Common Stock of Post Holdings, Inc. (the "Issuer") is being filed on behalf of the undersigned to amend the Schedule 13D, as amended (the "Schedule 13D"), which was originally filed on September 19, 2014. Unless otherwise indicated, all capitalized terms used herein but not defined herein shall have the same meanings as set forth in the Schedule 13D.

Item 2. Identity and Background

Item 2 to Schedule 13D is amended, in pertinent part, as follows:

This statement is being filed by Mario J. Gabelli ("Mario Gabelli") and various entities which he directly or indirectly controls or for which he acts as chief investment officer. These entities engage in various aspects of the securities business, primarily as investment adviser to various institutional and individual clients, including registered investment companies and pension plans, and as general partner or the equivalent of various private investment partnerships or private funds. Certain of these entities may also make investments for their own accounts. The foregoing persons in the aggregate often own beneficially more than 5% of a class of equity securities of a particular issuer. Although several of the foregoing persons are treated as institutional investors for purposes of reporting their beneficial ownership on the short-form Schedule 13G, the holdings of those who do not qualify as institutional investors may exceed the 1% threshold presented for filing on Schedule 13G or implementation of their investment philosophy may from time to time require action which could be viewed as not completely passive. In order to avoid any question as to whether their beneficial ownership is being reported on the proper form and in order to provide greater investment flexibility and administrative uniformity, these persons have decided to file their beneficial ownership reports on the more detailed Schedule 13D form rather than on the short-form Schedule 13G and thereby to provide more expansive disclosure than may be necessary.

(a) The aggregate number of Securities to which this Schedule 13D relates is 2,144,268 shares, representing 4.10% of the 52,365,623. This latter number of shares is arrived at by adding the number of shares reported as being outstanding in the Issuer's most recently filed Form 10-Q for the quarterly period ended December 31, 2014 (52,343,009 shares) to the number of shares (22,614 shares) which would be receivable by the Reporting Persons if they were to convert all of the Issuer's Series B and Series C Cumulative Perpetual Convertible Preferred Stock held by them into common shares. The Reporting Persons beneficially

own those Securities as follows:
