Item 4. Purpose of Transaction

The following is added to Item 4:

On February 18, 2005, Telephone and Data Systems, Inc., a Delaware corporation (the "Issuer"), issued a press release announcing that it will distribute one Special Common Share in the form of a stock dividend for each outstanding Common Share and Series A Common Share of the Issuer, subject to shareholder approval of an amendment to the Issuer's Restated Certificate of Incorporation that would increase the authorized number of Special Common Shares from 20 million to 165 million. In its press release, the Issuer stated that the new Special Common Shares would provide the Issuer with greater strategic and financial flexibility and a more flexible capital structure, and that at some point in the future, the Issuer may make an offer to issue new Special Common Shares in exchange for all of the common shares of United States Cellular Corporation that are not owned by the Issuer. The Issuer stated that it currently owns approximately 82 percent of United States Cellular common stock.

Edgar Filing: TELEPHONE & DATA SYSTEMS INC /DE/ - Form SC 13G/A

Southeastern Asset Management, Inc. ("Southeastern") views the Issuer's announcement on February 18, 2005 as a positive step and, as a result, Southeastern advised the Issuer that (i) Longleaf Partners Fund ("Longleaf") is withdrawing its shareholder proposal for the Issuer's 2005 annual meeting, which was submitted to the Issuer pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended, (ii) Longleaf will not nominate any candidates to stand for election to the Issuer's board of directors at the Issuer's 2005 annual meeting, although Southeastern did suggest one board candidate to management of the Issuer for its consideration, and (iii) Southeastern and Longleaf support the Issuer's management in its efforts to rationalize the Issuer's capital structure. While Southeastern and Longleaf will continue to monitor their investment in the Issuer and reserve all rights that they may have with respect to such investment, including the right to nominate directors of the Issuer in the future, they are encouraged by the Issuer's recent actions and expect to work constructively with the Issuer's management to achieve recognition of the Issuer's value.

SIGNATURES

After reasonable inquiry and to the best of my knowledge and belief, I certify that the information set forth in this statement is true, complete and correct.
