#### COLES MYER ACQUIRES HEDLEY HOTEL GROUP

Coles Myer today announced its acquisition of the Hedley Hotel Group, incorporating 36 hotels, 103 bottle shops and sites for an additional 17 1<sup>st</sup> Choice Liquor Superstores in Queensland.

Coles Myer CEO, John Fletcher, said the Hedley acquisition was in line with the company's strategic objective to substantially grow its liquor business through the roll out of 1<sup>st</sup> Choice Liquor Superstores. Including the Hedley sites, Coles Myer will have 72 sites ready for liquor superstore development, subject to the usual regulatory approvals.

"The acquisition of Hedley further strengthens our liquor business and we expect it to deliver Coles Myer market leadership in superstore liquor retailing in the fast-growing Queensland market," Mr Fletcher said.

"This acquisition will provide Coles Myer with quality assets in key locations."

Coles Myer's Food Liquor and Fuel Managing Director, Hani Zayadi, said the strategic approach to acquisitions - with the focus on maximising the creation of shareholder value ahead of buying market share - had delivered an outstanding asset.

Hedley has been acquired for \$306 million (excluding inventory). At least \$79 million of the purchase price will be taken in the form of Coles Myer shares with the balance in cash. The shares will be issued at the market price of Coles Myer shares at the time of completion. It is intended that as part of the company's capital management program an equivalent number of shares will be bought back on market.

The multiple paid for Hedley Hotel Group is in line with other CML hotel acquisitions and below recent major acquisitions within the market place.

Coles Myer Liquor Group Managing Director, Peter Scott, said the Hedley Hotel acquisition augmented the existing CMLG portfolio, in particular in northern Brisbane, and provided an entry into far north Queensland.

## Edgar Filing: COLES MYER LTD - Form 6-K

Located in Brisbane, the Gold Coast, Cairns, Townsville, Rockhampton and MacKay, Hedley Hotels has annual sales in excess of \$325 million. The acquisition will be earnings per share (EPS) positive in its first full year of operation.

"Queensland is the fastest growing state in Australia where CMLG has historically been under-represented in market share," Mr Scott said.

"The Hedley acquisition will more than double our existing hotel portfolio in Queensland and enable us to rapidly roll out our 1<sup>st</sup> Choice Liquor Superstores.

"The acquisition of Hedley will take the number of sites available nationally for 1<sup>st</sup> Choice development to 72, subject to licensing approval.

"We have already put two 1<sup>st</sup> Choice Liquor Superstores on the ground in Queensland and customer response has been excellent," Mr Scott said.

There are currently seven 1<sup>st</sup> Choice Liquor Superstores in Australia. Another ten are planned to open before July.

"We will continue our close relationship with the Hedley Group which will identify new site opportunities for Coles Myer," Mr Scott said.

The acquisition is contingent on usual conditions including regulatory approval. CML shareholder approval is not required for the transaction.
