Edgar Filing: TELEFONICA S A - Form 6-K

.- The Board of Directors, in its meeting held today November 24th, has agreed to submit to the next General Shareholders Meeting corresponding to fiscal year 2004, a proposal to distribute Telefonica S.A. treasury stock among its shareholders in the proportion of one (1) share for every twenty five (25) shares held. The distribution will be charged against paid-in capital reserves.

This decision responds to Telefonica's commitment to maintain an attractive shareholder remuneration policy and fits within the measures adopted by the company in July 23rd and October 10th, 2003, targeted to establish a multiyear remuneration framework in line with international best practices.

These commitments had set a minimum annual ordinary dividend of 0.40 euros per share for the period 2004 - 2006, complemented with an additional retribution of a minimum 4 billion euros share buy - back program to be implemented during the same timeframe.

Since then, Telefonica has been progressively increasing treasury stock to the levels of close to 55% of the aforementioned share buy-back program. Once approved by the next General Shareholders Meeting, the distribution will be charged against treasury shares.
